(b.) All public and private schools within each district should be visited by a district fire chief or such officer as may be detailed by the district fire chief to assist in this work. School fire drills are to be held, and permission should be obtained for the presentation of a five-minute talk on the subject of fire and fire prevention at an assembly of the pupils. Such talks should not be read from any manuscript or printed pamphlet, but should be delivered directly by the district fire chief or by some uniformed member of the Fire Department capable of presenting such a talk effectively and promptly.

(c.) Home inspection blanks should be provided to various school principals or headmasters for distribution and collection by the teacher-fire councillor of the building. Collection of the filled-out home inspection blanks from teacher-councillors by the Fire Department is an important feature of the use of these forms and should not be neglected. A list of the schools from which such forms have been collected should be forwarded to the Fire Prevention Division on or before November 3.

(d.) Officers assigned by the district fire chief to deliver addresses in schools likewise should be assigned to attend Rotary Clubs, Kiwanis, Board of Trade, and other neighborhood and local organization functions, including women's club meetings in the district held during the week, or, if no meeting is scheduled during the week, to attend any meeting held during the month of October. Chief officers should know the various representative social organizations in the community and should keep a list of them for reference at such times when fire prevention messages of importance to the community are to be conveyed to such organizations quickly.

Throughout the week all fire fighters are to pay special attention to the observance of fire hazards and to the duty of observing and locating fire hazards along the route followed by them in their coming to and going from daily work. Dilapidated buildings, rubbish accumulations, and other hazards should be reported to the Fire Prevention Division. The public expects uniform members of the Fire Department to know something about fire prevention work and to have an interest in this subject, since they are public employees engaged in this field. Fire fighters, therefore, during Fire Prevention Week, should have this subject uppermost in their minds and they should not pass by any fire hazard at any time without making a note of it for reference to the Fire Prevention Division. In short, every uniform man in the Fire Department is a fire prevention inspector at all times.

An extensive program of radio and television broadcasts, news releases, store window displays, a parade, and public exhibitions has been arranged for Fire Prevention Week, notice of which will appear through the usual channels.

By order of Fire Commissioner Francis X. Cotter.

John V. Stapleton,
Chief of Department.

Special Order No. 74.

VETERANS' RETIREMENTS.

The Mayor has approved the following veterans' applications for retirements:

Michael Kaczka, 101 Lawrence avenue, Dorchester, laborer, Public Works Department.

Harry Dobkin (also known as Aaron Dobkin), 16 Sonoma street, Roxbury, laborer-watchman, Public Works Department.

William H. Meanix, 44 Halifax street, Jamaica Plain, master, English High School.

CONTRACTS AWARDED.

Permission to award the contracts for work, materials, and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

ADMINISTRATIVE SERVICES DEPARTMENT.

Purchasing Division.

Upon August 16 the Mayor approved a contract with U. S. Hoffman Machinery Corporation and the American Laundry Machinery Company for furnishing laundry equipment to the various city departments. The contract for Items 1 and 2 has been awarded to the U. S. Hoffman Machinery Corporation, the lowest acceptable bidder, at the prices indicated on the accompanying tabulation. The bid of the American Laundry Machinery Company, who was the lowest acceptable bidder on Item 3, was irregular owing to the fact that both copies of their bid were filed late. Authority has been given to reject all bids on this item and award a contract without public advertisement, to the American Laundry Machinery Company. All bids received on Item 4 have been rejected. Approximate total amounts of contracts will be as follows:

U. S. Hoffman Machinery Corporation, $9,720, less 2 per cent discount, time of payment; American Laundry Machinery Company, $30,660, less 2 per cent discount, time of payment.

Upon varying dates as indicated the Mayor approved contracts with commercial houses, contractors, and business organizations for furnishing labor, supplies, etc. Communications from heads of the departments interested were as follows:

Administrative Services Department.
Purchasing Division.

Boston, September 6, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

On July 27, 1955, bids for automotive equipment were publicly opened and read in this office.

On September 13, 1955, your Honor approved a letter of award for items on that bid with the exception of Items 25 and 31, which were to be awarded at a later date.

Authority is now requested to award a contract to the R. G. Hearn Company, Inc., 363 Albany street, Boston, Mass., for Item 31, calling for three rotary type air compressors, skid mounted, as per specifications. The R. G. Hearn Company, Inc., is the lowest acceptable bidder at a total delivered price of $8,820, after deducting $75 for three used units.

Approximate total amount of contract will be $8,820, less discount of $29.65 each unit.

Respectfully yours,

John V. Moran,
Purchasing Agent.

—

Boston, September 23, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

On August 24, 1955, your Honor approved a letter to award contracts to several companies for office and hospital furniture, on which bids were publicly opened and read in this office on June 29, 1955. Item 4 on this bid was not awarded at that time inasmuch as it was expected that this item would be purchased from Massachusetts Prison Commission. However, it has now been determined that Item 4 calling for 200 No. 1778-14 smoking room chairs, will not be purchased from this source.

It is now requested that permission be granted me to award a contract for this Item 4 to S. M. Levin Company, the lowest bidder on the publicly opened bid for office and hospital furniture on June 29, 1955.

Approximate total amount of contract will be $3,460, less 2 per cent discount, time of payment.

Respectfully yours,

John V. Moran,
Purchasing Agent.

—

Boston, September 26, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

This office is in receipt of several requisitions for rugs for Long Island Hospital Division. A representative from Long Island Hospital visited several companies to make selections. The rugs offered by the company of William E. Tully, doing business as William E. Tully & Son, were most satisfactory and best suited for use by Long Island Hospital Division.

Inasmuch as these rugs must be individually selected and inasmuch as this type of merchandise cannot be properly purchased by publicly advertising for prices, authority is requested to dispense with public advertisement and award a contract, without public advertisement, to William E. Tully, doing business as William E. Tully & Son, for seven rugs, 9 feet by 12 feet, at $131 each, and forty-five rugs, 27 inches by 54 inches, at $6.50 each, all as per specifications to be included in the contract and as selected by Long Island Hospital Division.

Approximate total amount of contract will be $1,230.50, net.

Respectfully yours,

John V. Moran,
Purchasing Agent.

—

Boston, September 28, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

This office is in receipt of a requisition No. 8458, from the Boston City Hospital for two sterilizers and another requisition, No. 46, from Long Island Hospital Division for one Sisk urological table, as manufactured by American Sterilizer Company.

Inasmuch as the above equipment is manufactured and sold direct by the American Sterilizer Company only, it is my opinion that no advantage would be gained by publicly advertising for bids.

Authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to American Sterilizer Company for two rectangular sterilizers at $5,515 each and one Sisk urological table at $2,388 for Long Island Hospital Division, as per specifications to be included in the contract.

Approximate total amount of contract will be $13,418, net.

Respectfully yours,

John V. Moran,
Purchasing Agent.

Boston, September 29, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

This office is in receipt of requisitions from the Fire Department for the immediate delivery of parts for Gamewell fire alarm equipment to the Fire Alarm Shop. Inasmuch as these parts are manufactured by the Gamewell Company and are only obtainable from this company, it is my opinion that no advantage could be gained by publicly advertising for prices.

Authority is therefore requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Gamewell Company for the following: Twenty only No. 6210 fire alarm tappers, M-1008-2, at $37.50 each; four only No. 5502 Gamewell fire alarm rectifiers, at $118 each.

Approximate total amount of contract will be $1,222, net.

Respectfully yours,

John V. Moran,
Purchasing Agent.

Department of School Buildings.

Boston, September 28, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

Due to the receipt of an unprecedented number of requisitions for trucking school building furniture and furnishings from building to building since April 1 of this year, as compared to previous years, I find that the amount of monies contracted for with Rodgers Motor Lines of Boston, Inc., 57 Wachusetts street, Jamaica Plain, for the trucking work is not sufficient to pay for the unanticipated increase in the volume of such work.

The increase in the volume of trucking work has been occasioned by the closing and the change in status of a number of school buildings, principally the establishment of Girls' Latin School in the building formerly occupied and recognized as Dorchester High for Girls and the establishment of a storage warehouse in the building formerly known as Girls' High School on West Newton street, all this involving changes in furniture to satisfy newly established conditions. Hence the following request:

That the advertised contract for trucking, negotiated by this department with Rodgers Motor Lines of Boston, Inc., for the period beginning April 1, 1955, and ending March 31, 1956, "in an amount not to exceed $30,000," predicated on our normal expenditures for this kind of work, be amended to read "in an amount not to exceed $40,000."

I would like to point out that this contractor performs its services in a highly satisfactory manner and that the existing rates which are to continue in effect are fair.

The additional amount of $10,000 necessary is available in the 1955 budget of this department.

Your consideration and approval is requested.

Respectfully yours,

James H. Mooney,
Superintendent of Construction.

EXTENSION OF CONTRACTS.

DEPARTMENT OF SCHOOL BUILDINGS.

Approval has been given for the extension of the time of completion of the contract approved September 7, 1955, with J. J. Finn Electrical Service for electrical work at various schools from September 30, 1955, to November 30, 1955. This extension was requested because of delay in receiving fixtures from manufacturer.

PARKS AND RECREATION DEPARTMENT.

William P. Capone Corporation has been granted an extension of time until October 15, 1955, for the completion of the contract for reconstruction of Park Drive, between Brookline avenue and Beacon street, Boston.

PUBLIC WORKS DEPARTMENT.

Approval has been given for the extension of the time of completion of the contract approved May 31, 1955, with McCulloch Manufacturing Company, 200 Old Colony avenue, South Boston, for furnishing labor to assemble about 25 12-inch gate valves and 100 8-inch gate valves to December 31, 1955. This extension was requested because some of the required castings were not available when needed.

POLICE DEPARTMENT ORDERS.

Police Commissioner.

General Order No. 2,108.

The following communication received from his Honor the Mayor is published for the information of the department:

City of Boston,
Office of the Mayor,
City Hall, September 22, 1955.

THOMAS F. SULLIVAN, *Commissioner*,
Boston Police Department, Police Headquarters, 154 Berkeley Street, Boston, Mass.

DEAR COMMISSIONER:

My compliments to the Police Department for the competent and efficient manner in which they carried out their assignments during all of the events connected with the 325th Anniversary celebrations on Saturday.

Both the officers and the patrolmen conducted themselves with such a smoothness and dignity that I couldn't but feel proud of them.

The manner in which they directed the public at the Library, Faneuil Hall, and at the parade and Common exercises was most impressive. I congratulate all concerned.

Sincerely,
J. B. HYNES, *Mayor.*

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

General Order No. 2,109.

The following transfers are hereby ordered to take effect on Friday, September 30, 1955, at 7.45 o'clock A.M.:

Lieut. Edmund F. Enos, from Division 4 to Traffic Division.

Patrolman Paul R. McLean, from Division 1 to Superintendent's Office.

Patrolman Walter E. Moore, from Division 4 to Division 19.

Patrolman Felice A. Pagliuca, from Division 16 to City Prison.

Patrolman Charles J. Shea, from Division 16 to City Prison.

Patrolman Harold B. O'Brien, from Traffic Division to Division 13.

Patrolman Alton L. McKenney, from City Prison to Division 16.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

General Order No. 2,110.

Acting under provisions of chapter 32, section 7, as amended (State-Boston Retirement System), the Boston Retirement Board has approved for retirement, on account of accidental disability, the following-named police officers, effective at the close of business on dates stated.

In view of this operation of law, after dates stated, the said police officers shall no longer be active members of this department, and it is hereby ordered that its records be so amended.

Patrolman Joseph Slade, Division 9, effective February 14, 1955.

Patrolman James L. Bowe, Division 16, effective September 30, 1955.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

General Order No. 2,111.

The Annual Ball of the Boston Police Relief Association will be held in the Boston Garden, Monday evening, December 5, 1955.

The proceeds of the ball, as members of the department know, are added to the funds of the association and are used for the payment of sick and death benefits to members of the association and their families, which funds, at the present time, are insufficient to meet the demands made upon the association.

It is the desire of the Commissioner, the Superintendent and the Board of Directors of the association that all members of the force interest themselves and make a special effort to dispose of the tickets for the ball, and thereby make it such a success that the finances of the association will be put on a sound basis, so that the good work accomplished by the association in assisting its members in time of sickness or death since it was organized in 1871 may be continued.

The tickets for the ball will be distributed to each station by the treasurer, Lieut. Harrington B. Wyand, Division 2, who will receive a receipt therefor. Captains of divisions will distribute the tickets to their officers and keep a correct list of the number of tickets given to each man. Each officer will make a daily return to his captain of the number of tickets he has sold, together with the name and address of the purchaser, and will return the money received to his captain.

All officers will be held strictly responsible for tickets allotted to them.

Captains will collect each day all money received by officers in the sale of tickets. This money will be converted into a check, made payable to Harrington B. Wyand, treasurer, B.P.R.A., and forwarded to the Superintendent by morning mail the following day. A correct list containing the ticket numbers, together with the names and addresses of purchasers of tickets, shall be kept on file at the various divisions. In this way it is expected that a complete canvass of the city will be made, and a substantial increase in the sale of tickets will be accomplished.

All tickets that remain unsold on December 6, 1955, will be collected by the captain of each division and returned to Lieutenant Wyand, who will furnish a receipt therefor.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

General Order No. 2,112.

Sergt. William A. Crane and Detectives Francis B. Johnson and Harold P. Davis of the Bureau of Criminal Investigation and Sergeant-Detective Leo W. Gannon of Division 19 are commended, and each is granted two days' additional vacation for outstanding police work.

As a result of a brutal murder of a liquor store proprietor in the Dorchester district, these officers were immediately assigned to investigate in an attempt to round up the guilty persons.

Acting upon only meagre information and descriptions, they succeeded in apprehending three youths who finally admitted, after tireless questioning, their guilt of this crime.

The Commissioner is pleased to recognize the outstanding police work performed by these officers who gave unstintingly of their time and efforts in solving this murder.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

CONSULATES IN ARREARS ON TAXES.

New York City reports that 12 foreign countries are in arrears a total of $116,985 in real estate taxes on 27 properties, most of them bought within the last 15 years as consulates and headquarters for United Nations delegations.

Nearly all of the defaulting governments claim the right to city realty tax exemption under treaties and international doctrines, but the city has refused to waive its claims. Total assessed valuation is $5,324,000, with $720,000 exempt from tax. Finland, the Netherlands, and Israel have kept their real estate accounts paid up to date.

The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 506, City Hall Annex. *There will be a charge of two dollars ($2), NOT REFUNDABLE, for each set of plans and specifications taken out.* If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 47 SATURDAY, OCTOBER 15, 1955. NO. 42

DR. DAVID S. SHERMAN, CHIEF RESIDENT PHYSICIAN AND EXECUTIVE ASSISTANT AT BOSTON SANATORIUM, NAMED SUPERINTENDENT AND MEDICAL DIRECTOR IN PLACE VACATED BY DEATH OF DR. MARY MOORE BEATTY.

Dr. David S. Sherman, chief resident physician and executive assistant at Boston Sanatorium, has been designated by the Trustees of Boston City Hospital, with the approval of his Honor the Mayor, as superintendent and medical director at Boston Sanatorium. This appointment is made to fill the vacancy caused by the death of Dr. Mary Moore Beatty on September 4, 1955. Dr. Sherman will receive $10,000 a year and will occupy the superintendent's house at the Sanatorium.

Dr. Sherman was born on December 12, 1910, at Attleboro, Mass., where he attended local schools and the Attleboro High School. He graduated from Colby College, receiving the degree of Bachelor of Science in 1933. He graduated from Boston University School of Medicine with a degree of M.D. in 1937. He served for nine months as resident physician at the Boston Sanatorium, following which

NEW PUBLIC HIGHWAY TO BE CONSTRUCTED IN DORCHESTER TO BE NAMED TANGLEWOOD ROAD — PUBLIC IMPROVEMENT COMMISSION MAKES ANNOUNCEMENT.

The Public Improvement Commission has voted to lay out and construct Churchill place in Dorchester as a public highway, from Washington street approximately 200 feet westerly, and to name it Tanglewood road. Notice to that effect has been issued, and the work will begin immediately. Notice of the intention reads as follows:

IN PUBLIC IMPROVEMENT COMMISSION OF THE CITY OF BOSTON, JULY 6, 1955.

Ordered, That due notice be given that this commission is of the opinion that in said city a public improvement should be made, consisting of the laying out and construction of Churchill place, Dorchester district, as a public highway, from Washington street approximately 200 feet westerly, with the name of Tanglewood road or some other distinctive name, substantially as shown on a plan in the office of this commission; that it intends

NATIONAL, CITY, AND STATE OFFICIALS SHARE IN EXERCISES DEDICATING THE NEW SPIRE AT OLD NORTH CHURCH AND BANQUET THAT FOLLOWED — ALL EXPRESS THANKS FOR CONTRIBUTIONS WHICH MADE RESTORATION POSSIBLE AFTER DESTRUCTION BY HURRICANE IN AUGUST OF LAST YEAR.

Mayor John B. Hynes, Governor Herter, Bishop Norman B. Nash, William Phillips, former ambassador and president of the Lantern League, Vicar Charles Russell Peck, and other dignitaries representing the city, state, and nation joined in ceremonies dedicating the restored steeple at the Old North Church and the banquet which followed in the evening on October 12. The steeple, which fell during the hurricane of August 31 of last year, was restored and rebuilt in accordance with the original architectural specifications.

More than 350 leaders of city, state, and nation filled the white box pews in the candle-lit vaulted interior in an hour's dedicatory service. They gave thanks in the patrician structure for the restoration of the historic steeple of the city's oldest church structure, which dates back to 1723.

The service of thanksgiving for this third of the spires where the "frightened but courageous sexton" showed the two lanterns of American liberty was also shared by former Ambassador William Phillips, president of the Lantern League.

These exercises were followed by a state dinner at the Algonquin Club where Gen. Carlos Izaguirre Valladares, Honduran ambassador to the United States, symbolized the Honduran merchants whose logwood trade built the first spire in 1740, and Assistant Secretary of State Henry F. Holland told of Honduran contributions to American hurricane victims today.

The memory of silversmith Paul Revere lived again in the presentation to Ambassador Izaguirre Valladares of a sterling silver tray from the Lantern League, trustees of the shrine, and in the presence of John Revere Chaplin, Boston investment banker and great grandson of the courier of 1775.

"Those gentlemen from Honduras did something else besides build a beautiful steeple," the Latin envoy declared of the eighteenth-century logwood (source of colonial dye) deals. "They became pioneers of a connection between Boston and my country which will endure forever."

"It is the spire loved as a landmark, a finger pointing upward towards God, and a symbol of American liberty," the Right Reverend Norman B. Nash, Episcopal Bishop of Massachusetts, declared.

Henry F. Holland, State Department official, brought the connection up to date in an address at the gathering at the Algonquin Club after the exercises.

"Julio Lozane, chief of state of the Republic of Honduras, has just presented the American ambassador with $25,000 to aid hurricane victims in the United States," he told the *Herald*. "This represents the aggregate of hundreds of thousands of small contributions from the Honduran people."

NEW HIGHWAY FOR DORCHESTER DISTRICT.

(*Continued from page 1213.*)

to pass an order for making said improvement; and that it appoints 10 o'clock A.M. of July 20, 1955, and the office of this commission as the time and place for a public hearing in the matter.

A true copy of an order passed by said commission on said day.

Attest:

MICHAEL J. CORRAO, *Secretary.*

IN PUBLIC IMPROVEMENT COMMISSION OF THE CITY OF BOSTON, OCTOBER 5, 1955.

Ordered, That this commission, having passed the order of notice relating to the public improvement hereinafter described, and having caused a copy of said order to be published July 8 and 9, 1955, and July 11 and 12, 1955, in the Boston *American* and the Boston *Herald,* two daily newspapers published in the City of Boston, and having given the public hearing, notice of which was given in said order, and being of the opinion that public convenience so requires, does hereby order the making in said city of the public improvement shown on a plan, marked "City of Boston, Tanglewood Road, Dorchester, September 26, 1955, George G. Hyland, Commissioner of Public Works," deposited in the office of the Survey Division, Public Works Department, of said city, and named, bounded, and described as follows:

The highway named Tanglewood road is hereby laid out, from Washington street approximately 200 feet westerly, and ordered constructed.

Said highway and the land, exclusive of trees, shrubs, or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Northeasterly by the southwesterly line of Washington street, twenty-two and 00/100 feet; southeasterly by the southeasterly line of Tanglewood road as hereby laid out, one hundred eighty-five and 73/100 feet; southwesterly by the southwesterly line of Tanglewood road as hereby laid out, twenty-two and 00/100 feet; and northwesterly by the northwesterly line of Tanglewood road as hereby laid out, one hundred eighty-five and 54/100 feet.

Trees, shrubs, or structures standing upon or affixed to the aforedescribed land shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this commission estimates that the abutting parcels of land situated on both sides of Tanglewood road will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on a plan marked "City of Boston, Tanglewood Road, Dorchester, September 26, 1955, George G. Hyland, Commissioner of Public Works," and on file in the office of this department.

Voted, That this commission determines that no person sustains damages in their estate by the making of the public improvement consisting of the laying out and construction of Tanglewood road (formerly Churchill place), Dorchester district, as a public highway, from Washington street approximately 200 feet westerly, under the order of this commission of October 5, 1955, and awards no damages therefor.

SUPERINTENDENT NAMED FOR BOSTON SANATORIUM.

(*Continued from page 1213.*)

he served as intern on the Fifth Medical Service at Boston City Hospital for eighteen months, after which he served as resident physician on the same service for two years.

In January, 1942, Dr. Sherman returned to the Boston Sanatorium as resident surgeon, receiving promotions at various times until April 26, 1950, when he was named chief resident physician and executive assistant, in which position he served until Dr. Beatty's death, at which time he was designated acting superintendent.

He has been an instructor in medicine at the Boston University School of Medicine since 1942. He is a diplomate of the National Board of Medical Examiners. He is a junior visiting physician on the Fifth and Sixth Medical Services at the Boston City Hospital. He is a member of the Massachusetts Trudeau Society and served as secretary from 1950 to 1955.

He has been a fellow of the American College of Chest Surgeons since 1945. He has been a member of the American Trudeau Society since 1945 and has been a member of the Society's National Advisory Board since 1953. He is a fellow of the Massachusetts Medical Society and the American Medical Association.

Dr. Sherman has been associated with the Boston Health Department's Tuberculosis Association program during the past six years. He was a draft board physician during the war. He is a lecturer on tuberculosis at the Boston City Hospital School of Nursing. He has been physician to Boys' Clubs in Roxbury and in South Boston since 1949.

NEW SPIRE DEDICATED AT THE OLD NORTH CHURCH.

(*Continued from page 1213.*)

At the hushed, exalted church service at twilight, Governor Herter for his committee, consisting of Mayor Hynes and Paul F. Clark, and former Ambassador William Phillips for the Lantern League gave thanks for the more than $150,000 collected from every state in the union, the provinces of Canada, and foreign countries.

Assisting in the service were the Reverend Charles Russell Peck, vicar of Old North Church, and the Harvard University Choir, directed by Professor G. Wallace Woodworth, choirmaster.

CONSTRUCTION WORK.

PUBLIC WORKS DEPARTMENT.

The Mayor has approved, on recommendation of the Corporation Counsel, the following construction work:

A 24-inch pipe surface drain in Barry street and Business street, between River street and 120 feet south of Elm place, in the Hyde Park district, at an estimated cost of $20,000.

AMENDMENTS TO ORIGINAL AWARDS OF DAMAGES.

The Public Improvement Commission has voted as follows:

That the amount of $1,400 be, and the same hereby is, awarded to Kathleen M. Dolan for all damages sustained under the order of the Board of Street Commissioners and Mayor of July 20, 1953, for the widening and relocation of Dorchester avenue, Dorchester district.

That the amount of $450 be, and the same hereby is, awarded to Robert L. and Esther L. Dunn for all damages sustained under the order of the Board of Street Commissioners and Mayor of June 22, 1953, for the laying out and construction of Bateman street, Hyde Park district.

That the amount of $275 be, and the same hereby is, awarded to William and Alba C. Abbondanzio for all damages sustained under the order of the Board of Street Commissioners and Mayor of November 16, 1953, for the laying out and construction of Abby road, Brighton district.

That the amount of $350 be, and the same hereby is, awarded to Thomas H. and Ann H. McHale for all damages sustained under the order of the Board of Street Commissioners and Mayor of March 27, 1953, for the laying out and construction of Oakmere street, West Roxbury district.

That the amount of $175 be, and the same hereby is, awarded to Louis and Rose L. Shapiro for all damages sustained under the order of the Board of Street Commissioners and Mayor of September 28, 1953, for the laying out and construction of Ledgewood road, West Roxbury.

That the amount of $138.44 be, and the same hereby is, awarded to Martin M. and Matilda Levin for all damages sustained under the order of the Board of Street Commissioners and Mayor of September 28, 1953, for the laying out and construction of Cricket Lane, West Roxbury.

TRAFFIC COMMISSION RULINGS.

Voted, That as urgently required by considerations of public safety and convenience, during the period of emergency gas main repairs, estimated to be five (5) days, parking of vehicles is prohibited in the following street, when and where official signs are in place, effective October 10, 1955:

Hemenway Street, Roxbury.
Both sides, from Boylston street to Norway street.

MILK INSPECTION.

The people of Boston are drinking a high quality milk that is good as well as safe. Results of bacteriological examinations of samples taken of milk—pasteurized, the poorest quality of milk sold in Boston, contained an average of less than 5,000 colonies of bacteria in one cubic centimeter. This average is more than twice as good as that prescribed for Grade A milk by the Commonwealth of Massachusetts and more than five times as good as the requirements of the United States Public Health Service Code. Grade A milk sold in Boston averaged about 1,000 colonies of bacteria in one cubic centimeter.

WITHOUT ADVERTISING.

Upon varying dates as indicated the Mayor approved contracts with commercial houses, contractors, and business organizations for furnishing labor, supplies, etc. Communications from heads of the departments interested were as follows:

ELECTION DEPARTMENT.

BOSTON, October 3, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR SIR:

The Board of Election Commissioners respectfully requests that permission be given them to award the contract for printing ballot labels for voting machines and paper ballots for the coming city election to the firm of Wright & Potter Printing Company, 32 Derne street, Boston, without advertising for bids, at the following prices:

50,000 official paper ballots (46 precincts), including specimen ballots (10 for each precinct), boxed in open window cartons, $1,475.05.*

24,400 "challenged ballots" (100 for each of the 244 voting machine precincts), printed "Challenged Ballot" in red ink across filing, boxed in open window cartons, $348.75.

*In the event that additional ballots are necessary in excess of 50,000, ballots will be supplied at the rate of $8.90 per M.

Voting machine cards and specimen ballots for 244 precincts (3 cards each for 718 Shoup and 700 automatic voting machines), with 10 specimen ballots for each precinct, $5,087.50.

20,000 absent voters' ballots (290 precincts), $770.95.

20,000 war ballots (290 precincts), $770.95.

Total, $8,453.20.

The ballots for the coming city election will contain 290 precinct changes and 22 ward changes in the make-up. Great care will be required on the part of the printer, as the time for printing such ballots and ballot labels and making a delivery to this office is very limited.

The Wright & Potter Printing Company is the only printing concern especially equipped to do this work, having printed the state and City of Boston ballots for a long period of years. For this reason, and to safeguard the voters of the city as far as possible against error, this request is made.

Respectfully yours,

BOARD OF ELECTION COMMISSIONERS,
DAVID LASKER, *Chairman.*

ADDITIONS TO CONTRACT.

DEPARTMENT OF SCHOOL BUILDINGS.

Faneuil Construction Company has been ordered to make the following addition to the contract for the Peter Faneuil School:

Refinish six ceilings on top floor and stairway ceilings on top floor. Repaint two classrooms on top floor. Damage was caused by torrential rains.

For this additional work the sum of $650 will be added to the contract, making the account as follows: contract price, $6,485; total additions, $650; amount of contract, $7,135.

H. Piken Company has been ordered to make the following addition to the contract for the Roslindale High School:

Upon the completion of the washing of the unpainted walls of the auditorium, speckle all cracks in the walls that are large enough to receive fill without cutting, apply one coat of sealer and flat paint, and, when all is thoroughly dried, apply a second coat of flat enamel of a color selected by the Superintendent.

For this additional work the sum of $1,300 will be added to the contract, making the account as follows: contract price, $12,100; total additions, $1,300; amount of contract, $13,400.

EXTRA WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

Dooley Brothers, Inc., has been directed to perform the following extra work under the contract dated October 21, 1954, for bituminous concrete pavement in A street, from Dorchester avenue to Congress street:

At 19A A street remove slate cover on areaway in sidewalk, brick up opening in foundation wall and backfill with gravel, including all incidental work.

Estimated cost of extra work, $100.

S. J. Tomasello Corporation has been directed to perform the following extra work under the contract dated June 20, 1955, for bituminous concrete pavement in Ardale street, Bellaire road, Cerdan avenue, Colby road, Corey street, Farquhar street, Maple street, and Pinehurst street:

In existing backfilled trenches over lighting conduits excavate earth to a depth of 6 inches, remove pavement for a distance of 6 inches on each side, and place a 6-inch concrete mat flush with existing pavement. A 6-inch shoulder shall be provided around the perimeter of all openings to insure a bearing on undisturbed soil for the concrete mat. High early strength Portland cement shall be used in the concrete mat, and the work is to be done by compressor and hand labor. Price to be paid for each square yard of concrete furnished and laid, the sum of $5. Ardale street, approximately 42.8 square yards; Farquhar street, approximately 51.6 square yards; Maple street, approximately 7.2 square yards—total, 101.6 square yards at $5.

Estimated cost of extra work, $508.

OMIT AND SUBSTITUTE WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

Charles Todesca has been directed to omit and substitute the following work under the contract dated August 1, 1955, for bituminous concrete pavement in Balfour street, Davern avenue, Everton street, Humes road, Juliette street, Mt. Ida road, Peacevale road, Peverell street, Templeton street, Torrey street, Wilmington avenue, and Woodcliff street:

In Humes road, omit the furnishing and laying of approximately 35 tons of bituminous concrete base for sidewalks at $11 per ton and the furnishing and laying of approximately 35 tons of bituminous concrete wearing surface for sidewalks at $11 per ton; substitute the furnishing and laying of approximately 4,500 square feet of artificial stone sidewalks at 38 cents per square foot.

Estimated cost of substituted work, $1,710; estimated cost of omitted work, $770; estimated increase in cost, $940.

TRANSFERS OF APPROPRIATIONS.

The Mayor has approved the following requests for transfers of appropriations:

FINANCE COMMISSION.

From 499, Current Charges and Obligations (Not Otherwise Classified), $75, to 593, Library, $75.

EXTENSION OF CONTRACTS.

DEPARTMENT OF SCHOOL BUILDINGS.

Approval has been given for the extension of the time of completion of the contract with John N. Kennedy Company, Inc., for interior and exterior painting, including fire escapes, at the Chapman

School from September 10, 1955, to November 1, 1955. This extension was requested due to leak in roof over auditorium ceiling and lack of skilled help.

—

Approval has been given for the extension of the time of completion of the contract approved August 4, 1955, with R & F Painting Company for interior and exterior painting at the Joshua Bates School from September 30, 1955, to October 31, 1955. This extension was requested because of difficulty in obtaining skilled help.

—

Approval has been given for the extension of the time of completion of the contract approved August 8, 1955, with H. Piken Company for interior and exterior painting at the Roslindale High School from September 30, 1955, to November 15, 1955. This extension was requested because the work was delayed on account of school being in session and additional work.

—

Approval has been given for the extension of the time of completion of the contract with City Building Wrecking Company for razing of W. C. Bryant School building, from September 8, 1955, to October 31, 1955. This extension was requested because, due to work on hand prior to this contract, work has been delayed on razing of this building.

—

Approval has been given for the extension of the time of completion of the contract approved August 4, 1955, with Warner W. Walsh for interior and exterior painting at the East Boston High School from September 30, 1955, to November 15, 1955. This extension was requested because work was delayed on account of school being in session.

DEPARTMENT OF SCHOOL BUILDINGS.

Approval has been given for the extension of the time of completion of the contract, approved August 16, 1955, with Arthur H. Curtis Company for furnishing and installing new oil burners in the Hyde Park High School from September 15, 1955, to December 15, 1955. This extension was requested because of delay in receiving materials from their source because of recent flood conditions.

PARKS AND RECREATION DEPARTMENT.

William P. Herlihy has been granted an extension of time until November 1, 1955, for the completion of the contract for constructing a new play area at Franklin Field, Dorchester.

PUBLIC WORKS DEPARTMENT.

Approval has been given for the extension of the time of completion of the contract dated April 1, 1955, with Defina & Sons, 14 Liberty street, Waltham, for reinforced concrete retaining wall and chain link fence in Westglow street from September 1, 1955, to October 15, 1955. This extension was requested because the contractor was delayed by the recent flood rain.

—

Approval has been given for the extention of the time of completion of the contract dated July 1, 1955, with Baker & Co., Inc., 3475 Washington street, Jamaica Plain, for bituminous concrete pavement in Neponset avenue, from Adams street to Neponset traffic circle, from September 30, 1955, to October 22, 1955. This extension was requested because the State Department of Public Works voted to extend the time limit on the work.

PROCEEDINGS OF CITY COUNCIL.

Monday, October 3, 1955.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 2 P.M., Senior Member KERRIGAN in the chair. Absent Councillors Hurley and White.

The Reverend Joseph F. Donovan of St. Ambrose Catholic Church, Dorchester, was escorted to the rostrum.

Coun. AHEARN in the chair.

INVOCATION BY REV. JOSEPH F. DONOVAN.

We pray Thee, O God of might, wisdom, and justice, through whom authority is rightly administered, laws are enacted, and judgments decreed, assist with Thy holy spirit of counsel and fortitude these men, that their administration may be conducted in righteousness and be eminently useful to Thy people over whom they preside, by encouraging due respect for virtue and religion, by a faithful execution of laws in justice and mercy, and by restraining vice and immorality.

Let the light of Thy divine wisdom direct their deliberations and shine forth in all their proceedings so that they may tend to the preservation of peace, the promotion of happiness, the increase of industry and sobriety, and may perpetuate to us the blessings of equal liberty under God. Amen.

At the request of Chairman AHEARN, a prayer was offered for the speedy recovery to good health of the President of the United States.

The meeting was opened with the salute to the Flag.

On motion of Councillor Piemonte, State Representative Michael A. Porrazzo was escorted to the rostrum.

APPOINTMENTS BY THE MAYOR.

Subject to confirmation by the Council, the Mayor submitted the following appointments:

Constable with authority to serve civil process upon filing of bond for the term ending April 30, 1956: Allen E. Silver, 1451 Blue Hill avenue, Mattapan.

Weighers of Coal for the term ending April 30, 1956: Myron Wilensky, 40 Mattapan street, Mattapan; Eva Beggelman, 153 Paris street, East Boston.

Severally referred to the Committee on Confirmations.

CONTINGENT FUND FOR PAYMENT OF RETROACTIVE WAGES UNDER THE CLASSIFICATION AND COMPENSATION PLAN FOR CITY EMPLOYEES.

The following was received:

City of Boston,
Office of the Mayor, September 28, 1955.

To the City Council.

Gentlemen:

I transmit herewith communication from the Supervisor of Personnel relative to your order of August 29, 1955, concerning a setting up of a contingent fund for retroactive wages covering appeals by employees to the Compensation Review Board.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Administrative Services Department,
September 26, 1955.

Mr. Harold B. Flemming,
Chief Clerk, Mayor's Office.

Dear Sir:

This is in relation to the order passed by the City Council on August 29, 1955, which reads as follows:

"Ordered, That the administration of the Municipal Compensation Plan be administered so that each category of employees to whom an adjustment in wages is granted be paid retroactive wages from the date of their appeal to the Compensation Review Board.

"That a contingent fund be set aside each year to pay such retroactive wages as each appeal is determined by the Compensation Review Board."

I recommend against the adoption of the proposed order for the reason that there is no occasion for the contingent fund recommended inasmuch as wage increases granted by the Compensation Review Board are to their express terms and take effect only after the date of the approval of such wage increases by the Mayor. Substantial constitutional questions would arise were any other procedure adopted.

Respectfully,
JOHN A. SULLIVAN,
Supervisor of Personnel.

Referred to the Executive Committee.

CHANGE OF GRADE IN CLASSIFICATION AND COMPENSATION PLAN FOR SERGEANTS AT SUMNER TUNNEL.

The following was received:

City of Boston,
Office of the Mayor, September 28, 1955.

To the City Council.

Gentlemen:

I transmit herewith communication from the Supervisor of Personnel, concerning your order of September 12, 1955, relative to steps being taken to amend the Classification and Compensation Plan for sergeants at the Sumner Tunnel from Grade 18 to Grade 22.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Administrative Services Department,
September 26, 1955.

Mr. Harold B. Flemming,
Chief Clerk, Mayor's Office.

Dear Sir:

In relation to the attached order passed by the City Council on September 12, 1955, "that his Honor the Mayor be requested to take immediate steps to amend the Classification and Compensation Plan for sergeants at the Sumner Tunnel from Grade 18 to Grade 22," I would suggest that the employees involved take advantage of Rule 14 of the Rules for Administering the Compensation Plan for city employees. This rule reads as follows:

"Any employee aggrieved by the grade allocation of his or her position in the salary schedule, or in the application of these rules to his or her case, may request consideration of the facts by the Compensation Review Board. This Board shall consist of three members to be appointed by the Mayor. From time to time the Board may recommend to the Mayor changes in individual grade allocations and amendments or revisions in the rules of the plan."

Respectfully,
JOHN A. SULLIVAN,
Supervisor of Personnel.

Referred to the Executive Committee.

Coun. PIEMONTE moved that the City Clerk be instructed to request the Director of Administrative Services to furnish each of the affected personnel a copy of the foregoing letter at the earliest possible convenience.

The motion was carried.

ESTABLISHMENT OF RECREATION CENTER AT QUINCY STREET SCHOOL SITE.

The following was received:

City of Boston,
Office of the Mayor, September 28, 1955.

To the City Record.

Gentlemen:

I transmit herewith communication from the Commissioner of Parks and Recreation relative to your order of September 19, 1955, concerning the establishing of a recreation center and play area on the site of the Quincy Street School.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Parks and Recreation Department,
September 26, 1955.

Mr. Harold B. Flemming,
Chief Clerk, Mayor's Office.

Dear Sir:

This will acknowledge memo from your office with attached order from Councillor McCormack requesting that the Parks and Recreation Department establish a recreation center and play area on the site of the former Quincy Street School, at the corner of Stanley street, Dorchester.

At this writing this property is in the custody of the School Department. It is contemplated that in the near future it will be transferred to the Parks and Recreation Department.

We will endeavor to arrange for funds in the 1956 budget for the development of this particular area.

Very truly yours,
FRANK R. KELLEY, Commissioner.

Placed on file.

SALE OF PIGS BY PENAL INSTITUTIONS DEPARTMENT.

The following was received:

City of Boston,
Office of the Mayor, September 22, 1955.

To the City Council.

Gentlemen:

I transmit herewith communication from the Penal Institutions Commissioner relative to the approval of your Honorable Body for the public sale of one hundred pigs at the House of Correction, Deer Island, that are surplus.

Respectfully
J. B. HYNES, Mayor.

City of Boston,
Penal Institutions Department,
September 21, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Sir:

This department has a surplus of one hundred pigs at the House of Correction, Deer Island, which we would like to sell. These pigs weigh about one hundred pounds each, a total of ten thousand pounds.

At the present market price the City of Boston should receive approximately $1,500 from this sale. If approved, it is our intention to advertise this sale in the "City Record" and sell to the highest bidder, with a representative of the Sealer of Weights and Measures Department to supervise the weighing

Authority by the City Council and your Honor's approval of this public sale is respectfully requested.

Very truly yours,
Edward L. Friel,
Penal Institutions Commissioner.

Ordered, That the Penal Institutions Commissioner is hereby authorized to sell to the highest bidder one hundred surplus pigs at the House of Correction, Deer Island.

Referred to the Executive Committee.

RETROACTIVE PAY IN CERTAIN CASES UNDER THE COUNTY CLASSIFICATION AND COMPENSATION PLAN.

The following was received:

City of Boston,
Administrative Services Department,
September 26, 1955.

To the City Council.

Gentlemen:

This is in relation to the order introduced in your Honorable Body on August 29, 1955, and referred on said date by your Honorable Body to me, and which would amend the County Compensation Plan so as to include a provision "that an independent contingent fund be established within the county service for the payment of retroactive sums to those categories of county employees to whom an adjustment in wages is temporarily denied because of administrative reasons not directly bearing on the question of the merit and justification of the wage increase."

I recommend against the adoption of the proposed order for the reason that a contingent fund like that suggested cannot be established by an amendment to a compensation plan but only by an order suitably initiated and appropriating funds for the purpose specified. That is to say the only kind of an order which can establish a fund for the payment of retroactive wages is an appropriation order initiated and passed in the usual manner of such orders.

Respectfully,
John A. Sullivan,
Supervisor of Personnel.

The report of the Supervisor of Personnel and the order were referred to the Executive Committee.

PROPOSED AMENDMENTS TO COUNTY CLASSIFICATION AND COMPENSATION PLAN.

The following was received:

City of Boston,
Administrative Services Department,
September 26, 1955.

To the City Council.

Gentlemen:

This is in relation to the order introduced in your Honorable Body on August 29, 1955, and referred on said date by your Honorable Body to me in accordance with G. L. (ter. ed.) c. 35, s. 56, in that it would amend an order submitted by me to your Honorable Body on August 1, 1955, amending Schedule B of the Compensation and Classification Plans for the Officers and Employees of Suffolk County.

Unlike the classifications involved in my recommendations which are limited to the Jail and the House of Correction, the classifications which would be affected by the above-mentioned proposed order are, with minor exceptions, general classifications applying to all county officers and not simply the Jail and the House of Correction. In making this statement I take it that "clerk and stenographer," "motor equipment operator," and "institution industries supervisor" were respectively intended where "stenographer," "motor vehicle operator," and "industries supervisor" were used, and that the order will be corrected accordingly before further action is taken upon it.

Adoption of the above revised order as so amended thus means that all holders of all classifications named therein would be entitled to the proposed increases irrespective of what county department in which they served. In my opinion such a change as proposed would warrant city employees similarly classified in expecting similar

increases, for, as now established, the County Compensation Plan and the City Compensation Plan are closely correlated.

We are now surveying all positions in the County Plan other than the officer personnel at the Jail and the House of Correction, and I am of the opinion that no further changes should be made until the result of this survey is known, which should be in the near future.

Accordingly I urgently recommend that your Honorable Body NOT adopt the order referred to me by your Honorable Body on August 29, 1955.

Respectfully,
JOHN A. SULLIVAN,
Supervisor of Personnel.

The report of the Supervisor of Personnel and the order were referred to the Executive Committee.

NOTICE OF INTEREST IN CONTRACT.

Notice was received from Mary W. Cauley, Director, Department of Home Economics, School Department, of interest in sale of textbook authorized for use for Grade VII by the School Committee.

King, a member of the Fire Department, for indemnification for hospital, surgical, medical, and nursing expenses incurred as a result of an injury received through no fault of his own while in the performance of his duty on July 6, 1954, there be allowed and paid, as recommended by the Fire Commissioner and approved by the Corporation Counsel, to the following the amount stated:

Ronald A. Mertens, M.D.	$15 00

said amount to be charged to the appropriation for Executions of Court, Damage Claims and Reimbursements.

The reports were accepted, and the orders were severally passed.

REPORT OF COMMITTEE ON LICENSES.

Coun. HAILER, for the Committee on Licenses, submitted the following:

1. Report on applications (referred August 29) for commercial use shellfish permits for William A. McDonald and Anthony J. Ferragamo—recommending that permits be granted.

2. Report on application (referred September 12) for commercial use shellfish permit for Frank J. Sidorowicz—recommending that permit be granted.

3. Report on applications (referred September 19) for commercial use shellfish permits for Barry M. Grant, Warren C. French, Jr., William Fullerton, Joseph Kearney, Dorrance Lincoln—recommending that permits be granted.

The reports were accepted, and the licenses were severally granted under the usual conditions.

EMERGENCY SESSION OF LEGISLATURE ON AUTO INSURANCE RATES.

Coun. AHEARN offered the following:

Whereas, The present method of determining automobile insurance rates in the Commonwealth of Massachusetts has now been demonstrated by actual practice to be both unfair and unsound; and

Whereas, The recent announcement of the institution of additional surcharges based on an assessment of points greatly magnifies the injustices of our compulsory insurance system; now, therefore, be it

Resolved, That the City Council of Boston in meeting assembled hereby goes on record as being strongly opposed to the present method of insurance rate determination and surcharges based on the assessment of points; and be it further

Resolved, That his Excellency the Governor is hereby respectfully petitioned by the City Council of Boston to summon an emergency session of the Great and General Court to review the whole matter of insurance rates with a view to the introduction and passage of legislation to give relief from the present inequitable system, which is manifestly unfair and grossly unjust.

Coun. HAILER in the chair.

Coun. PIEMONTE in the chair.

On motion of Councillor McLaughlin, the foregoing resolution was referred to the Executive Committee.

ELECTION IN FIRE DEPARTMENT TO DETERMINE BARGAINING UNIT.

Coun. AHEARN offered the following:

Whereas, It is fitting and proper that workers should be allowed to organize themselves into unions for the protection of their rights and for the fostering of better working conditions; and

Whereas, In private industry the method of determining a proper bargaining unit is by a duly authorized election; now, therefore, be it

Resolved, That his Honor the Mayor is hereby requested to direct the Fire Commissioner to plan, conduct, and direct an election within 30 days from passage of this resolve among the members of the Boston Fire Department for the purpose of determining a bargaining unit in the Fire Department which shall represent employees of the Boston Fire Department and be the official spokesman of said employees in the matter of all grievances concerning wages, hours of labor, and conditions of employment.

The resolution was adopted under suspension of the rules.

TEMPORARY APPOINTMENT, CLERK OF COMMITTEES DEPARTMENT.

COUN. AHEARN offered the following:

Ordered, That effective October 5, 1955, Frances Winn be, and she hereby is, appointed in the service of the Clerk of Committees Department to the position of temporary stenographer-clerk until the fourth Wednesday of October, 1955, at a salary of $72.66 per week, to fill the vacancy caused by the resignation of Mary E. Flynn.

Passed under suspension of the rules.

LEGISLATION FAVORING REPEAL OF COMPULSORY AUTOMOBILE INSURANCE.

Coun. PIEMONTE offered the following:

Whereas, The newly announced compulsory automobile rates give reiterated evidence of the inequities and injustices of the Massachusetts compulsory automobile insurance, especially as it reflects on Boston automobile owners; now, therefore, be it

Resolved, That the Corporation Counsel of the City of Boston be, and is hereby, requested to file legislation repealing the present system of compulsory auto insurance; and be it further

Resolved, That the Legislative Counsel for the City of Boston be instructed to favor legislation to repeal the present discriminatory and confiscatory system of compulsory automobile insurance.

On motion of Councillor McLaughlin, the resolution was referred to the Executive Committee.

STUDY BY CITY PLANNING DEPARTMENT OF MTA PROBLEMS

Coun. FOLEY offered the following:

Whereas, The present fare increase on the MTA system is a strong blow to the economy of downtown Boston; and

Whereas, Daniel Bloomfield, executive secretary of the Boston Retail Trade Board, has taken the position that Boston economy is better served by the operation of the MTA system at a deficit with a lower fare schedule than by continual raising of the fare; and

Whereas, So long as Boston's boundaries are confined to the present narrow geographical area, it will be found that on occasions its economic interests will be in conflict with those of Greater Boston; and

Whereas, The Boston City Council on April 18, 1955, requested a survey by the Planning Department of the effects on the economy of political Boston as distinguished from metropolitan Boston; and

Whereas, Because of the historical concentration of valuable commercial property in downtown Boston, Boston is far more dependent on a concentrated area than any other city in the United States; be it therefore

Resolved, That the Boston City Council restates its firmly held belief that a survey of the economic relationship of the MTA system and the downtown business area in Boston is urgently needed; that such a survey would be quite a different and distinct study from a general study of the metropolitan mass transportation problem; and be it further

Resolved, That such a study will, in the very nature of things, be made only by the Boston City Planning Board and Department and by no other agency; and be it further

Resolved, That until such a study is realistically made it will be difficult if not impossible to develop firm policy for political Boston concerning the MTA system.

Coun. AHEARN in the chair.

The foregoing resolution was adopted under suspension of the rules.

INVITATION TO WILLIAM BIRD OF GREATER BOSTON CHAMBER OF COMMERCE TO ADDRESS COUNCIL.

Coun. PIEMONTE offered the following:

Whereas, The Boston City Council has always encouraged individual citizens and civic organizations to take an active interest in the affairs of our city government; and

Whereas, The Greater Boston Chamber of Commerce is one of the largest and oldest civic organizations and the recognized voice of business in this community; and

Whereas, The new managing director of the Greater Boston Chamber of Commerce, William Bird, has vigorously reaffirmed his organization's positive interest in the affairs of this city; now, therefore, be it

Resolved, that the Boston City Council invite Mr. Bird to address this body in regular session, with a view to informing the City Council of the plans proposed by the Chamber of Commerce to help solve the major problems of Boston, and at the same time to receive from the members of this body the same pledge of support that we offer all civic groups that take a genuine interest in the improvement of the City of Boston.

The resolution was adopted under suspension of the rules.

Later in the session Coun. FOLEY moved reconsideration of the foregoing vote. The motion to reconsider was carried.

On further motion of Councillor Foley, the resolution was referred to the Executive Committee.

REPORT OF COMMITTEE ON CONFIRMATIONS.

Coun. McLAUGHLIN, for the Committee on Confirmations, submitted the following:

Report on appointment by the Mayor (referred September 19) of Wilfred J. Doyle to be a member of the Boston Retirement Board for term ending September 30, 1958—recommending that appointment be confirmed.

The report was accepted, and the appointment was confirmed, yeas 7, nays 0:

Yeas—Councillors Ahearn, Foley, Hailer, Kerrigan, McCormack, McLaughlin, Piemonte—7.

Nays—0.

CONGRATULATIONS TO DANIEL BLOOMFIELD.

Coun. FOLEY offered the following:

Resolved, That the Boston City Council extends its congratulations to Daniel Bloomfield for his bold leadership in working for sound and realistic policies concerning intricate yet major aspects of Boston's economy and particularly for his striking and novel, yet sound, recommendations concerning the MTA fare increase.

The resolution was adopted under suspension of the rules.

SURVEY OF TRAFFIC CONDITIONS ON DRAPER STREET.

Coun. McCORMACK offered the following:

Ordered, That the Boston Traffic Commission, through his Honor the Mayor, be requested to have a survey made of the traffic conditions on Draper street, Dorchester, with a view to making that street one way from Bowdoin street to Homes avenue; and be it further

Ordered, That the Traffic Commission also consider the possibility of permitting the parking of cars on both sides of the street.

Passed under suspension of the rules.

EXPRESSION OF APPRECIATION TO AMALGAMATED CLOTHING WORKERS, CIO, AND JOSEPH SALERNO.

Coun. McCormack offered the following:

Whereas, The Amalgamated Clothing Workers, CIO, has long been a leader of organized labor and is a prime example of enlightened unionism; and

Whereas, The Amalgamated Clothing Workers, CIO, has purchased $25,000 worth of flood-damaged jackets from manufacturers whose plants were ravaged by the disasterous floods of this summer; and

Whereas, The Amalgamated Clothing Workers, CIO, has cleaned and sanitized these jackets and is distributing them to needy children through established welfare agencies; and

Whereas, This purchase exemplifies the excellent relationship existing between the union and the manufacturers and the social consciousness of the union; be it

Resolved, That the Boston City Council, in meeting assembled, express gratitude and appreciation on behalf of the City of Boston to the Amalgamated Clothing Workers, CIO, and to Joseph Salerno, New England director of the Union, for this humane and generous act.

The resolution was adopted under suspension of the rules.

INVITATION TO PENAL INSTITUTIONS COMMISSIONER TO ATTEND MEETING OF COMMITTEE ON INSPECTION OF PRISONS.

Coun. McCORMACK offered the following:

Ordered, That the Commissioner of Penal Institutions be invited to attend a meeting of the Committee on Inspection of Prisons on Wednesday, October 5, 1955, at 10.30 A.M.

Passed under suspension of the rules.

RECESS.

On motion of Councillor Kerrigan, the Council voted to take a recess at 4.43 P.M., subject to the call of the Chair. The members reassembled in the Council Chamber and were called to order by Chairman AHEARN at 5.09 P.M.

EXECUTIVE COMMITTEE REPORTS.

Coun. AHEARN, for the Executive Committee, submitted the following:

1. Report on message of the Mayor and order (referred today) for sale of one hundred surplus pigs by Penal Institutions Department—recommending that same ought to pass.

The report was accepted, and the order was passed.

2. Report on resolution (referred today) petitioning his Excellency the Governor to summon an emergency session of the Legislature to review the automobile insurance rates—recommending that same ought to pass.

3. Report on resolution (referred today) that Legislative Counsel favor legislation repealing the present system of compulsory automobile insurance—recommending that same ought to pass.

The reports were accepted, and the resolutions were severally adopted.

4. Report on resolution (referred today) extending an invitation to Mr. William Bird of the Greater Boston Chamber of Commerce to address the Boston City Council—submitting a partial report recommending passage of the following order:

In continuation of the established policy of this City Council of cooperation with the civic organizations of Boston; be it

Ordered, That the Boston City Council cordially extends an invitation to Mr. William Bird, newly appointed managing director of the Greater Boston Chamber of Commerce, to attend the Executive Committee session of the Boston City Council on Monday, October 10, 1955, at 3 P.M., or at such other time as may be designated by the chairman of the Executive Committee, with a view to informing the City Council of the plans proposed by the Chamber of Commerce to help solve the major problems of Boston.

The report was accepted, and the order was passed.

CITATIONS TO EMPLOYEES OF HOSPITALS IN BOSTON, BOSTON HEALTH DEPARTMENT, AND NATIONAL FOUNDATION FOR INFANTILE PARALYSIS.

Coun. HAILER offered the following:

Resolved, That the Boston City Council, in meeting assembled, publicly commend the employees of all hospitals in Boston for their self-sacrifice and devotion to duty in caring for the victims of polio who have come under their care; and be it further

Resolved, That the employees of the South Building in the Boston City Hospital be given our wholehearted appreciation for their work in caring for polio patients; and be it further

Resolved, That the City of Boston Health Department and the National Foundation for Infantile Paralysis be also cited for their untiring efforts in behalf of the patients and their families.

The resolution was adopted under suspension of the rules.

REPORT ON PLAY AREA IN VICINITY OF HALLIDAY STREET.

Coun. HAILER offered the following:

Ordered, That his Honor the Mayor be requested to confer with Commissioner Carp of the Real Property Department and with Commissioner Kelley of the Parks and Recreation Department relative to the possible transfer of 119,652 square feet of city-owned land on Halliday street (Ward 19, Precinct 12) from the Real Property Department to the Parks and Recreation Department for the purpose of providing a play area for the children in that vicinity; and be it further

Ordered, That a report of such a conference be submitted to the City Council.

Passed under suspension of the rules.

HANDICAPPED DRIVERS TO PARK BETWEEN 8 AND 9.30 A.M.

Coun. HAILER offered the following:

Ordered, That his Honor the Mayor request the Corporation Counsel to draw up legislation to be filed in the General Court amending chapter 458 of the Acts of 1955 to include for the benefit of "handicapped" drivers the right to park in Boston between 8 and 9.30 A.M.

The order was passed under suspension of the rules.

RESTORE BUS SERVICE FOR PUPILS AT GIRLS' LATIN SCHOOL.

Coun. HAILER offered the following:

Ordered, That through his Honor the Mayor and the members of the School Committee the trustees of the Metropolitan Transit Authority be requested to restore bus service to the Girls' Latin School pupils from the West Roxbury-Roslindale area.

The order was passed under suspension of the rules.

Adjourned at 5.20 P.M., on motion of Councillor McCormack, to meet on Monday, October 10, 1955, at 2 P.M.

Note: All debate of City Council eliminated from proceedings in accordance with Chapter 447, Acts of 1947.

POLICE DEPARTMENT ORDERS.

General Order No. 2,113.

The following-named officer having requested retirement under provisions of the Statutes of 1892, chapter 353, as amended, for the reason that he is incapacitated, it is hereby

Ordered, His Honor the Mayor having approved the same, that he be retired from active service in the Police Department, effective Friday, October 7, 1955, at 7.45 o'clock A.M.

Patrolman Daniel F. Caselden, Superintendent's office, 33 years of service.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

General Order No. 2,114.

The following-named officer having requested retirement under provisions of the Statutes of 1892, chapter 353, as amended, for the reason that he is incapacitated, it is hereby

Ordered, His Honor the Mayor having approved the same, that he be retired from active service in the Police Department, effective Monday, October 10, 1955, at 7.45 o'clock A.M.

Sergt.-Detective Joseph T. Maguire, Bureau of Criminal Investigation, 35 years of service.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

In a move to combat juvenile crime, Mayor Wagner of New York City asked Corporation Counsel A. P. Burke to seek the aid of the courts in ridding the bookstores and newsstands of comic books which teach disrespect for law and order and incite crime. The state supreme court, it was indicated, will be asked to grant injunctions against publication, distribution, or sale of several magazines in this category. Police Commissioner F. H. Adams laid the blame for recent "terrible juvenile crimes" on the influence of this type of magazine. Many, he said, are published secretly, and sold "under the counter."

General Order No. 56.

I. Robert W. Walsh.

It is with deep regret that the Fire Commissioner announces the death, on October 6, 1955, of Fire Fighter Robert W. Walsh of Engine Company 21. Fire Fighter Walsh was appointed to the department on November 25, 1942.

The funeral was held from the Bernard Kelly & Son Funeral Home, 8 Church street, Dorchester, on Saturday, October 8, 1955, at 9.30 A.M., followed by a Requiem High Mass at St. Peter's Church, Bowdoin street, Dorchester, at 10.30 A.M.

The Chief of Department made the customary detail to act as funeral escort, and members of Engine Company 21 were excused from duty in order to attend the services.

II. Edwin I. Clarke.

It is with deep regret that the Fire Commissioner announces the death, on October 6, 1955, of Fire Fighter (Engineer, High Pressure) Edwin I. Clarke of the High Pressure Service. Engineer Clarke was appointed to the Fire Department May 11, 1931.

The funeral was held from the P. J. Mahoney Funeral Parlor, 644 Dudley street, Roxbury, where services were held at 10 A.M., Monday, October 10, 1955.

The Chief of Department made the customary detail to act as funeral escort, and members of the High Pressure Service attended the services.

III. Retirement.

The following retirement, in accordance with section 58, chapter 32, General Laws, as amended, is hereby announced, to become effective at 8 A.M., Wednesday, October 12, 1955:

Fire Lieut. John J. Glynn, Engine Squad 53.

Fire Lieutenant Glynn was appointed to the department January 30, 1925, and promoted to the grade of fire lieutenant August 19, 1942.

He leaves the department with the best wishes of his associates.

IV. Fire Alarm Boxes Installed.

The following fire alarm box which was established in General Order No. 43, dated August 1, 1955, has been installed and connected into circuit 10.

12-1351, William Blackstone School, 33 Blossom street.

Company commanders will add Box 12-1351 to Circuit Card 10.

The following fire alarm boxes which were established in General Order No. 37, dated June 20, 1955, have been installed and connected into the circuits indicated:

12-3154, John Winthrop School, 35 Brookford street, Circuit 67.

12-3285, John Marshall School, 35 Westville street, Circuit 86.

12-3564, Edmund P. Tileston School, 106 Babson street, Circuit 41.

Company commanders will add above boxes to circuit cards indicated.

With the installation of Fire Alarm Box 12-3154, the designation for Box 3154 will be corrected by deleting the words "Auxiliary, John Winthrop School." The designation will read as follows:

3154, Brookford street, opposite Dromey.

With the installation of Fire Alarm Box 12-3285, the designation on assignment card for Box 3285 will be corrected by deleting the words "Auxiliary, John Marshall School." The designation will read as follows:

However, at any time subsequent to the establishment of the eligible list, such applicants may be required to qualify in a practical test in typewriting, in order to remain on the eligible list for junior clerk and typist.

(*b*) Applicants who pass in the written test, but cannot meet the typewriting qualifications by certifying as set forth in (*a*) above, may submit a request in writing to be given a practical test in typewriting, and must qualify in this test in order to become eligible for junior clerk and typist.

Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

In order to qualify in a practical test in typewriting, a mark of at least 70 per cent must be obtained.

CHANGES IN SOCIAL SECURITY LAW.

Changes in the Social Security Act now make Old Age and Survivors Insurance benefits available to all municipal employees, except firemen and policemen. The procedure varies, however, for those who are eligible for membership in existing retirement systems and those who are not.

The most important point to remember is that the municipality must take the initiative to secure OASI coverage for its employees and must act through the state government. Proper enabling legislation and contractual clauses in state documents are "musts." They secure coverage as part of the state's contract with the Bureau of Old Age and Survivors Insurance, U. S. Department of Health, Education and Welfare.

Chicago is planning the installation of radio-controlled traffic lights, described as the first of their kind in the world.

In the beginning thirteen intersections will be radio-controlled, with the antenna on top of the Board of Trade Building south of the Loop business area. Traffic lights will be set to favor the prevailing flow of traffic at particular times of day. Neon signs will indicate to the driver how the signals are set. Cable control at 450 intersections would cost about $3,375,000, or several times the cost of the proposed radio control, City Traffic Engineer Leslie Sorenson explains. The cost of the initial radio installations will be $40,000.

REAL PROPERTY BOARD.

INVITATION FOR PROPOSALS FOR LEASING OF PUBLIC PARKING FACILITY AT ST. JAMES AVENUE, CLARENDON, PROVIDENCE, AND BERKELEY STREETS.

The Real Property Board of the City of Boston, hereinafter called the Board, hereby invites proposals for leasing for the term of forty (40) years, beginning December 1, 1955, and ending November 30, 1995, at an annual rental of not less than forty-five thousand dollars ($45,000), the public parking facility at St. James avenue, Clarendon, Providence, and Berkeley streets, Boston, upon the covenants, agreements, and conditions contained in the form of lease which, with the plans and specifications therein referred to and the form of proposal, may be had daily (except Saturdays, Sundays, and holidays) between 9 A.M. and 5 P.M., at the office of the Board, Room 809, City Hall Annex, Court street, Boston. Copies of the plans and specifications may be taken out upon deposit of one hundred dollars ($100) for each set, refundable only to persons returning the same in good condition within ten days (Saturdays, Sundays, and holidays excluded) after the opening of bids.

Proposals shall be submitted in duplicate on forms obtained as aforesaid. Each copy of the proposal shall be properly filled out, signed, enclosed in an envelope, sealed, and marked "Proposal for Leasing of Public Parking Facility at St. James Avenue, Clarendon, Providence, and Berkeley Streets, Boston." One copy of the proposal, accompanied by a bid deposit of ten thousand dollars ($10,000), made under the terms stated in the form of proposal, in the form of cash or a certified check on, or bank check payable to, the City of Boston, shall be filed with the Board at its said office on or before 11 A.M., November 22, 1955, at which time and place all proposals will be publicly opened and read. The other copy of the proposal shall be filed by the bidder at the office of the City Auditor, City Hall, School street, Boston, prior to the opening of bids.

No proposal shall be withdrawn after the day and hour hereinbefore set for the opening of proposals.

The Board reserves the right to reject any and all proposals.

WOOING FRINGE LOT PARKING PATRONS NOT EASY.

Enticing motoring commuters into fringe parking lots can be a difficult courtship. Recent experience in Washington, Baltimore, Cleveland, and St. Louis indicates that success cannot be achieved unless there is provided an attractive parking-transit fee, frequent bus service between the lot and central business district, and easy approaches to the lot. St. Louis offers a 5 to 7½ minute bus service, no parking fee, and a special 35-cent round-trip fare. Patronage of the 600-car lot is increasing, but a profitable operation has not yet been achieved. However, a survey of 500 of the lot's patrons showed 72 per cent rate the service as "excellent." Three out of four said they arrived closer to their downtown destinations than when they drove in. Private lots in downtown Cleveland are now getting short-term parkers—which produces more revenue for the operator than all-day parkers. In Baltimore the consensus is that fringe parking now "does not work".

Another necessity for cities planning fringe parking lots is the provision of convenient shelters to protect patrons from inclement weather. — *American Municipal Association Report.*

HOSPITAL DEPARTMENT.

INVITATION FOR PROPOSALS FOR OUTSIDE PAINTING OF VOSE HOUSE, BOSTON CITY HOSPITAL.

The City of Boston, by the Board of Trustees, Hospital Department, and of the Boston City Hospital, hereinafter referred to as the Awarding Authority, invites sealed proposals for outside painting of Vose House, Boston City Hospital, Boston, Mass.

Proposals will be received until two o'clock P.M., Wednesday, October 26, 1955, at the office of the Superintendent, Boston City Hospital, 818 Harrison avenue, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed, and enclosed in an envelope, sealed and plainly marked with the description of the work to be done. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of $400, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate of wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

Specifications may be obtained at the office of the Superintendent of the Boston City Hospital, 818 Harrison avenue, Boston, Mass., on and after Monday, October 17, 1955.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

The Awarding Authority also reserves the right to reject all bids in accordance with the provisions of sections 44A to 44E, inclusive, of chapter 149 of the General Laws, as amended.

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

Invitation for Proposals for Furnishing and Erecting Incineration Equipment for the South Bay Incinerator.

The work to be done consists of fabricating, furnishing, erecting, and testing, in a building to be constructed under another contract, six (or, under alternate proposals, five or four) 150-ton per day incinerator units, including waste heat boilers, fly ash arrestor systems, and certain appurtenances, all complete and ready to operate.

The Commissioner of Public Works of the City of Boston, Room 506 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for furnishing and erecting incineration equipment for the South Bay Incinerator.

A performance bond and also a labor and materials or payment bond will be required for doing the work of a surety company approved by the Commissioner, each in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city. Contract documents, including forms of proposal, contract agreement and bonds and specifications, may be examined at the office of Metcalf and Eddy, Engineers, 1300 Statler Building, Boston, and may be examined and obtained at Room 506 (Contract Office), City Hall Annex. Each proposal should be enclosed in an envelope, sealed, marked "Proposal for Furnishing and Erecting Incineration Equipment for the South Bay Incinerator," and left at Room 506 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. of FRIDAY, NOVEMBER 25, 1955, with a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, in the sum of FIFTY THOUSAND DOLLARS ($50,000), payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex, Boston.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor, Room 11, City Hall, Boston, previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 506, City Hall Annex. *A deposit of one hundred dollars ($100) will be required on each set of contract documents taken out.* Such deposits will be refunded upon the return of said documents in good condition within 30 days after the date of the opening of the bids. A bidder may submit proposals for more than one type of furnace on the same proposal form. A bidder submitting a proposal on one or more of four types of furnace (designated in the proposal as alternates A, B, C, and D) must submit bids for furnishing alternatively a total of six or a total of five or a total of four complete 150-ton per day units. Proposals omitting a price for any alternate under the type of furnace being bid upon will be considered incomplete and will be subject to rejection. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is contained in the form of contract referred to herein. Before commencing performance of this contract, the Contractor shall provide by insuranee for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

The Commissioner of Public Works reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

GEORGE G. HYLAND,
Commissioner of Public Works.
(Oct. 15-22.)

CONSULATES IN ARREARS ON TAXES.

New York City reports that 12 foreign countries are in arrears a total of $416,985 in real estate taxes on 27 properties, most of them bought within the last 15 years as consulates and headquarters for United Nations delegations.

Nearly all of the defaulting governments claim the right to city realty tax exemption under treaties and international doctrines, but the city has refused to waive its claims. Total assessed valuation is $5,324,000, with $720,000 exempt from tax. Finland, the Netherlands, and Israel have kept their real estate accounts paid up to date.

CITY OF BOSTON.

REAL PROPERTY BOARD.

INVITATION FOR PROPOSALS FOR ERECTING AND COMPLETING AN OFF-STREET PARKING STRUCTURE ON ST. JAMES AVENUE, BOSTON, MASS.

NOTICE TO CONTRACTORS.

The Real Property Board, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for erecting and completing an off-street parking structure on St. James avenue, Boston, Mass.

Proposals will be received until 11 o'clock A.M., Tuesday, November 22, 1955, at the office of the Awarding Authority, eighth floor, Room 809, City Hall, 26 School street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of $50,000, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Subbidders bidding on the work of subcontractors shall use the proposal form prepared by and obtainable from the Awarding Authority.

All subbidders' proposals filed with the Awarding Authority shall be submitted in sealed envelopes, plainly marked with the title of the work, division of the work for which bid is submitted, subcontractor's name and subcontractor's business address. All such bids shall be in the possession of the Awarding Authority and delivered or mailed to the general contractor no later than 12 o'clock noon, Thursday, November 17, 1955.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the amount as specified in the following for the various subbid items of work as listed below, shall be submitted by each subbidder with the copy of his proposal filed with the Awarding Authority:

Waterproofing and caulking	$2,400
Miscellaneous metal and light iron	600
Roofing and sheet metal	600
Metal windows	600
Glass and glazing	300
Asphalt tile	300
Finish painting	150
Plumbing	1,250
Heating and ventilating	2,500
Electrical work	2,500

The bid deposit shall be in a separate envelope, plainly marked "Bid Deposit."

Plans and specifications and other contract documents may be obtained at the office of the Awarding Authority on and after Monday, October 17, 1955, upon deposit of a certified check for $100, payable to the City of Boston. The full amount of the deposit will be refunded to each actual bidder upon return of all documents in good condition within fifteen days after opening of bids.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do. The Awarding Authority also reserves the right to reject all subbids on any item or items in accordance with the provisions of sections 44A to 44E, inclusive, of chapter 149 of the General Laws, as amended.

CITY OF BOSTON.

FIRE DEPARTMENT.

REMOVAL OF EXISTING DOORS AND INSTALLATION OF NEW OVERHEAD DOORS IN VARIOUS FIREHOUSES.

The Fire Commissioner of the City of Boston, 115 Southampton street, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least one half thereof is owned by a citizen or citizens of the United States, for removal of existing doors and installation of new overhead doors in the following firehouses: Engines 2, 9, 12, 17, 39, 40, 49, 52, and Ladders 12 and 26. A bond of an approved surety company doing business in the Commonwealth of Massachusetts, in the full amount of the contract, will be required to assure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at the office of the Fire Commissioner, 115 Southampton street. Each proposal must be signed by the bidder, placed in an envelope, sealed, and marked "Proposal for Removal of Existing Doors and Installation of New Overhead Doors in Various Firehouses," and left at the office of the Fire Commissioner, 115 Southampton street, before 12 o'clock noon of Monday, October 24, 1955, accompanied by a certified check for four hundred (400) dollars, payable to the City of Boston and to be the property of said city as liquidated damages suffered by said city if, after acceptance of his proposal, the bidder shall fail to carry out said proposal. The proposals shall then and there be publicly opened for reading. Proposals must be made in duplicate, and the sealed duplicate, without check, must be deposited by the bidder with the City Auditor previous to the time for opening the proposals. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts, schedule of which appears in the specifications. The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (Ter. Ed.), to all persons to be employed under this contract, and sufficient proof of compliance with the foregoing will be required prior to the award of said contract. Plans and specifications may be obtained at the office of the Fire Commissioner, 115 Southampton street, Boston. The Fire Commissioner reserves the right to reject any and all proposals and to award the contract as he deems best.

CALLS FOR $10,000,000 EXPENDITURE FOR OFF-STREET PARKING FACILITIES — MAYOR HYNES ASKS CITY COUNCIL TO AUTHORIZE EXPENDITURE OUTSIDE DEBT LIMIT TO PROVIDE TEN LOCALITIES AS RECOMMENDED BY PLANNING AND REAL PROPERTY BOARDS — ALL SITES IN DOWNTOWN BUSINESS DISTRICTS.

On October 17 Mayor Hynes submitted to the City Council his recommendations for provision for ten off-street parking facilities. The order authorizes the expenditure of $10,000,000 outside the debt limit for the purpose of taking care of the immediate needs of the parking situation. The recommendations are made following recommendations of the City Planning Board. The measure, as submitted, together with an accompanying letter from the Chairman of the Real Property Board, reads as follows:

To the City Council.
GENTLEMEN:
I transmit herewith order for acceptance of chapter 450 of the Acts of 1955,

AUGUST VETERANS' BENEFITS SHOW DECREASE FROM THOSE OF SAME MONTH IN 1954 OF $1,697.09 — MONTHLY REPORT SUBMITTED TO MAYOR JOHN B. HYNES, BY VETERANS' SERVICES COMMISSIONER, VICTOR C. BYNOE, ALSO SHOWS 1,527 CASES AIDED AND 162 DROPPED AS NO LONGER NEEDING AID.

Veterans' benefits for the month of August of this year show a decrease of $1,697.09 for the month of August from those of the same month of 1954. This is shown in the monthly report of the Commissioner of Veterans' Services, Victor C. Bynoe, as submitted to Mayor John B. Hynes.

There were 1,527 cases aided, representing a total of 2,877 individuals. Also there were, in the same period, 162 cases closed, due to recipients of aid obtaining employment, or having been awarded unemployment compensation, or social security, or having become ineligible for other reasons.

The complete report as filed reads as follows:

BOSTON, October 14, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

SIR:

I have the honor to submit the report of the Veterans' Services Department for the month of August, 1955.

MAYOR HYNES ASKS COUNCIL TO AUTHORIZE OFF-STREET PARKING LOAN.

(*Continued from page 1237*)

which authorizes the expenditure outside the debt limit of $10,000,000 for off-street parking facilities. I also transmit communication from the Chairman of the Real Property Board relative to this matter.

It will be noted that the ten locations mentioned in the accompanying letter have been recommended by the City Planning Board after an origin and destination study. In the event that no private investors are interested in constructing the facilities in question, the amount authorized would permit the city to build approximately five parking facilities in the downtown area. No decision has been made up to the present time as to the order of priority of the areas recommended for parking facilities.

It is apparent, however, that any of the areas mentioned are suitable for parking facilities which will be more necessary than ever when the new Central Artery is completed. Subsequently, when the loan order itself is submitted to the City Council, more information will be available to your Body concerning the program of priority of parking sites. In the meantime, it is essential that the legislative act permitting the borrowing of $10,000,000 be given approval so that final planning may be made for the construction of parking facilities.

I therefore respectfully request that the accompanying order be approved by your Honorable Body.

Respectfully,
JOHN B. HYNES,
Mayor.

Following is letter to the Mayor from Herman Carp, Commissioner of Real Property:

DEAR MR. MAYOR:

After a study based on origin and destination counts and based on the number of people requiring parking facilities, ten (10) high-priority sites were recommended by the City Planning Board for parking facilities to the Real Property Board. Those sites are as follows:

1. Scollay Square area.
2. Court Square area.
3. Fort Hill Square area.
4. Province Street area.
5. Bedford and Kingston Streets area.
6. Washington, Hollis, and Dillaway Streets area.
7. Tremont Street area.
8. Areh Street area.
9. Atlantic Avenue area.
10. North Station area.

(The above locations are not placed in order of their importance. Each one is a high-priority area.)

For the purpose of making immediate plans for the construction of parking facilities in at least five of the above high-priority locations, the sum of $10,000,000 would be needed, provided no private investors exhibited an interest in bidding for 40-year leases in some of the locations.

Therefore, in order that additional steps may be taken in the furtherance of our parking program, it is essential that the loan of $10,000,000 provided for

by the provisions of chapter 450 of the Acts of 1955 be authorized at the earliest possible date.

I have been directed by the Real Property Board to request that such an order be submitted to the City Council

Respectfully submitted,

HERMAN CARP,

Commissioner of Real Property, Chairman, Real Property Board.

"CREDIT UNION DAY" DECLARATION.

Whereas, The credit union movement is now in its second century of service; and

Whereas, Credit unions provide a means whereby people may pool their savings, and mutually assist each other to fill their needs for useful credit at a low cost; and

Whereas, Credit unions combat usury, encourage thrift and regular saving; and

Whereas, These credit unions not only promote the economic security of their members, but also strengthen democracy, encourage individual responsibility and the practice of true brotherhood and thus benefit our entire Commonwealth; and

Whereas, These benefits have been recognized by the laws of our Commonwealth of Massachusetts under which credit unions are chartered; and

Whereas, The third Thursday of each October is internationally observed as "Credit Union Day," in recognition of the outstanding service being rendered to the people of Boston by their credit unions; therefore

I do hereby declare Thursday, October 20, 1955, as "Credit Union Day," to be observed in Boston, and urge our people to give fitting recognition at this time to the many benefits brought to them through credit unions; and on this occasion

I extend to the leaders and members of the 160 credit unions of Boston my greetings, congratulations, and sincere wishes for continued success in serving their fellowmen.

J. B. HYNES,
Mayor.

"TONY DeMARCO DAY" DECLARATION.

Whereas, Because of his outstanding display of sportsmanship which is an example to the youth of the city; and

Whereas, By winning the welterweight championship of the world; and

Whereas, In losing the title he displayed the finest traditions of sportsmanship and has proved beyond question that he is a true champion; and

Whereas, Boston and its citizens are honored to claim Tony DeMarco, a true son of Italo-American parentage, as its outstanding contribution to the nation's world of sports; now, therefore,

I, John B. Hynes, Mayor of the City of Boston, do hereby declare Monday, October 17, 1955, as "Tony DeMarco Day" in the City of Boston, and do urge all citizens to take due note of, attend, or otherwise cooperate in making "Tony DeMarco Day" one that will be long remembered by all who know him as her favorite son.

JOHN B. HYNES,
Mayor.

MAYOR REQUESTED TO PROCLAIM A "CATHOLIC YOUTH ORGANIZATION WEEK."

(Continued from page 1237.)

Whereas, This observance will cover every possible activity, including the spiritual, cultural, social, and athletic, with a holy hour, daily communion crusade, panel discussions, dances, and numerous athletic events, including the award of the "Bill Mullen" trophy, in memory of the late beloved Director of Recreation of the Boston Park Department, to the outstanding C.Y.O. product of the year in the Boston area; and

Whereas, The activities of the good priests and laymen assisting them, under the spiritual guidance of our beloved Archbishop Cushing, have assisted the city in maintaining a low ratio of juvenile delinquency through their labors; be it therefore

Resolved, That the Boston City Council, in meeting assembled, formally requests his Honor the Mayor to proclaim the week of October 30, 1955, as "Catholic Youth Organization Week," and invites the membership and spiritual directors of the C.Y.O. to attend the City Council meeting of Monday, October 31, and to visit the various departments of the city government during said week; and be it further

Resolved, That a copy of this resolution be forwarded to Most Reverend Richard J. Cushing, D.D.; the National Director of the C.Y.O., Rt. Rev. Joseph E. Schieder; and Very Rev. John P. Carroll, Archdiocesan Director; and to Rev. Joseph Kierce, Boston Deanery Director; and to the Very Rev. Francis J. Lally, editor of *The Pilot.*

CONSTRUCTION WORK.

The Mayor has approved the following order of the Public Improvement Commission:

That a 4-foot 3-inch diameter concrete and brick sewer be constructed in private land, between Mt. Hope street and Canterbury street in the West Roxbury district, at an estimated cost of $8,000.

Three catch basins and connections in existing easement in Eastmont road, ordered December 14, 1954, between Leighton road and Dietz road, in the Hyde Park district, at an estimated cost of $1,500.

Five hundred linear feet of 12-inch pipe surface drain and one catch basin in Itasca street, between Almont street and Mattapan street, in the Dorchester district, at an estimated cost of $5,000.

Twelve catch basins and connections, 12 bulkheads, 12 catch basins dismantled and filled in, and 300 linear feet of minor drain in Bunker Hill street, at various locations, in the Charlestown district, at an estimated cost of $6,300.

One catch basin and connection in Columbus avenue, between 295 and 297 Columbus avenue, in the Boston Proper district, at an estimated cost of $1,000.

Seven catch basins and connections in existing easement in Leighton road, ordered September 26, 1955, between Alwin street and Eastmont road, in the Hyde Park district, at an estimated cost of $3,500.

ADDITIONS TO CONTRACT.

DEPARTMENT OF SCHOOL BUILDINGS.

Warner W. Walsh has been ordered to make the following additions to the contract for the East Boston High School:

Girls' toilet rooms, first, second, and third floors, clean all slate partitions and apply one coat of paint to same.

Check booths (2) at entrance to Assembly Hall, paint complete.

For the above additional work not called for in contract add the sum of $200, and the amount of $200 will be added therefor, making the account as follows: contract price, $11,317; total additions, $200; amount of contract, $11,517.

The work to be done under this contract is to be completed within one month from the date of order to commence work. The following bids were received October 6:

George M. Bryne, $9,540; James B. Rendle Company, $11,160; Rev-Lyn Contracting Company, $12,425; Crandal Engineering Company, $14,660; Corey Steeplejacks, Inc., $16,585; McKie Lighter Company, $16,890; Riley Company, $17,804; Charles L. Hazelton & Son, Inc., $19,155; C. Ray Norris & Son, $19,500; Matthew J. Hughes, $20,310.66.

—

Upon October 18 the Mayor approved a contract with James A. Freaney, Inc., for cleaning the surface drainage system of the Sumner Tunnel at an estimated cost of $2,160. The work to be done under this contract is to be completed within eight weeks from date of order to commence work. The following bids were received October 13:

James A. Freaney, Inc., $2,160; Albany Contracting Company, $2,473; Bennington Contracting Company, $2,665.

—

Upon October 18 the Mayor approved a contract with Martin J. Kelly Company, Inc., for resurfacing the drawspan of the Dover Street Bridge at an estimated cost of $11,534. The work to be done under this contract is to be completed within six weeks from the date of order to commence work. The following bids were received October 13:

Martin J. Kelly Company, Inc., $11,534; Rev-Lyn Contracting Company, $11,760; Rossano Construction Company, Inc., $13,760; J. A. Singarella Company, $13,887; Matthew J. Hughes, $15,386.38.

—

Upon October 18 the Mayor approved a contract with Bennington Contracting Company for cleaning exhaust duct and exhaust fan room at the Sumner Tunnel at an estimated cost of $1,280. The work to be done under this contract is to be completed within four weeks from date of order to commence work. The following bids were received October 6:

Bennington Contracting Company, $1,280; Fireproofing Corporation of America, $1,550; Matthew J. Hughes, $1,590; James A. Freaney, Inc., $1,995.

REAL PROPERTY DEPARTMENT.

Upon October 11 the Mayor approved a contract with Burgess & Blacher for roofing and metal work at Curtis Hall Municipal Building, 20 South street, Jamaica Plain. Bids, opened Monday, October 3, were as follows:

Burgess & Blacher, $8,575; J. F. Shea Company, $8,945; Werner Construction Company, $10,995.

WITHOUT ADVERTISING.

Upon varying dates as requested by the various departments the Mayor has approved contracts, without advertising, with various contractors for labor, supplies, etc. Communications from heads of departments interested were as follows:

ADMINISTRATIVE SERVICES DEPARTMENT.
Purchasing Division.

BOSTON, October 5, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of requisitions from the Printing Section for linotype equipment and monotype equipment as per specifications. Mergenthaler Linotype Company, the manufacturer of linotype equipment, and Lanston Monotype Corporation, the manufacturer of monotype equipment, have submitted informal written quotations.

Inasmuch as the above equipment will be purchased direct from the manufacturers, authority is requested to dispense with publicly advertising for prices and award contracts, without public advertisement, to Mergenthaler Linotype Company for linotype equipment and to Lanston Monotype Corporation for the monotype equipment. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amounts of contracts will be as follows:

Mergenthaler Linotype Company, $38,-635.97, f.o.b. Printing Section.

This price includes erection of machines but does not include water, gas, or electrical connections. Discount is 1 per cent for payment within 30 days after erection of each machine.

Lanston Monotype Corporation, $15,-453.18, net.

Prices quoted do not include electrical or plumbing connections.

Respectfully yours,

EUGENE K. WELSH,
Acting Purchasing Agent.

BOSTON, October 5, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Boston City Hospital for two Isolette infant incubators, complete with enclosed cabinet stand; two weighing scales, and two Vapojettes humidifier attachments, Serial Nos. 2374, 2378. These items are manufactured by Air Shields, Inc., Hatboro, Pennsylvania. A written quotation has been received from this company.

Inasmuch as Air Shields, Inc., is the manufacturer of the above equipment and since the prices submitted by this company are acceptable, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Air Shields, Inc., for two Isolette infant incubators, complete with enclosed cabinet stand, at $695 each; two weighing scales at $35 each, and two Vapojettes humidifier attachments, Nos. 2374, 2378, at $47.50 each, plus shipping charge of $16.23.

Approximate total amount of contract will be $1,571.23, net, 30 days.

Respectfully yours,

EUGENE K. WELSH,
Acting Purchasing Agent.

BOSTON, October 5, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Boston City Hospital for 2,000 30 cc. vials Demerol hydrochloride, 50 mg. each cc. This item is a narcotic and is obtainable direct from the manufacturer, Winthrop Stearns, Inc. An informal written quotation has been received from this company.

Inasmuch as the above item can be obtained direct from the manufacturer, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Winthrop Stearns, Inc. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amount of contract will be $2,520, less 2 per cent discount, time of payment.

Respectfully yours,

EUGENE K. WELSH,
Acting Purchasing Agent.

—

BOSTON, October 5, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Fire Department for Nife-type nickel cadmium fire alarm storage batteries to be delivered immediately to the Fire Alarm Division. These batteries are necessary for the proper operation of the fire alarm system and are obtainable from Signal Systems Engineering Company. This company has submitted an informal written quotation.

Inasmuch as these batteries are urgently needed and since the prices submitted by Signal Systems Engineering Company, Inc., the only source of supply, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to this company for the immediate delivery of 1,000 Nife-type, TA1–.10 nickel cadmium, 10-ampere hour, fire alarm storage batteries at $4.33 each, and 150 Nife-type, TA1–.5 nickel cadmium, 15-ampere hour, fire alarm storage batteries at $5.76 each. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amount of contract will be $5,194, less 2 per cent discount for payment within 10 days.

Respectfully yours,

EUGENE K. WELSH,
Acting Purchasing Agent.

—

BOSTON, October 5, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Treasury Division of the Treasury Department for 190 drawers of Berger 491–R4 (check files) to be delivered immediately.

Boston Desk Company, Inc., has submitted an informal written quotation on the above equipment and can make immediate delivery. Inasmuch as time is of the essence, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Boston Desk Company, Inc. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amount of contract will be $1,083, less 2 per cent discount for payment within 10 days.

Respectfully yours,

EUGENE K. WELSH,
Acting Purchasing Agent.

BOSTON, October 6, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Hospital Department, Boston City Hospital Division, for 600 rolls, 100-foot bromide paper, Sanborn, part No. 3A–1. The Sanborn Company of Cambridge, Mass., is the only distributor of this type of paper and has supplied the city under contract for several years. A written quotation of $2.34 per roll f.o.b. Boston City Hospital, less 1 per cent discount, for payment within 15 days, net, 30 days, has been received from this company.

Inasmuch as the Sanborn Company is the only distributor, has previously supplied the paper to the Boston City Hospital and offers an acceptable price, it is my opinion that no advantage could be gained by publicly advertising for prices.

Authority is therefore requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to the Sanborn Company for bromide paper, as per specifications, to be delivered in two lots during October 15, 1955, and March 31, 1956.

Approximate total amount of contract will be $1,404, less 1 per cent discount for payment within 15 days, net, 30 days.

Respectfully yours,

EUGENE K. WELSH,
Acting Purchasing Agent.

—

BOSTON, October 10, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of requisitions from the Water Division of the Public Works Department for various Hersey water meter parts. These parts are manufactured by and obtainable only from Hersey Manufacturing Company. Written quotations have been submitted by this company.

Inasmuch as Hersey Manufacturing Company is the only source of supply, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to this company, for furnishing Hersey water meter parts to the Water Division of the Public Works Department. It is my opinion that, in this way, the best interests of the city will be served. Individual items and prices will be included in the contract.

Approximate total amount of contract will be $17,164.95, net, 30 days.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

—

BOSTON, October 10, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The Printing Section of this division has requested immediate delivery of a new 1956 Ford, F–100, panel delivery truck. Prices were solicited from several Ford dealers. Three bids were received and the lowest bid was that of Bowers Motor Sales, Inc., at $2,380, less a trade-in allowance of $185 on 1946 Ford truck.

Inasmuch as prompt delivery of this truck is most essential, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Bowers Motor Sales, Inc., for one Ford half-ton panel truck, F–100, 8-cylinder, equipped with 650 x 16 tires, front and rear, 650 x 16 spare tire and tube, passenger seat, built-up springs, magic air heater, underseal and directional lights. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amount of contract will be $2,195, net.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

—

BOSTON, October 11, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of several requisitions from the Boston City Hospital Division of the Hospital Department for various items of hospital equipment. Since the items requested cannot be purchased direct from the manufacturers, informal requests for prices were solicited from four local distributors. Because prices are fair traded, all those received were equal.

Inasmuch as time is of the essence, authority is requested to dispense with

publicly advertising for prices and award contracts, without public advertisement, to the following companies for the immediate delivery of the hospital equipment requested:

T. J. Noonan Company, $2,038; Thomas W. Reed Company, $1,945.20; E. F. Mahady Company, $1,035; W. J. Fitzgerald Corporation, $1,420.

Discount for all companies is 2 per cent for payment within 10 days. Individual items with complete specifications will be included in each contract.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

BUILDING DEPARTMENT.

BOSTON, October 6, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

On Saturday, October 1, 1955, the rear wall of the building numbered 56, 58, and 60 Cabot street, Ward 9, fell into the rear yard. The buildings were unoccupied at the time. With the assistance of the Police Department, this department secured the area against trespass. It was determined by further examination that while there was no immediate likelihood of further collapse, the buildings were beyond repair. We proceeded to solicit bids in the usual manner for razing the structures.

Prices were secured from the three following companies:

Central Building Wrecking Company, $4,770; American Building Wrecking Company, $4,425; City Building Wrecking Company, $3,216.

The property is owned by one Arlene A. Holmes, care of Clarence Remy, 1 Wellington street, Roxbury. The owner professes to be unable to undertake the required work. It becomes incumbent upon the city, therefore, in view of the excessive danger, to proceed without delay in razing these three buildings as provided by chapter 479, Acts of 1938, as amended, section 116d.

The City Building Wrecking Company, lowest bidders, have given satisfactory service in similar cases. They are licensed and insured wreckers. In view of these special circumstances, therefore, I ask your Honor's approval to dispense with the pertinent provisions of the City Charter and to award the contract to the City Building Wrecking Company without advertising and without further solicitation of bids.

Very truly yours,

CHARLES A. CALLANAN,
Building Commissioner.

DEPARTMENT OF SCHOOL BUILDINGS.

BOSTON, October 10, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of a requisition from the School Committee to install one fixed basketball backstop and one swing-up backstop, with glass backboards, at the Boston Latin School.

I have contacted Dick Morey, Inc., manufacturers of this equipment, which company has installed these backstops and glass backboards in the Boston Garden and various college gyms throughout the country and they have quoted a price of $1,475 to deliver and install to the Boston Latin School, as per specifications, one fixed backstop and one swing-up backstop and two Pittsburg Plate Glass Herculite "Norimodel" backboards with match goals.

As this installation is specialized equipment, and as time is of the essence, it is my opinion that no advantage would be gained by public advertising for bids. Authority is therefore requested to dispense with public advertising for prices and award a contract, without public advertising, to Dick Morey, Inc., 628 Washington street, Abington, Mass., in the amount of $1,475, for the above equipment.

Very truly yours,

JAMES H. MOONEY,
Superintendent of Construction.

LIBRARY DEPARTMENT.

BOSTON, October 11, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The trustees of the Public Library respectfully request the approval of your Honor for the award of a contract, without public advertising, to the Gerstenslager Company, Wooster, Ohio, for supplying two transit-type bookmobiles, built to specifications, provided by the library.

The building of bookmobile bodies is a highly specialized operation which very few automotive body manufacturing companies are able and willing to undertake. The trustees sought to secure the interest of local automotive body manufacturing firms. They also ascertained what has been the experience of other large cities in the procurement of bookmobiles.

In the belief that the interests of the city would be best served thereby, the trustees then invited three companies which were considered to be qualified, and which were the only three companies which could be found to be interested, to submit bids for the furnishing of two identical bookmobile bodies. The bids were as follows:

Gerstenslager Company, Wooster, Ohio, $19,370; Thomas F. Moroney Company, Inc., 433 Boston Turnpike, Shrewsbury, Mass., $21,656; W. F. Lacey & Sons Company, 50 Mystic avenue, Medford, Mass., $28,890.

The chassis which the trustees have specified, like the bookmobile bodies, is of special make, specifically designed for bookmobile purposes by the Available Truck Company of Chicago. The Gerstenslager Company has indicated that the prices of the two bookmobiles chassis will be in an amount not in excess of $14,000 for the two units. It has been ascertained that no saving would be possible if the city were to order the chassis directly.

The total cost of the two bookmobiles (body and chassis) will be not in excess of $33,370.

The trustees have therefore taken the following action to award the contract:

"*Voted*, That there be awarded to the Gerstenslager Company, Wooster, Ohio, a contract for supplying two bookmobiles built to specifications, provided by the library, in an amount not to exceed thirty-three thousand three hundred and seventy dollars ($33,370)."

Since it is not possible to submit the procurement of these bookmobiles successfully to publicly advertised bidding, there is respectfully requested the permission of your Honor to enter into the contract without publicly advertising for bids.

Respectfully,

MILTON E. LORD, *Director.*

REAL PROPERTY DEPARTMENT.

BOSTON, September 1, 1955.

JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The Commissioner of Real Property proposes to engage the services of William A. Fisher Company, Inc., 14 Court square, Boston, Mass., as engineer, in connection with the proposed repairs to former Houghton & Dutton Building, 55 Tremont street, Boston, Mass.

The estimated cost of the proposed repairs is approximately $28,000, and the engineer shall be paid a standard fee equal to the sum of 10 per cent of the full amount of the cost of said repairs (and not to exceed $2,800), which fee would include supervision.

In view of the nature of the professional services involved, no benefit would be gained by advertising for bids, and it is respectfully requested that permission be given to award the contract to William A. Fisher Company, Inc., without public advertising.

Respectfully submitted,

HERMAN CARP,
Commissioner.

EXTRA WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

Pacella Brothers Corporation has been directed to perform the following extra work under the contract for sewerage works in Stony Brook, section 16, Hyde Park, dated August 31, 1955:

Furnish labor and materials to lower 12-inch water pipe in West street and to move 12-inch water pipe in Austin street to a distance that will allow the laying of an 18-inch pipe surface drain in Austin street, Hyde Park, at the proper grade. The cast-iron pipe is to be furnished by the city.

Agreed price, $500.

—

Dooley Brothers, Inc., has been directed to perform the following extra work under the contract for bituminous concrete pavement in Newmarket square (East road), Newmarket square (North road), Newmarket square (South road), Service place, and Theodore Glynn Way, dated October 26, 1954:

In existing backfilled trenches over lighting conduits, excavate earth to a depth of 6 inches, remove pavement for a distance of 6 inches on each side and place a 6-inch concrete mat flush with existing pavement. A 6-inch shoulder shall be provided around the perimeter of all openings to insure a bearing on undisturbed soil for the concrete mat. High early strength Portland cement shall be used in the concrete mat and the work is to be done by compressor and hand labor. Price to be paid, the sum of $5 per square yard for concrete furnished and laid.

Newmarket square (East road), approximately 87.8 square yards; Newmarket square (North road), approximately 74.3 square yards, and Newmarket square (South road), approximately 80.9 square yards; total, 243 square yards.

Estimated cost of extra work, $1,215.

—

S. J. Tomasello Corporation has been directed to perform the following extra work under the contract for bituminous concrete pavement in Ardale street, Bellaire road, Cerdan avenue, Colby road,

Corey street, Farquhar street, Maple street, and Pinehurst street, dated June 20, 1955:

In Pinehurst street, in existing backfilled trenches over lighting conduits excavate earth to a depth of 6 inches, remove pavement for a distance of 6 inches on each side and place a 6-inch concrete mat flush with existing pavement. Approximately 60 square yards of concrete furnished and laid at $4.50 per square yard. This work is to be done by compressor and hand labor.

In Bellaire road, remove approximately three cubic yards of rock at $8 per cubic yard.

Estimated cost of extra work, $294.

EXTENSION OF CONTRACTS.

Department of School Buildings.

Approval has been given for the extension of the time of completion of the contract with Joseph Rugo, Inc., for the construction of an addition to the James J. Chittick School, Hyde Park, from October 15, 1955, to December 15, 1955. This extension was requested because of an iron workers' strike, which occurred in July, and materials are not being delivered on schedule.

—

Approval has been given for the extension of the time of completion of the contract with Joseph Rugo, Inc., for the construction of an addition to the Curtis Guild School, East Boston, from September 1, 1955, to December 2, 1955. This extension was requested because unforeseen difficulties in excavation prevailed; an iron workers' strike occurred during July, 1955, and deliveries of materials were late.

—

Approval has been given for the extension of the time of completion of the contract dated June 13, 1955, with P. V. Barone Corporation, 70 Glencoe street, Brighton, for bituminous concrete pavement in Arvale road, Auriga Street Extension, etc., from October 1, 1955, to December 31, 1955. This extension was requested because the recent flood rains delayed the work of the public utilities companies, thereby delaying the work of the P. V. Barone Corporation.

FIRE DEPARTMENT ORDERS.

General Order No. 57.

I. Promotions.

The following promotions, which will become effective at 8 A.M., Wednesday, October 19, 1955, are hereby announced:

PROCEEDINGS OF CITY COUNCIL.

Monday, October 10, 1955.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 2 P.M., President HURLEY in the chair, and all the members present.

The Reverend Francis L. Gallagher, St. Francis de Sales Roman Catholic Church, Roxbury, was escorted to the rostrum.

INVOCATION BY REV. FRANCIS L. GALLAGHER.

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

O Gracious Father above, look down upon us. Thy children, today, and smile upon us. We humbly acknowledge our blindness, and we pray that Thou will open our eyes to Thy truths and to Thy commands.

"There are none so blind as those who will not see," and we implore Thee to temper our passions, and to guide our wills that we may ever be receptive to Thy higher will. Let it be with us that Thy will, not ours, be done.

We realize that of ourselves we are nothing, and that everything of value comes from Thy bounty. Grant us Thy Grace then, O Lord, that our highest resolves may be ever to follow in Thy footsteps, which lead through the green pastures to the still waters.

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

The meeting was opened with the salute to the Flag.

ELECTRIC LIGHTS ON EDWIN STREET, DORCHESTER.

The following was received:

City of Boston,
Office of the Mayor, October 10, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Commissioner of Public Works concerning your order of September 19, 1955, relative to replacing the gas lamps on Edwin street, Dorchester, with modern electric lights.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Public Works Department,
September 29, 1955.

Harold B. Flemming,
Chief Clerk, Mayor's Office.

Dear Mr. Flemming:

This is in reference to the following order that was passed in the City Council under date of September 19:

"Ordered, That the Commissioner of Public Works be requested, through his Honor the Mayor, to replace the antiquated gas lamps on Edwin street, Dorchester, with modern electric lights."

At the present time we are in the midst of a program which provides for the replacement of all street gas lamps with modern electric street lights.

You may be assured, therefore, that Edwin street will be included in the list of streets in which this needed improvement will be made.

Respectfully yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

LEGISLATION FOR GROUP ACCIDENT AND HEALTH INSURANCE.

The following was received:

City of Boston,
Office of the Mayor, October 3, 1955.

To the City Council.
Gentlemen:

I transmit herewith a communication from the Corporation Counsel which relates to an order passed by your Honorable Body on February 7, 1955.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Law Department, September 27, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

The order passed by the City Council on February 7, 1955, favoring enactment of legislation to enable municipalities to appropriate money for group life insurance for permanent employees, prompts me to call to the attention of the City Council, through you, chapter 760 of the Acts of 1955, entitled "An Act Providing for Contributory Group Life, Accident, Hospitalization, Medical, and Surgical Insurance for Persons in the Service of a County, City, Town, or District and Their Dependents."

Respectfully,
WILLIAM L. BAXTER,
Corporation Counsel.

Placed on file.

SALE OF LAND AND BUILDINGS IN JAMAICA PLAIN.

The following was received:

City of Boston,
Office of the Mayor, October 10, 1955.

To the Honorable City Council.
Gentlemen:

I transmit herewith communication from George G. Hyland, Commissioner of Public Works, recommending the sale of the public works yard at South street and Child street, Jamaica Plain, to the Roman Catholic Archbishop of Boston. This land was formerly used by the city as a district yard of the Public Works Department and has been replaced by the new yard located at the Arborway, and is, therefore, serving no public interest.

The land is located opposite St. Thomas's Church, and it is the intention of the church authorities to construct a parking area on the land.

I submit herewith a form of order whereby the City of Boston may sell the land at Child street and South street to the Roman Catholic Archbishop of Boston for the sum of $15,000, and recommend the adoption of said order.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Public Works Department,
October 10, 1955.

Hon. John B. Hynes, Mayor of Boston, and the Honorable City Council.
Gentlemen:

At the present time the Public Works Department has under its jurisdiction a parcel of land containing 43,037 feet and located at the intersection of Child street and South street, Jamaica Plain, as shown on accompanying plan numbered K-504.

The land is used as a local district yard by the various divisions of this department. It is to be abandoned as such, however, within the next two or three weeks, as a headquarters for the Jamaica Plain district is to be located in our new district yard on Forest Hills street. A new office building, garage, and related facilities have recently been completed at the latter-referenced site, and it is ready for occupancy. Therefore, the present district headquarters at Child and South streets will be available for disposal.

For many years the pastor of St. Thomas's Church, which is located on the westerly side of South street opposite the district yard, has been very anxious to acquire the yard upon its abandonment by the department. The church authorities desire to use the yard area for the free parking of vehicles used by parishioners, and also, at some time in the future, for the site of an addition to the present parochial school.

Recently I completed negotiations with the pastor concerning this matter, and we agreed on a purchase price of $15,000 for the above-refereneed area. Some time ago I had an appraisal of the yard and buildings made by the firm of John C. Kiley & Son, and the land was appraised at a value of $17,200. I feel that this amount represents a fair purchase price, but I am making an allowance of $2,200 for the removal, by the church authorities, of the existing dilapidated wooden structures that are located in the yard and which are detrimental to the church property and residential property in the vicinity. I have determined, therefore, that the amount of $15,000 represents a fair price for the area, taking into consideration the use to which said area is to be put.

I therefore respectfully recommend that the City Council take favorable action on the enclosed order, which was prepared by the Law Depart-

ment, and which, in substance, transfers title of the land to the Roman Catholic Archbishop of Boston, at an agreed price of $15,000.

Respectfully yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Whereas, The City of Boston is the owner in fee of approximately forty-three thousand thirty-seven (43,037) square feet of land located at the corner of Child street and South street, Jamaica Plain, and presently held by said city for Public Works Department purposes; and

Whereas, The Commissioner of Public Works of the City of Boston has determined that said land is no longer required for public purposes; now, therefore, it is hereby

Ordered, That the Mayor of the City of Boston be, and he hereby is, authorized to sell at private sale for a minimum price of fifteen thousand dollars ($15,000) to the Roman Catholic Archbishop of Boston, a corporation sole under the laws of the Commonwealth of Massachusetts, the land, together with the buildings thereon, hereinafter described, and, further, that the Mayor of the City of Boston be, and he hereby is, authorized to execute and deliver in the name of the City of Boston an instrument in writing satisfactory in form to the Corporation Counsel conveying to the Roman Catholic Archbishop all of the City of Boston's right, title, and interest in and to a certain parcel of land, together with the buildings thereon, situated at Child street and South street, Jamaica Plain, bounded and described as follows:

Westerly by South street, one hundred seventy-nine and 74/100 (179.74) feet; northwesterly by the intersection of South street and Child street, fourteen and 20/100 (14.20) feet; northerly by Child street, two hundred forty-nine and 91/100 (249.91) feet; easterly by land of Margaret F. Riley, one hundred seventy-six and 37/100 (176.37) feet; southerly by the northerly end of a right of way, land of Harry Yerishewitz et al., land of James Lovett, and land of Lillian M. Noonan, two dimensions, one hundred seven and 76/100 (107.76) feet, and one hundred eight and 28/100 (108.28) feet; containing forty-three thousand thirty-seven (43,037) square feet of land, more or less.

The above-described parcel of land, together with the location and dimensions thereof, is shown on a plan marked, "City of Boston, Child Street—South Street, West Roxbury, June 11, 1954, James W. Haley, Chief Engineer, Survey Division, Public Works Department."

On motion of Councillor McLaughlin, the rules were suspended, and the order was given its first reading and passage, yeas 9. The order was referred to the Committee on Public Lands.

FEES FOR CERTIFICATES ISSUED BY THE SECRETARY OF THE BEACON HILL ARCHITECTURAL COMMISSION.

The following was received:

City of Boston,
Office of the Mayor, October 10, 1955.

To the City Council.
Gentlemen:

Under the provisions of chapter 616 of the Acts of 1955, recently enacted, the Historic Beacon Hill District in the City of Boston was created and the Beacon Hill Architectural Commission was established in the Building Department of the city.

Further provisions of this act require the issuance by the secretary of this commission of certain classes of certificates after application has been made for construction, reconstruction, alteration, or demolition of any structure in the district. The statute makes reference to three types of certificates, namely, certificate of non-applicability of the statute; certificate of appropriateness; certificate of the expiration of the prescribed period after notice of demolition.

Although the members of the commission are to serve without compensation, they are to be reimbursed, however, for expenses necessarily incurred in the performance of their duties; the secretary of the commission is to receive compensation; and the serving of notices and the conducting of hearings are also prerequisites to a certificate of appropriateness.

Regarding the above classes of certificates, it appears logical that fees should be adopted to cover at least part of the expense involved in the administration of this commission, but in the case of the certificate of nonapplicability of the statute and in the absence of experience under the statute, no reason can be advanced why a fee should be charged for such a certificate, since it would seem that an individual should not be subject to a fee if he is not subject to licensing. However, the other two classes of certificates are in the nature of licenses requiring deliberation by the commission sitting in meeting, and a fee, in my opinion, is not only warranted but necessary. The establishment of the following fees under chapter 222 of the Acts of 1949 appear to be fair and just—for a certificate of appropriateness, $35; for a certificate of the expiration of the prescribed period after notice of demolition, $25— and, accordingly, I recommend to your Honorable Body early adoption of the ordinance transmitted herewith.

Respectfully,
J. B. HYNES, Mayor.

City of Boston.

In the Year Nineteen Hundred and Fifty-five.

An Ordinance Concerning the Fees for Certificates Issued by the Secretary of the Beacon Hill Architectural Commission.

Be it ordained by the City Council of Boston, as follows:

Section 22 of chapter 41 of the Revised Ordinances of 1947, as most recently amended by chapter 5 of the Ordinances of 1953, is hereby further amended by adding after clause 33 the following new clauses:

34. The fee for the issuance of a certificate of appropriateness by the secretary of the Beacon Hill Architectural Commission under section 7 of chapter 616 of the Acts of 1955 shall be thirty-five dollars.

35. The fee for the issuance by the secretary of the Beacon Hill Architectural Commission of a certificate under section 8 of chapter 616 of the Acts of 1955 relative to the expiration of the period specified in said section 8 shall be twenty-five dollars.

Referred to the Committee on Ordinances.

Report on message of the Mayor and three orders (referred September 12) for transfer of land on Thetford avenue and Evans street, Dorchester, (former site of Robert Swan School), for transfer of land on corner of Sumner street and Lamson street, East Boston (former site of Commodore Barry School), for transfer of land and building at the corner of Stanley street, Dorchester (Quincy Street School), from School Committee to Parks and Recreation Department — that same ought to pass.

The reports were accepted, and the orders were severally passed, yeas 9.

REPORT OF COMMITTEE ON CONFIRMATIONS.

Coun. McLAUGHLIN, for the Committee on Confirmations, submitted the following:

1. Report on appointment by the Mayor (referred October 3) of Allen E. Silver as constable with authority to serve civil process upon filing of bond for the term ending April 30, 1956 — recommending that appointment be confirmed.

2. Report on appointments by the Mayor (referred October 3) of Myron Wilensky and Eva Beggelman as weighers of coal for the term ending April 30, 1956 — recommending that appointments be confirmed.

The reports were accepted, and the question came on confirmation. Committee, Councillors Foley and White. Whole number of ballots 8, yeas 8, and the appointments were confirmed.

REQUEST FOR COMPREHENSIVE FIRE CODE.

Coun. PIEMONTE offered the following:

Whereas, The lack of a comprehensive Fire Code in Boston has, for a long time, been scored by private and public reports; and

Whereas, The Boston City Council on March 3, 1952, August 17, 1953, October 26, 1953, May 24, 1954, August 1, 1955, and on diverse other dates approved orders aimed at instituting an adequate Fire Code for the City of Boston; and

Whereas, Fire prevention work in Boston is seriously handicapped because of lack of a Fire Code; and

Whereas, The week of October 9 — 16 has been designated as National Fire Prevention Week; now, therefore, be it

Resolved, That the Boston City Council, in meeting assembled on this tenth day of October, 1955, does hereby reaffirm its interest in providing adequate fire prevention for the City of Boston and does call upon the proper agencies to correct this deficiency and to give Boston a comprehensive Fire Code.

The resolution was adopted under suspension of the rules.

PARKING OF AUTOMOBILES BY HANDICAPPED PERSONS.

Coun. HAILER offered the following:

Ordered, That the Police and Traffic Commissioners be requested, through his Honor the Mayor, to promptly confer on the matter of issuing special permits, or otherwise granting immunity from penalty for parking violations to nonveterans who hold a "seal" for handicapped persons issued by the Registry of Motor Vehicles, in order that those handicapped persons be permitted to park their cars in restricted areas without penalty, thereby granting them the same privileges allowed to disabled veterans who have "V" registration plates.

Passed under suspension of the rules.

RECESS.

On motion of Councillor Piemonte, the Council voted to take a recess at 3.01 P.M., subject to the call of the Chair. The members reassembled in the Council Chamber and were called to order by Senior Member WHITE at 4.58 P.M.

CITY ELECTION, NOVEMBER 8.

Coun. HURLEY offered the following:

Ordered, That meetings of the citizens of this city qualified to vote for city officers be held at the several polling places designated for the purpose by the Board of Election Commissioners on Tuesday, the eighth day of November, 1955, to give in their votes for not more than one candidate for the office of Mayor, not more than nine candidates for the office of City Councillor, and not more than five candidates for the office of School Committeeman.

The polls at said meeting shall be opened at eight o'clock A.M. and closed at eight o'clock P.M.

Ordered, That the City Clerk be hereby directed to give notice of said meetings according to law.

Passed under suspension of the rules.

TAX RATES OF VARIOUS CITIES AND TOWNS IN METROPOLITAN BOSTON.

Coun. PIEMONTE offered the following:

Ordered, That the Director of Administrative Services prepare a schedule showing the tax rates of the various cities and towns in metropolitan Boston for the past several years and the proportionate increase or decrease of the tax rate.

Passed under suspension of the rules.

DEATH OF MOTHER MARY JOSEPH.

Coun. WHITE offered the folluwing:

Resolved, That the City Council of the City of Boston hereby expresses its deep regret and sincere sorrow at the death of Mother Mary Joseph, founder of the Maryknoll Sisters, and the former Mary Joseph Rogers of Boston. Honored by many institutions in her long years of service, she was the recipient of many honorary degrees in the field of education. Her passing is a great loss to multitudes of friends the world over whose lives were enriched as a result of this friendship. May the membership of the Boston City Council add its voice to theirs and say "Requiescat in pace."

The resolution was adopted by a unanimous rising vote, and a minute of silence was observed by the Council.

NAMING OF STREET IN HONOR OF JEAN SIBELIUS.

Coun. AHEARN, KERRIGAN, and WHITE offered the following:

Ordered, That the Public Improvement Commission of the City of Boston be requested, through his Honor the Mayor, to consider the advisability of naming a Boston street in honor of Jean Sibelius, the noted Finnish composer, who will celebrate his ninetieth birthday on next December 8, 1955. This is an action being considered by many cities and towns throughout the entire country and throughout the whole world, honoring a man whose compositions have lifted him to a position wherein he is considered today one of the greatest of all composers of the present generation.

Passed under suspension of the rules.

APPROVAL OF RESOLUTION ADOPTED BY BOSTON ARCHDIOCESAN UNION OF HOLY NAME SOCIETIES AGAINST OBJECTIONABLE LITERATURE.

Coun. AHEARN offered the following:

Whereas, Delegates of the Boston Archdiocesan Union of Holy Name Societies introduced a resolution on objectional literature at the National Convention of the Holy Name Societies, Pittsburgh, Pennsylvania, held September 29 through October 2, 1955, which resolution is as follows:

"Whereas, During recent years considerable thought has been given by many civic and religious groups within our nation, as well as millions of individual citizens, to the menace of immoral, obscene, and sadistic literature being circulated widely throughout the nation; and

"Whereas, In the opinion of right-thinking people, well-organized and immediate action must be taken to prevent the mental and moral virus from destroying the minds and morals particularly of our youth; and

"Whereas, It is generally agreed that, pending adoption of effective and constitutional legislation, one of the most potent remedies is the force of public opinion brought to bear on the comic book, periodical and pocket-size book industry and their retail outlets; be it therefore

"Resolved, That the Holy Name Society throughout the United States, in cooperation with those agencies at work in this field, notably the National Organization for Decent Literature, will, publicly and privately, through every legitimate means, and through its thousands of member-societies, do everything within its power to remove the above-mentioned menace; and be it further

"Resolved, That this society, through its officer personnel, its speakers' bureaus, and its literature committees, will strive to make every American conscious of the necessity of working together to end this menace; and be it further

"Resolved, That this society regards all who consciously and voluntarily promote this evil, especially authors, publishers, and distributors, as being enemies of the spiritual and moral welfare of the nation; and be it finally

"Resolved, That this society offers its heartfelt praise to those thousands of retail store owners who have conscientiously refused to be a party to this pronution of evil and to those people within the industry, publishers and distributors, who are working so zealously to improve their own industry."

Whereas, This City Council has already passed a resolution against objectionable literature which coincides in substance with the resolution of the Boston Archdiocesan Union of Holy Name Societies; now, therefore, be it

Resolved, That the Boston City Council in meeting assembled hereby approves and heartily endorses the spirit and substance of the archdiocesan resolution and commends the archdiocesan delegates for introducing this resolution; and be it further

Resolved, That the City Council of Boston respectfully petitions all religious, social, veteran, and other civic groups to pass similar resolutions if they have not already done so, in order that, as the archdiocesan resolution so aptly states, "the force of public opinion" be brought to bear on the evil of indecent literature being promulgated in our society and causing the destruction of the moral fibre of our civilization.

The resolution was adopted under suspension of the rules.

RECREATION FACILITIES FOR PLAYING OF IRISH GAMES.

Coun. McCORMACK offered the following:

Ordered, That the Commissioner of Parks and Recreation be directed to make a study of the recreational facilities in the City of Boston to determine a suitable location for the playing of the Irish games of football and hurling.

Passed under suspension of the rules.

GREETINGS TO POLISH AMERICANS AND POLISH NATIONALS.

Coun. McCORMACK offered the following:

Whereas, Casimer Pulaski came to America to fight for American freedom, landing in Marblehead, Mass. on July 23, 1777; and

Whereas, General Washington, commander-in-chief of American forces, recommended to Congress a commission for Pulaski, and the latter, unwilling to remain idle, joined the American Army as a volunteer, and signalized himself at the Battle of Brandywine; and

Whereas, Pulaski organized the first American cavalry, supported the cavalry out of his own funds, became its first commander, and won for himself the title of "Father of American Cavalry"; and

Whereas, Pulaski, through his bravery and disregard for personal safety, helped to save the City of Savannah, Georgia, where on the field of battle he was mortally wounded; and

Whereas, Pulaski gave his energy, money, and life to American freedom and has become the symbol of devotion to liberty for all persons in America and Europe; therefore, be it

Resolved, That the City of Boston, through the City Council and his Honor the Mayor, extends its greetings to Polish Americans and Polish nationals throughout the world and joins with them in the prayer that the freedom which we Americans enjoy, and for which Casimir Pulaski sacrificed so much, may once again return to his native Poland.

The resolution was adopted under suspension of the rules.

ANNOUNCEMENT OF PUBLIC HEARING OF EXECUTIVE COMMITTEE.

Coun. WHITE announced that on Thursday, October 13, 1955, at 11 o'clock A.M., the Executive Committee would hold a public hearing in the Council Chamber to consider two orders of Councillors Foley and McCormack for the acceptance of chapter 760 of the Acts of 1955, providing for group life, accident, hospitalization, medical, and surgical insurance for city and county employees.

Adjourned at 5:10 P.M., on motion of Councillor Kerrigan, to meet on Monday, October 17, 1955, at 2 P.M.

Note: All debate of City Council eliminated from proceedings in accordance with Chapter 447, Acts of 1947.

(Stenographic copy of such debate on file in office of City Clerk.)

ELECTRICAL WORK.

Proposals for Electrical Work at 624 Albany Street, Boston.

The Commissioner of Public Works of the City of Boston, Room 506 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for electrical work at 624 Albany street, Boston. A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner, and each in the sum of 100 per cent of the contract price, will be required of the successful contractor. Forms of proposals may be obtained at Room 506 (Contract Office), City Hall Annex. Each proposal should be enclosed in an envelope, sealed, marked "Proposal for Electrical Work at 624 Albany Street, Boston," and left at Room 506 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. of THURSDAY, NOVEMBER 3, 1955, with a certified check for TWO HUNDRED (200) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 506, City Hall Annex. *There will be a charge of two dollars ($2), NOT REFUNDABLE, for each set of plans and specifications taken out.* If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

GEORGE G. HYLAND,
(Oct. 22.) *Commissioner of Public Works.*

The bond of an approved surety company doing business in the Commonwealth of Massachusetts, in the full amount of the contract, will be required to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at the office of the Fire Commissioner, 115 Southampton street. Each proposal must be signed by the hidder, placed in an envelope, sealed and marked "Proposal for Painting Interior and Exterior of Fire Alarm Headquarters Building," and left at the office of the Fire Commissioner, 115 Southampton street, before twelve o'clock noon on Monday, October 31, 1955, accompanied by a certified check for three hundred (300) dollars, payable to the City of Boston, and to be the property of said city as liquidated damages suffered by said city if, after acceptance of his proposal, the hidder shall fail to carry out said proposal. The proposals will then and there be publicly opened for reading. Proposals must he made in duplicate, and the sealed duplicate, without check, must be deposited by the hidder with the City Auditor previous to the time named for opening the proposals. The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (Ter. Ed.) to all persons to be employed under this contract, and sufficient proof of compliance with the foregoing will be required prior to the award of said contract. Specifications may be obtained at the office of the Fire Commissioner, 115 Southampton street. The Fire Commissioner reserves the right to reject any and all proposals and to award the contract as he deems hest.

FRANCIS X. COTTER,
(Oct. 22.) *Fire Commissioner.*

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

Invitation for Proposals for Furnishing and Erecting Incineration Equipment for the South Bay Incinerator.

The work to be done consists of fabricating, furnishing, erecting, and testing, in a building to be constructed under another contract, six (or, under alternate proposals, five or four) 150-ton per day incinerator units, including waste heat boilers, fly ash arrestor systems, and certain appurtenances, all complete and ready to operate.

The Commissioner of Public Works of the City of Boston, Room 506 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for furnishing and erecting incineration equipment for the South Bay Incinerator.

A performance bond and also a labor and materials or payment bond will be required for doing the work of a surety company approved by the Commissioner, each in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city. Contract documents, including forms of proposal, contract agreement and bonds and specifications, may be examined at the office of Metcalf and Eddy, Engineers, 1300 Statler Building, Boston, and may be examined and obtained at Room 506 (Contract Office), City Hall Annex. Each proposal should be enclosed in an envelope, sealed, marked "Proposal for Furnishing and Erecting Incineration Equipment for the South Bay Incinerator," and left at Room 506 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. of FRIDAY, NOVEMBER 25, 1955, with a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, in the sum of FIFTY THOUSAND DOLLARS ($50,000), payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex, Boston.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor, Room 11, City Hall, Boston, previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 506, City Hall Annex. *A deposit of one hundred dollars ($100) will be required on each set of contract documents taken out.* Such deposits will he refunded upon the return of said documents in good condition within 30 days after the date of the opening of the bids. A bidder may submit proposals for more than one type of furnace on the same proposal form. A bidder submitting a proposal on one or more of four types of furnace (designated in the proposal as alternates A, B, C, and D) must submit bids for furnishing alternatively a total of six or a total of five or a total of four complete 150-ton per day units. Proposals omitting a price for any alternate under the type of furnace being bid upon will be considered incomplete and will be subject to rejection. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is contained in the form of contract referred to herein. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

The Commissioner of Public Works reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

GEORGE G. HYLAND,
Commissioner of Public Works.

MAYOR HYNES AND GROUP OF PUBLIC-SPIRITED CITIZENS MAKE PLANS TO ENTERTAIN MORE THAN 120,000 OF CITY'S YOUTH ON HALLOWEEN — MAKES FOR SAFE AND SANE, YET ENJOYABLE, EVENT FOR NIGHT OF GHOSTS AND GOBLINS.

Mayor Hynes has devised and is putting into operation a program for Halloween that will provide for innocent amusement and enjoyment of all the youth of the city. It is anticipated that more than 100,000 young people will share in the fun and festivities. A conference was held in the office of the Mayor on Thursday to perfect the plans. A number of public-spirited citizens took part in the conference and perfected the plans.

Among those attending were: Msgr. John Carrol, Director of C.Y.O.; Msgr. Timothy O'Leary, Parochial Schools; Drs. Dennis Haley and Fred Gillis, of the Boston Public Schools; Commissioner Frank R. Kelley, Parks and Recreation; Fred Taylor, Chairman, Greater Boston Council for Youth; Henry Leen, Chairman, Mayor's Civic Improvement Committee; W. Duncan Russell, United Community Services; Police Commissioner Sullivan and Superintendent Edward Fallon; Fire

MAYOR HYNES PRESENTED PLAQUE BY DISABLED AMERICAN VETERANS FOR SERVICES TO HEROES IN WARS—PRESENTED FOR DISTINGUISHED AND OUTSTANDING SERVICES AND MERITORIOUS CONDUCT IN SPONSORING PROGRAMS BENEFICIAL TO HEALTH AND HAPPINESS.

Mayor Hynes has been signally honored by the Disabled American War Veterans with a plaque extolling his services in the interest of the veterans. The plaque, which was presented on Wednesday, reads as follows:

For distinguished service: To Mayor John B. Hynes, City of Boston, for exceptional and meritorious conduct in the performance of outstanding service for the Disabled American Veterans.

Special sponsored recreation programs for ambulatory patients away from hospitals.

$10,000,000 HAVE BEEN SAVED THE CITY OVER PAST FIVE AND A HALF YEARS BY THE PUBLIC WORKS DEPARTMENT — SHOWN BY FIGURES PRESENTED TO MAYOR JOHN B. HYNES — COMPILED BY DIVISION HEADS AT REQUEST OF PUBLIC WORKS DEPARTMENT COMMISSIONER GEORGE G. HYLAND — PUBLIC GREATLY BENEFITED BY IMPROVEMENTS AND GREATER EFFICIENCY.

According to figures compiled by the Public Works Department, under the direction of Public Works Commissioner George G. Hyland, the department has effected in the past five years a saving of more than $10,000,000. These savings have come about through major improvements put into effect by the various divisions.

The department has been reorganized to a high degree of efficiency with results greatly beneficial to the public. All of this has been done under the administration of Mayor John B. Hynes and under his orders. This has been done by a reduction in personnel, by not filling unessential jobs made vacant by retirement, resignations or deaths, by eliminating nonessential services, increase in the use of mechanical equipment, and by insistence on the part of Commissioner Hyland that each contractor performing services gives a dollar's worth of service for each dollar paid him.

The following is a list of the major accomplishments of the department as prepared for the commissioner by heads of divisions under his control and direction. These accomplishments have been submitted to Mayor John B. Hynes for approval in each instance of operation:

1. Reforms in Highway Division construction procedures concerning checks on work, materials, and manner of payment for highway contract work, including the establishment of a Finals Section to double check and approve all payments made to contractors.

2. Development of a Master Highway Plan to provide for a systematic schedule for the reconstruction of the city's streets.

3. Improving the street lighting by replacing gas lamps with electric lights and modernizing the electric lighting system.

4. Obtaining bona fide competitive bidding on refuse collection contracts and, for the first time in the city's history, competitive bidding on the refuse disposal contract.

5. Expanded program for the construction of conduits to cover open brooks that constituted a hazard to children. This lessened flooding and mosquito nuisances and made possible the reclamation of adjacent land for building purposes in several sections of the city.

6. Establishment of the Automotive Division in February, 1950, to provide more efficiency in the acquisition and maintenance of the departmental vehicles and equipment.

7. Establishment of a Mobile Patrol Service to replace staff of 112 watchmen and provide better protection to departmental facilities.

8. Establishment of a Motor Pool and a two-way short wave radio to utilize the passenger cars more efficiently.

9. Increased use of mechanical equipment in order to reduce labor costs and provide improved operations for such functions as street cleaning, sewer cleaning, and snow removal.

MAYOR HYNES PLANS FOR HALLOWEEN ENTERTAINMENT FOR CHILDREN.

(Continued from page 1265.)

Commissioner Francis Cotter, Fire Chief W. Montgomery, and Director of Recreation, Pat Ryan.

Boston's Halloween plans have been copied by many other large cities as an outstanding example of cooperation by all organizations concerned.

The foundation of this success is, of course, the "Mayor John B. Hynes Halloween Program" of safety suggestions, planned home parties, and a list of many popular songs.

In addition to these home parties, the city, through the Boston Parks and Recreation Department, sponsors over 150 public parties and teen-age dances. In cooperation with the United Community Services and the Catholic Youth Organizations it was estimated in 1954 that over 120,000 youngsters took part in this program.

The cooperation of city departments has been responsible for this success. The Police Department assigns officers to each party to oversee the safety. The Fire Department has men throughout each section of the city to help youngsters keep Halloween safe. The School Department, through their safety classes, distribute the programs and make the youngsters aware of a safe Halloween. The Parks and Recreation Department serves as the coordinator of the planning and publicity.

Suggested program for Halloween parties at home is as follows:

1. Greeting and welcome to all.

2. Community Singing—(Song Sheets) Numbers 1–6.

3. Game—"Pennies in Flour" (2 boys and girl). Equipment—3 pans with ½-inch layer of flour. Three pennies buried in each pan.

(Race to find 3 pennies with mouth. Hands tied behind back. Entrants must promise to take flour home and make good biscuits with it.)

4. Game — "Musical Chairs" (for girls). Equipment—6 chairs and pianist.

5. Game—"Biting Apples on String" (2 girls and boy). Equipment—3 apples hanging down, each on a separate string tied to its stem and fastened to a nail in the doorway, or any overhead support. A coin is first inserted in each apple.

(Participants race to eat through to coin—hands tied behind back.)

6. Game—"Put Peas in Pan" (2 boys and girl). Equipment—3 empty pie plates, 3 spoons, 3 soup plates full of flour with a dozen peas buried in flour.

(Race to find peas with spoon and move them over into empty pan.)

7. Game — "Shake Hands While Blindfolded" (1 or more couples, simultaneously or successively). Equipment—2 or more blindfolds.

(Girl without blindfold stands still with hands extended. Blindfolded boy with left hand behind back—starting at a distance—tries to shake her hand with his right hand. Girl must answer him when spoken to. Spectators must guard against blindfolded boy making any misstep which would cause bodily injury.)

8. Game—"Bite the Marshmallow on String" (girl—boy). Equipment—4 or more feet of white string, 7 marshmallows. (2 people hold string horizontal at the height of a person's head. 7 marshmallows dangle down from it on short strings at intervals of 6 inches. Boy starts eating marshmallows from one end; girl from other, racing toward central marshmallow. Can't use hands.)

9. Game — "Chew Crackers and Whistle" (2 boys and girl). Equipment—dry, flaky crackers.

10. Awarding of Prizes for Costumes.
   1. For most grotesque of boys.
   2. For most grotesque of girls.
   3. For boy best dressed as girl.
   4. For girl best dressed as boy.
   5. Most appropriate of girls.
   6. Most appropriate of boys.

11. Finale—Patriotic Songs—Numbers 7–10 on Song Sheet.

12. It is suggested that the above program be interspersed with acts of local talent.

13. Distribution of refreshments as youngsters leave the hall.

CORRECTION

Through inadvertence a story was made public in the issue of the *City Record* of October 22 to the effect that Mayor Hynes had asked the City Council to authorize the expenditure of $10,000,000 for off-street parking facilities outside the debt limit. The order was not presented but was withdrawn before any action was taken.

THE EDITOR.

MAYOR HYNES ACTS TO AID IN GROUP INSURANCE PLANS — ORDERS INFORMATION TO INSURANCE COMPANIES TO FACILITATE WORK.

The following communication has gone forward from the office of the Mayor:

CHARLES J. FOX, *Director*,
Administrative Services Department.

DEAR SIR:

My attention has been directed to chapter 750 of the Acts of 1955 which authorizes municipalities to provide a group insurance plan for employees and their dependents.

I am advised that in order to secure an estimate of the cost involved in such a plan, it will be necessary to secure certain information required by the insurance companies, so that they may submit proposals for the various types of coverage.

The information falls into three classes:

1. Distribution of group membership by years of birth.
2. Distribution by sex.
3. Marital status, that is to say distribution by single persons and married persons.

Since the provisions of the act do not become effective until December 10, I suggest that you proceed to assemble the information of the type previously outlined.

Respectfully,

J. B. HYNES, *Mayor*.

PUBLIC WORKS DEPARTMENT REPORT SHOWS A BIG SAVINGS.

(Continued from page 1265.)

10. Reduced personnel from 2,465 on January 1, 1950, to 2,033 as of this date. This reduction of 432 represents an annual reduction in payroll cost of approximately $1,380,000 based on the present annual average wage of $3,200 per employee and was accomplished without discharging any employees but simply by not filling any expiring nonessential jobs.

11. Elimination of the East Boston Ferry on December 31, 1952, at an annual savings of approximately $300,000.

12. Sale of garbage at the Victory Road Station at a net savings to the city of $117,000 over the past five years.

13. Required the use of all-enclosed bodies on refuse trucks in sixteen out of the seventeen collection districts of the city.

14. Cooperated with the various state agencies in order to obtain the maximum benefits available to the city by:

(*a*) Taking advantage of the Chapter 90 State-Aid Highway Construction Program; over $1,907,405 contributed to the city from the State Highway Fund over the past five years.

(*b*) Providing for the M.D.C. to dispose of sewage from the Boston Main Drainage System at their new plant at Deer Island, thus saving the city the necessity of constructing a $10,000,000 sewage treatment plant at the Calf Pasture.

(*c*) Getting the state to assume one half the cost of the $4,660,000 Andrew

P. McArdle Bridge built to replace the old Meridian Street Bridge.

(*d*) Coordination with the State Department of Public Works in the selection of the route for the Central Artery.

15. Constructed the following new yard facilities in order to replace some outmoded yard buildings built 60 to 100 years ago and also to provide storage space for the increased quantity of mechanical equipment:

(*a*) William T. Morrissey Memorial Building, an office building at the new yard located at the Arborway and Forest Hills street, West Roxbury, along with a garage to house 15 vehicles. This yard replaces the old Child Street Yard, opposite St. Thomas's Church on South street.

(*b*) Garage at the Moreland Street Yard, West Roxbury.

(*c*) Garage at the Western Avenue Yard, Brighton.

(*d*) Office building at Second street, South Boston, to house Sanitary Division, Mobile Patrol Headquarters, and Motor Pool, including a two-way short-wave radio station.

16. Since taking over duties of the former Board of Street Commissioners in 1954, have instituted the following improvements:

(*a*) Established a schedule of fees for the storage or sale of merchandise in a public way. Formerly the fee was at the discretion of the board, was not uniform, and was unfair to many licensees.

(*b*) Established a schedule of regulations concerning projecting signs in order to control increasing sign sizes to the detriment of some neighborhoods.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Sumner Tunnel of the Public Works Department for two (2) Taller & Cooper four contract treadles. Taller & Cooper, Inc., the manufacturer of these treadles, has submitted a written quotation.

Inasmuch as Taller & Cooper, Inc., is the manufacturer of this particular equipment and is the sole supplier, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to this company. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amount of contract will be $1,500, net.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

DEPARTMENT OF SCHOOL BUILDINGS.

BOSTON, October 19, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The School Committee has requested the installation of a special class in cooking at the Hugh O'Brien School. Due to the necessity of having this class in operation immediately, I sent out invitation bids to five reputable plumbing concerns and am in receipt of the following proposals:

Gerald J. Vallati, $1,140; H. J. Lyons, $1,168; D. J. Rull, $1,179; J. P. O'Hearn, $1,235; J. M. McCusker Company, $1,275.

That the plumbing work may be started forthwith in order to have this class in operation as soon as possible, your Honor's permission is requested to

dispense with public advertising and on the basis of the above bids, award a contract, without advertising, to Gerald J. Vallati Company, 1654 Dorchester avenue, Dorchester, Mass., for plumbing work at the above school, in the amount not to exceed eleven hundred forty (1,140) dollars.

Respectfully yours,

EDWARD M. O'FLAHERTY,
Superintendent of Construction

LIBRARY DEPARTMENT.

BOSTON, October 17, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.
DEAR MR. MAYOR:

The Trustees of the Public Library respectfully request the approval of your Honor for the award of a contract, without public advertising, to Paul E. Dutelle & Co., Inc., 153 Pearl street, Newton, for certain roof repairs at the West End Branch Library.

Due to the fact that the extent of the work needed to be done cannot be known until repairs are in progress it is not possible to write specifications for the work. The metal cornice is secured to an original wood cornice. In making repairs to the metal cornice it will be necessary also to determine the condition of the old wood cornice underneath and, where needed, to replace rotted wood blocking.

For this work the trustees have selected Paul E. Dutelle & Co., Inc., who, in addition to being roofers, have the facilities to fabricate the new cornice work in their own sheet metal shop.

The trustees have therefore taken the following action to award the contract:

"*Voted*, That there be entered into, without public advertising, with Paul E. Dutelle & Co., Inc., 153 Pearl street, Newton, Mass., a contract for certain roof repairs at the West End Branch Library, in an amount not to exceed three thousand dollars ($3,000)."

Inasmuch as the total cost for the roof repairs will exceed one thousand dollars ($1,000), there is respectfully requested permission of your Honor to enter into this contract, without publicly advertising for bids.

Respectfully,

THE TRUSTEES OF THE PUBLIC LIBRARY OF THE CITY OF BOSTON,

by MILTON E. LORD,
Director.

PARKS AND RECREATION DEPARTMENT.

BOSTON, October 19, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.
DEAR SIR:

During past years, as an off-season project, we have been generally able to clean the catch basins on our parkways with our own help. This year we are using every available man cleaning up and repairing damage caused by the recent floods. This will have to continue for some time, thereby forcing us to have the catch-basin cleaning done by contract.

In order to have this work started as soon as possible, we have asked William J. Banfield, 50 Terminal street, Charlestown, a contractor who has the necessary equipment and experience to do this type of work, to submit prices. He has offered to clean the catch basins at a price of two dollars and twenty cents ($2.20) a cubic yard of material removed, which includes the cost of all labor, equipment, and the furnishing of dumps. This is the same price that the Public Works Department is paying the low bidder on their last publicly advertised contract for this type of work.

We feel this price to be fair and reasonable, that nothing would be gained by publicly advertising, and that it would be in the best interests of the city to negotiate a contract on this basis.

In view of all this, I respectfully request that I be given permission to award a contract, without publicly advertising, to William J. Banfield, 50 Terminal street, Charlestown, Mass., for cleaning catch basins in any park roadways in the City of Boston at the unit price quoted above. The total cost, which is not to exceed six thousand (6,000) dollars, to be charged to "Parks and Recreation Department, Budget Item 299."

Respectfully yours,

FRANK R. KELLEY,
Commissioner.

EXTRA WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

J. A. Susi & Sons, Inc., have been directed to perform the following extra work under the contract for sheet asphalt pavement in Poplar street and West street, dated June 21, 1955:

In Poplar street, construct concrete retaining wall at new line of Poplar street, from Hautevale street approximately 100 feet southwesterly. Approximately 18 cubic yards of concrete are required and the price to be paid is $35 per cubic yard. This price is to include all necessary excavation and forms and all incidental work. Relocate existing chain link fence from existing wall to new concrete wall. Provide new posts, use existing rails and fabric. There is approximately 100 feet of fence to be relocated and the price to be paid is $2 per foot.

Estimated cost of extra work, $830.

—

J. D'Amico, Inc., has been directed to perform the following extra work under the contract for bituminous concrete pavement in Bowditch road, extended approximately 250 feet westerly, dated June 29, 1955:

Remodel one catch basin at $50. Remove one 30-inch stump at $50. Deliver 5 linear feet of new circular edgestone to Child Street paving yard at $3.35 per linear foot. Nineteen cubic yards of hand excavation at $5 per cubic yard. Regrade 80 square yards of sidewalk at 20 cents per square yard. Reset 88 linear feet of edgestone at $1 per linear foot.

Estimated cost of extra work, $315.75.

—

J. D'Amico, Inc., has been directed to perform the following extra work under the contract for bituminous concrete pavement in Ansonia road, Bowditch road, Cricket Lane, Highfield road, Ledgewood road, and Searle road, dated October 5, 1954:

In Cricket Lane, Ledgewood road southeasterly, northeasterly, and northwesterly approximately 800 feet, remove two stumps, with an average diameter of 18 inches, at $25 each, and remove four stumps, with an average diameter of 12 inches, at $15 each.

Estimated cost of extra work, $110.

EXTENSION OF CONTRACTS.

DEPARTMENT OF SCHOOL BUILDINGS.

Approval has been given for an extension of time for the completion of the contract with Emerson Electrical Manufacturing Company for electrical work at various schools, from September 30, 1955, to November 30, 1955. This extension was requested because of delay in obtaining fixtures.

—

Approval has been given for an extension of time for the completion of the contract with Richard Moore Company for roofing work at Jamaica Plain High School, from October 15, 1955, to December 31, 1955. This extension was requested because of delay in receiving copper materials.

—

Approval has been given for an extension of time for the completion of the contract with Industrial Welding Company for repairing and replacing of parts of fire escapes and the incidental work in connection with same at various schools, from October 1, 1955, to November 15, 1955. This extension was requested because deliveries of steel stock necessary for this work were delayed because of shortage.

—

Approval has been given for an extension of time for the completion of the contract with M. Solimando for the construction of a playground, etc., at the Roxbury Memorial High School for Girls (Lewis District), from October 1, 1955, to November 1, 1955. This extension was requested because an encountered ledge had to be drilled and removed rather than blasted.

PUBLIC WORKS DEPARTMENT.

Approval has been given for an extension of time for the completion of the contract with J. D'Amico, Inc., 49 Ellison avenue, Dorchester, for bituminous concrete pavement in Ansonia road, Cricket Lane, Highfield road, Ledgewood road, and Searle road, from September 30, 1955, to December 31, 1955. This extension was requested because the contractor was delayed by inclement weather.

CHANGE IN CONTRACT.

PUBLIC WORKS DEPARTMENT.

J. A. Singarella Company has been directed to make the following omission and substitution in the contract for redecking and repairing the Summer Street Bridge over A street, B street, and C street, dated April 27, 1955:

Under Item 10, omit 5,000 pounds of structural steel at 23 cents per pound, $1,150.

Remove approximately 400 square yards of bituminous concrete sidewalks from the upstream sidewalk of the Summer Street Bridge, at agreed price of $1 per square yard, $400; replace preceding material with approximately 75 tons of bituminous concrete, to be furnished and placed as directed, under Item 22, at $10 per ton, $750—$1,150.

PROCEEDINGS OF CITY COUNCIL.

Monday, October 17, 1955.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 2 P.M., President HURLEY in the chair, and all the members present.

The Reverend William D. Keenan, of St. Thomas Aquinas Roman Catholic Church, Jamaica Plain, was escorted to the rostrum.

INVOCATION
BY REV. WILLIAM D. KEENAN.

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Direct, O Lord, all our actions by Thy holy inspiration and by Thy gracious assistance that every prayer and work of ours may always begin with Thee and by Thee be happily ended. Through Christ our Lord. Amen.

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

The meeting was opened with the salute to the Flag.

APPOINTMENTS BY THE MAYOR.

Subject to confirmation by the Council, the Mayor submitted the following appointments:

Weighers of Coal for the term ending April 30, 1956: Jean Williamson, 110 Murdock street, Brighton; Edward Novick, 350 Seaver street, Dorchester; Gloria Rizzatto, 91 West Cottage street, Dorchester.

Severally referred to the Committee on Confirmations.

SURVEY OF TRAFFIC CONDITIONS ON DRAPER STREET, DORCHESTER.

The following was received:

City of Boston,
Office of the Mayor, October 13, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Traffic Commissioner concerning your order of October 3, 1955, relative to a survey being made of the traffic conditions on Draper street, Dorchester, with a view to making that street one way from Bowdoin street to Homes avenue, and the possibility of permitting the parking of cars on both sides of the street.

Respectfully,
J. B. HYNES, Mayor.

—

Boston Traffic Commission,
October 11, 1955.

Hon. John B. Hynes,
Mayor of Boston.
Dear Mr. Mayor:

With reference to Council order dated October 3, 1955, requesting that a survey be made of traffic conditions in Draper street, Dorchester, with a view to making it one way from Bowdoin street to Homes avenue, I wish to report that we have found from experience that it is best to have an expression of opinion from the residents of the street before enactment of such a regulation.

In the past we have acted upon the request of individuals only to find that a majority of the residents of the street object to the change and for that reason have adopted the policy of acting chiefly in response to petitions.

It is doubtful that we would look with favor on permitting the parking of cars on both sides of this street. However, if the residents wish the street to be made one way, I feel that the board would be inclined to conform to their request.

Respectfully yours,
WM. ARTHUR REILLY, Commissioner.

ELECTION IN FIRE DEPARTMENT TO DETERMINE BARGAINING UNIT.

The following was received:

City of Boston,
Office of the Mayor, October 13, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Fire Commissioner relative to your resolution of October 3, 1955, concerning an election within 30 days of the resolution for the purpose of determining a bargaining unit in the Boston Fire Department.

Respectfully,
J. B. HYNES, Mayor.

—

City of Boston,
Fire Department, October 10, 1955.

Hon. John B. Hynes,
Mayor of Boston.
Sir:

I have given consideration to the resolution adopted in City Council on October 3, 1955, where it is desired that an election within 30 days of the resolution be held for the purpose of determining a bargaining unit in the Boston Fire Department.

It would be inadvisable to hold any election on such a weighty matter inasmuch as there are a great number of men on vacation at all times during the limited period mentioned in the order. It would be a grave trespass upon the rights of any firefighter to hold an election at this time when he is necessarily absent because of the vacation schedule over which he has no control.

Very truly yours,
FRANCIS X. COTTER,
Fire Commissioner.

PLAYGROUND FACILITIES AT CLIFFORD AND STANBRO STREETS.

The following was received:

City of Boston,
Office of the Mayor, October 13, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Commissioner of Parks and Recreation concerning your order of August 1, 1955, relative to converting city-owned land at the corner of Clifford street and Stanbro street, Hyde Park, into playground facilities for local residents.

Respectfully
J. B. HYNES, Mayor.

City of Boston
Parks and Recreation Department,
October 10, 1955.

Harold B. Flemming,
Chief Clerk, Mayor's Office.
Dear Sir:

This will acknowledge attached memo from Mayor's office with attached City Council order requesting that the Park Commissioner study the possibility of converting city-owned land at the corner of Clifford street and Stanbro street in Hyde Park into playground facilities for local residents.

A report received from the chief engineer today indicates that this particular piece of property recently changed hands and is now under the control of the Metropolitan District Commission of the Commonwealth. This request should be taken up with that department.

Very truly yours,
FRANK R. KELLEY, Commissioner.

SURVEY OF TRAFFIC CONDITIONS AT FAIRMOUNT AND OGDEN STREETS.

The following was received:

City of Boston,
Office of the Mayor, October 17, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Traffic Commissioner relative to your order of September 12, 1955, concerning traffic conditions at Fairmount and Ogden streets, Dorchester, with a view to constructing a traffic island.

Respectfully,
J. B. HYNES, Mayor.

—

Boston Traffic Commission,
October 14, 1955.

Hon. John B. Hynes,
Mayor of Boston.
Dear Mr. Mayor:

With reference to a City Council order of September 12 requesting a survey of traffic conditions at Fairmount and Ogden streets, Dorchester with a view to constructing a traffic island, I submit the following preliminary report.

The roadway width across Fairmount and Ogden street is 70 feet and a plan is being prepared for a traffic island at this location which will be submitted to the Public Improvement Commission.

This island should improve traffic conditions in the area and facilitate the pedestrian crossing.

As a further means of relieving traffic conditions at this intersection it is believed that Ogden street might be made one way from Wilmington avenue to Washington street.

Some time ago we had a request that Wilmington avenue be made one way from Nevada street to Ogden street, but no further petition was received from the residents so that action was not taken in response to that request.

We are now undertaking a survey of the residents of Ogden street to determine whether or not the residents would accept the making of this street one way from Wilmington avenue to Washington street, and if there is not substantial opposition this regulation will be enacted and provide some immediate relief.

The installation of a traffic island at this time of year might not be accomplished so quickly but in due course of time both activities will be completed.

Respectfully yours
WM. ARTHUR REILLY, Commissioner.

—

City of Boston,
Health Department, October 11, 1955.

To: Mr. Harold B. Flemming, Chief Clerk, Mayor's Office.
From: John H. Cauley, M.D., Commissioner, Health Department.
Subject: Councillor McLaughlin's order of September 12, 1955.
Dear Sir:

I have had your communication of September 16, together with Councillor McLaughlin's order of September 12, pertaining to Salk vaccine distribution. There has been a delay in acknowledging this resolve of the Boston City Council by reason of the fact that the State Department of Public Health has met several times with committees on the recent outbreak of polio in Massachusetts and, likewise, a particular committee relative to the administration of polio vaccine.

The Commonwealth Advisory Committee on Polio Vaccine recently voted to delay the administration of polio vaccine, with their approval, until such time that further study has been made, and a determination in the effectiveness and the safety of the vaccine.

There has been voted by the Federal Government a grant which will be distributed to the State Department of Public Health as a sum of money in the near future to purchase vaccine and, likewise, the Commonwealth of Massachusetts has earmarked funds for additional vaccine which may be distributed to the local departments of health. The precise manner in which the City of Boston shall receive this vaccine has not been announced by the State Department of Health and, at the present time, the State Department of Public Health is delaying further recommendations until the Polio Technical Committee meets again.

From meagre information which I have at hand, which is entirely verbal, it is my understanding that the matter of the use and distribution of vaccine will be discussed at a meeting of the Technical Polio Vaccine Advisory Committee. It is my understanding that this meeting shall be in the relatively near future, but the exact date has not yet been determined.

Respectfully,
JOHN H. CAULEY, M.D.,
Health Commissioner.

APPROPRIATION FOR OFF-STREET PARKING AT CENTRAL SQUARE, EAST BOSTON.

The following was received:

City of Boston,
Office of the Mayor, October 17, 1955.

To the City Council.

Gentlemen:

At the request of the Real Property Board, I submit herewith an order providing for the appropriation of $30,000 from parking meter receipts to permit the construction of an off-street parking facility at Central square in East Boston.

The location involved is the site of the abandoned Cudworth School which has been transferred by the School Committee to the Real Property Department for off-street parking purposes. The lot is bounded by Gove, Paris, and Huyre streets, contains approximately 25,000 square feet, and will provide parking facilities for approximately seventy cars.

The construction of this facility should serve to reduce the parking problem now present in this busy area.

I respectfully recommend adoption of the accompanying order.

Respectfully,
J. B. Hynes, Mayor.

Ordered, That under the provisions of section 22B of chapter 40 of the General Laws as established by chapter 776 of the Acts of 1949 the sum of thirty thousand dollars ($30,000) be, and hereby is, appropriated from the special account "Parking Meter Fees," to be expended by the Real Property Department, for constructing or reconstructing and resurfacing off-street parking facilities at Central square, East Boston.

Referred to the Committee on Appropriations and Finance.

CITY OF BOSTON — GRACE N. AZNIVE ART SCHOLARSHIP FUND.

The following was received:

City of Boston,
Office of the Mayor, October 11, 1955.

To the City Council.

Gentlemen:

On April 3, 1952, the Boston School Department lost by death the faithful services of Miss Grace N. Aznive, who for over thirty years had given most generously of her time, energy, and devotion as an art teacher at the High School of Practical Arts and the Roslindale High School. As a memorial to her, her brothers, Albert M. Aznive of Boston, Mass., and Leon L. Aznive of Stoneham, Mass., and her nephew, Robert D. Shooshan of Manchester, Conn., have presented to the City of Boston the sum of five thousand dollars to establish the Grace N. Aznive Art Scholarship Fund.

I have this day filed with the City Clerk the written instrument signed by Messrs. Albert M. Aznive, Leon L. Aznive, and Robert D. Shooshan which formally gives the money to the city and sets forth in detail the terms and conditions of the gift. This writing makes it plain that it is the intent of the donors that the fund shall be held as a permanent fund with the income thereof used to award each year such number of Grace N. Aznive Art Scholarships of $100 each as the income will permit; that such scholarship or scholarships will be available for use only for advanced study of art during a subsequent semester in the year in which they are awarded; and that every student in every public high school in Boston who is taking a course in art at such high school and is in the class to graduate from such high school in the particular year will be eligible to compete for such scholarship or scholarships. Provision is also made by the writing for a board of managers to handle the investment of the fund and an award committee to select the awardees.

Transmitted herewith for your early adoption is an order accepting this most gracious, public-spirited gift.

Respectfully,
J. B. Hynes, Mayor.

Ordered, That the sum of five thousand dollars given, assigned, and transferred to the City of Boston by Messrs. Albert M. Aznive, Leon L. Aznive, and Robert D. Shooshan by the written instrument dated August 4, 1955, and filed with the City Clerk on October 11, 1955, which sum, by action of Messrs. Albert M. Aznive, Leon L. Aznive, and Robert D. Shooshan, is now on deposit in the Boston Five Cents Savings Bank to the credit of the City of Boston — Grace N. Aznive Art Scholarship Fund (Account No. 1322762), be, and the same hereby is, accepted with gratitude upon the trust set forth in said instrument; and further

Ordered, That the sum of twenty-five dollars also given, assigned, and transferred to the City of Boston by said instrument, which sum is also now on deposit with the Boston Five Cents Savings Bank as aforesaid, be, and the same hereby is, accepted with gratitude for the purpose stated in said instrument.

Referred to the Executive Committee.

OIL PAINTING OF "GEORGE WASHINGTON AT DORCHESTER HEIGHTS."

The following was received:

City of Boston,
Office of the Mayor, October 17, 1955.

To the City Council.

Gentlemen:

When my message of July 11, 1955, relative to the acquisition by the City of Boston of the oil painting by Emanuel Leutze of George Washington at Dorchester Heights was submitted to your Honorable Body, it was anticipated that the committee which had been receiving the donations of public-spirited persons for the purpose of enabling such acquisition would pay over to the city the gross amount collected and that the city, in turn, would purchase the painting and fund any balance for the care and preservation of the painting. That committee, however, itself purchased the painting in the name of the city and now tenders the bill of sale together with the surplus money which is to be funded for the care and preservation of the painting.

To keep the official records strictly accurate, I am transmitting herewith, and recommend your early adoption of, two orders, the first of which will rescind the order of July 11, 1955, and the second of which will authorize and empower the acceptance of the bill of sale as well as provide for the acceptance and funding of the surplus moneys.

Respectfully,
J. B. Hynes, Mayor.

Ordered, That the order passed by the City Council on July 11, 1955, and approved by the Mayor on July 12, 1955, relative to the acceptance and use of sums received by the Washington at Dorchester Heights Committee be, and the same hereby is, rescinded.

Ordered (1), That the Mayor be, and he hereby is, authorized and empowered to accept in the name and behalf of the City of Boston the bill of sale whereby Vose Galleries of Boston, Inc., in consideration of seventy-five hundred dollars ($7,500) paid by J. Reed Morss, treasurer, George Washington Portrait Fund, grants, sells, transfers, and delivers to the City of Boston the oil painting by Emanuel Leutze of George Washington at Dorchester Heights;

(2) That the Collector-Treasurer be, and he hereby is, authorized and empowered to accept in the name and behalf of the City of Boston from the Washington at Dorchester Heights Committee such sums as have been or may be received by said committee in excess of the amount required to purchase, transport, and insure the oil painting by Emanuel Leutze of George Washington at Dorchester Heights; and

(3) That all sums so accepted from the Washington at Dorchester Heights Committee be funded as the Washington at Dorchester Heights Fund, with all income therefrom to be added to the principal and with so much of the principal as may from time to time be necessary to be used for the care and preservation of the oil painting by Emanuel Leutze of George Washington at Dorchester Heights.

Referred to the Executive Committee.

APPROPRIATION FROM PARKMAN FUND INCOME.

The following was received:

City of Boston,
Office of the Mayor, October 17, 1955.

To the City Council.

Gentlemen:

I am in receipt of the attached communication from the Commissioner of Parks and Recreation, requesting the appropriation of $35,000 from the income of the George F. Parkman Fund, to be expended under the direction of the Commissioner of Parks and Recreation, for the Maintenance and Improvement of the Common and Parks in Existence on January 12, 1887.

The 1955 budget estimates for the personal service requirements of the Parks and Recreation Department included an estimate of the total yearly income from the George F. Parkman Fund. The budget allowances made provision for the appropriation of this income as it accrued for the purpose of defraying the cost of work actually performed on the Common and Parks in Existence on January 12, 1887.

I submit herewith an order appropriating the sum of $35,000, the accrued income now available from the Parkman Fund, and respectfully recommend its immediate passage by your Honorable Body.

Respectfully,
J. B. Hynes, Mayor.

City of Boston
Parks and Recreation Department,
October 11, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Sir:

You are respectfully asked to request the City Council to transfer from the income of the George F. Parkman Fund the sum of $35,000 which is now available, to be expended under the direction of the Commissioner of Parks and Recreation as follows:

Common and Parks in Existence on January 12, 1887, Maintenance and Improvement of $35,000

When making up the budget estimates for the year 1955, a sum equal to the total yearly income of the George F. Parkman Fund was deducted from Item 100, Permanent Employees, with the understanding that this deduction was to be replaced by the total yearly income of said Parkman Fund for 1955, to be transferred as it accrued, from time to time during the year, to the regular maintenance appropriation of the Parks and Recreation Department.

Frank R. Kelley, Commissioner.

Ordered, That the sum of thirty-five thousand dollars ($35,000) be, and hereby is, appropriated from the income of the George F. Parkman Fund, to be expended under the direction of the Commissioner of Parks and Recreation, for the Maintenance and Improvement of the Common and Parks in Existence on January 12 1887, as follows:

Common and Parks in Existence on January 12, 1887, Maintenance and Improvement of $35,000

Referred to the Committee on Appropriations and Finance.

TRANSFER OF APPROPRIATIONS.

The following was received:

City of Boston,
Office of the Mayor, October 17 1955.

To the City Council.

Gentlemen:

I submit herewith two orders providing for the transfer of $55,697 57 from the Reserve Fund to two county departments. The departments and amounts involved are as follows:

House of Correction	$52,000 00
Municipal Court, Roxbury District	3,697 57
Total	$55,697 57

In the past two years there has been a substantial increase in the number of persons sentenced to the House of Correction. The average count for 1953 was 546; for 1954, 612; and for the first nine months of this year, 670. This constant upward trend in the number of inmates has necessitated greater expenditures for food, clothing, medicines, cleaning supplies, and tools and implements. In addition, the institution has had its share of prison unrest, which culminated in a serious disturbance on October 1. During this uprising, material damage was done to the heating system and the windows and sashes of the east wing of the Hill Prison. In addition, a bread mixer in the bakery was ruined. It is estimated that the cost of repairing the resulting damage will approximate $40,000. It is proposed to utilize in this connection an appropriation of $30,000 originally made for sea wall repairs against which no encumbrances have yet been made. The balance of the damage costs together with the increased population requirements make up the additional appropriation set forth in the following schedule:

Personal Services, $14,000, additional correction officers and increased overtime payments.

Contractual Services, $10,400, repairs to prison buildings and increased lighting requirements.

Supplies and Materials, $25,000, increased requirements for food, medicines, clothing, cleaning, and miscellaneous supplies.

Equipment, $2,600, replacement of bread mixer.

In the Roxbury Court it has been necessary to provide additional funds to meet payroll increases to probation officers resulting from the enactment of chapter 735 of the Acts of 1955. In addition, because of a substantial increase in criminal cases as well as parking violations, the expenditures of the court for postage, forms, and other stationery have far exceeded ordinary requirements.

I respectfully recommend adoption of the accompanying orders.

Respectfully,
J. B. Hynes, Mayor.

Ordered, That in accordance with the provisions of section 3B of chapter 486 of the Acts of 1909, as amended by chapter 601 of the Acts of 1941, the City Auditor be, and hereby is, authorized to transfer:

From the appropriation for Reserve Fund, $52,000, to the appropriation for Penal Institutions Department, House of Correction, 1, Personal Services, $14,000, 2, Contractual Services, $10,400, 3, Supplies and Materials, $25,000, 5, Equipment, $2,600.

Ordered, That in accordance with the provisions of section 3B of chapter 486 of the Acts of 1909, as amended by chapter 604 of the Acts of 1941, the City Auditor be, and hereby is, authorized to transfer:

From the appropriation for Reserve Fund, $3,697.57, to the appropriation for Municipal Court, Roxbury District, 1, Permanent Employees, $1,197.57, 3, Supplies and Materials, $2,500.

Severally referred to the Executive Committee.

RESTORATION OF SICK LEAVE PRIVILEGES TO MAINTENANCE PERSONNEL OF BOSTON HOUSING AUTHORITY.

Coun. AHEARN offered the following:

Whereas, Good employer-employee practices today recognize the validity of the principle of so-called "sick leave," whereby employees are allowed a certain number of days' absence due to sickness without loss of wages; and

Whereas, In the Boston Housing Authority salaried employees now enjoy the sick leave privilege and formerly the same privilege was enjoyed by the hourly wage employees in the Maintenance Department, which latter privilege was withdrawn; now therefore be it

Resolved, That the Boston City Council, in meeting assembled, hereby requests the members of the Boston Housing Authority to restore to the maintenance personnel of the Boston Housing Authority the sick leave privilege.

The resolution was adopted under suspension of the rules.

SPECIAL SESSION OF LEGISLATURE ON AUTOMOBILE INSURANCE.

Coun. AHEARN offered the following:

Whereas, This City Council has already gone on record as being strongly opposed to the present method of insurance rate determination and surcharges made on the basis of an assessment of points; and

Whereas, This City Council has requested His Excellency the Governor to call a special session of the Great and General Court to review the whole problem of automobile insurance rates, but no special session has been called; and

Whereas, Members of the Great and General Court themselves are now circulating a petition calling for a special session in this matter; now therefore be it

Resolved, That the City Council of Boston, in meeting assembled, hereby respectfully petitions the Speaker of the House and the President of the Senate to record the Boston City Council in favor of a special session of the Legislature; and be it further

Resolved, That Representatives and Senators representing the City of Boston are hereby respectfully and urgently requested to sign a petition for the summoning of a special session of the Legislature to revise Massachusetts laws on automobile insurance.

The resolution was adopted under suspension of the rules.

RECESS.

On motion of Councillor Kerrigan, the Council voted to take a recess at 2.40 P.M., subject to the call of the Chair. The members reassembled in the Council Chamber and were called to order by President HURLEY at 3.53 P.M.

EXECUTIVE COMMITTEE REPORTS.

2. Report on petition (referred October 10) of Olindys South Station Alleys, Inc., Albert H. Slate, Basement, South Station, Atlantic Avenue, to operate bowling alleys on the Lord's day—recommending that license be granted.

The reports were accepted, and the licenses were severally granted under the usual conditions.

REPORT OF COMMITTEE ON CONFIRMATIONS.

Coun. McLAUGHLIN, for the Committee on Confirmations, submitted the following:

1. Report on appointment by the Mayor (referred October 10) of George E. Bolanes as constable with authority to serve civil process upon filing of bond, for term ending April 30, 1956 — recommending that appointment be confirmed.

2. Report on appointment by the Mayor (referred October 10) of Richard L. Fowle as weigher of beef, for term ending April 30, 1956 — recommending that appointment be confirmed.

The report was accepted, and the question came on confirmation. Committee, Councillors McCormack and McLaughlin. Whole number of ballots 8, yeas 8, and the appointments were confirmed.

SYMPATHY AND CONDOLENCES TO FLOOD VICTIMS.

Coun. HURLEY, for all the Councillors, offered the following:

Whereas, The New England States area has again been severely damaged with a disastrous toll of 39 lives lost and countless millions of dollars in properties; and

Whereas, The western section of Massachusetts along with our neighboring state of Connecticut bore the brunt of the storm that caused thousands to be evacuated from their homes; therefore be it

Resolved, That the Boston City Council, in meeting assembled, on behalf of all the people of Boston extends its heartfelt sympathy and condolences to those who have suffered so much and in particular those who have lost their dear ones.

The resolution was adopted under suspension of the rules.

RESOLUTION EXPRESSING GRATITUDE TO DONORS OF CITY OF BOSTON — GRACE N. AZNIVE SCHOLARSHIP FUND.

Coun. PIEMONTE offered the following:

Whereas, Under date of October 11, 1955, his Honor John B. Hynes, Mayor of Boston, sent the

following communication to the Boston City Council. "On April 3, 1952, the Boston School Department lost by death the faithful services of Miss Grace N. Aznive, who for over thirty years had given most generously of her time, energy, and devotion as an art teacher at the High School of Practical Arts and the Roslindale High School. As a memorial to her, her brothers Albert M. Aznive of Boston, Mass., and Leon L. Aznive of Stoneham, Mass., and her nephew, Robert D. Shooshan of Manchester, Conn., have presented to the City of Boston the sum of five thousand dollars to establish the Grace N. Aznive Art Scholarship Fund.

"I have this day filed with the City Clerk the written instrument signed by Messrs. Albert M. Aznive, Leon L. Aznive, and Robert D. Shooshan which formally gives the money to the city and sets forth in detail the terms and conditions of the gift. This writing makes it plain that it is the intent of the donors that the fund shall be held as a permanent fund with the income thereof used to award each year such number of Grace N. Aznive Art Scholarships of $100 each as the income will permit; that such scholarship or scholarships will be available for use only for advanced study of art during a subsequent semester in the year in which they are awarded; and that every student in every public high school in Boston who is taking a course in art at such high school and is in the class to graduate from such high school in the particular year will be eligible to compete for such scholarship or scholarships. Provision is also made by the writing for a Board of Managers to handle the investment of the fund and an Award Committee to select the awardees.

"Transmitted herewith for your early adoption is an order accepting this most gracious, public-spirited gift."

accompanied by the following order:

Ordered, That the sum of five thousand dollars given, assigned, and transferred to the City of Boston by Messrs. Albert M. Aznive, Leon L. Aznive, and Robert D. Shooshan by the written instrument dated August 4, 1955, and filed with the City Clerk on October 11, 1955, which sum, by action of Messrs. Albert M. Aznive, Leon L. Aznive, and Robert D. Shooshan is now on deposit in the Boston Five Cents Savings Bank to the credit of the City of Boston - Grace N. Aznive Art Scholarship Fund (Account No. 1322762), be, and the same hereby is, accepted with gratitude upon the trust set forth in said instrument; and further

Ordered, That the sum of twenty-five dollars also given, assigned, and transferred to the City of Boston by said instrument, which sum is also now on deposit with the Boston Five Cents Savings Bank as aforesaid, be, and the same hereby is, accepted with gratitude for the purpose stated in said instrument; and

Whereas, This Honorable Body unanimously accepted with gratitude this kind and noble act; and

Whereas, Such kindness and thoughtfulness reflects the fine group of men and women who make up the teaching staff of the Boston public schools, and in further appreciation of this bequest and in order to give its intent as full effect as possible; now, therefore, be it

Resolved, That a copy of this resolution be forwarded to the headmaster of each public school in our system with the request that it be read in each class assembly to the end that each pupil in the Boston public school system might know of the devotion of the late Miss Grace N. Aznive to her profession and the Boston public school system and its pupils; and further, that a copy of the resolution be forwarded to her brothers Albert M. Aznive of Boston, Leon L. Aznive of Stoneham, and her nephew Robert D. Shooshan of Manchester, Conn.

The resolution was adopted under suspension of the rules.

AMENDMENT OF ORDINANCE RE CONTRACTS FOR RESTORATION OF PAVING SURFACES.

On motion of Councillor Foley, the ordinance to amend chapter 27, section 9, subsection 1 of the Revised Ordinances of 1947, re paving and paving contracts, referred to the Committee on Ordinances March 28, was recalled from the Committee on Ordinances.

On further motion of Councillor Foley the ordinance was referred to the Executive Committee.

Coun. PIEMONTE moved that a hearing be scheduled for Monday, October 24, 1955, at 10 A.M., at which time every councillor be invited to attend, every contractor who has received patch paving in the last five years, and every representative of the utility companies.

Coun. McCORMACK moved to amend Councillor Piemonte's motion by substituting 3.30 P.M. for 10 A.M. The motion to amend was lost.

The foregoing motion of Councillor Piemonte was lost.

REPORT OF COMMITTEE ON CLAIMS.

Coun. McCORMACK, for the Committee on Claims, submitted the following:

Report on petition of Edward J. McCracken (referred today) to be reimbursed as a result of an execution issued against him on account of his acts as an employee of the Parks and Recreation Department—recommending passage of the accompanying order:

Ordered, That the sum of one thousand five hundred seventy-five dollars and ninety-five cents ($1,575.95) be allowed and paid to Edward J. McCracken in reimbursement for amount of execution issued against him on account of his acts as an employee of the Parks and Recreation Department, said sum to be charged to the appropriation for Executions of Court, Damage Claims and Reimbursements.

The report was accepted, and the order was passed.

PROCLAMATION OF WEEK OF OCTOBER 30, 1955, AS CATHOLIC YOUTH ORGANIZATION WEEK.

Coun. HURLEY offered the following:

Whereas, The Catholic Youth Organization in the City of Boston will observe "National Catholic Youth Organization Week," from October 30 to November 6; and

Whereas, This observance will cover every possible activity, including the spiritual, cultural, social, and athletic, with a holy hour, daily communion crusade, panel discussions, dances, and numerous athletic events, including the award of the "Bill Mullen" trophy, in memory of the late beloved director of recreation of the Boston Park Department to the outstanding C.Y.O. product of the year in the Boston area; and

Whereas, The activities of the good priests and laymen assisting them, under the spiritual guidance of our beloved Archbishop Cushing, have assisted the city in maintaining a low ratio of juvenile delinquency through their labors; be it therefore

Resolved, That the Boston City Council, in meeting assembled, formally requests his Honor the Mayor to proclaim the week of October 30, 1955, as "Catholic Youth Organization Week," and invites the membership and spiritual directors of the C.Y.O. to attend the City Council meeting of Monday, October 31, and to visit the various departments of the city government during said week; and be it further

Resolved, That a copy of this resolution be forwarded to Most Rev. Richard J. Cushing, D.D.; the National Director of the C.Y.O., Rt. Rev. Joseph E. Schieder; and Very Rev. John P. Carroll, Archdiocesan Director; and to Rev. Joseph Kieree, Boston Deanery Director; and to the Very Rev. Francis J. Lally, editor of "The Pilot."

The resolution was adopted under suspension of the rules.

ELECTION IN FIRE DEPARTMENT TO DETERMINE BARGAINING UNIT.

Coun. AHEARN, for all the Councillors, offered the following:

Whereas, His Honor the Mayor has forwarded to the City Council the response of the Fire Commissioner to our order of October 3 calling for an election in the Boston Fire Department for the purpose of determining a bargaining unit; and

Whereas, The reason given for not holding said election is absences due to vacations; and

Whereas, A check on the number of absences due to vacations reveals that less than 1 per cent of the firemen are on vacation and the number is being reduced weekly; and

Whereas, The chances are that a good proportion of those absent on vacation will be available to vote; now therefore be it

Resolved, That his Honor the Mayor reconsider the question of the holding of an election and direct the Fire Commissioner to hold an election among the Fire Department personnel for the purposes of determining a bargaining unit as originally requested in the City Council order of October 3, 1955.

The resolution was adopted under suspension of the rules.

ADEQUATE LIGHTING FACILITIES ON EASTMAN, ELDER, EAST COTTAGE, AND HUMPHREYS STREETS.

Coun. McCORMACK offered the following:

Ordered, That the Commissioner of Public Works take immediate steps to provide adequate electric lighting facilities in the Eastman street, Elder street, East Cottage street, and Humphreys street sections of Dorchester.

Passed under suspension of the rules.

NATIONAL GUARD ARMORY AT CITY POINT.

Coun. FOLEY, McCORMACK, and KERRIGAN offered the following:

Ordered, That his Honor the Mayor be requested to contact directly Major General Harrison, Adjutant General of the Massachusetts National Guard, to determine whether the National Guard desires to locate a National Guard armory at City Point, in South Boston, near the aquarium site.

Passed under suspension of the rules.

MASSACHUSETTS JUNIOR BUGLE CORPS ASSOCIATION.

Coun. HALLER offered the following:

Whereas, Eight member units of the Massachusetts Junior Bugle Corps Association who participated in the championship finals on October 2 at Chelsea Memorial Stadium were from the City of Boston; and

Whereas, Two of the four new champions are from the City of Boston, namely, the Daurice Vigilantes of Hyde Park, the Class "B" marching and manouvering champions; and St. Anthony's of Allston, the drill team champions; be it therefore

Resolved, That the Boston City Council, in meeting assembled, extend its heartfelt congratulations to the youth of Boston who participated in the championship finals and particularly to the members of the Daurice Vigilantes and St. Anthony's drill team of Allston, thereby expressing the appreciation of the City of Boston for the honor and prestige which their victory brought to our city.

The resolution was adopted under suspension of the rules.

Adjourned, at 5.05 P.M., on motion of Councillor Kerrigan, to meet on Monday, October 24, 1955, at 2 P.M.

Note: All debate of City Council eliminated from proceedings in accordance with Chapter 447, Acts of 1947.

(Stenographic copy of such debate on file in office of City Clerk.)

DEATH OF BUSINESS MANAGER

A communication was received from the Superintendent, under date of Aug. 23, 1955, regretfully reporting the death of Henry J. Smith, Business Manager, on August 11, 1955.

Placed on file.

—

HENRY J. SMITH

Mr. Lee offered the following:

We are grateful for the life and work of Henry Smith in administering for many years the funds of the City's schools.

Whom all could trust, whom none could reproach, whose strength was purity of purpose, upon whom a critic could lay no charge save forthright firmness, him we honor on this occasion of loss, with these brief words.

As Business Manager of the Boston Public Schools for nearly a decade, Henry Smith distributed the financial gratitude of the City to the School System's nearly 5000 employees—in a total of one quarter of a billion dollars —without blemish.

It is fitting for us to believe that the abiding qualities—shunning expediency—with which he served the City, his family, and a larger circle of warm friends than it is the lot of most men to enjoy, are to abide with him now and ever more.

On roll call, the foregoing was adopted and ordered spread upon the records by the following vote, a copy to be sent to Mr. Smith's family:

YEAS — Mr. Carr, Miss Fitzgerald, Messrs. Lee, Museo and Ward—5.

ELECTION OF BUSINESS MANAGER

The Superintendent presented the following nomination:

Because of the provisions of Chapter 497 of the Acts of 1946, as amended, it has been my responsibility, as Superintendent for the past seven years, to nominate to the School Committee for election eight persons to serve as members of the Board of Superintendents and Officers of the School Committee.

All eight persons were chosen from the personnel of the school system. All were career persons who had previously risen to high ranking positions by competition and merit. This procedure not only recognized outstanding persons in the school system but also provided further opportunities for those in lower ranks to be promoted to higher positions.

Today it is my responsibility to nominate a person who by statute will serve as a member of the Board of Superintendents with the title, Business Manager. Because of the success of my long-established policy in connection with previous nominations, I plan to follow the same pattern.

Therefore, under the provisions of Chapter 497 of the Acts of 1946, I respectfully present the nomination of Leo J. Burke as Business Manager to take effect Aug. 24, 1955.

Mr. Burke entered the service in the Office of the Business Manager on Nov. 18, 1936. In succeeding years he moved up through the different groups in this office. During this period he showed great ambition by preparing himself further through intensive study and hard work in part-time education. As a result he earned a Bachelor's Degree, cum laude, from Boston University, where he majored in the field of Accounting and later a Master's Degree from Boston University, majoring in the field of Business Management. This was in addition to serving his country in military service for four years, being honorably discharged with the rank of Captain.

In 1952, he successfully headed a competitive list established by Civil Service examination for the position of Assistant Business Manager. As a result of this examination he was unanimously elected Assistant Business Manager by the School Committee on June 6, 1952. During the period since this date he has filled this position as well as that of Acting Business Manager on several occasions efficiently and cooperatively.

In my opinion, he has proven his ability both as Assistant Business Manager and as Acting Business Manager. I have confidence that as Business Manager he has the ability to properly administer this important area of our school system.

On roll call, the election of Leo J. Burke as Business Manager was approved by the following vote:

YEAS — Mr. Carr, Miss Fitzgerald, Messrs. Lee, Museo and Ward—5.

WOOING FRINGE LOT PARKING PATRONS NOT EASY.

Enticing motoring commuters into fringe parking lots can be a difficult courtship. Recent experience in Washington, Baltimore, Cleveland, and St. Louis indicates that success cannot be achieved unless there is provided an attractive parking-transit fee, frequent bus service between the lot and central business district, and easy approaches to the lot. St. Louis offers a 5 to 7½ minute bus service, no parking fee, and a special 35-cent round-trip fare. Patronage of the 600-car lot is increasing, but a profitable operation has not yet been achieved. However, a survey of 500 of the lot's patrons showed 72 per cent rate the service as "excellent." Three out of four said they arrived closer to their downtown destinations than when they drove in. Private lots in downtown Cleveland are now getting short-term parkers—which produces more revenue for the operator than all-day parkers. In Baltimore the consensus is that fringe parking now "does not work".

Another necessity for cities planning fringe parking lots is the provision of convenient shelters to protect patrons from inclement weather. — *American Municipal Association Report.*

FIRE DEPARTMENT ORDERS.

General Order No. 58.

I. Promotion.

The following promotion is hereby announced, to become effective at 8 A.M., Wednesday, October 26, 1955:

Fire Fighter Donald F. Toomey, Ladder Company 20, to fire lieutenant.

II. Retirements.

The following retirements, in accordance with section 7, chapter 32, General Laws (Ter. Ed.), as amended, are hereby announced, to become effective at 8 A.M., Tuesday, November 1, 1955:

Fire Capt. Raymond B. LaCasse, Ladder Company 11.

Fire Fighter Francis H. Baker, Ladder Company 4.

Fire Fighter Oil Burner Inspector Joseph A. Hurley, Fire Prevention Division.

The following retirement, in accordance with the provisions of section 13, chapter 521, Acts of 1922, is hereby announced, to become effective at 8 A.M., Tuesday, November 1, 1955:

Fire Fighter Alwin J. Thibeault, Engine Company 12.

Fire Captain LaCasse was appointed to the department February 1, 1924. He was promoted to lieutenant January 6, 1939, and to captain October 6, 1945. Fire Fighter Hurley was appointed to the department December 10, 1937; Fire Fighter Thibeault was appointed November 17, 1943, and Fire Fighter Baker was appointed January 29, 1947.

All the foregoing-named members leave the department with the best wishes of their associates.

III. Transfer.

The following transfer will become effective at 8 A.M., Wednesday, October 26, 1955:

Fire Lieut. Donald F. Toomey, from Ladder Company 20 to Ladder Company 21.

IV. Index to General Orders.

The Index to General Orders for the year 1954 is being issued to the department today.

V. Change in Time.

Under the Daylight Saving Law, time will be retarded one hour at 2 A.M., Sunday, October 30, 1955. At that time clocks in all department houses will be set back one hour.

All tower clocks without striking mechanisms will be set back at 6.30 A.M. All tower clocks with striking mechanisms will be stopped at 6.30 A.M. for one hour and then started. Only men who are regularly assigned to wind clocks should be detailed to change tower clocks.

VI. 1956 United Red Feather Campaign.

His Honor, Mayor John B. Hynes, through the city employees Group Chairman, has made an appeal to all city employees to participate in the 1956 Red Feather Campaign of the United Community Services of Metropolitan Boston in order that funds can be raised to aid the many worthy member agencies, such as hospitals, health services, social agencies, and other organizations conducted for the common welfare.

The following schedule of donations is suggested to members:

Privates, $2; lieutenants, $4; captains, $5; district fire chiefs, $7; deputy fire chiefs, $8.

Civilian employees in the department receiving salaries equal to the foregoing rates are asked to give according to the schedule. It is understood that this is a voluntary effort, but the attainment of a total donation of at least $5,000 will reflect credit upon the members of the department.

Pledge cards are being distributed to the department today. Company commanders and heads of branch divisions are requested to personally interview each member of their commands, including employees on injured leave, and ask them to make a contribution. All pledge cards are to be made out and returned to Headquarters on or before November 18, 1955. However, completed cards with initial donations should be sent to Headquarters as soon as possible before the foregoing date. Company commanders are requested not to hold a number of completed cards while awaiting the receipt of one or two others. Company commanders shall fill in the stub of the pledge card as requested and return the stub to the member donating money or pledging contribution.

Also issued with this order is a solicitor's daily report envelope together with sheets of carbon paper. Company commanders are requested to fill out the front of these report envelopes, in triplicate, and pull the two white copies out over the flap of the envelope before the envelope is sealed. Carbon sheets should be used so that all three copies can be made simultaneously. List the names of members, the total amount subscribed by each member, and amount paid at the time of the pledge. Cash donations and pledge cards should be placed in the report envelope, the envelope sealed as directed above, and forwarded to Headquarters as soon as possible. It is desired that company commanders return to Headquarters as many pledges as possible on or before 11 A.M., Monday, November 7, 1955.

Company commanders are requested not to detach any of the white lists from the envelopes. It is important that the two white listing sheets be pulled out over the flap of the manila envelope before the envelope is sealed. Envelopes containing pledge cards and currency will be received at Headquarters by Principal Clerk and Stenographer Ursula E. Nurse on or before November 18, 1955. Delivery of envelopes can be made on any weekday except Saturday, and must be made between the hours of 9 and 11 A.M.

No deductions will be made on department payrolls in connection with this campaign as the pledge cards appear to indicate.

VII. Fire Alarm Boxes Renumbered.

Effective at 12 o'clock noon, Wednesday, November 2, 1955, the following fire alarm boxes will be renumbered.

Old number 7232, new number 7227, circuit number 63, West Ninth & E streets.

Old number 7411, new number 7236, circuit number 33, Dorchester and Vinton streets (auxiliary), John Boyle O'Reilly School.

Old number 12-7411, new number 12-7236, circuit number 74, John A. Andrews School, Dorchester and Rogers streets.

Company commanders will make above corrections on assignment cards and circuit cards.

By order of Fire Commissioner Francis X. Cottem.

John V. Stapleton,
Chief of Department.

CITIES GENERALLY DO NOT CONTROL PRIVATE PARKING RATES.

Review of numerous ordinances and other materials by AMA for a member league shows that cities do not generally exercise any control over rates charged for parking. Supply and demand seems to furnish the regulation needed. Generally, however, applications for a parking lot or garage license require that rates charged be set forth in the application, that rates be posted conspicuously at the entrance to the lot, and that rates cannot be changed without official written notice to the municipality.

HOSPITAL DEPARTMENT.

Invitation for Installation of Acoustical Ceilings, Children's Building, Boston City Hospital.

The City of Boston, by the Board of Trustees, Hospital Department, and of the Boston City Hospital, hereinafter referred to as the Awarding Authority, invites sealed proposals for installation of acoustical ceilings in Children's Building, Boston City Hospital, Boston, Mass.

Proposals will be received until two o'clock P.M., Wednesday, November 9, 1955, at the office of the Superintendent, Boston City Hospital, 818 Harrison avenue, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed, and enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy shall be filed at the office of the Awarding Authority, designated above, the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of $300, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate of wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for the work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

Specifications may be obtained at the office of the Superintendent of the Boston City Hospital, 818 Harrison avenue, Boston, Mass., on and after Monday, October 31, 1955.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

The Awarding Authority also reserves the right to reject all bids in accordance with the provisions of sections 44A to 44E, inclusive, of chapter 149 of the General Laws, as amended.

Board of Trustees, Hospital Department, and of the Boston City Hospital,

MUST BE PREPARED TO OVERMATCH THOSE ENEMIES WHOSE AMBITIONS AND PURPOSES ARE TO DESTROY US—MAYOR JOHN B. HYNES OFFICIATES AT COMMISSIONING OF NAVY'S FIRST GUIDED MISSILE SHIP—IN ADDRESS AT PHILADELPHIA ANNOUNCES TO ALL WORLD THAT WE ARE A PEACEFUL PEOPLE WHO WANT PEACE IN WORLD BUT WILL NOT BE ENSLAVED — URGES NOT ONLY PROTECTION BUT GREATER SPEED AND FEROCITY IN RETALIATION—THUS WE ACHIEVE A PEACEFUL WORLD.

Mayor John B. Hynes delivered the chief address at the commissioning of the U.S.S. *Boston*, the first guided missile ship to be commissioned by the Navy. The exercises took place at the Navy Yard in Philadelphia on November 1, before a large audience featured by the presence of leading high officials of all the military services. In his address Mayor Hynes spoke as follows:

Today, as we commission our nation's first guided missile ship, we begin the writing of a new page in the history of our country, a new chapter in the long and bright saga of the United States Navy.

Undoubtedly, naval historians will record this eventful occasion as the dawn of a new era in the chronicles of the sea.

The boundless heavens, the timeless mountains, the ageless seas have never witnessed a period of civilization which has moved as rapidly as this period in which we live.

Within a few short years the fertile mind and the ingenuity of man have brought forth weapons of destruction so intricate, so complex, so awful in their capacity to destroy, that they are almost beyond human comprehension.

Means of Defense Devised.

We take comfort, however, in the knowledge that, as amazing and frightening as these modern weapons of destruction might be, the fertile mind and the ingenuity of man are equally adept in the contriving of means of defense against every means of offense, whatever they may be.

Our nation and our people are dedicated to peaceful pursuits. We do not covet the possessions of other nations. We do not live in jealous contemplation of the resources of the world which are beyond our borders.

We are a peaceful people. We want a peaceful world, and yet we must realize that there are forces in this world, powerful forces, having no regard for human life or the laws of God or man, which will be content only when they can conquer the whole world, and make of man an enslaved creature no higher than the unthinking animals in the fields.

Against those forces who, at this very hour, are capable of moving with lightning-like speed and ferocity, we must be prepared not alone to protect ourselves, but to retaliate with equal or greater speed and ferocity.

We must, in short, as we pray for the best, be fully prepared for the worst. For this reason, and no other, we man and equip our warships, such as the U.S.S. *Boston*, with modern weapons of war.

No Other Way Left.

In no better way, in this period of civilization, can we help to achieve a peaceful world.

In strength we can be safe. In weakness we can be lost. How fatalistic, how tragic to the world, would be a weak and unprepared United States of America.

MAYOR HYNES' ADDRESS AT COMMISSIONING OF U.S.S. BOSTON.

(*Continued from page 1289.*)

Today our country is the great citadel of freedom.

Almighty God has showered upon our land and our people countless and bountiful blessings. We are, in all truth, in this ominous period in the life of the world, the one hope, the one strong force, which can preserve the world from self-destruction, the one strong force which can save the world from idolatry and slavery.

To us, to the United States, the freedom-loving peoples of the world look up with beseeching eyes. To us Almighty God looks down with eyes of expectancy.

No better evidence of our response can be found than in this mighty ship of peace we recommission here today. Never will its guns bark in unrighteous anger. Never will its missiles pierce the skies in unprovoked attack. Never will it churn the seas in search of innocent victims. It is a mighty ship — mighty in the cause of peace.

Boston Always Inspires.

Whatever its missions may be in the future, may the noble name of noble old Boston always inspire its officers and men, as the men of old Boston were inspired, when the freedoms and liberties we enjoy hung in the balance.

Boston, the old seaport city of Boston, the mother city of our country, is proud that this great ship, first commissioned in our own home waters before it took to the seas to compile a glorious record in the second world war, is to bear the name wherever it may go of the birthplace of our republic.

Long before the bison and the buffalo ceased to roam on the wide open plains, Boston was the chief port of the United States Navy. For over two hundred and fifty years the Navy Yard at Boston has been part of the heart and soul of our city, and from that yard have sailed many of our gallant sons, never, never to return.

The people of Boston, all of us, have the smell of the sea in our nostrils, and have a strong, enduring, filial affection for the United States Navy, its ships, its officers, and its men. It will always be thus.

Boston Is Proud Today.

Boston is a proud old city. It is proud of its history. It is prouder today in the knowledge that the first guided missile ship of the United States Navy will bear its proud name.

In behalf of all the people of Boston, I extend to the captain of the U. S. S. *Boston*, himself a native of our city, and to all its officers and its men, this simple little wish, paraphrasing the motto of our city:

"May God be with you always, in tranquility or in tempest, as He was with our fathers."

TRAFFIC COMMISSION RULING.

Upon October 19 the Mayor approved a contract with contractors as requested in the following letter:

BOSTON, October 17, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

Attached is tabulation of bids received on proposals for furnishing a refrigerating unit to the Boston City Hospital and resuscitators to the Fire Department. These bids were publicly opened and read in this office on October 5, 1955.

American Hospital Supply Corporation, the only bidder on Item 1, filed both copies of their bid at this office. Inasmuch as the price is less than $1,000, no contract will be necessary and this purchase will be made on the basis of a written quotation. Authority is requested to award Item 2 to E. F. Mahady Company, the lowest bidder meeting specifications, at the prices checked on the accompanying tabulation.

Approximate total amounts of awards will be as follows:

Contract for E. F. Mahady Company, $1,552.80, less 2 per cent discount, time of payment.

Order for American Hospital Supply Corporation, $525, net.

Respectfully yours,

JOHN V. MORAN,

Respectfully yours,

FRANK R. KELLEY,
Commissioner.

PENAL INSTITUTIONS DEPARTMENT.

Upon October 26 the Mayor approved a contract with Max Garelick, Inc., for the sale of 100 pigs. The following bids were received:

Max Garelick, Inc., 12.665 cents per pound; Stanley Roketenetz, Inc., 12.10 cents per pound; Casella Brothers, 11 cents per pound.

Max Garelick, Inc., is the high bidder by a margin of .565 cent per pound.

PUBLIC WORKS DEPARTMENT.

Upon October 26 the Mayor approved a contract with Ivar Carlson for concrete-filled steel columns in Washington Street pedestrian islands, Wards 3, 8, and 9, Waltham street to Massachusetts avenue, at an estimated cost of $1,611. The work to be done under this contract is to be completed December 31, 1955. The following bids were received October 20:

Ivar Carlson, $1,611; C. A. Foley, $1,730; Martin J. Kelly Company, Inc., $1,986; S. J. Tomasello Corporation, $3,650.

—

Upon October 26 the Mayor approved a contract with G & F Construction Company for laying water pipes in Belnap road, Dodge road, Joan road, Leighton road, Perry court, Ward 18; Bellevue Hill, Ward 20, and such additional locations, if any, as may be designated by the Commissioner of Public Works, at an estimated cost of $8,732.50. The work to be done under this contract is to be completed March 31, 1956. The following bids were received October 19:

G & F Construction Company, $8,732.50; C. Russo, Inc., $9,985; E. Susi & Williams Corporation, $12,356; DiMascio Brothers & Co., $15,340; R. A. Buccella & Sons, Inc., $15,474.50; Frank Frederick Construction Company, Inc., $15,890; Z & S Construction Company, Inc., $16,850; Edward Vozzella, $18,122.50; H. DiTullio & Sons, Inc., $19,180.

—

Upon October 26 the Mayor approved a contract with South Shore Waterproofing Company for repairs to the masonry piers and abutments of the Dover Street and Summer Street Bridges, over Fort Point Channel, at an estimated cost of $4,560. The work to be done under this contract is to be completed within two months from date of order to commence work. The following bids were received October 20:

South Shore Waterproofing Company, $4,560; Matthews J. Hughes, $6,120; C. A. Foley, $6,540; Martin J. Kelly Company, Inc., $8,640; John M. Cashman, $8,820.

—

Upon October 26 the Mayor approved a contract with Joseph Amara & Son for sidewalk narrowing and roadway work in Mildred avenue, Ward 18, at an estimated cost of $10,547.50. The work to be done under this contract is to be completed December 31, 1955. The following bids were received October 20:

Joseph Amara & Son, $10,547.50; Edward Vozzella, $10,815.30; Charles Todesca, $11,865.50; S. J. Tomasello Corporation, $11,960; J. A. Susi & Sons, Inc., $12,310; John J. Amara & Sons, $12,710; P. V. Barone Corporation, $14,140.

REAL PROPERTY DEPARTMENT.

Upon October 28 the Mayor approved a contract with Parkman Construction Company, Inc., for repairs to be done immediately at the Houghton & Dutton Building, in accordance with the provisions of the new lease entered into recently with the General Services Administration of the United States of America; which lease became effective on October 15, 1955. The following bids were submitted for said repairs:

Parkman Construction Company, Inc., $27,272; Rossano Construction Company, Inc., $30,000; Schwamb Construction Corporation, $33,912; M. Solimando, $35,884; Patrick Ross Company, $41,990.

Since practically all the work is outside, it is essential that the contract be executed immediately, so that the work may be completed before the bad weather sets in.

WITHOUT ADVERTISING.

Upon varying dates as indicated the Mayor approved contracts with commercial houses, supply houses, and contractors for furnishing labor and supplies. Communications from heads of departments read as follows:

ADMINISTRATIVE SERVICES DEPARTMENT.
Purchasing Division.

BOSTON, October 6, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The Parks and Recreation Department has submitted a requisition for the immediate delivery of 2,000 cubic yards of high-grade nursery loam. Representatives of this department have inspected many sources of loam and have found that the type of loam desired is available at Blueview Nursery. This company has submitted an informal written quotation of $2.50 per cubic yard. The Commissioner of Parks and Recreation Department is of the opinion, and I agree, that this is an excellent opportunity to obtain high-grade loam. Copy of letter received from the commissioner is attached.

In the past, the Purchasing Division has encountered many difficulties in obtaining suitable loam as a result of publicly advertised bids. On February 3, 1955, bids on loam were received from six bidders; none of the bids were acceptable and hence all bids were rejected and readvertised. On April 1, 1955, bids were again opened and five bids were received. Of these five bids, only two companies bid on acceptable loam. The award went to the fourth lowest bidder who was the low bidder meeting specifications. In view of the foregoing facts, it is my opinion that no advantage would be gained by publicly advertising for bids on loam at this time.

Authority is therefore requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Blueview Nursery for 2,000 cubic yards of high-grade nursery loam at $2.50 per cubic yard, net.

Approximate total amount of contract will be $5,000, net.

Respectfully yours,

EUGENE K. WELSH,
Acting Purchasing Agent.

—

BOSTON, October 13, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

On April 1, 1955, your Honor approved a letter to award a contract for laboratory and surgical supplies to Thomas W. Reed Company and on the same date approved a letter to award contracts for needles and syringes to T. J. Noonan Company and Randall-Fairchney Corporation. All contracts were to expire March 31, 1956. Due to the establishing of the central supply room at the Boston City Hospital and other circumstances which could not be foreseen at the time estimates were made, the total amount of money stated in the contracts has been expended.

This office is now in receipt of many requisitions for needles, syringes, laboratory and surgical supplies which cannot be purchased on the present contracts. Inasmuch as these items are needed immediately and other items on the present contracts will be needed between now and March 31, 1956, and since the original contracts for the period stated were executed as a result of publicly advertised bids, it is my opinion that no advantage could be gained by publicly advertising for prices at this time.

It is therefore requested that authority be granted me to dispense with publicly advertising for prices and award contracts, without public advertisement, to the following companies for the equipment as indicated below and for the period from October 15, 1955, to March 31, 1956, inclusive:

Syringes, T. J. Noonan Company, $10,000.

Syringes and Needles, Randall-Faichney Corporation, $10,000.

Laboratory and Surgical Supplies, Thomas W. Reed Company, $8,000.

Discount for all companies is 2 per cent, time of payment. Items and price will be those of the original publicly opened bid. The above amounts are for quantities estimated to be used between October 15, 1955, and March 31, 1956.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

—

BOSTON, October 21, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

In accordance with the letter approved by your Honor on January 24, 1955, authority is requested to award a contract, without public advertisement, to the following-named company for furnishing perishable foods, etc., to the various city departments from October 24, 1955, to March 31, 1956, inclusive:

Cafferty Ham Works, Inc., 221 Bridge street, Cambridge, Mass.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

—

BOSTON, October 25, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The Parks and Recreation Department has submitted a requisition for 65,000 3-ounce ice cream cups with spoons to be delivered at various points throughout the City of Boston on October 31, 1955.

Informal requests for prices were solicited from several companies; two bids were received. Inasmuch as time is of the essence, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Shawmut Dairy, Inc., the lower bidder. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amount of contract for 65,000 3-ounce ice cream cups with

spoons at 53 cents per dozen will be $2,870.48, less 1 per cent discount, time of payment.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

PARKS AND RECREATION DEPARTMENT.

BOSTON, October 26, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR SIR:

I respectfully request your permission to renew the agreement with the American Coin Lock Company, of Pawtucket, Rhode Island, for the operation of convenience stations on Boston Common for another one-year period beginning November 1, 1955, and ending October 31, 1956, subject to termination of any licensed rights and privileges contained in the agreement that may be required by construction of a garage under Boston Common.

The company furnishes and pays for eight attendants to maintain the convenience stations on the Common, at Park street, West street, and Flagstaff Hill, and furnishes all supplies and equipment for the cleaning and servicing of the stations.

The city pays for this service the sum of $4,500 per year, and in addition the company retains the receipts of the coin locks.

If the Parks and Recreation Department were to operate these stations, the salaries alone for eight attendants would be approximately $22,000 and the department would have the additional expense of furnishing all supplies and cleaning materials.

As this company is one of the largest in the country furnishing this type of service, serving many large cities and railroad and bus terminals throughout the country, we feel that nothing would be gained by advertising for bids and that the best interests of the city will be served by renewing the agreement at the rate of $4,500 for one year.

The yearly payment of $4,500 is chargeable to Parks and Recreation Department Budget Item 299.

Respectfully yours,

FRANK R. KELLEY,
Commissioner.

PENAL INSTITUTIONS DEPARTMENT.

BOSTON, October 25, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR SIR:

The riot on October 1, 1955, at the House of Correction, Deer Island, caused severe damage to the heating equipment of the Hill Prison. It will be necessary to install new heating pipes and other parts of the equipment at the Hill Prison and in addition to this work, steps will be taken in both the Hill Prison and the New Prison to make the new installations of pipe more secure from damage in the future. Work on these replacements will have to be started at once in order to make the building habitable and protect it from further damage by the elements.

In view of the emergency nature of the work and to avoid further delay, permission is requested to award, without advertising, a contract to Fred Williams, Inc., 47 Ellery street, South Boston, Mass., in the amount of approximately $13,800, on a cost-plus basis. Mr. Williams is a very reliable contractor and has done work, in a very satisfactory manner, for this department before.

Very truly yours,

EDWARD L. FRIEL,
Penal Institutions Commissioner.

—

BOSTON, October 25, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR SIR:

The riot on October 1, 1955, at the House of Correction, Deer Island, caused severe damage to the Hill Prison. It will be necessary to install new windows and window sashes immediately in addition to repairing damage to the building itself. Work on these repairs will have to be started at once in order to make the building habitable and protect it from further damage by the elements.

In view of the emergency nature of the work and to avoid further delay in starting repairs, permission is requested to award, without advertising, a contract to M. Solimando, 584 Columbia road, Dorchester, Mass., in the amount of approximately $25,000, on a cost-plus basis. Mr. Solimando has done work for this department previously and we have found him to be very reliable and his work very satisfactory.

Very truly yours,

EDWARD L. FRIEL,
Penal Institutions Commissioner.

EXTENSION OF CONTRACTS.

PUBLIC WORKS DEPARTMENT.

Approval has been given for an extension of time for the completion of the contract with J. A. Singarella Company, 15 Bay street, Boston, for redecking and repairing the Summer Street Bridge, over A street, B street, and C street, from November 23, 1955, to May 31, 1956. This extension was requested because, due to delay in the work caused by steel workers' strike and material shortages, the final work under this contract, consisting of redecking one half of the Summer Street Bridge, over B street, has been projected into the winter season, which is inadvisable.

CHANGE IN CONTRACT.

DEPARTMENT OF SCHOOL BUILDINGS.

L. J. Banda has been ordered to make the following changes in the contract for the Michelangelo School:

Due to inability of contractor to obtain stall urinals in time for school opening, contractor shall substitute wall hung urinals, install floor drains, and all necessary waste and vent piping. No change in contract price.

Omit marble work as called for on walls of boys' toilet room. Furnish and install this new marble on brick walls of new shower room, furnish and install all additional marble to complete this work. Addition, $156.02.

Furnish and install additional marble for wall hung urinals made necessary by the deletion of floor urinals as originally called for in contract. Addition, $420.41.

Addition for marble work, $576.43, 10 per cent general contractor, $57.64, total addition, $634.07.

Furnish and install all necessary labor and materials for boxing in four sinks in cooking room, one bubbler and lavatory in basement, and slop sink, first floor, and for three bubblers and lavatories in corridors, all sides to be of plywood with pine tops, cribbing to be 2 inches by 4 inches. Addition, $233.

For the above additional work add to the contract the sum of $867.07, and the amount of $867.07 will be added making the account as follows: Contract price, $37,435; total additions, $867.07; amount of contract, $38,302.07.

FIRE DEPARTMENT ORDERS.

General Order No. 59.

I. RETIREMENT.

The following retirement in accordance with section 13, chapter 521, Acts of 1922, is hereby announced, to become effective at 8 A.M., Tuesday, November 1, 1955:

Fire Fighter McLaughlin was appointed to the Fire Department on September 23, 1942, and he leaves the department with the best wishes of his associates.

II. RESIGNATION.

The following resignation which will become effective at 8 A.M., Wednesday, November 2, 1955, is hereby announced:

Fire Fighter Edward J. Sullivan, Ladder Company 20.

III. CHANGE IN DESIGNATION OF FIRE ALARM BOX.

Fire Alarm Box 12-3615 is now given on the Assignment Card as Helen F. Burgess School.

The designation for this fire alarm box will be changed to read as follows:

12-3615, Thomas F. Leen School, 65 Bailey street.

Company commanders will make the above change in designation on assignment card for the above box.

By order of Fire Commissioner FRANCIS X. COTTER.

JOHN V. STAPLETON,
Chief of Department.

PROCEEDINGS OF CITY COUNCIL.

Monday, October 24, 1955.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 2 P.M., President HURLEY in the chair, and all the members present.

The Reverend Roderick Anthony Crispo, of St. Leonard of Port Maurice Roman Catholic Church, Boston, was escorted to the rostrum.

INVOCATION BY REV. RODERICK ANTHONY CRISPO.

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Almighty and Omnipotent God, we humbly beseech You to enlighten and guide us. We pray that whatever we undertake and decide be in conformity with Thy Divine Providence. Preserve and inflame us with the precious virtues of civil leadership, such as civic knowledge, moral integrity, and a persevering willingness to accept and fulfill our duties. May we have knowledge of the political and social principles, both remote and proximate, in dealing with the laws of civil society and relations with fellowmen. May we have moral integrity, or the practice of those virtues whereby we may consistently direct our official activities by the unchangeable principles of right and wrong. May we have the willingness to accept our office not only as regards its rights and privileges but also its duties and obligations.

Under such guidance, dear God, we firmly believe that the welfare of our people will be most securely maintained, and that the prosperity of our city and our land, both material and spiritual, will be most effectively guaranteed.

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

The meeting was opened with the salute to the Flag.

PARKING OF AUTOMOBILES BY HANDICAPPED PERSONS.

The following was received:

City of Boston,
Office of the Mayor, October 24, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Police Commissioner relative to your order of October 10, 1955, concerning special permits for automobile parking by handicapped persons.

Respectfully,
J. B. HYNES, Mayor.

—

City of Boston,
Police Department, October 19, 1955.

Hon. John B. Hynes,
Mayor of Boston.
Dear Mr. Mayor:

Returned herewith is City Council order dated October 10, 1955, reading as follows:

"That the Police and Traffic Commissioners be requested, through his Honor the Mayor, to promptly confer on the matter of issuing special permits, or otherwise granting immunity from penalty for parking violations to nonveterans who hold a 'Seal' for handicapped persons issued by the Registry of Motor Vehicles in order that these handicapped persons be permitted to park their cars in restricted areas without penalty, thereby granting them the same privileges allowed to disabled veterans who have 'V' registration plates."

Chapter 458 of the Acts of 1955, which is now in effect, gives the same exemption from parking prohibitions to disabled persons who qualify thereunder as that enjoyed by amputee veterans to whom "V" plates are issued. This exemption is granted by authority of the enactment itself and needs no further regulation of the Traffic Commission.

In accordance with standing practice of this department, the context of chapter 458 has been brought to the attention of all officers in this department by the issuance of superintendent's order dated September 26, 1955, copy of which is enclosed.

Respectfully yours,
T. F. SULLIVAN,
Police Commissioner.

(Annexed hereto is the copy of the superintendent's order referred to in the foregoing communication.)

Placed on file.

NAMING OF STREET IN HONOR OF JEAN SIBELIUS.

The following was received:

City of Boston,
Office of the Mayor, October 24, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Commissioner of Public Works relative to your order of October 10, 1955, concerning the naming of a Boston street in honor of Jean Sibelius.

Respectfully,
J. B. HYNES, Mayor.

—

City of Boston,
Public Works Department,
October 19, 1955.

Harold B. Flemming,
Chief Clerk, Mayor's Office.
Dear Mr. Flemming:

This is in reference to the following order that was passed in the City Council under date of October 10:

"Ordered, That the Public Improvement Commission of the City of Boston be requested, through his Honor the Mayor, to consider the advisability of naming a Boston street in honor of Jean Sibelius, the noted Finnish composer, who will celebrate his ninetieth birthday on next December 8, 1955. This is an action being considered by many cities and towns throughout the entire country and the whole world, honoring a man whose compositions have lifted him to a position wherein he is considered today one of the greatest of all composers of the present generation."

You may be assured that every reasonable effort will be made to comply with the provisions of the above order, and I hope that in the not too distant future we will be able to select a street to name in honor of Jean Sibelius.

The matter will be referred to the attention of the other two members of the Public Improvement Commission.

Respectfully yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

GREETINGS TO ROME, ITALY, AND CITY COUNCIL OF ROME.

Coun. AHEARN offered the following:

Whereas, A "Salute to Rome" will be observed in Boston between November 27 and December 3; and

Whereas, The purpose of the "Salute to Rome" is to express the admiration we in Boston have for the ancient and eternal city on the approach of the tenth anniversary of the Italian Republic; and

Whereas, We, the people of Boston recognize the great debt we owe to Italy and in particular to the City of Rome, for the great religious, cultural, scientific, educational, and other great gifts which Rome has given the world; now therefore be it

Resolved, That the Boston City Council, in meeting assembled, hereby salutes Rome, the Eternal City, and conveys our greetings, best wishes, and felicitations to his Honor the Mayor of Rome, Salvatore Rebecchini, and we look forward with great anticipation and pleasure to the occasion of his visit to the City of Boston; and be it further

Resolved, That the City Council of Boston hereby also extends greetings and best wishes to the City Council of Rome and to each and every one of its members and expresses the wish that the Italian Republic will enjoy many years of peace and prosperity; and be it further

Resolved, That copies of this resolution be sent to his Honor the Mayor of Rome, to the City Council of Rome and to the Honorable Giovanni Formichella, Italian Consul General, in Boston.

The resolution was adopted under suspension of the rules.

CONGRATULATIONS TO PHILIP KRAMER.

Coun. McCORMACK offered the following:

Whereas, Saturday, October 29, 1955, marks the thirtieth year that Philip Kramer has served the International Ladies Garment Workers Union and the labor movement; and

Whereas, Thirty years ago the term "sweat shop" had its birth in the garment industry, as a result of a chaotic industry, periodic employment under hazardous and inhuman working conditions; thirty years ago the men and women in the trade worked fifty to sixty hours a week for twenty to twenty-five dollars, and Phil Kramer served frequently as a union official without compensation, because the I.L.G.W.U. was without funds; and

Whereas, During the past thirty years, largely through the guidance of Phil Kramer in this same trade, it is now possible for the top men in the craft to make $10,000, the workers have a health fund, a retirement program, vacation benefits, paid holidays, a supplementary employment fund, and a diagnostic health center which has already saved over two hundred and fifty lives; and

Whereas, Phil Kramer, as an International Vice President and Member of the General Executive Board, has established an engineering department to improve the efficiency in the garment trade, and has been in the forefront in industrial research and education; and

Whereas, As a true labor leader, Phil Kramer has selflessly and tirelessly contributed his time, energy, and talent to many worth-while community activities; as a citizen, he has served in the armed forces of our country, and as an individual has never been found wanting when it was within his power to extend a helping hand to one in need; therefore be it

Resolved, That the Boston City Council, in meeting assembled, go on record as congratulating Philip Kramer, International Vice President of the I.L.G.W.U., for his thirty years of service to the labor movement, during which he transformed the garment industry in Boston from the "sweat shop" trade to one of the most enlightened and progressive industries in the nation; and the City Council further commends him for his outstanding record of public service; and be it further

Resolved, That the Boston City Council wishes continued good health to Phil Kramer, and continued advancement to the industry he so well serves, and to which he has devoted his entire adult life.

The resolution was adopted under suspension of the rules.

ESTABLISHMENT OF PUBLIC RELATIONS OFFICE.

Coun. FOLEY offered the following:

Ordered, That his Honor the Mayor be requested to establish a public relations office within the official structure of the City of Boston for the purpose of publicizing the activities of the Mayor, other officials, and departmental activities;

That the public relations officer to head the said public relations office be selected from a list of three names suggested by a committee composed of the editors of the Boston daily newspapers;

That the said public relations officer be given the right to select his own staff.

Passed under suspension of the rules.

Report on message of the Mayor and order (referred October 17) for appropriation of $35,000 from income of the George F. Parkman Fund, to be expended under the direction of the Commissioner of Parks and Recreation—recommending that same ought to pass.

The report was accepted, and the order was passed, yeas 9.

SUGGESTIONS FOR IMPROVING TOURIST TRADE.

Coun. FOLEY offered the following:

Ordered, That his Honor the Mayor request the Greater Boston Chamber of Commerce to consider the wisdom of the following suggestions for improving the tourist trade in Boston:

1. Construction of a modern adequate convention hall;

2. Reservation of off-street garage parking facilities for use for night storage of automobiles of hotel guests in Boston;

3. Construction of yacht marinas for transients in Boston Harbor and the Charles River Basin;

4. Extension of beach bathing facilities from Malibu Beach to the tip of Long Island;

5. Improvement of short-range air transportation in New England during vacation period;

That the Chamber of Commerce be requested to state those agencies of government or business which should properly construct the needed facilities to properly serve the tourist trade in Boston.

Passed under suspension of the rules.

Adjourned, at 3.26 P.M., on motion of Councillor Kerrigan, to meet on Monday, October 31, 1955, at 2 P.M.

Voted, That this commission determines that no person sustains damages in their estate by the making of the public improvement, consisting of the laying out and construction of Wichita terrace (formerly Johnson place), Dorchester district, as a public highway, from River street approximately 257 feet northerly, under the order of this commission of October 5, 1955, and awards no damages therefor.

WIDENING AND CONSTRUCTION OF MT. HOPE STREET.

The Public Improvement Commission has ordered that a public improvement be made, consisting of the widening and construction of Mt. Hope street, West Roxbury district, at the southerly corner of Hyde Park avenue, bounded and described as follows:

The highway named Mt. Hope street is hereby widened at the southerly corner of Hyde Park avenue, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Christos and Garefalia Coutsibos, bounded:

Westerly by the easterly line of Hyde Park avenue as it existed prior to this order, twenty-four and 10-100 feet; northeasterly by the southwesterly line of Mt. Hope street as it existed prior to this order, twenty-four and 10-100 feet; and southeasterly by the southeasterly line of Mt. Hope street as widened under this order, twenty-six and 27-100 feet on a curve of eleven and 76-100 feet radius, containing one hundred twenty-seven square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforedescribed land, shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Said Mt. Hope street as hereby widened is bounded:

Westerly by the easterly line of Hyde Park avenue as it existed prior to this order, twenty-four and 10-100 feet; northeasterly by the southwesterly line of Mt. Hope street as it existed prior to this order, twenty-four and 10-100 feet; and southeasterly by the southeasterly line of Mt. Hope street as hereby widened, twenty-six and 27-100 feet on a curve of eleven and 76-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Voted, That this commission determines that the undermentioned persons sustain damages in their estate by the making of the public improvement, consisting of the widening and construction of Mt. Hope street, West Roxbury district, at the southerly corner of Hyde Park avenue, under the order of this commission of October 26, 1955, in the amount hereinafter mentioned, and awards said amount therefor.

SEWERAGE WORKS IN CHARLESTOWN.

The Public Improvement Commission has ordered that the right and easement be taken to lay and maintain sewerage works in the following described lands, exclusive of any interest in trees, buildings or other structures standing thereon, reserving to the owners thereof the right to use the lands for any purpose except such as may injure or obstruct said works, and except for placing or maintaining any structure on said lands not authorized in writing by the Mayor of said city; trees, buildings or other structures standing upon or affixed to the land in which an easement is hereby taken are to be removed therefrom within thirty (30) days following a notice of the city's intention to enter upon said taking for the purpose of constructing said sewerage works. Said lands are bounded as follows:

A parcel of land, supposed to belong to Boston & Maine Railroad, bounded:

Northwesterly by the southeasterly line of Terminal street, eight and 06-100 feet; northwesterly by other land of the Boston & Maine Railroad, one hundred forty-three and 87-100 feet; southwesterly by the south channel of the Mystic River, eight and 00-100 feet; southeasterly by other land of said Boston & Maine Railroad, one hundred forty-two and 87-100 feet, containing one thousand one hundred forty-seven square feet, more or less.

The sewerage works to be constructed are as follows: 161 linear feet of 15-inch pipe surface drain at an estimated cost of $2,576.

No betterments are to be assessed for the making of the aforesaid improvement.

In Public Improvement Commission,
City of Boston, October 26, 1955.

Whereas, An order of the Public Improvement Commission approved by the Mayor on August 11, 1955, and recorded in Suffolk Registry of Deeds on September 9, 1955, providing for the construction of sewerage works, including the construction of 147 linear feet of 15-inch pipe surface drain at an estimated cost of $2,352 in private land, between Terminal street and the South Channel Mystic River, Charlestown district; and

Whereas, The construction of that part of said sewerage works is no longer required; it is hereby

Ordered, That said part of said order be revoked.

POLICE DEPARTMENT ORDERS.

General Order No. 2,119.

The Superintendent of Police is hereby directed to make the following details in connection with the City Election on Tuesday, November 8, 1955.

1. The necessary number of patrolmen from the several police divisions to attend the several polling places in this city on City Election Day, to preserve order and protect voters in the full exercise of their rights.

2. Three patrolmen for duty in the office of the Board of Election Commissioners, 111 City Hall Annex, on arrival of ballots for the City Election at 10 A.M., Monday, November 7, 1955, such details to continue until all ballots cast at the Election have been received.

3. One patrolman for duty in parking area surrounding City Hall Annex from 4 P.M., Monday, November 7, 1955, to properly place "No Parking" signs and to keep the entire area clear for the following morning, so that 24 trucks coming to the Election Commissioners' office for ballots at early hours will be able to park without interference or delay.

4. One superior officer for duty at City Hall Annex, to supervise the police detail for motor trucks from 5 A.M., Tuesday, November 8, 1955, until relieved.

One patrolman from 4 P.M., on the same date, until relieved, for duty at the same place, to keep clear the approaches to the office of the Board of Election Commissioners for motor vehicles returning from the polling places with ballot boxes, etc.

5. One sergeant for duty at basement vault of Board of Election Commissioners from 8 P.M. on Tuesday, November 8, 1955, until such time as all returns from the 290 precincts are in.

6. Twenty-four sergeants, one to a motor vehicle, to report at the office of the Board of Election Commissioners in ample time to be prepared to leave that office for their respective destinations, according to the following schedule, in such vehicle with ballot boxes, ballots, etc., and deliver such ballot boxes, ballots, etc., to the police officer detailed in each precinct.

SCHEDULE FOR HOURS OF DEPARTURE OF SERGEANTS SO DETAILED FROM OFFICE OF BOARD OF ELECTION COMMISSIONERS ON MORNING OF NOVEMBER 8, 1955.

(One motor vehicle for each of the 22 wards, excepting Ward 18, Hyde Park, and Ward 20, West Roxbury, for which two trucks each have been engaged.)

Wards 1, 5, 6, and 7, 6.15 A.M.
Wards 2 and 3, 6.45 A.M.

Ward 22, Precincts 13 and 14, 7 A.M.

9. The detail of patrolmen at the various precincts will continue until the ballots are counted and the results declared. The officers are then to bring the ballots and returns to the Election Commissioners' office.

10. Cards with the ward and precinct number and location of voting booth printed thereon will be forwarded to the several police divisions, on which the Division Commander will write the name, the division number and the number of the officer detailed at the time stated on the morning of November 8, 1955, at the voting booth of each respective precinct on his division. This card to be given to the officer so detailed at the voting booth, will be retained in his possession until delivery by him to an employee of the Board of Election Commissioners, who will arrive accompanying a sergeant on motor vehicle from the Election Commissioners' office on the morning of November 8, 1955, with the ballot boxes, ballots, etc., as hereinbefore stated.

This card, when returned by such employee to the office of the Election Commissioners will be its receipt that the ballot boxes, ballots, etc., have arrived at their proper destination.

11. On receipt by the patrolman from the sergeant, detailed on motor vehicle, as herein provided, of registering ballot box, ballots, voting lists and such other documents as may have been received from the Election Commissioners, the patrolman detailed at polling place will deliver same to the warden or clerk of the precinct, allowing no person to take or handle them before such delivery, and hand the key of the registering ballot box to the warden. On delivery of the ballots to the warden, the patrolman will take from him a receipt for the same, which receipt will be returned to the Election Commissioners.

12. After the warden has opened the box and allowed the election officers and the public to see that it is empty, the box is to be again locked and the key given to the patrolman who is to retain it until after the polls have closed except that, if the ballot box clogs, the key to the box should be turned over to the warden so that he may open the box to press the ballots down. If this is not done there is a danger that some of the ballots may become mutilated. (After the warden has pressed the ballots down, he will relock the box and return the key to the patrolman.)

13. The patrolman will obtain from the warden copies of poster, which will be sent to the latter, in relation to smoking and the use of liquor in polling places, and post same in conspicuous places where they may be easily read.

14. The warden will deliver to the patrolman detailed at the polling place for his use at that place a copy of the descriptive voting list, which must be returned to the warden at the close of polls.

15. When the polls are opened, the patrolman will mark in the place indicated on tag attached to the key the figures which the register shows before any ballots are cast.

16. At 8 o'clock P.M., Tuesday, November 8, 1955, when the polls close, one sergeant will report in each of the 22 wards (excepting Ward 18, Hyde Park, and Ward 20, West Roxbury, for which wards two sergeants and two motor trucks, each, are provided), to meet motor vehicle at last point of morning distribution; thence to proceed to each of the several precincts in his respective ward, and receive registering ballot box (which must be locked) and key thereof, voting lists envelope, signed by the warden and other election officers, receipts for ballots, unused ballot box, sealed and certified (containing unused and spoiled ballots), stamps for marking spoiled ballots and check lists, and carry them to the Election Commissioners' Office and deliver same to some member of the Board of Election Commissioners.

17. When the polls are closed, the patrolman will mark on the same tag the figures which the register shows after all ballots have been cast. He will then hand the key to the warden, who will open the box and take out all the ballots to be sorted and counted. The warden will then cause the voting lists, includ-

ing the list used by the police officer, to be sealed in an envelope and the envelope certified by the signatures of the warden and other election officers and the same returned to the Election Commissioners. The patrolman will not allow this envelope to be put into the ballot box. The sergeant who will report on motor vehicle will retain this envelope until delivery at the office of the Election Commissioners. The unused and spoiled ballots are then to be put into the box for unused ballots and the box sealed and certified, to be delivered to the office of the Board of Election Commissioners.

18. When returning from polls, all motor vehicles must drive to the easterly side of City Hall Annex, Court square, where ballot boxes will be conveyed by chute to the basement.

19. It is important that the patrolman sees that the voting lists envelope is signed by the warden, clerk and all the inspectors. The patrolman will also see that the special book for signatures of voters is returned in the registering ballot box.

20. In case a patrolman is detailed to relieve another after the close of the polls the commanding officer will see that he is properly instructed as to the duty of bringing official return, the box of ballots cast, and the press return to the Election Commissioners' office as soon as they are delivered to him by the election officers.

21. When the ballots have all been counted, the ballots thus counted, the tally sheets and nothing else, shall be placed by the warden in the leatheroid box sent for that purpose, which must be sealed and signed by all the election officers. The patrolman will particularly see that this box is properly sealed and that all the election officers have signed their names to the certificate on the box. The patrolman will then bring the box, official return, record book and press return to the City Hall Annex, Court square, and deliver same to the Election Commissioners.

The patrolman is directed not to allow the official return, press return or record book to be placed in the leatheroid box with ballots cast, but are to be returned by the officer to the Board of Election Commissioners.

22. While the polls remain open, an officer of rank will visit the polling place in each division at stated intervals, to be designated by the captain, and in case of any disturbance will report the fact to the commanding officer of the station house without delay. If additional men are needed beyond the number available in that division the officer in charge will communicate immediately with headquarters.

He shall remind the officer and the warden on duty at the polls, that the official return, press return and record book are not to be placed in the leatheroid box, but shall be safely delivered to the Election Commissioners with the leatheroid box.

23. Attention is called to the fact that the polls at the City Election on Tuesday, November 8, 1955, shall open at 8 o'clock A.M., and close at 8 o'clock P.M.

24. Commanding officers of divisions will see that the officers detailed for duty on City Election Day are furnished with a copy of circular issued by the Board of Election Commissioners entitled: "Instructions to Police Officers on City Election Day."

25. Voting machines will be used in the following precincts:

Ward 1, all precincts.
Ward 2, all precincts.
Ward 3, all precincts.
Ward 4, all precincts.
Ward 5, all precincts.
Ward 6, all precincts.
Ward 7, all precincts.
Ward 8, all precincts.
Ward 9, all precincts.
Ward 10, all precincts.
Ward 11, all precincts.
Ward 12, all precincts.
Ward 13, all precincts.
Ward 14, all precincts.
Ward 15, Precincts 3, 9, 10, 12, and 13.
Ward 16, all precincts.
Ward 17, Precincts 2, 3, 4, 6, 7, 8, 9, 11, 14, 15, 17, 18, and 20.
Ward 18, Precincts 1, 2, 5, 6, 9, 11, 12, 13, 14, 17, 18, 19, and 20.
Ward 19, Precincts 3, 5, 6, 9, 10, 11, 12, 13, 15, 16, and 17.
Ward 20, Precincts 5, 7, 8, 9, 10, 12, 13, 14, 16, 17, 18, 19, 20, and 21.
Ward 21, all precincts.
Ward 22, Precincts 1, 2, 3, 4, 5, 7, 8, 10, 14, and 16.

Officers assigned to duty in these precincts should be apprised of the procedure to be followed. When the warden has set up the machines for voting and the polls are declared open, he will give keys of each machine in the precinct to the police officer. The police officer will have custody of these keys until the close of the polls. Since the law requires that a ballot box be furnished for challenged ballots, the officer will also have custody of this ballot box key during the polling hours. At the close of the polls, the officer will return all keys to warden. On SHOUP machines keys No. 2 and No. 3 will be automatically locked into the voting machines; Key No. 4 will be given to the police officer to return to City Hall. On automatic machines keys No. 2 and No. 3 will be given to the police officer to return to City Hall. All keys to be returned to City Hall shall be enclosed in a sealed envelope signed by all election officers. Since the procedure is most important, the officer will check the envelopes—one for each machine—to be certain that they are in proper order. These envelopes are not to be placed in the leatheroid box but are to be taken in hand by the police officer and delivered to the clerk at the check-in desk in the Election Department. If any challenged ballots are cast in the precincts where machines are used, the police officer will have the ballots to return, but in any event he will return to City Hall Annex the box sent to the polling place for ballots cast, in addition to the envelopes containing the keys.

Important Notes.

A. Officers shall strictly enforce the law pertaining to smoking. Smoking is prohibited within the confines of the polling places, during the entire day, while the polls are open, as well as after they are closed.

As polling places and their approaches and exits are, in many instances, in buildings used for places of religious worship, to say nothing of the danger to valuable property from careless persons, the importance of these instructions is apparent.

B. During the hours from 6 o'clock P.M. to 8 o'clock P.M., there has been a large increase in the number of persons who congregate outside the polling places. This makes it disagreeable to voters who are entering and leaving the polling places. Officers shall exert every effort to relieve this congestion.

Officers are reminded that it is the privilege of the voters to watch the count of the votes cast. It is understood that no disturbance or crowding is to be permitted and that the voters are to remain outside the rails.

C. Officers shall handle ballot boxes with great care.

D. At the close of the polls all persons waiting to vote, including any who might be in line at the entrance to the polling place, are to be placed in line by the warden and given cards bearing their names. The police officer is to stand at the end of this line to be certain that no additional persons are permitted to join it. All voters in the line are to be permitted to cast their ballots, whether by paper ballots or by machine.

E. In accordance with Chapter 266 of the Acts of 1955 "stickers" shall not be posted, circulated or distributed in the polling place, in the building where the polling place is located, on the walls thereof, on the premises on which the building stands, on the sidewalk adjoining the premises where such election is being held, or within 150 feet of the entrance to such polling place. This statute was published for the information of the department in Superintendent's Order dated June 27, 1955.

F. Corrected books showing the locations of the polling places will be sent to each division. You will note that in many instances precincts have been combined in one building, but the number of precincts is 290. This total includes 46 paper ballot precincts and 244 voting machine precincts.

G. Commanding officers shall direct all officers detailed at the polling places in the various precincts to report promptly, according to schedule.

H. Officers shall be informed that in many instances there are two precincts located in the same building, as follows:

General Order No. 2,120.

The following transfer is hereby ordered, to take effect Thursday, November 3, 1955, at 5.45 o'clock P.M.:

Patrolman Edmond T. Flynn, from Division 4 to Division 17.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

WIDENING WEST ROXBURY STREET.

The Public Improvement Commission has ordered a public improvement be made, consisting of the widening and construction of Hall street, West Roxbury district, at the northerly corner of Call street, bounded and described as follows:

The highway named Hall street is hereby widened at the northerly corner of Call street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to the City of Boston, bounded:

Southerly by the northerly line of Hall street as it existed prior to this order, by three measurements, fifteen and 61-100 feet on a curve of fifteen and 00-100 feet radius, sixteen and 75-100 feet on a curve of fifteen and 00-100 feet radius, and fifteen and 61-100 feet on a curve of fifteen and 00-100 feet radius; and northerly by the northerly line of Hall street as widened under this order, forty-four and 66-100 feet on a curve of forty and 00-100 feet radius, containing ninety-one square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforedescribed land, shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Said Hall street as hereby widened is bounded:

Southerly by the northerly line of Hall street as it existed prior to this order, by three measurements, fifteen and 61-100 feet on a curve of fifteen and 00-100 feet radius, sixteen and 75-100 feet on a curve of fifteen and 00-100 feet radius, and fifteen and 61-100 feet on a curve of fifteen and 00-100 feet radius; and northerly by the northerly line of Hall street as hereby widened, forty-four and 66-100 feet on a curve of forty and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Voted, That this commission determines that no person sustains damages in his estate by the making of the public improvement, consisting of the widening and construction of Hall street, West Roxbury district, at the northerly corner of Call street, under the order of this commission of October 13, 1955, and awards no damages therefor.

City of Boston, 91 square feet, nothing.

CLAIMS ALLOWED.

The Mayor, upon recommendation of the Corporation Counsel, has approved the following claims:

Modern Italian Bakery Company, Inc., 275 North street, Boston, in the sum of $385, as compensation for damage to merchandise stored in cellar of above premises caused by the backing up of a sewer on May 18, 1955.

Paul J. DeRosa, 12 Pond street, Hyde Park, to be reimbursed in the sum of $31, as a result of an accident which occurred on January 10, 1955, when motor apparatus belonging to the Fire Department, which he was operating, struck a parked car owned by John J. Bonner.

Isabel M. Fitzmaurice, 43 Royal avenue, Cambridge, in the sum of $295, as compensation for personal injuries caused by slipping and falling on iron cover on the sidewalk in front of 210 Washington street, Boston, April 26, 1955.

Philip Engel, 80 Strathmore road, Brighton, in the sum of $485, as compensation for personal injuries caused by a hole in the sidewalk in front of 18-22 Sutherland road, May 6, 1955.

INVITATION FOR PROPOSALS FOR IMPROVEMENT TO PLUMBING WORK IN HOUSE OFFICERS' BUILDING, BOSTON CITY HOSPITAL.

The City of Boston, by the Board of Trustees, Hospital Department, and of the Boston City Hospital, hereinafter referred to as the Awarding Authority, invites sealed proposals for improvement to plumbing work in House Officers' Building, Boston City Hospital, Boston, Mass.

Proposals will be received until 2 o'clock P.M., Wednesday, November 16, 1955, at the office of the Superintendent, Boston City Hospital, 818 Harrison avenue, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed, and enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy shall be filed at the office of the Awarding Authority, designated above, the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of $100, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, plainly marked.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate of wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for the work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

Specifications may be obtained at the office of the Superintendent of the Boston City Hospital, 818 Harrison avenue, Boston, Mass., on and after Monday, November 7, 1955.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

The Awarding Authority also reserves the right to reject all bids in accordance with the provisions of sections 44A to 44E, inclusive, of chapter 149 of the General Laws, as amended.

HEATING EQUIPMENT.

Proposals for Furnishing and Installing Heating Equipment at 650 Albany Street, Public Works Department, Sanitary Division.

The Commissioner of Public Works of the City of Boston, Room 506 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for furnishing and installing heating equipment at 650 Albany street, etc. A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price, will be required of the successful contractor. Forms of proposals may be obtained at Room 506 (Contract Office), City Hall Annex. Each proposal should be enclosed in an envelope, sealed, marked "Proposal for Furnishing and Installing Heating Equipment at 650 Albany Street, etc.." and left at Room 506 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. of WEDNESDAY, NOVEMBER 16, 1955, with a certified check for FIVE HUNDRED (500) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 506, City Hall Annex. *There will be a charge of two dollars ($2), NOT REFUNDABLE, for each set of plans and specifications taken out.* If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

CITY OF BOSTON.

BOSTON TRAFFIC COMMISSION.

CHANGES IN TRAFFIC RULES AND REGULATIONS.

Voted, That the Traffic Rules and Regulations of the City of Boston are amended as follows, effective November 15, 1955:

The following new article is added:

ARTICLE IV A.

STOPPING, STANDING AND PARKING IN THE DOWNTOWN AREA OF BOSTON, AS DEFINED IN SECTION TWENTY A OF CHAPTER NINETY OF THE GENERAL LAWS.

Section 1. Boundaries of Downtown Area.

The Downtown Area of Boston as defined in section twenty A of chapter ninety of the General Laws is the following:

That part of the City of Boston bounded by the water front starting at an imaginary line drawn through the center of Staniford street that meets the Charles River near the North Station, and following the water front to the Charlestown Bridge, turning right thereon and running along and including both sides of Washington Street North to Haymarket square and crossing Haymarket square, including both sides thereof, to Blackstone street, thence down Blackstone street on both sides to Commercial street, turning left on Commercial street and following the center line of Commercial street to Boston Harbor, thence along the water front to the Broadway Bridge, thence turning on Broadway and continuing through Park square to Charles street, including both sides of said ways to Beacon street, thence turning on said Beacon street and proceeding up Beacon street on the Common side to Bowdoin street, thence turning on Bowdoin street and proceeding down Bowdoin street on the easterly side thereof to Cambridge street, thence crossing Cambridge street to Bowdoin square, thence down Chardon street to Merrimac street, turning left on Merrimac street, including both sides thereof, to Staniford street, thence turning and proceeding down the center of Staniford street and continuing in an imaginary line to the Charles River at the North Station to the point of beginning.

Section 2. General Prohibitions.

No driver shall stop, stand or park a vehicle in any of the following places, except when necessary to avoid conflict with other traffic, or with pedestrians, or in compliance with the direction of a police officer or traffic sign or signal:

(1) Within an intersection, except in those areas where the installation and erection of parking meters have been approved by the Department of Public Works, Commonwealth of Massachusetts.
(2) Upon any sidewalk.
(3) Upon any crosswalk.
(4) Upon any street or highway within twenty (20) feet of an intersecting way, except alleys.
(5) Within twenty (20) feet of the driveway entrance to any fire station and on the side of a street opposite the driveway entrance to any fire station within seventy-five (75) feet of opposite said driveway entrance, provided official signs are erected and maintained.
(6) Upon a street or highway within ten (10) feet of a fire hydrant.

(7) In front of a private driveway.
(8) On a bridge or viaduct provided signs are erected notifying of such regulation and restriction.
(9) Upon any roadway unless both wheels on the side of the vehicle adjacent to the curb are within one (1) foot of the curb or edge of the roadway and headed in the direction of traffic, except where angle parking is permitted or commercial vehicles are permitted to back to the curb or edge of the roadway or where vehicles are permitted to park in the center of the roadway.
(10) Upon any roadway where the parking of a vehicle will not leave a clear and unobstructed lane at least ten (10) feet wide for passing traffic.
(11) On the roadway side of any vehicle stopped or parked at the curb or edge of a roadway.
(12) Upon any roadway in such a manner as to obstruct the movement of any streetcar.
(13) At any place where official traffic signs have been placed or erected prohibiting stopping, standing or parking.
(14) In any Public Hackney Carriage Stand which has been officially established by the Boston Police Department.

Section 3. Stopping, Standing and Parking Prohibited in Certain Places.

No driver shall stop, stand, or park a vehicle, except when necessary to avoid conflict with other traffic or with pedestrians, or in compliance with the direction of a police officer or traffic sign or signal, in the following streets or parts thereof, during the hours indicated:

CITY OF BOSTON.

BOSTON TRAFFIC COMMISSION.

CHANGES IN TRAFFIC RULES AND REGULATIONS.

Voted, That the Traffic Rules and Regulations of the City of Boston are amended as follows, effective November 15, 1955:

Article X is amended by adding the following new section:

Section 2. Removal of Vehicles Parked or Standing in Violation of Law on Public Ways in the Downtown Area.

The police commissioner of the city, or such sergeants or officers of higher rank in the police department of the city as he may from time to time designate, is hereby authorized, to remove to some convenient place, through the agency of a person or persons in the employ of the police department of the city or by an independent contractor selected on the basis of competitive bids invited by advertisement in the *City Record*, as said police commissioner shall from time to time determine, any vehicle, except a vehicle owned by the commonwealth or a political division thereof or by the United States or an instrumentality thereof or registered by a member of a foreign diplomatic corps or by a foreign consular officer who is not a citizen of the United States and bearing a distinctive number plate or otherwise conspicuously marked as so owned or registered, and except also a vehicle owned by a disabled veteran and bearing a distinctive number plate authorized by section two of chapter ninety of the General Laws, parked or standing on any part of any street, way, highway, road or parkway under the control of the city in the downtown area of the city, as defined in section twenty A of chapter ninety of the General Laws, in violation of Article IV A of these rules and regulations; and liability for the reasonable cost of such removal, and of the storage charges, if any, resulting therefrom, is hereby imposed upon the owner of such vehicle; provided, however, that the liability so imposed for removal shall not exceed eight dollars, and that the liability so imposed for storage shall not exceed the schedule of maximum rates contained in the then latest lease of an off-street parking facility under chapter four hundred and seventy-four of the acts of nineteen hundred and forty-six, as amended.

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 47 SATURDAY, NOVEMBER 12, 1955. NO. 46

PUBLIC HIGHWAY ORDERED CONSTRUCTED IN HYDE PARK DISTRICT TO BE KNOWN AS STONEHILL TERRACE — PUBLIC IMPROVEMENT COMMISSION VOTES, WITH APPROVAL OF THE MAYOR, FOR OPERATION TO PROVIDE CONVENIENCE FOR RESIDENTS OF DISTRICT — NO DAMAGES AWARDED.

The Public Improvement Commission has ordered that a public improvement be made, consisting of the laying out and construction of Stonehill terrace (formerly an unnamed private way), Hyde Park district, as a public highway, from Stonehill road approximately 140 feet southeasterly, bounded and described as follows:

A highway named Stonehill terrace is hereby laid out from Stonehill road approximately 140 feet easterly and ordered constructed.

(*Continued on page 1323.*)

WIDENING AND RELOCATION OF WEST STREET IN HYDE PARK ORDERED BY PUBLIC IMPROVEMENT COMMISSION — CONSTRUCTION TO EXTEND FROM WEST ROXBURY BOUNDARY LINE TO LODGEHILL ROAD — NO BETTERMENTS ARE ASSESSED AND NO DAMAGES SUSTAINED.

The Public Improvement Commission has ordered that a public improvement be made, consisting of the widening and relocation of West street, Hyde Park district, from the West Roxbury boundary line to Lodgehill road, bounded and described as follows:

The highway named West street is hereby widened and relocated, from the West Roxbury boundary line to Lodgehill road, with no construction.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to owners unknown, bounded:

Southeasterly by another portion of West street, five and 00-100 feet; northeasterly by the southwesterly line of West street as it existed prior to this

NEW ELEMENTARY SCHOOL BUILDING TO BE ERECTED IN THE ELIHU GREENWOOD DISTRICT OF HYDE PARK — STRUCTURE TO HAVE TWELVE ROOMS ON TWO FLOORS AND WILL COST APPROXIMATELY $625,000 — APPOINTMENTS TO BE AS FINE AS THOSE OF ANY SCHOOL IN CITY — JOHN M. GRAY COMPANY ARE THE ARCHITECTS.

The School Buildings Department is planning to erect a new structure in the Elihu Greenwood District, on the Elihu Greenwood site, in Hyde Park. Bids are being called for and construction will begin immediately after the contracts have been awarded. Bids are to be received until November 29, according to present plans.

The new building will be erected on Metropolitan avenue, and will replace the old wooden structure that was erected in 1887. In the new building there will be twelve classrooms, two kindergarten rooms, one cooking room, and one manual training room.

It will be an all-purpose school, modern in every accommodation and similar to the Fairmount School, on Fairmount street, Elihu Greenwood District. The architect for the building is the John M. Gray Company, 169 High street. Bids will be on the market for competition on or about March 29, according to announcement from the School Buildings Department. Construction will begin immediately after the contract has been awarded.

It will be two stories high and the area will be of such size as to furnish ample space and excellent surroundings for the pupils who will use the building and yard. There will be no obstacles to interfere with the most pleasant surroundings, and it will be as delightful in appointments as any school structure in the City of Boston. It is estimated that a year will be required for the completion of the building so that it may be turned over to the school authorities for use. The building, when completed, will have cost approximately $625,000.

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the shipteeming plain of the ocean;
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

NATHAN HASKELL DOLE.

NEW HIGHWAY FOR HYDE PARK DISTRICT.

(Continued from page 1321.)

Said highway and the land, exclusive of trees, shrubs, or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Southwesterly by the northeasterly line of Stonehill road, twenty-nine and 89-100 feet; northerly by the northerly line of Stonehill terrace as hereby laid out, one hundred thirty-nine and 25-100 feet; easterly by the easterly line of Stonehill terrace as hereby laid out, twenty and 00-100 feet; and southerly by the southerly line of Stonehill terrace as hereby laid out, one hundred seventeen and 06-100 feet.

Trees, shrubs, or structures standing upon or affixed to the aforedescribed land shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this commission estimates that the abutting parcels of land situated on both sides of Stonehill terrace, excluding the parcels at the corners of Stonehill road, will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on a plan marked "City of Boston, Stonehill Terrace, Hyde Park, September 23, 1955, George G. Hyland, Commissioner of Public Works," and on file in the office of this department.

MUNICIPAL BOND PROPOSALS.

State and municipal bond proposals reported during June as approved by 239 municipalities in 31 states and Alaska totaled $173,811,935, as compared with $113,704,950 for June, 1953, the Bond Buyer reports . . . Jones Beach Parkway Authority in New York has been ordered to show cause why the 10-cent toll on the portion of the Southern State Parkway now completed should not be discontinued. Basis of the suit, it is said, is a claim that all of the highway must be completed before any tolls can be collected.

CONSULATES IN ARREARS ON TAXES.

New York City reports that 12 foreign countries are in arrears a total of $416,985 in real estate taxes on 27 properties, most of them bought within the last 15 years as consulates and headquarters for United Nations delegations.

Nearly all of the defaulting governments claim the right to city realty tax exemption under treaties and international doctrines, but the city has refused to waive its claims. Total assessed valuation is $5,324,000, with $720,000 exempt from tax. Finland, the Netherlands, and Israel have kept their real estate accounts paid up to date.

CITY OF BOSTON.

BOSTON TRAFFIC COMMISSION.

CHANGES IN TRAFFIC RULES AND REGULATIONS.

Voted, That the Traffic Rules and Regulations of the City of Boston are amended as follows, effective November 15, 1955:

The following new article is added:

ARTICLE IV A.

STOPPING, STANDING AND PARKING IN THE DOWNTOWN AREA OF BOSTON, AS DEFINED IN SECTION TWENTY A OF CHAPTER NINETY OF THE GENERAL LAWS.

Section 1. Boundaries of Downtown Area.

The Downtown Area of Boston as defined in section twenty A of chapter ninety of the General Laws is the following:

That part of the City of Boston bounded by the water front starting at an imaginary line drawn through the center of Staniford street that meets the Charles River near the North Station, and following the water front to the Charlestown Bridge, turning right thereon and running along and including both sides of Washington Street North to Haymarket square and crossing Haymarket square, including both sides thereof, to Blackstone street, thence down Blackstone street on both sides to Commercial street, turning left on Commercial street and following the center line of Commercial street to Boston Harbor, thence along the water front to the Broadway Bridge, thence turning on Broadway and continuing through Park square to Charles street, including both sides of said ways to Beacon street, thence turning on said Beacon street and proceeding up Beacon street on the Common side to Bowdoin street, thence turning on Bowdoin street and proceeding down Bowdoin street on the easterly side thereof to Cambridge street, thence crossing Cambridge street to Bowdoin square, thence down Chardon street to Merrimac street, turning left on Merrimac street, including both sides thereof, to Staniford street, thence turning and proceeding down the center of Staniford street and continuing in an imaginary line to the Charles River at the North Station to the point of beginning.

Section 2. General Prohibitions.

No driver shall stop, stand or park a vehicle in any of the following places, except when necessary to avoid conflict with other traffic, or with pedestrians, or in compliance with the direction of a police officer or traffic sign or signal:

(1) Within an intersection, except in those areas where the installation and erection of parking meters have been approved by the Department of Public Works, Commonwealth of Massachusetts.
(2) Upon any sidewalk.
(3) Upon any crosswalk.
(4) Upon any street or highway within twenty (20) feet of an intersecting way, except alleys.
(5) Within twenty (20) feet of the driveway entrance to any fire station and on the side of a street opposite the driveway entrance to any fire station within seventy-five (75) feet of opposite said driveway entrance, provided official signs are erected and maintained.
(6) Upon a street or highway within ten (10) feet of a fire hydrant.

(7) In front of a private driveway.
(8) On a bridge or viaduct provided signs are erected notifying of such regulation and restriction.
(9) Upon any roadway unless both wheels on the side of the vehicle adjacent to the curb are within one (1) foot of the curb or edge of the roadway and headed in the direction of traffic, except where angle parking is permitted or commercial vehicles are permitted to back to the curb or edge of the roadway or where vehicles are permitted to park in the center of the roadway.
(10) Upon any roadway where the parking of a vehicle will not leave a clear and unobstructed lane at least ten (10) feet wide for passing traffic.
(11) On the roadway side of any vehicle stopped or parked at the curb or edge of a roadway.
(12) Upon any roadway in such a manner as to obstruct the movement of any streetcar.
(13) At any place where official traffic signs have been placed or erected prohibiting stopping, standing or parking.
(14) In any Public Hackney Carriage Stand which has been officially established by the Boston Police Department.

Section 3. Stopping, Standing and Parking Prohibited in Certain Places.

DEPARTMENT OF SCHOOL BUILDINGS.

TO GENERAL CONTRACTORS.

INVITATION FOR PROPOSALS FOR MISCELLANEOUS WORK, INCLUDING SEALING OF EXTERIOR WALLS, ROOFING, CARPENTRY, PAINTING, ETC., AT THE PHINEAS BATES SCHOOL, BEACH STREET, ROSLINDALE, MASS.

The Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for miscellaneous work, including sealing of exterior walls, roofing, carpentry, painting, etc., at the Phineas Bates School, Beach street, Roslindale, Mass.

Proposals will be received until 12 o'clock noon, Wednesday, November 23, 1955, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed, enclosed in an envelope, sealed and plainly marked with the description of the work to be done. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of $1,000, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereon.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Subbidders bidding on the work of subcontractors shall use the proposal form prepared by and obtainable from the Awarding Authority.

All subbidders' proposals filed with the Awarding Authority shall be submitted in sealed envelopes, plainly marked with the title of the work; division of the work for which bid is submitted; subcontractor's name; and subcontractor's business address. All such bids shall be in the possession of the Awarding Authority and delivered or mailed to the general contractor no later than 12 o'clock noon on Monday, November 21, 1955.

PUBLIC WORKS DEPARTMENT.

HEATING EQUIPMENT.

Invitation for Proposals for Furnishing and Installing Heating Equipment at 650 Albany Street, Public Works Department, Sanitary Division, Boston, Mass.

The Commissioner of Public Works of the City of Boston, Room 506 (Contract Office), City Hall Annex, hereinafter referred to as the Awarding Authority, invites sealed proposals for furnishing and installing heating equipment at 650 Albany street, Public Works Department, Sanitary Division, Boston, Mass. Proposals will be received until 2 P.M., Tuesday, November 29, 1955, at Room 506, City Hall Annex, Boston, Mass., and they will be publicly opened and read aloud immediately thereafter in the Hearing Room, Room 401, City Hall Annex.

Proposals must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of one thousand (1,000) dollars shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Subbidders bidding on the work of subcontractors shall use the proposal form prepared by and obtainable from the Awarding Authority.

All subbidders' proposals filed with the Awarding Authority shall be submitted in sealed envelopes plainly marked with the title of the work; division of the work for which bid is submitted; subcontractor's name; and subcontractor's business address. All such bids shall be in the possession of the Awarding Authority and delivered or mailed to the general contractor no later than 2 P.M., Friday, November 25, 1955.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the amount as specified in the following for the various subbid items of work as listed, shall be submitted by each subbidder with the copy of his proposal filed with the Awarding Authority: heating, ($700). The bid deposit shall be in a separate envelope, plainly marked, "Bid Deposit."

Specifications and plans may be obtained on and after 11 A.M., Wednesday, November 16, 1955, at Room 506, City Hall Annex. There will be a charge of two (2) dollars not refundable, for each set of plans and specifications taken out.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 per cent of the contract price will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do. The Awarding Authority also reserves the right to reject all subbids on any item or items in accordance with the provisions of sections 44A to 44E, inclusive, of chapter 149 of the General Laws, as amended.

VOL. 47 SATURDAY, NOVEMBER 19, 1955. NO. 47

CHARLESTOWN RESIDENTS MAKE GREAT PROGRESS IN IMPROVING RUN-DOWN AREAS OF DISTRICT UNDER THE "WORKABLE PROGRAM" FOR BOSTON — MANY RESIDENTIAL AND OTHER PROPERTY FACILITIES GIVING DISTRICT NEW FACE.

Mayor John B. Hynes has received approval from Administrator Albert Cole, of the Housing and Home Finance Agency, of the "Workable Program" for Boston.

The Housing Act of 1954 requires each city to develop a "Workable Program," which must be approved by the administrator, before federal financial assistance will be made available.

Commissioner James W. Follin of the Urban Renewal Administration pledged an additional $10,000,000 to Boston for urban renewal when he attended the demolition ceremonies, September 23, 1955, for the first redevelopment project in Boston—the New York Streets Project.

Mayor Hynes explained that the local share of urban renewal project costs could be mostly provided by credits for

BOSTON TO MAKE ELABORATE PLANS FOR COMMEMORATING TENTH ANNIVERSARY OF ESTABLISHMENT OF ITALIAN REPUBLIC — LEADING CITIZENS TO AID MAYOR HYNES IN CELEBRATING EVENT — HIGH ITALIAN OFFICIALS TO BE PRESENT.

"The Boston Salute to Rome commemorating the tenth anniversary of the establishment of the Italian Republic, to be held during the period of November 27 to December 3, will be one of the most interesting and elaborate affairs of its nature held here in years, if ever," said Mark Bortman, chairman of the Boston Committee, in his report, following his return from the Eternal City where he went last week to work out preliminary arrangements. Mayor Salvatore Rebecchini of Rome will be the guest of Mayor Hynes during his visit here that week.

Cooperating with the Mayor in the organization and promotion of the event will be the Boston City Council, Chamber of Commerce, Boston College, Harvard University, and the Massachu-

CHARLESTOWN DIVISION OF THE BOSTON NEIGHBORHOOD REHABILITATION ORGANIZATION MAKES TOUR OF DISTRICT — MANY IMPROVEMENTS IN REAL ESTATE AND RESIDENT CONDITIONS HAVE BEEN EFFECTED — 4,952 HOUSES INCLUDED IN STUDY — FEDERAL HOME AND FINANCE AGENCY INTERESTED AND INDICATES WILLINGNESS TO AID — TO BE MODEL FOR OTHER DISTRICTS.

Not contented with obtaining information second-hand about the condition of real estate throughout its district, the Charlestown Committee of the Boston Neighborhood Rehabilitation and Conservation Program toured the district with a view toward inspecting the properties on every street in the entire area.

The committee, headed by Gilbert Hood, treasurer of the H. P. Hood Company, Charlestown, has met monthly since the Rehabilitation and Conservation Movement was launched by Mayor John B. Hynes. It is comprised of more than a score of the leading clergymen, business and professional men of Charlestown.

As a result of the committee's activities several hundred houses have been repaired or repainted or both; a number of streets have been resurfaced; traffic hazards eliminated; trees planted in various sections throughout the district; a playground established at the Charlestown Housing Project; numerous gas lights replaced with modern electric lights; the renovated Sullivan Square Playground converted into a more practical recreational center; abandoned houses razed; the efficiency of garbage and refuse collections increased; numerous catch basins cleaned out and, through its educational program, the sanitary and cleanliness standards of the entire district improved.

This is the second time since the committee was organized that the group has surveyed the entire Charlestown area. The first study was made by individual members of the committee each making a house-to-house study of an 18th part of the district. As a result, the committee was able to obtain a comprehensive picture of the entire residential sections, and the owners of blighted properties were urged to cooperate in protecting their investments and stabilizing property values in their neighborhoods.

At the request of the committee the Boston Health Department also made an exterior study of every one of the 4,952 houses in the famous old district. The reports of the inspectors were also used in stimulating owner cooperation with the Rehabilitation and Conservation Program.

The committee also played a most important part in the rezoning study made by the Boston Planning Board.

Inspection started at the Charlestown Savings Bank, Thompson square. The group was conveyed through the district in a Navy bus, provided by Capt. Robert B. Fulton. It is the hope of Mayor Hynes that

BOSTON NEIGHBORHOOD REHABILITATION ORGANIZATION MAKES TOUR OF CHARLESTOWN.

(*Continued from page 1345.*)

all of the 15 district committees cooperating with him will find it practical during the coming year to make similar tours of their respective districts.

It is the belief of the Mayor that by 1960 blight will have been checked throughout the city.

The Mayor also has high hopes that the Federal Urban Renewal Program, which is being set up to help old cities like Boston check blight and to renew run-down areas, will also be a valuable boon to Boston. In an effort to be certified as a city eligible for financial aid under the URP, the City Planning Board has already submitted to the proper federal agency the required so-called "Workable Boston Program."

The Charlestown Committee is composed of Gilbert H. Hood, Jr., chairman; George P. Nason, Rev. Francis G. Shea, Louis H. Zeramby, Rev. Anthony J. Flaherty, Rear Admiral Philip W. Snyder, Roland F. Adams, Wallace C. Baxter, Arthur T. Burger, John Burke, Rev. Wolcott Cutler, Hon. Thomas A. Flaherty, Hon. John F. Gilmore, Rev. Thomas W. Kidd, Francis X. McArdle, Hon. James J. Mellen, William G. O'Hare, Rev. Conrad J. Quirbach, Rev. I. I. Sears, Daniel D. Sokol, Ronald Winde, Rev. John J. Fogarty, Rev. Robert H. Bartlett, Claude Machen, William E. Williams, Rev. Allen C. Campbell, Paul Cloues, John Coyne, Daniel J. Foley.

RUN-DOWN AREAS IN CHARLESTOWN TO BE IMPROVED.

(*Continued from page 1345.*)

schools, streets, parks, playgrounds, and other site improvements which the city has planned for and budgeted for under the Capital Improvement Program for the next five years.

Since all site improvements such as streets, sewer systems, street lighting, etc., and all supporting facilities such as parks, schools, playgrounds, etc., are eligible as project costs if necessary to support and serve renewal projects, this presents an unusual opportunity for the city to obtain site improvements and supporting facilities at one-third cost in renewal project areas.

This new federal legislation makes it possible to dovetail our expenditures for capital improvements with urban renewal activities in order to receive three dollars' worth of improvements for each local dollar expended. To this end, Mayor Hynes will confer with the City Planning Board, Housing Authority, School Department, and Public Works Department to select urban renewal project areas where capital expenditures can be utilized to the best advantage. After these areas are selected, applications will be made to the Urban Renewal Administration for two or probably three new urban renewal projects. An important benefit is that of making F.H.A. mortgage insurance available to home owners in these districts.

The "Workable Program" contains background information showing what requirements have been met in compliance with the objectives of the Federal 1954 housing legislation and steps that are being taken to further the elimination and prevention of slums and blight.

The seven elements of the "Workable Program" are treated in a 36-page report, accompanied by some 30 pounds of supporting documentation, which was prepared by the City Planning Board in cooperation with the Urban Redevelopment Division of the Housing Authority, the Law Department, and other departments concerned, and under the direction of an Advisory Committee set up by the Mayor and consisting of the following members:

Thomas F. McDonough, Chairman, City Planning Board.

James J. Mahar, Chairman, Boston Housing Authority.

William L. Baxter, Corporation Counsel, Law Department.

Charles A. Callanan, Commissioner, Building Department.

Dr. John A. Cauley, Commissioner, Health Department.

Paul Hines, Coordinator of Rehabilitation and Conservation.

Current activities under the F.H.H.F.A. programs consist of the 24-acre clearance of the New York Streets area, now underway, and the West End Redevelopment Project, which is in the final planning stage.

PLANS FOR COMMEMORATING ANNIVERSARY OF ITALIAN REPUBLIC.

setts Institute of Technology. Numerous local Italian and other organizations will also participate in the program.

Features of interest that will be presented during the week will be the production of "Tosca" by the San Carlo Company at the Boston Opera House, city and state luncheons and dinners to Mayor Rebecchini, Italian fashion shows, Italian literary seminars and art displays, and a special concert by the Boston Symphony Orchestra featuring a new concerto by the famous Italian composer Petrassi, who will come to Boston for the occasion.

Italian Minister of Public Instruction Paolo Rossi, prominently mentioned as the next Italian president, will arrive in Boston as part of Boston's "Salute to Italy" celebration.

His arrival will coincide with the visit here of Mayor Salvatore Rebecchini of Rome and Italian composer Goffredo Petrassi who, at the invitation of the Boston Symphony Orchestra, has prepared a special concerto to celebrate the seventy-fifth anniversary of the founding of the orchestra.

The minister will be accompanied by former Ambassador to Italy, William Phillips.

During the week-long Italian celebration 70 paintings by Italian contemporary artists will be flown here from Rome and exhibited at the Old South Meeting House.

Chairman of the program is Mark Bortman, Boston businessman; Dr. Giovanni Formichella, Italian consul general; Boston banker, Ralph Lowell; Commissioner of Public Works John A. Volpe, and City Councillor Gabriel Piemonte.

Edward W. Greene, to Engine Company 27.

Walter J. McEvoy, to Engine Company 8.

Frank J. Piazza, to Engine Company 12.

Eugene F. Tierney, to Ladder Company 30.

These fire fighters on probation will start department drill school Thursday, November 17, reporting to their assigned companies Saturday nights, off duty Sundays.

IV. Fire Alarm Boxes Established.

In the near future the following boxes will be installed:

2452, Perkins street, opposite Pond View avenue.

2639 Cummins Highway and Rowe street.

2829, Weld street and Manthorne road.

294, Washington street, opposite La Grange street.

2978, Washington street and Kershaw road.

298, Washington and Grove streets.

Assignment cards for these boxes will be distributed at a later date. Apparatus assignment for Box 2452 will be the same as for Box 2453. Assignment of apparatus for Box 2639 will be the same as Box 2638. Assignment of apparatus for Box 2829 will be the same as Box 2828. Assignment of apparatus for Box 294 will be the same as Box 2941. Assignment of apparatus for Boxes 2978 and 298 will be the same as Box 2979.

Circuit numbers for these boxes will be announced when they are installed.

In the near future the following fire alarm box will be installed:

13-7236, John Boyle O'Reilly School, 327 Dorchester street.

This box will be connected into circuit No. 1. Company commanders will add Box 13-7236 to assignment card for Box 7236 and circuit card No. 1.

Due to the installation of this separate box in the John Boyle O'Reilly School, the designation for Box 7236 as given on the assignment card will be corrected by deleting the words "Aux., J. B. O'Reilly School," so that the designation for this box will read as follows:

7236, Dorchester and Vinton streets.

V. Change in Designation of Fire Alarm Boxes.

The name of the Massachusetts Women's Hospital has been changed to Parker Hill Medical Center.

The designation on assignment card for Box 13-2373 will be changed to read:

13-2373, Parker Hill Medical Center, 53 Parker Hill avenue.

Company commanders will make the above change on assignment card for Box 13-2373.

Box 12-3356, Dorchester High School for Girls, will be changed to read:

12-3356, Girls' Latin School, Codman square.

Company commanders will change the designation on assignment card for the box given above.

Fire Alarm Box 7336 has been removed from the MTA abandoned carhouse and installed as a post type at the corner of East Second and P streets. The designation of this box will be changed to read:

7336, East Second and P streets.

Company commanders will make the above change in designation on assignment card for Box 7336.

VI. Change in Designation of Assignment Card.

Due to the discontinuance of the Elbridge Smith School, the auxiliary system has been disconnected from Box 3411.

The designation on the assignment card for Box 3411 will be corrected by deleting the words "Aux., Elbridge Smith School," so that this assignment card will read as follows:

3411, Dorchester avenue and Centre street.

VII. Renewal of Dump Permits for 1956.

Permits issued by the Health Commissioner for dumping of ashes and house refuse expire December 31, 1955.

District fire chiefs are requested to forward to Headquarters on or before November 21, 1955, reports of any objections they may have to the renewal of any dumping permits in their respective districts.

District fire chiefs shall determine, if, in their opinion, adequate fire fighting facilities, water lines, hydrants, etc., are present. If adequate fire fighting facilities are not present, state so, and submit recommendations in your report. Every effort should be made to reduce departmental response to dump fires.

VIII. Transfers.

The following transfers will become effective at 8 A.M., Wednesday, November 16, 1955:

Fire Capt. John J. McDevitt, from Engine 36 to Engine 30.

Fire Lieut. Paul J. O'Brien, from Ladder 7 to Engine 36.

Fire Fighter Frank P. Barresi, from Engine 27 to Engine 43.

Fire Fighter Robert J. Boyd, from Engine 11 to Ladder 20.

Fire Fighter Robert M. Hardiman, from Engine 42 to Ladder 24.

Upon November 10 the Mayor approved a contract with Edward Vozzella for minor sewerage works in Brighton, Charlestown, City Proper, and West Roxbury, at an estimated cost of $6,469.50. The work to be done under this contract is to be completed December 31, 1955. The following bids were received November 3:

Edward Vozzella, $6,469.50; Joseph Capone & Son, $7,907.50; Roslindale Contracting Company, $8,850; C. Russo, Inc., $13,220.

—

Upon November 10 the Mayor approved a contract with G. & F. Construction Company for sewerage works in Washington street and minor sewerage works in Pelton street, West Roxbury, at an estimated cost of $3,067.50, including concrete pipe. The work to be done under this contract is to be completed January 28, 1956. The following bids were received November 3:

Clay Pipe.—G. & F. Construction Company, $3,202.50; Edward Vozzella, $3,638.50; Joseph Capone & Son, $3,905; Roslindale Contracting Company, $5,105; C. Russo, Inc., $5,660.

Concrete Pipe.—G. & F. Construction Company, $3,067.50; Edward Vozzella, $3,586; Joseph Capone & Son, $3,800; Roslindale Contracting Company, $5,105; C. Russo, Inc., $5,510.

—

Upon November 14 the Mayor approved a contract with the Suffolk Electric Company for electrical work at 624 Albany street, Boston, at an estimated cost of $2,918. The work to be done under this contract is to be completed within three weeks from date of order to commence work. The following bids were received November 3:

Suffolk Electric Company, $2,918; Kay Electric Company, $3,200; J. J. Finn Electrical Service, $4,495.

WITHOUT ADVERTISING.

Upon varying dates as indicated the Mayor approved contracts with contractors, etc., for furnishing labor, supplies, etc. Communications from the heads of departments interested were as follows:

ADMINISTRATIVE SERVICES DEPARTMENT.
Purchasing Division.

BOSTON, November 2, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office requires 30,000 purchase order forms for use in 1956 to be delivered in December, 1955. Bids were solicited from seven companies; five companies responded. The lowest bidder did not meet specifications or delivery date. The next lowest bidder was the American Register Company at $1,020, net.

Inasmuch as bids have been received from several companies and a satisfactory price has been obtained, it is my opinion that no advantage would be gained by publicly advertising for prices. Authority is therefore requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to American Register Company.

Approximate total amount of contract for 30,000 purchase order forms at $34 per M will be $1,020, net, 30 days.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

—

BOSTON, November 3, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Traffic Commission for the immediate delivery of one (1) new 1956 Mainline Ford Fordor sedan as per specifications.

Informal written quotations have been received from three (3) Ford dealers, the lowest one being that of Bowers Motor Sales, Inc. Inasmuch as this company has a vehicle in stock and is in a position to make immediate delivery, and since an acceptable price has been submitted, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Bowers Motor Sales, Inc. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amount of contract will be $2,227, net.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

—

BOSTON, November 3, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Fire Department for fire alarm post sections and bases. Mechanics Iron Foundry Company has been the only supplier for the past several years and the only bidder on publicly advertised bids. An acceptable written quotation has been received from this company.

Owing to the foregoing facts, it is my opinion that no advantage would be gained by publicly advertising for prices. Authority is therefore requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Mechanics Iron Foundry Company for 50 cast-iron subbases for fire alarm posts at $33 each and 50 cast-iron middle sections for fire alarm posts at $30 each. Delivery of this equipment is to start immediately and be completed by March 31, 1956.

Approximate total amount of contract will be $3,150, net.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

BUILDING DEPARTMENT.

BOSTON, October 27, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

In the interest of the general public safety and pursuant to the provisions of chapter 479, Acts of 1938, as amended, section 116d, with your permission, the Building Commissioner entered the premises at 407 West Second street, South Boston, and solicited bids for the removal of the building.

This is a wooden building, open to trespass, and a constant menace to the surrounding properties, particularly No. 411, which immediately adjoins it. The building has, because of depredations, become unsafe and dangerous. It is necessary, therefore, to proceed with its removal at once.

The department solicited bids in the usual manner. The prices are as follows:

American Building Wrecking Company, $1,735; Central Building Wrecking Company, $1,288; Michael J. Reardon, $1,280.

The interest of the city so requiring, I ask your Honor's approval for the awarding of a contract, without advertising, to M. J. Reardon, in the sum of $1,280. Mr. Reardon is the lowest bidder, has always given satisfactory service, and carries all of the necessary licenses.

Very truly yours,

CHARLES A. CALLANAN,
Building Commissioner.

DEPARTMENT OF SCHOOL BUILDINGS.

BOSTON, September 20, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

On August 31, 1955, your Honor authorized the award and subsequently executed an unadvertised $30,000 contract with Dorgan Electric Company, Inc., for emergency flood damage work, consisting of the repair of electrical installations damaged by the flood water from the torrential rains of August 18 to 20, at the Boston Trade High School.

As was pointed out in my original communication, the $30,000 sum represented the best estimate that this department could then make of the expense involved in doing the emergency electrical work and repair of electrical installations damaged by the flood water. A substantial amount of the above work has been performed to date. However, it is now apparent that it will cost in the vicinity of an additional $4,600 to perform all the emergency electrical work and repair of electrical installations necessary to correct the damage resulting from the floods at the Boston Trade High School.

Therefore, your authorization is respectfully requested to dispense with public advertising and amend the aforementioned contract with Dorgan Electric Company, Inc., to permit the expenditure, under the provisions of that contract, of an additional sum not to exceed $4,600. The primary objective of the principal contract and the amendment herein to be prepared is to have the work performed by a capable contractor and as expeditiously as possible. The aforementioned firm has performed its work to date in a highly satisfactory manner and as promptly as the conditions have permitted. In view of this it is not felt that public advertising would be of any avail in this instance.

Very truly yours,

JAMES H. MOONEY,
Superintendent of Construction.

—

BOSTON, November 7, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

Subject: Albert Palmer School Building, Eustis Street, Roxbury.

DEAR MR. MAYOR:

Fire of unknown origin occurring on October 30, 1955, in the completely occupied building was of such intensity as to destroy one classroom, a portion of the boiler room, and the structure between the classroom and boiler room. It also left the building open to trespass, and the destruction was extensive enough to warrant immediate emergency action.

The contracting firm of P. J. Cantwell & Son, 644 East Fourth street, South Boston, was employed to temporarily close the building by boarding up doors and sash and to remove burned materials and debris.

So that the classroom could be used this firm was ordered to make necessary construction repairs, including repairs to the plumbing and electrical systems. All work to be done in accordance with standard specifications and details of the Department of School Buildings as applicable.

As this emergency did not permit of solicitation for proposals I ask that you waive the requirements for advertising and authorize me to negotiate a contract with P. J. Cantwell & Son in an amount not to exceed $2,250 for the completed work, which will be incorporated in the contract document.

Respectfully yours,

JAMES H. MOONEY,
Superintendent of Construction.

LIBRARY DEPARTMENT.

BOSTON, October 28, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The Trustees of the Public Library respectfully request the approval of your Honor for engaging the services of Messrs. Gilbert Small & Co., Inc., 10 State street, Boston, for engineering and architectural services in connection with the completion of the roof of the Central Library Building.

The professional services to be rendered will consist of the following: necessary conferences with the library trustees and library officers; preparation of preliminary studies, working drawings, and specifications; drafting of forms of proposals and contracts; and responsibility for and supervision of the work required to be done by the trustees.

The completion of the roof of the Central Library building is a job of very considerable magnitude. The character and extent of the work make it one of the largest roofing projects ever to be undertaken in the Greater Boston area. Messrs. Gilbert Small & Co., Inc., have been the consulting engineers for the library for over ten years. Before that time the principal members of the firm of Messrs. Gilbert Small & Co. were

members of the firm of Messrs. J. R. Worcester & Co., which firm served the library over a long period of years as engineers, in the course of which they designed and carried out in 1943 the installation of the first part of this great roofing project of which the second part is now about to be undertaken. The firm has thus become thoroughly familiar with the problems peculiar to the roofing work which is to be done. The total cost of the services of Messrs. Gilbert Small & Co. will be not in excess of $10,000.

The trustees have therefore taken the following action to award the contract:

"*Voted*, That there be entered into with Gilbert Small & Co., Inc., 10 State street, Boston, a contract for engineering and architectural services in connection with the completion of the roof of the Central Library building in an amount not to exceed ten thousand dollars ($10,000)."

In view of the above the trustees believe that no useful purpose would be achieved by proceeding to competitive bidding for these services. Since the total cost will be in excess of one thousand dollars ($1,000), there is therefore respectfully requested permission of your Honor to enter into a contract with Messrs. Gilbert Small & Co., Inc., without publicly advertising for bids for such services.

Respectfully,

THE TRUSTEES OF THE PUBLIC LIBRARY OF THE CITY OF BOSTON,
MILTON E. LORD,
Director.

—

BOSTON, November 2, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The Trustees of the Public Library respectfully request the approval of your Honor for the award of a contract, without public advertising to the Herman Goldberger Agency, Inc., 76 Atherton street, Jamaica Plain, Mass., for supplying periodicals and serials for the year 1956 and servicing the subscriptions for the individual items throughout the year.

The number of firms who are qualified to render these services is limited to a very few. In the belief that the best interests of the city would be served thereby the trustees invited five firms which were considered to be qualified. Three of these companies failed to submit bids; the other two submitted bids as follows:

New England News, 30 Garrison street, Boston, Mass., $12,187 (bid was rejected because it did not include all items called for in the specifications); Herman Goldberger Agency, Inc., 76 Atherton street, Jamaica Plain, Mass., $12,795.

The Herman Goldberger Agency, Inc., has had many years experience in the specialized business of supplying very large orders of periodicals and serials for libraries. The firm has served the Boston Public Library in this capacity regularly for over twenty-five years.

The trustees, therefore, have taken the following action to award the contract:

"*Voted*, That there be awarded to the Herman Goldberger Agency, Inc., 76 Atherton street, Jamaica Plain, Mass., a contract for supplying periodicals and serials for the period January 1, 1956, through December 31, 1956, at prices per unit specified in the specifications."

Inasmuch as the total cost of the periodicals and serials will exceed one thousand dollars ($1,000), there is requested permission of your Honor to enter into this contract without publicly advertising for bids.

Respectfully,

THE TRUSTEES OF THE PUBLIC LIBRARY OF THE CITY OF BOSTON,
MILTON E. LORD,
Director.

PENAL INSTITUTIONS DEPARTMENT.
BOSTON, November 1, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

On August 24, 1955, Inspector Thomas B. Renahan of the Employers Group Insurance Companies inspected an H. R. T. No. 2772 boiler at the House of Correction and ordered us to replace the top row of tubes and remove the scale from the entire boiler and the remaining tubes and also to rebuild the furnace refractory, to prevent collapse, before he would issue the certificate of inspection.

Inmate labor, under supervision, has just completed the rebuilding with firebrick and fire clay, and the boiler is now ready to have the descaling done and the tubes replaced.

This is the third and last boiler to be inspected this year, the other two boilers having been inspected on May 13 and June 2, respectively. The work on the above was awarded, by your Honor's permission, on May 13 and July 20, to the Industrial Welding Company of South Boston, who did most satisfactory and expert work.

In order to have the insurance company issue a certificate to operate this boiler as soon as possible before the cold weather sets in, I respectfully request your permission to award this boiler work to the Industrial Welding Company of 488 Dorchester Avenue, South Boston, at a price for tubes, materials, machines, and labor at a cost not to exceed $742.25.

Most respectfully,

EDWARD L. FRIEL,
Commissioner.

SUFFOLK COUNTY.
SHERIFF'S OFFICE.
BOSTON, November 9, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

Funds were allowed in the 1955 supplementary jail budget for replacing the old broken plaster ceiling of the jail kitchen with a metal ceiling.

The erection of an aluminum ceiling will eliminate the damage to a plaster ceiling that was caused by moisture from the condensation of steam with the constant use of steam kettles. The work consists of removing deteriorated portions of the plaster ceiling and furnishing and erecting embossed aluminum material over the old ceiling.

Proposals were invited from five local contractors for this project, and only two firms have submitted bids. The amounts are as follows:

E. H. Allen Company, Charlestown, $4,000; Waghorne-Brown Company, Boston, $1,996.

I should like to have the old broken plaster ceiling replaced as soon as possible. I believe that there would be no further benefit for the City of Boston to advertise publicly for this work and I respectfully request your permission to award a contract to the lowest bidder, Waghorne-Brown Company of Boston, for the erection of this new ceiling.

Respectfully yours,

FREDERICK R. SULLIVAN,
Sheriff.

EXTENSION OF CONTRACTS.

PUBLIC WORKS DEPARTMENT.

Approval has been given for an extension of time for the completion of the contract with Dooley Brothers, Inc., 39 George street, Roxbury, for work on Hyde Park avenue, from November 7, 1955, to June 30, 1956. This is a chapter 90 project. This extension was requested because the State Department of Public Works voted to extend the time limit on the work.

—

Approval has been given for an extension of time for the completion of the contract with R. A. Bucella & Sons, Inc., 20 Cedar park, Roxbury, for laying water pipes in Constitution road, Ward 18; Crossman street, Ward 18; Faunce road, Ward 18; Jamestown terrace, Ward 18; Lorna Road Extension, Ward 18; Messinger street, Ward 18; Orlando street, Ward 18; Viking terrace, Ward 18; and such additional locations, if any, in Ward 18, as may be designated by the Commissioner of Public Works, from November 1, 1955, to December 20, 1955. This extension was requested because the sewer contractor has not completed his contract in Lorna road, thus holding up the completion of the water contract.

EXTRA WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

John McCourt Company has been directed to perform the following extra work under the contract for sheet asphalt pavement and installation of traffic divisional islands and sidewalk narrowing in Dock square, etc., dated August 10, 1955:

In Blue Hill avenue and Talbot avenue, furnish and place duct work in addition to that shown on plan, including all incidental work, for the sum of $186.

Estimated cost of extra work, $186.

OMIT AND SUBSTITUTE WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

S. J. Tomasello Corporation has been directed to omit and substitute the following work under the contract for bituminous concrete pavement in Burr street, Carolina avenue, Cheshire street, Dane street, Hawthorne street, Heathcote street, Perkins street, and Sedgwick street, dated July 13, 1955:

In Heathcote street, omit the furnishing, placing, grading, and seeding of 50 square yards of loam at 75 cents per square yard.

In Heathcote street, substitute the furnishing and laying of approximately 1,000 square feet of artificial stone sidewalks at 40 cents per square foot.

Estimated cost of substituted work, $400; estimated cost of omitted work, $37.50; estimated increase in cost, $362.50.

CLAIM ALLOWED.

The Mayor, upon recommendation of the Corporation Counsel, has approved the following claim:

Paul E. Vallen, 60 Trenton street, East Boston, in the sum of $75, as compensation for damage to automobile caused by the falling of decayed branches of a tree on the sidewalk at the corner of Trenton and Marion streets, June 13, 1954.

TRAFFIC COMMISSION RULINGS.

Certification to be attached to votes of September 22, 1955, adding Article IV-A and Section 2 of Article X to the Traffic Rules and Regulations of the City of Boston.

Each of the undersigned does hereby certify that after taking into account the public safety and convenience, the reasonably free circulation of vehicular traffic, and the need for providing in the streets, ways, highways, roads, and parkways in the downtown area of the city the maximum number of parking spaces at all times, he is of opinion that Article IV-A and Section 2 of Article X added this 22d day of September, 1955, to the Traffic Rules and Regulations of the City of Boston are required by urgent public necessity.

CONSTRUCTION WORK.

The Public Improvement Commission has ordered the following construction work:

One drop inlet and connection, one catch basin converted to manhole in Mildred avenue, on southeasterly side, in the Dorchester district, at an estimated cost of $300.

One catch basin and 35 feet of connection in rock in Stonehill terrace, from Stonehill road, 140 feet southeasterly, in the Hyde Park district, at an estimated cost of $800.

One catch basin and connection in New England avenue (formerly Bernard street), between Southern avenue and Norfolk street, in the Dorchester district, at an estimated cost of $500.

One hundred eighty-five linear feet of 10-inch pipe surface drain and two catch basins in Tanglewood road (formerly Churchill place), from Washington street approximately 200 feet westerly, in the Dorchester district, at an estimated cost of $3,200.

Two catch basins and connections in Wichita terrace (formerly Johnson place), from River street approximately 257 feet northerly, in the Dorchester district, at an estimated cost of $1,000.

A 10-inch pipe sanitary sewer and one catch basin and connection in Violet street, between Crossman street and French street, in the Dorchester district, at an estimated cost of $3,300.

A 12-inch pipe sanitary sewer, 30-inch pipe surface drain, and eight catch basins in Guest street, between 320 feet east of Life street and private land (land of the Boston & Albany Railroad Company), in the Brighton district, at an estimated cost of $25,300.

CLAIMS ALLOWED.

The Mayor, upon recommendation of the Corporation Counsel, has approved the following claims:

Gennaro Nonni, 129 Leyden street, East Boston, to be reimbursed in the sum of $195, as a result of an accident which occurred on May 2, 1955, when a motor truck belonging to the Sewer Division, Public Works Department, which he was operating, collided with an automobile owned by Francis Grasso, causing personal injuries to James Moses.

John F. Billotte, 618 Broadway, South Boston, to be reimbursed in the sum of $53, as a result of an accident which occurred on January 13, 1954, when a motor truck belonging to the Sanitary Division, Public Works Department, which he was operating, collided with an automobile owned by Frank G. Cotter.

Pauline Nasif, 36 Burroughs street, Jamaica Plain, in the sum of $125, as compensation for damage to property owned by her at 10 Milford street, Boston, caused by water from a broken water pipe under the sidewalk in front of the premises, September 10, 1954.

Ellen Hutchinson, 76 Gardner street, Allston, in the sum of $250, as compensation for damage to property in basement of above premises caused by the backing up of a sewer on May 31, June 6, and June 13, 1955.

James W. O'Brien, 25 Washington square, Revere, in the sum of $75, as compensation for damage to automobile as a result of dropping into an unlighted and unguarded excavation in the highway opposite 221 Bunker Hill street, Charlestown, December 29, 1954.

PROCEEDINGS OF CITY COUNCIL.

Monday, October 31, 1955.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 2 P.M., Senior Member White in the chair. Absent, Councillor Hurley.

The Reverend John J. O'Connor, of St. Peter's Roman Catholic Church, Dorchester, was escorted to the rostrum.

INVOCATION BY REV. JOHN J. O'CONNOR.

Almighty and Eternal God, the Creator and Savior of mankind, we adore Thee in Thy Majesty, and to Thee we consecrate our thoughts, our words, our deeds, that always and ever we may think of Thee, speak of Thee, and dedicate our lives to Thy greater honor and glory.

With hearts truly grateful, we offer Thee our thanks for all Thy kindness to our beloved America, and in her hour of trial we implore Thy tender solicitude for her welfare. We commend to Thee those set over us to rule and govern us, and in an especial manner our Mayor and City Council who direct our beloved city. Guide them aright with Thy spirit of counsel, and direct all their deliberations with the light of Thy divine wisdom, that their decisions may tend towards the promotion of happiness and perpetuate to us the blessings of liberty.

Bless, we beseech Thee, O Lord, God of heaven and earth, the citizens of these, our United States, and banish from our hearts all spirit of evil. Enlighten our understanding and purify our intentions that our purpose may merit Thy kindly approval. Vouchsafe to direct our actions by Thy holy inspirations and carry them on by Thy gracious assistance, that we may render a stewardship of justice and love to Thee and an example for imitation to others.

All this, we pray Thee, Most Sovereign Father, humbly and devoutly through Jesus Christ, Thy Son, Who liveth and reigneth for ever and ever. Amen.

The meeting was opened with the salute to the Flag.

NAMING OF SQUARES IN HONOR OF DECEASED VETERANS.

The following was received:

City of Boston,
Office of the Mayor, October 31, 1955.

To the City Council.

Gentlemen:

I submit herewith five orders for the naming of various intersections in the city in honor of deceased veterans of World War II.

The Committee to Memorialize Veterans, after due consideration, has recommended the naming of various sites as set forth in the accompanying orders.

In view of the fact that each site is to be named in memory of a veteran who sacrificed his life on the altar of liberty, I recommend that your Honorable Body give approval to the accompanying orders.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Public Improvement Commission,
October 27, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

At a meeting of the Committee to Memorialize Veterans, held this day, it was voted to designate the following intersections in honor of the following-named deceased veterans of World War II:

1. Como Road and Vallaro Road, Hyde Park (Ward 18)—Pvt. Henry W. Baga Square. (Private Baga, U. S. Army, lost his life in Germany on March 16, 1945.)

2. Standard Street and River Street, Dorchester (Ward 18)—Lieut. Francis A. Cahill Square. (Lieutenant Cahill, U.S.N.R., lost his life in Southern France on August 23, 1945.)

3. Oakman Street and Walnut Street, Dorchester (Ward 16)—Sergt. John (Pat) Malloy Square. (Sergt. Malloy, U. S. Army, lost his life in Germany on March 3, 1945.)

4. Whittier Street and Cabot Street, Roxbury (Ward 9)—Sergt. Joseph P. and Corp. John A. Kelly Square. (Sergeant Kelly and Corporal Kelly, U. S. Army, lost their lives in the service of their country during World War II.)

5. Hanson Street and Tremont Street, Boston Proper (Ward 3)—Corp. Raymond A. L. Saquet Square. (Corporal Saquet, U. S. Army, lost his life in France on September 1, 1944.)

Respectfully,
MICHAEL J. CORRAO, Secretary,
Committee to Memorialize Veterans.

Ordered, That the space at the junction of Como road and Vallaro road, Ward 18, be named Henry W. Baga Square in honor of Henry W. Baga, late veteran of World War II.

Ordered, That the space at the junction of Standard street and River street, Ward 18, be named Francis A. Cahill Square in honor of Francis A. Cahill, late veteran of World War II.

Ordered, That the space at the junction of Oakman street and Walnut street, Ward 16, be named John (Pat) Malloy Square in honor of John (Pat) Malloy, late veteran of World War II.

Ordered, That the space at the junction of Whittier street and Cabot street, Ward 9, be named Joseph P. and John A. Kelly Square in honor of Joseph P. and John A. Kelly, late veterans of World War II.

Ordered, That the space at the junction of Hanson street and Tremont street, Ward 3, be named Raymond A. L. Saquet Square in honor of Raymond A. L. Saquet, late veteran of World War II.

Referred to the Executive Committee.

PARKING OF AUTOMOBILES BY HANDICAPPED PERSONS.

The following was received:

City of Boston,
Office of the Mayor, October 31, 1955.

To the City Council.

Gentlemen:

I transmit herewith communication from the Traffic Commissioner relative to your order of October 10, 1955, concerning special permits for automobile parking by handicapped persons.

Respectfully,
J. B. HYNES, Mayor.

Boston Traffic Commission,
October 27, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

With refrence to City Council order of October 10, 1955, ordering that the Police and Traffic Commissioners be requested, through his Honor the Mayor, to confer on the matter of issuing special permits, or otherwise granting immunity from penalty for parking violations to nonveterans who hold a "seal" for handicapped persons issued by the Registry of Motor Vehicles, I wish to report that the Police Commissioner and the Traffic Commissioner, at a meeting of the Traffic Commission on Thursday, October 22, discussed this subject.

It appears that under a state law veterans who hold a "V" plate issued by the Registry of Motor Vehicles are exempt from certain traffic regulations.

In order for nonveterans to obtain the same exemptions state legislation is necessary.

For example, in the enactment of the towing law, which is to take effect in November of this year, the Legislature authorizes the Police Department to tow away vehicles found to he violating certain traffic regulations and in that law they specifically exempted veterans who hold "V" plate registrations.

Therefore, no act of the Boston Traffic Commission would be effective in preventing nonveterans holding a seal from the Registry of Motor Vehicles from being towed away.

Sincerely yours,
WM. ARTHUR REILLY, Commissioner.

TRAFFIC LIGHTS AT SEAVER STREET AND HUMBOLDT AVENUE.

The following was received:

City of Boston,
Office of the Mayor, Octoher 28, 1955.

To the City Council.

Gentlemen:

I transmit herewith communication from the Traffic Commissioner relative to your order of October 24, 1955, eoncerning the installation of traffic lights at the corner of Seaver street and Humholdt avenue in Roxbury.

Respectfully,
J. B. HYNES, Mayor.

Boston Traffic Commission,
October 27, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

With reference to Council order of October 24, 1955, requesting the installation of traffic lights at the corner of Seaver street and Humboldt avenue, Roxbury, I wish to report that on August 4, 1948, a flashing traffic signal, with pedestrian push-button operation, was installed at this location.

Respectfully yours,
WM. ARTHUR REILLY, Commissioner.

Placed on file.

TRAFFIC LIGHTS AT HUMBOLDT AVENUE AND TOWNSEND STREET.

The following was received:

City of Boston,
Office of the Mayor, October 31, 1955.

To the City Council.

Gentlemen:

I transmit herewith communication from the Traffic Commissioner relative to your order of October 24, 1955, concerning installation of traffic lights at the intersection of Humboldt avenue and Townsend street in the Roxhury district.

Respectfully,
J. B. HYNES, Mayor.

Boston Traffic Commission.
October 27, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

With reference to Councillor McCormack's order of October 24, 1955, requesting eonsideration of the installation of traffie signals at the intersection of Humholdt avenue and Townsend street, Roxhury, I wish to state that this intersection is one which we have listed for attention when funds are provided to us for this purpose.

We did receive an appropriation this year which has heen allocated to locations graded according to hazards hased upon the volumes of vehleular and pedestrian traffic, accident records, and characteristics of the various locations.

We will keep this location in mind for consideration when additional money is provided to us.

Sincerely yours,
WM. ARTHUR REILLY, Commissioner.

TRAFFIC CONDITIONS AT RIVER AND LINWOOD STREETS, HYDE PARK.

The following was received:

City of Boston,
Office of the Mayor, October 28, 1955.

To the City Council.

Gentlemen:

I transmit herewith communication from the Traffie Commissioner relative to your order of September 19, 1955, concerning dangerous traffic conditions at River street and Linwood street in Hyde Park; also Dana avenue and Hyde Park avenue.

Respectfully,
J. B. HYNES, Mayor.

Boston Traffic Commission,
October 27, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

With reference to City Council order of September 19, 1955, introduced hy Councillor McLaughlin, requesting that the Traffic Commission be requested to have an investigation made at River and Linwood streets and in Dana avenue and Hyde Park avenue, Hyde Park, I submit the following report:

At a meeting of the Traffic Commission on October 22 it was voted to prohibit parking in River street, north side, from Hillis road to Gordon avenue, and to place "Slow" signs in the roadway in River street between Hillis road and Gordon avenue.

In addition, crosswalks are to be painted in River street and Linwood street, and a center line in Hyde Park avenue from River street to beyond Dana avenue.

In addition, a parking prohibition will be established in Dana avenue, southwest side, for a distance of 125 feet southeast of Hyde Park avenue.

The above measures should afford increased protection for pedestrians until funds are availahle for the installation of traffic signals.

Sincerely yours,
WM. ARTHUR REILLY, Commissloner.

ELECTION IN FIRE DEPARTMENT TO DETERMINE BARGAINING UNIT.

The following was received:

City of Boston,
Office of the Mayor, October 31, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Fire Commissioner relative to your order of October 17, 1955, concerning the holding of an election among the personnel of the Fire Department for the purpose of determining a bargaining unit in that department.

Respectfully,
J. B. HYNES, Mayor.

—

City of Boston,
Fire Department, October 24, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Sir:

I have the City Council order of October 17, 1955, relative to the calling of an election in the Boston Fire Department. The third paragraph of that order states:

"Whereas, A check on the number of absences due to vacations reveals that less than 1 per cent of the firemen are on vacation and the number is being reduced weekly, and . . ."

This is absolutely erroneous. On the day the order was adopted the number on vacation was 129. On the following day, the beginning of a new week, the number on vacation was 133. Instead of the number being less than 1 per cent, it is greater than 1 per cent by more than 100. This succeeding week sees the number of men on vacation increase.

I do not feel in justice that any election of such importance should be held when so many fire fighters are absent on vacation, the determination of which was beyond their control.

Very truly yours,
FRANCIS X. COTTER,
Fire Commissioner.

Referred to the Executive Committee.

TAX RATES OF VARIOUS CITIES AND TOWNS IN COMMONWEALTH.

The following was received:

City of Boston,
Office of the Mayor, October 26, 1955.

To the City Council.
Gentlemen:

I send you herewith report of the Director of Administrative Services in answer to the order adopted by your Honorable Body on October 10 requesting a schedule showing the tax rates of various cities and towns over the past several years.

It is interesting to note, in this schedule, that many of the cities in the metropolitan area have increased their tax rates considerably more than the increase in Boston over a five-year period. It is also interesting to note that, in the larger cities of the Commonwealth, Boston is near the bottom with respect to tax rate increases in that same period of time.

I think that this schedule will indicate clearly that the City of Boston has made unremitting efforts to keep the tax rate of our city at the lowest possible point.

Respectfully,
J. B. HYNES, Mayor.

—

City of Boston,
Administrative Services Department,
October 21, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Sir:

Under date of October 10, 1955, the following order was adopted by the City Council:

"Ordered, That the Director of Administrative Services prepare a schedule showing the tax rates of the various cities and towns in metropolitan Boston for the past several years and the proportionate increase or decrease of the tax rate."

I submit herewith a schedule showing tax rate comparisons of various cities and towns in the metropolitan Boston area for the past five years.

I have also had prepared a schedule indicating tax rate comparisons of the larger cities of Massachusetts for the same period of time.

Respectfully,
CHARLES J. FOX, Director.

On motion of Councillor Ahearn, the Council voted to take a recess at 2.40 P.M., subject to the call of the Chair. The members reassembled in the Council Chamber and were called to order by Chairman Piemonte at 3.40 P.M.

LEASE OF CITY PROPERTY TO CARMINE DANTONI POST NO. 13, AMVETS.

Coun. PIEMONTE offered the following:

Ordered, That the Fire Commissioner be, and he hereby is, authorized, in the name and behalf of the City of Boston, with the approval of the Mayor, and in form satisfactory to the Law Department, to lease to the Carmine Dantoni Post No. 13, Amvets, that part of the building formerly occupied by the Fire Department in the rear of 521 Commercial street, Boston, on such terms and conditions as said Fire Commissioner may deem advisable.

Passed under suspension of the rules.

TEMPORARY APPOINTMENTS, CLERK OF COMMITTEES DEPARTMENT.

Coun. WHITE offered the following:

Ordered, That effective October 26, 1955, the following persons be, and they hereby are, appointed in the service of the Clerk of Committees Department to the positions set against their respective names until the fourth Wednesday of November, 1955, at the salaries in effect for them on October 25, 1955.

Francis R. Burke, Peter J. Cloherty, Paul G. O'Hara, temporary clerks; Nicholas DiMella, Catherine E. Dunn, Catherine Monahan, Frances B. Winn, temporary stenographer clerks; Agnes G. Dinsmore, temporary clerk-receptionist.

Passed under suspension of the rules.

NIGHT LIGHTING EQUIPMENT, EAST BOSTON STADIUM.

Coun. FOLEY offered the following:

Ordered, That the Board of Parks and Recreation be requested, through his Honor the Mayor, to determine the advisability and expense of equipping the East Boston Stadium with a permanent illumination system suitable for night football.

Passed under suspension of the rules.

CHANGE OF TIME OF EVACUATION DAY PARADE.

Coun. FOLEY offered the following:

Whereas, Each year, happily, the annual Evacuation Day Parade is becoming longer; and

Whereas, Each year more and younger children participate in the parade; and

Whereas, The finish of the parade now occurs after dark; and

Whereas, In the middle of March the probability of low temperatures is great; and

Whereas, The late finish of the parade causes traffic snarls of Olympian proportions; be it therefore

Resolved, That the Boston City Council very seriously renews its suggestion of last spring that the parade begin at noontime or at some earlier time than is presently the policy so that, first of all, the young children in the parade may not be exposed to the rawness of a mid-March day after sundown; secondly, so that the spectators, including large numbers of children, may witness the parade without extreme discomfort from late afternoon temperatures; and, thirdly, so that the traffic situation caused by the clash of the parade route and the home-bound traffic may be ameliorated; and be it further

Resolved, That his Honor the Mayor be requested to forward this to the Allied Veterans Council in South Boston for the attention of the Council with such comment as his Honor may see fit to make.

Referred to the Executive Committee.

MEETING OF EXECUTIVE COMMITTEE.

Coun. WHITE announced that there would be a meeting of the Executive Committee on Friday, November 4, 1955, at 11 A.M., to have the second publicly advertised hearing on group insurance, etc., for city and county employees.

GROUP INSURANCE FOR CITY AND COUNTY EMPLOYEES.

Coun. WHITE offered the following:

Moved: That the Council complete its plans for the insurance bills before the first of December so that the Executive Committee can make their recommendations, and then conduct another public hearing before all city and county employees to see if the plans submitted by the City Council meet with everybody's meticulous approval.

The motion was carried.

LAUNCHING RAMPS FOR SMALL BOATS.

Coun. FOLEY offered the following:

Ordered, That his Honor the Mayor be requested to ask the consideration of the Board of Parks and Recreation of a proposal to construct launching ramps at East Boston, Charles River Basin, City Point, and suitable point or points in Dorchester, for the launching of small boats customarily towed to shoreline by automobile on light trailers;

That the Board of Parks and Recreation be requested to consider the desirability of such ramps, the expense involved, and the agency of government which should construct the ramps;

That the Board of Parks and Recreation be requested at its convenience to communicate its opinion officially to the Mayor and Council upon completion of its discussions on this matter.

Passed under suspension of the rules.

INTEGRATED SHOPPING AREA CONCEPT FOR DOWNTOWN BOSTON.

Coun. FOLEY offered the following:

Whereas, The downtown business area in Boston is of vital importance to the preservation of Boston's economy; and

Whereas, The said downtown business area is meeting increased competition from integrated suburban shopping centers; be it therefore

Resolved, That the Boston City Council feels that an integrated shopping area concept for downtown Boston is necessary for its survival and prosperity; and be it further

Resolved, That in furtherance of this concept the Council offers the following suggestions:

1. That a downtown shopping area be delineated.

2. That within this area radiating from the subway intersection at Washington Street Station free passageways through the various stores in the area be laid out so that customers may walk from one end of the area to the other through the retail stores.

3. That such passageways also be laid out from the shoppers' parking garages to be constructed to service the area.

4. That free shuttle service between Washington and Park Street Subways be made available for shoppers in the area.

5. That the sidewalks in the area be completely equipped with electric heating coils to eliminate snow.

6. That a rapid delivery service operate in the area to take packages from the stores to the parking garages or MTA station checkroom from which a given customer is to leave the area.

And be it further

Resolved, That a copy of this resolution be forwarded to the Boston Retail Trade Board.

The resolution was adopted under suspension of the rules.

SURVEY OF TRAFFIC CONDITIONS ON BUNKER HILL STREET, CHARLESTOWN.

Coun. AHEARN offered the following:

Whereas, A serious traffic problem exists on Bunker Hill street, Charlestown, due to the number and speed of vehicles during certain rush hours of the day; and

Whereas, This traffic problem creates a danger to life and limb and especially a hazard to children in the housing project and neighboring homes; therefore, be it

Resolved, That his Honor the Mayor direct the Traffic Commissioner to conduct a survey of traffic conditions on Bunker Hill street, Charlestown, with a view to making Bunker Hill street a through way and erecting "Stop" signs at all streets intersecting Bunker Hill street, or taking such other appropriate action needed, as shown by the survey.

The resolution was adopted under suspension of the rules.

SURVEY OF LIGHTING CONDITIONS AT HILLBURN AND WHITFORD STREETS.

Coun. AHEARN offered the following:

Ordered, That his Honor the Mayor is hereby requested to direct the Commissioner of Public Works to make a survey of lighting conditions at the corner of Hillburn and Whitford streets, West Roxbury, with a view to installing a new street light at or near this dangerous intersection.

Passed under suspension of the rules.

SURVEY OF TRAFFIC CONDITIONS AT MONUMENT SQUARE, CHARLESTOWN.

Coun. AHEARN offered the following:

Ordered, That his Honor the Mayor is hereby requested to direct the Traffic Commissioner to make a survey of traffic conditions at Monument square, Charlestown, with a view to erecting or painting "Slow" signs where necessary.

Passed under suspension of the rules.

CONGRATULATIONS TO GREATER BOSTON CHAMBER OF COMMERCE.

Coun. AHEARN offered the following:

Whereas, The "Salute to Rome" to be observed between November 27 and December 3, 1955, was originated and sponsored by the Greater Boston Chamber of Commerce; and

Whereas, This gesture is a commendable one, deserving the support of our city; now, therefore, be it

Resolved, That the Boston City Council, in meeting assembled, hereby congratulates the Greater Boston Chamber of Commerce for sponsoring a "Salute to Rome" and assures the Chamber of the full cooperation of the Boston City Council in this matter.

The resolution was adopted under suspension of the rules.

RESTORATION OF CERTAIN MTA SERVICE IN CHARLESTOWN.

Coun. HAILER offered the following:

Ordered, That the City Council, through his Honor the Mayor, request the MTA to restore Sunday, Saturday, and holiday transportation along the Main Street area of Charlestown.

Passed under suspension of the rules.

PRAISE TO RAILROAD COMMUNITY COMMITTEE.

Coun. HAILER offered the following:

Whereas, The taxes which the railroads in Boston will pay to the City of Boston will exceed $4,600,000; and

Whereas, The tax money will be paid simultaneously by all the railroads on Monday, October 31, 1955; be it

Resolved, That the Boston City Council herein assembled does hereby praise the Railroad Community Committee for setting such a historic precedent.

The resolution was adopted under suspension of the rules.

STUDY OF TRAFFIC CONDITIONS AT COLUMBUS AVENUE AND CENTRE STREET.

Coun. HAILER offered the following:

Ordered, That the Traffic Commissioner, through his Honor the Mayor, make a complete study of the traffic condition at the intersection of Columbus avenue and Centre street in the Jackson Square section of Roxbury, along with the Commissioner of Public Works, relative to the possibility of erecting construction to alleviate the congestion.

Passed under suspension of the rules.

SURVEY ON REVALUATION AND REASSESSMENT OF NEW YORK STREETS AREA.

Coun. FOLEY offered the following:

Whereas, The Boston City Council has deliberated twice upon a proposed revaluation of all real property in the City of Boston; and

Whereas, The problem as seen by the Council subdivides into two separate and distinct parts, namely,

(1) A general revaluation of all property in the city; and

(2) The establishment of a scientific, predictable, rational, widely promulgated, and generally understood assessment policy on commercial and industrial properties in Boston to encourage particularly new commercial and industrial real estate construction in the city as well as to sustain the true worth of older commercial buildings in Boston; and

Whereas, Such commonly understood "rules of the game" established by the City of Boston and publicly announced beforehand would be a tremendous and indispensable stimulus to the encouragement of private investment in the New York Streets Area now being cleared under urban redevelopment; be it therefore

Resolved, That the Boston City Council suggests to his Honor the Mayor that a survey be immediately undertaken by private experts on revaluation and reassessment of the New York Streets Area; that such a survey be aimed toward the establishment of a definite land value map of the area and the establishment and promulgation by the City of Boston as a matter of honor of definite standards of measurement of building values to be applied to the buildings constructed in the area; and be it further

Resolved, That such a survey be immediately commenced with the intent of making it possible for the Urban Redevelopment Authority to state to prospective redevelopers what assessment practices their investments will be subjected to; and be it further

Resolved, That the Boston City Council will support by appropriations a survey by a private expert agency of a land value survey of the New York Streets Area with intention of establishing definite land and building valuations for that area when it is redeveloped.

On motion of Councillor McCormack, the resolution was referred to the Executive Committee.

EXECUTIVE COMMITTEE REPORTS.

Coun. WHITE, for the Executive Committee, submitted the following:

1. Report on the message of the Mayor and order (referred October 17) for transfer of appropriation of $52,000 from the Reserve Fund to the Penal Institutions Department, House of Correction—that same ought to pass.

The report was accepted, and the order was passed, yeas 7, nays 0:

Yeas—Councillors Ahearn, Foley, Kerrigan, McCormack, McLaughlin, Piemonte, White—7.

Nays—0.

2. Report on message of the Mayor and 5 orders (referred today) for naming of squares in honor of deceased veterans—that same ought to pass.

The report was accepted, and the orders were severally passed.

3. Report on message of the Mayor (referred today) concerning comparative tax rates of various cities and towns in the Commonwealth in the past five years—submitting a partial report recommending passage of the following order:

Ordered, That the communication of his Honor the Mayor and the schedule of the tax rate comparisons of the various cities and towns in the metropolitan Boston area and the tax rate comparisons of the larger cities of Massachusetts drawn in accordance with the order filed October 10, 1955, by Councillor Piemonte and adopted by the Boston City Council, be printed and enclosed in the next mailing of the water bills of the city.

The report was accepted, and the order was passed.

4. Report on message of the Mayor (referred today) re holding election for bargaining unit in the Fire Department—submitting a partial report recommending passage of the following motion:

Moved: That the Fire Commissioner, the President and Vice President of Local 718, A. F. of L., be invited to appear before the Executive Committee of the Boston City Council on Monday, November 14, 1955, at 3 P.M., to discuss the letter of the Fire Commissioner dated October 24, 1955, and the election of a bargaining agent in the Boston Fire Department.

The report was accepted, and the motion was carried.

REPORT OF COMMITTEE ON CONFIRMATIONS.

Coun. McLAUGHLIN, for the Committee on Confirmations, submitted the following:

Report on appointments by the Mayor (referred October 24) of David Kaplan and George Demetrios Lamhrenos as constables with authority to serve civil process upon filing of bond, for term ending April 30, 1956—recommending that appointments be confirmed.

The report was accepted, and the question came on confirmation. Committee, Councillors McCormack and McLaughlin. Whole number of ballots 8, yeas 8, and the appointments were confirmed.

RESURFACING EASTMAN STREET.

Coun. McCORMACK offered the following:

Ordered, That the Commissioner of Public Works be requested by his Honor the Mayor to take immediate steps to properly resurface Eastman street in the Dorchester section of the City of Boston.

Passed under suspension of the rules.

TRAFFIC LIGHTS AT E AND WEST THIRD STREETS, SOUTH BOSTON.

Coun. McCORMACK, FOLEY, and KERRIGAN offered the following:

Ordered, That the Traffic Commissioner be requested, through his Honor the Mayor, to install traffic signals at the junction of E and West Third streets, outside St. Vincent's Church, South Boston.

Passed under suspension of the rules.

THE NEXT MEETING.

On motion of Councillor Kerrigan, the Council voted that when it adjourn it be to meet on Monday, November 14, 1955, at 2 P.M.

Adjourned at 4.20 P.M., on motion of Councillor McLaughlin, to meet on Monday, November 14, 1955, at 2 P.M.

Note: All debate of City Council eliminated from proceedings in accordance with Chapter 447, Acts of 1947.

(Stenographic copy of such debate on file in office of City Clerk.)

In a move to combat juvenile crime, Mayor Wagner of New York City asked Corporation Counsel A. P. Burke to seek the aid of the courts in ridding the bookstores and newsstands of comic books which teach disrespect for law and order and incite crime. The state supreme court, it was indicated, will be asked to grant injunctions against publication, distribution, or sale of several magazines in this category. Police Commissioner F. H. Adams laid the blame for recent "terrible juvenile crimes" on the influence of this type of magazine. Many, he said, are published secretly, and sold "under the counter."

Mr. Carr: Madam Chairman, that looks like the reading of this salary schedule, but I was wondering. This is the $120. Everybody is to receive the $120 under the single salary schedule—is that right, Madam Secretary? Is that what you read that for?

Secretary: Miss Sheehan, tell me, please?

Miss Sheehan: Yes, the $120.

Mr. Carr: Are the heads of departments in there?

Miss Sheehan: If there are any heads of departments who are not on maximum salary, they would get it.

Mr. Carr: How about the coordinators, and the guidance counsellors?

Miss Sheehan: The coordinators, if they are on their maximum, will not get it. I believe all the guidance counsellors are on their maximum, so they are not included in this group.

Mr. Carr: How about the division heads at Trade School?

Miss Sheehan: Yes, they are included, She read those.

Mr. Lee: Madam Chairman, I have a parlimentary point here, or, perhaps, more properly, a point of information on which you or the Superintendent might help me.

As Mr. Carr points out these types of teachers and directors listed here, are repeated, I think, in every case in another part of the single salary schedule, and in what has just been read there is reference only—or primarily—to $120 proposed increase for these certain people.

Now there seems to be a good deal of sentiment—at least a proposal—that among those people are certain ones that are now getting less than others—that is, teachers getting less than other teachers—and more particularly of industrial subjects and the like getting less than those in the academic field. As I say, there is a question of giving them a salary schedule that would be at least the same as the salary schedule of those teaching academic subjects, which is now higher than theirs.

What I would like concretely to ask the Superintendent is this. If we vote Yes on the order just read and then turn to page 3 of the salary schedule, or, I should say, pages 2 and 3 of the salary schedule—and then if a vote did prevail to place the maximum of virtually all teachers on that page the same as the present highest maximum, where does that leave the $120?

In other words, the $120, it would seem, would be swallowed up in a bigger increase, or is it a matter of giving $120 beyond the annual increment to those who have not reached their maximum and then setting a maximum?

Superintendent: That is the point.

Mr. Lee: And then setting the maximum as a separate vote?

Superintendent: That is right.

Mr. Lee: And these two orders do not conflict?

Superintendent: That is true, Mr. Lee. Just as you have said, this particular order is for $120 to these various ranks, to those who are not on maximum, and that would be in addition to the regular increment of $144.

For example, take a head of department on maximum. He will not get the $120 by this order for the reason that it says, "But in no event shall any such person receive more than the maximum salary prescribed for his rank by said salary schedule orders."

Mr. Carr: Which maximum? Is this the eventual maximum that you speak of under single salary, or is it the old maximum?

Superintendent: Madam Chairman and Mr. Carr, if you turn to page 2 of the salary schedule you will find that. You were speaking, Mr. Carr, of heads of departments?

Mr. Carr: That is right.

Superintendent: And coordinators and guidance counsellors?

Mr. Carr: Yes.

Superintendent: Well, the first year would be, according to your decision in March, $4872, $144, $6336.

Now Mr. Lee asks, "Does this order conflict in any way with this here?" No, because $120 is for those, as it says here, who have not yet reached their maximum.

Chairman: Which is $6336?

Superintendent: Which is $6336.

Mr. Carr: Is that their maximum under single salary?

Superintendent: Yes, with the policy defined last year by the Committee of an eventual $6500 shown in one of the orders towards the end here. It is page 19.

Chairman: Does that answer it for you, Mr. Lee?

Mr. Lee: Yes. In other words, just to make sure of this, if there is a favorable vote on this, it does not preclude our adjusting the maximums of certain less well paid teachers as they appear on page 2?

Superintendent: That is true. It won't interfere.

Mr. Lee: Does that same line of reasoning apply to directors that you just gave me? I would think there would be a conflict there, Mr. Superintendent.

Chairman: The orders affecting directors are attached.

Secretary: We are going to read them in the next order. It is a different one.

Mr. Lee: No, there are directors here. There are four.

Superintendent: That is right. Those directors, Mr. Lee, will get $120 by this order, and also—

Miss Sheehan: No.

Superintendent: Why are they in here, Miss Sheehan?

Miss Sheehan: We made changes while you were out.

Superintendent: You haven't made them in Mr. Lee's copy, have you?

Secretary: We made changes only on ours.

Miss Sheehan: We made them on Miss Reynolds' copy. By your action—

Superintendent: Excuse me, Miss Sheehan.

Mr. Lee: Miss Reynolds did not read "Director."

Secretary: No, I did not read "Director" in here at all.

Superintendent: You have directors on yours because during the time we were out to lunch Miss Sheehan and Miss O'Brien struck off "Directors" because the directors are coming under another order which will be read later on.

Superintendent: Does that answer it?

Chairman: Yes, Mr. Ward?

Mr. Ward: This is part of that single salary, is it?

Superintendent: That is right.

—

On roll call, the order passed by the following vote:

Mr. Carr: Yes.
Mr. Lee: Yes.
Mr. Musco: Yes.

Mr. Ward: Yes, as an increase in salary.
Chairman: Yes.

—

The Secretary read the following:

B. ORDERED, That in addition to any increment accruing by reason of his or her anniversary date and provided for by the salary schedule orders to be adopted by this Committee this day, every person serving in a rank hereinafter named in this order receive, effective September 1, 1955, a one hundred and eighty dollar ($180) increase in his annual salary, provided, that in no event shall any such person receive more than the maximum salary prescribed for his rank by said salary schedule orders:

Mr. Lee: Madam Chairman, I move an amendment to this order with reference to the first page wherein I would move that beside the words "Teachers, elementary," be added the words, "who have not attained maximum salary."

If I might argue that motion, Madam Chairman, I think you know the thoughts I have expressed before,—that what counts with the young women teachers or with women teachers entering the teaching profession is the salary they will receive in their early years and that virtually every young woman expects to get married by the time she is thirty. And what a teacher might receive if she continued to teach after that is of small moment to her. What counts is the opening salaries; and, as you see, I have suggested no change there. But I have suggested that ultimate salaries—after years of teaching—be not as large as this additional $180 would make them.

Then, also, I have in mind that by and large women are better teachers, at least in the four lower grades of elementary schools, than men. Men do notice what the ultimate maximum would be: and if you adopt this amendment, you will leave a lower maximum only in elementary school: and men, whose career is not interrupted by marriage, will look toward teaching in high school or junior high school, where the maximums go higher.

So that by extending only the minimum salaries by $180 and not the maximum, in elementary school, you will still get the finest young women, who only look to their early years as being their years for teaching. And you will not be diverting into elementary school more men than you want. Rather, you will be leaving a more appealing maximum salary to attract the men into junior high school and into senior high school.

And my last point is one that has been with me not only during this term on the School Committee, but years ago, where it seemed to me the school system was placing itself in competition with Cupid. We know that dollars are an expression of our love, that these proceedings are a battle of generosity, as I said before—a battle of generosity, with generosity, and for generosity—the teachers battling with their generosity as teachers for our dollars, and we battling with the generosity of our dollars for their teaching services.

But if we offer lavish or, let's say, more money than last year for our women teachers on maximum, it makes a somewhat difficult problem, I think, in their

individual lives, where they feel the pull of our gratifying financial offers, on the one hand, and Cupid has trouble making as good an offer, on the other.

I think, Madam Chairman, that my argument is greatly bolstered tonight, by your very gracious presence. Your hand has been sued for by the public of Boston but they didn't express their love in the $10,000 salary which you richly deserved and never got. And so, when the choice came to you of continuing in the school career or retiring into private life, while you would have made the wisest and noblest decision in any case, yet at least you didn't have the same problem of rejecting the $10,000 or the $5000 salary that the teacher must reject when she retires to make a home and family of her own. And, being a moderate person, I conclude by saying, "Let us leave the maximum salaries for women teachers as they are and hope they will all follow in the footsteps of our gracious chairlady."

Chairman: Do you want to vote on Mr. Lee's amendment?

Mr. Carr: Read the order.

Secretary: Mr. Lee's motion was to amend on page 1, "Teachers, elementary" by adding the words, "who have not attained maximum salary."

Mr. Carr: And leave them at their present salary?

Mr. Lee: Yes.

Mr. Carr: Would this exclude them from the $180? This would exclude them from the $180 proposed step in the single salary, is that right?

Mr. Lee: Yes.

Mr. Carr: You want to leave them where they are now?

Mr. Lee: Yes, the elementary women on maximum.

Chairman: Do you want to call the roll on Mr. Lee's amendment?

Mr. Musco: What about the high school group?

Mr. Lee: My amendment makes no reference to them.

Mr. Ward: This will deprive the women of a raise in salary, is that correct?

Mr. Carr: Women on maximum.

Mr. Lee: Only those on maximum.

Mr. Carr: If they are on maximum, they don't get the $180, do they?

Superintendent: That is right.

Chairman: Mr. Lee, I have been informed by Miss Sheehan that your amendment would take effect better if applied to a subsequent order that will come before us.

Superintendent: Yes, the present order that you are seeking to amend, Mr. Lee, is worded so that the proposed extra increase of $180 in it for certain personnel in no case brings any salary beyond the maxima to be fixed in a subsequent motion soon to be taken up.

By withdrawing your amendment now, Mr. Lee, you can apply it to a subsequent motion fixing maximum salaries wherever the Committee decides.

Mr. Lee: That is all right with me. I withdraw my amendment here. I will vote for $180 increase in salaries for the persons listed in this main motion, subject to such ceilings or maximums as will grant or withhold such increases respecting persons now on maximum, as the Committee may later decide.

Chairman: We will go ahead and vote on the order as read by Miss Reynolds. We will get back to the roll call, Miss Reynolds.

Secretary: Then that is out.

Then this is the roll call on the order as originally read.

Chairman: Yes, as read.

—

On roll call, the order passed by the following vote:

Mr. Carr: Yes

Mr. Lee: Yes

Mr. Musco: Yes

Mr. Ward: Yes, as an increase in salary

Chairman: Yes

SALARY SCHEDULE, 1955-56

The following twenty-seven orders establishing a Salary Schedule, with increments, for teachers, members of the supervising staff and others, for the year ending Aug. 31, 1956, were read by the Secretary:

1. ORDERED, That effective as of September 1, 1955, the salaries of teachers, members of the supervising staff and others are hereby established for the school year September 1, 1955, to August 31, 1956, inclusive, in accordance with the following schedule and subject to the following adjustments or limitations.

On roll call, the order passed by the following vote:

Yeas—Mr. Carr, Miss Fitzgerald, Messrs. Lee, Musco, and Ward—5

NAYS - 0

—

2. ORDERED, That during the period commencing September 1, 1955, and ending August 31, 1956, teachers, members of the supervising staff and others who on August 31, 1955, shall not have reached the maximum of their salary schedules, shall be advanced in accordance with the provisions of the regulations on their respective anniversaries by the amount of the annual increment provided for in the following schedules until the maxima of their respective ranks are reached; provided that the final increment shall be such as shall place the person upon the maximum salary of his rank.

On roll call, the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Messrs. Lee, Musco, and Ward—5.

NAYS—0

3. ORDERED, That in adopting this salary schedule the School Committee reserves the right, in the event that the General Court of Massachusetts does not grant the School Committee in 1956 power to appropriate, or the Mayor and City Council of Boston do not appropriate, a sum sufficient in the opinion of the School Committee to pay in full the salaries specified in this salary schedule, to revise this salary schedule at any time between January 1, 1956, and August 31, 1956, both inclusive, by making such reductions therein as would amount in effect to no more than the amount by which this salary schedule exceeds the salary schedule of September 1, 1950, and be it further

ORDERED, That in adopting this salary schedule the School Committee reserves the right, in the event that there is not a sum sufficient in the opinion of the School Committee to pay in full the salaries specified in this salary schedule, to revise this salary schedule between September 1, 1955, and December 31, 1955, by making such reductions therein as would amount in effect to no more than the amount by which this salary schedule exceeds the salary schedule of September 1, 1954.

Mr. Lee: I am not going to make a secret about it. I would move that the salary schedule as it appears on page 2, Latin and day high schools, be altered so that those salaries appearing below the salary maximum of $5736 all be increased to equal the maximum $5736. Or, it might be better to take it in groups. I think there are four figures involved. One could start with that first bracketed group of figures that occurs just below the maximum of $5736, where you first see the figure $5508, and I am moving that that figure $5508 be changed to $5736. It applies to cooperative instructors and instructors in mechanic arts.

Mr. Musco: Mr. Lee, do you realize that where you suggest $5736 it states "with Master's degree," and just below it states "with Bachelor's degree or equivalent?"

Mr. Lee: Yes, that is what I realize.

Mr. Musco: Do you intend to throw all of those educational requirements out?

Mr. Lee: I want to give recognition to the educational requirement of eight years in the industrial world and give recognition to the financial pressure.

Mr. Carr: Madam Chairman may I ask this:

We discussed yesterday the equivalency clause for the holders of Certificate XXXI.

Mr. Lee: That is another way of putting it.

Mr. Carr: And fifteen years' teaching experience. They had this equivalency clause before, Mr. Superintendent, is that right? I mean the trade teachers.

Chairman: Two or three years ago.

Mr. Carr: They had the equivalency clause; if they had Certificate XXXI and fifteen years of teaching, it gave them the same as if they had a Master's degree Is that right?

Superintendent: No. It gave them the same as if they had a Bachelor's degree.

Mr. Carr: Well, did we ever have an equivalency clause giving any of our trade teachers the equivalent of a Master's degree?

Superintendent: Not that I know of.

Chairman: Did we last year omit from the salary schedule equivalency on Bachelor's degrees?

I know that some condition which had previously existed went out of existence last year, and I think it was through oversight.

Superintendent: No, I wouldn't say it was through oversight. Madam Chairman. It was because those persons concerned had reached the maximum for the Bachelor's degree, namely $5508

Mr. Carr: They reached the maximum of those with a Bachelor's degree?

Superintendent: That is right.

Mr. Carr: And there was never any equivalency for a Master's degree?

Superintendent: That is right.

Mr. Carr: Mr. Lee, do you have in mind in your proposed revision of this the same people that I am thinking about,—those with Certificate XXXI? Do you know?

Mr. Lee: I cannot answer you as to the number of the certificate, but I am cognizant of the fact that this group appearing immediately below those whose maximum is $5736 are termed junior masters, assistants; cooperative instructors, senior instructors, mechanic arts; instructors, mechanic arts; and librarians.

Now, a more selective process might be appropriate, but merely to bring those people up to what a Bachelor's degree brings is no increase at all because they appear to be, unless I am mistaken, now listed at $5508.

Isn't that the maximum for those with Bachelor's degrees in the academic world?

Secretary: Yes.

Mr. Lee: And the whole effort here on my part,—and, I think, on the part of several teachers groups—was to make the very strict requirements of eight years in the industrial world, which we impose on these industrial teachers, plus the acute emergency we are in where it is very hard to get those men to come with us because of the attractive wages offered in industry, worth something.

I thought the whole point, and the only remedy lay in giving them an amount of money greater than what it is, and the next step greater, is the $5736. It is an increase of $200.

Mr. Musco: Madam Chairman I think we had better get this thing right, before you proceed any further. You are talking about page 2, Latin and day high schools.

The bulk of these people we are talking about, nonacademic teaching personnel, come under the trade section, and that is further along.

Mr. Carr: We are on page 2 now. Mr. Superintendent, I have a question here.

Superintendent: Yes, Mr. Carr

Mr. Carr: It says here, "In the Trade High School for Girls." I don't know, it is probably the same for the Boys, too. You have senior assistants with Master's degree or equivalent. Now what is the equivalent of a Master's degree in the Trade High School for Girls and would it be the same in the Boys' School.

Superintendent: That is defined. What page is that defined on?

Miss Sheehan: Page 18

Mr. Carr: At the Boston Trade High School you have senior instructors with Master's degree or equivalent.

Superintendent: Do you want to turn to page 18, Mr. Carr?

Mr. Carr: That is on this one here.

Superintendent: I mean in the other salary schedule. What page is this dagger on, Miss Sheehan?

Miss O'Brien: Page 13.

Mr. Musco: Mr. Superintendent, we asked for a list of names of those people last evening who were eligible for this under Certificate XXXI. and we have not received that as yet. To clarify this situation, I think that is what we are talking about,—the equivalency on a Master's degree for non-academic people. Can we have that?

Chairman: Could the Superintendent answer that?

Mr. Ward: I am now talking about Order No. 9 in the 1953-1954 salary schedule.

Secretary: Order No. 9 in the salary schedule for 1953-54 reads as follows:

"ORDERED, That effective September 1, 1953, persons serving under Certificate XXXI. or XXXI. B, who hold a Bachelor's degree or who have completed fifteen years of service under said certificate, shall be granted the maximum salary of $5496, provided they have served at least one year on the former maximum of $5232."

Mr. Carr: Madam Chairman, it says if they hold Certificate XXXI. or a Bachelor's degree—

Secretary: Certificate XXXI or XXXI. B.

Mr. Carr: Or a Bachelor's degree—or it shall be equivalent to a Bachelor's degree.

Secretary: "Effective September 1, 1953, persons serving under Certificate XXXI. or XXXI B, who hold a Bachelor's degree or who have completed fifteen years of service under said certificate shall be granted the maximum salary of $5496 provided they have served at least one year on the former maximum of $5232."

Mr. Carr: Why is that the amount?

Chairman: That was the maximum for teachers in senior high school, was it?

Secretary: Yes.

Mr. Carr: Madam Chairman, I move that we insert that order as read by the Secretary and insert the present maximum in place of what it formerly was. Insert the present maximum as the single salary schedule calls for now. That's it. That is equivalency.

Chairman: Would that in effect create equivalency, Mr. Superintendent?

Superintendent: No, I would say not, Madam Chairman.

Chairman: The intent of the Committee is to create equivalency. Now how can we go about creating equivalency?

Superintendent: I don't know how you can create equivalency for a Master's degree.

This particular order was equivalency—

Chairman: In 1953 there was equivalency, was there not? In effect was this equivalency?

Superintendent: No.

Mr. Carr: What was that?

Superintendent: I will try to explain it. In 1953 that order said that anybody who held Certificate XXXI. or XXXI.B. and held a Bachelor's degree was entitled to $5496. It also said that anyone who held Certificate XXXI.B. and had fifteen years of experience in the rank was entitled to $5496.

Now that was not put in the 1954-55 salary schedule for the reason that the persons reached the $5508 instead of the $5496.

You asked me how you are going to set up an equivalency for a Master's degree.

Mr. Carr: We don't care about the Master's degree but just so that these people will obtain the same maximum as those with a Master's degree. Just put in that order and change the maximum.

Mr. Lee: That was my motion, Mr. Carr.

Mr. Carr: I am trying to help you out, Mr. Lee.

Mr. Lee: Thank you, Mr. Carr.

Mr. Carr: I appreciate it.

Superintendent: If you tell us what you want to do, we will try to draw something up. I don't know. If you want to take the cooperative instructors who have no degrees—

Mr. Carr: Do they have a Certificate XXXI?

Superintendent: Yes. There are forty of them who hold Certificate XXXI. and there are no degree requirements for that particular position.

Chairman: What are the requirements for that particular position?

Mr. Carr: Certificate XXXI. and eight years in the trade, and four years' formal apprenticeship and two years as foreman. They have to have that before they become eligible to take XXXI. certificates, and 200 hours teacher training for a State certificate, for which they get twelve points college credit.

Then, in addition to that, they must have extensive study in mathematics and chemistry, beyond the high school level. They are eligible to take the XXXI. certificate. I think those requirements are probably as stringent as the requirements are for a Bachelor of Arts degree in many cases, or a Master's degree.

Mr. Lee: That was the point that I was trying to get across very ably expressed by Mr. Carr.

Mr. Carr: Madam Chairman, may I point out that in the event that this Committee sees fit to pass this, it would only affect about one-half or less of the teachers at Trade School holding the XXXI. certificate, as many of them have either their Bachelor's or Master's degrees.

Mr. Lee: Mr. Superintendent, would not my motion increasing this maximum to that of those with Master's degrees affect a good many teachers at Boston Technical High School and a good many teachers in various cooperative courses in the district high schools?

Mr. Carr: Yes, I think it would, Mr. Lee.

Superintendent: There are forty persons, Madam Chairman and members, at the present time, who are cooperative instructors in Latin and day high schools.

Mr. Carr: Do any of those forty already hold a Master's degree?

Superintendent: No. This group is with Bachelor's degree or equivalent, which would be fifteen years of experience.

Mr. Carr: How many of them?

Superintendent: There are thirty-six teachers, I think, at Boston Trade High School who hold no degrees.

Mr. Carr: And these thirty-six all have Certificate XXXI?

Superintendent: No.

Mr. Carr: No?

Superintendent: No. Boston Trade High School . . . .

Mr. Carr: They would not be eligible.

Superintendent: There are forty-four trade instructors who hold Certificate XXXI. There are forty-four trade instructors at the Boston Trade High School.

Mr. Carr: And how many cooperative instructors in the other schools, did you say?

Superintendent: Forty.

Mr. Carr: Madam Chairman, out of these forty-four at Trade, I think only about half of them would be affected by this, as I understand it. At least some of them already have their Master's degree.

Superintendent: Miss Sheehan says that there are thirty-six at the Boston Trade High School who do not have degrees.

Mr. Lee: I would think it might be simpler to take these persons one by one. To be sure I grouped them as a group because they had a single figure against their names for their maximum, all in one group.

Chairman: What do you mean by that, Mr. Lee?

Mr. Lee: Well, if you can get your eye on the maximum figure as now printed, $5508, you see, about a third of the way down page 2, you will understand this.

Superintendent: Do you mean $5508 which is opposite the bracket that begins with junior masters, assistants, cooperative instructors, and so forth?

Mr. Lee: Yes, that was the group I had in mind. It may be less confusing to take junior masters as bracketed in that group and consider them, and then take assistants, whatever that obscure word means, and then take cooperative instructors and go down one by one. Librarians are obviously quite different kinds of people, I would think, from an instructor in mechanic arts.

Mr. Carr: Mr. Lee, why don't you adopt that order there, or propose that order—No. 9—and change the maximum? It seems to contain everything that you want. Change the maximum to the equivalent of that under the single salary schedule of those holding Master's degrees. Wouldn't that do it?

Mr. Lee: Well, it is the same dilemma that I found myself in a while ago when I was arguing the right point in the wrong place. We do two things. We set maximums here as on this page 2 and then we pass these separate orders merely confirming what we do on page 2.

I would think we probably ought to pass both. However, since we are on page 2 and our order is now on the floor, I would think we would proceed to equate that figure to $5736.

Might I say that if you have something like that in mind, Mr Carr, you might well look at your own proposal, or the proposal put forth in the name of this Committee, and print it on page 18, as Order No. 18 in ink, where it says, "ORDERED, That the following-named persons appointed under Certificate IV. High School, with a Bachelor's degree when only a Bachelor's degree was required, shall be granted a Master's degree equivalency and shall be placed on the maximum salary of the several ranks they now respectively hold, effective Sept. 1, 1955."

That is rather ambiguous language but I would think the sense of it was to elevate those people listed below that order to the very place where I am trying to put them on the page now in question.

Mr. Carr: You will have to change the order some, Mr. Lee. There are people with Certificate XXXI. with fifteen years of service who do not hold a Bachelor's degree. Is that true, Mr. Superintendent?

Superintendent: That is right.

Mr. Carr: There are some there with Certificate XXXI., and you might have to leave out the Bachelor's degree — "with a Bachelor's degree."

Mr. Lee: Madam Chairman, it might be worth while to notice that various serious-minded teacher groups recommend the same thing. I don't hesitate to disagree with the Alliance, as you can see by my previous argument in regard to a modification in the elementary teachers' pay, but here The Teachers Alliance, if I can read their recommendations correctly, list instructors, mechanic arts; trade instructors; senior instructors, mechanic arts; cooperative instructors; trade instructors; cooperative instructors; senior instructors; and bracketing them all together they say "Classed as equivalent of A. M.," and this occurs in a document which contains their recommendations.

Mr. Carr: Do they tell you how to do it?

Mr. Lee: Why, yes. All you have to do is change the present maximums to the same maximums that those with an M. A. degree have. So after all The Teachers Alliance is made up mainly of academic teachers; and, if they see fit to recommend greater financial gratitude to the non-academics, it must have a good deal of merit to it because they are a small minority—as you say, a minority of only forty. The Alliance could well have overlooked such a small group.

Mr. Carr: Do you feel in those titles there that you are covering them all, Mr. Lee?

Mr. Lee: No. Then we go into the next bracket. I think the two last on the page, just shop instructors in cooperative branches; and teacher, permanent substitutes, might be given some different consideration, partly because they did not have such exacting requirements to meet when appointed. I don't know that librarians should be included.

Mr. Carr: Within the school system itself they must have either a degree of Bachelor or Master or a Certificate XXXI. in trade high schools. Isn't that right?

Superintendent: I think that is true.

Mr. Carr: That would cover all of them.

Superintendent: The XXXI.—that is right. Either IV. High School or Certificate XXXI.

Mr. Carr: Why wouldn't this order cover it?

"ORDERED, That the following-named persons appointed under Certificate XXXI. shall be granted a Master's degree equivalency and shall be placed on the maximum salary of the several ranks they now respectively hold, effective September 1, 1953."

Mr. Lee: Because the phrase "Master's degree equivalency" is a very vague phrase. It doesn't mention dollars but rather it says these people shall be paid according to their present ranks. I can't make it out.

Mr. Carr: Mr. Lee, we have a maximum salary for all those holding a Master's degree. We grant them $120. Is that right?

Superintendent: That is right.

Mr. Carr: We have a maximum salary for all those with a Master's degree; and, if you give these people the equivalency of a Master's degree, they should in all right, I imagine, have the same maximum.

Mr. Lee: But the order says two different things. First it says "shall be granted a Master's degree equivalency." Then it goes on to say "shall be placed on the maximum salary of the several ranks they now respectively hold."

Well, they now hold ranks, I would think, lower than the rank held by one with a Master's degree, and it doesn't say "financial equivalency." Maybe they work an equally long day or they have an equal amount of responsibility.

Mr. Carr: Mr. Lee, it has got down to whether we put an order in covering them all or reading the individual titles.

Mr. Lee: I want to go on the easiest way for the Committee without any injustice to any one group. Perhaps if the Teachers Alliance has worked carefully on this thing, they could make a suggestion.

Mr. Musco: Madam Chairman, may I summarize? Probably we can include all of the groups that we are talking about. It seems to be the consensus of some of the members of the Committee that the School Committee grant the equivalent of a Master's degree for salary purposes to those non-academic high school teachers who have always received the same salary as their colleagues holding Master's degrees.

Now, can we have the Superintendent, if there are sufficient people interested, go to work and get the details on this general order?

Superintendent: Well, it would be impossible to do it now. Do you mean to get the cost, Mr. Musco?

Mr. Carr: Get the order.

Mr. Musco: No. If we feel that this should be done, then I think the Administration should get it ready before it is in print.

Superintendent: We will try if you want it that way.

Mr. Carr: Mr. Superintendent, don't you believe that this Order No. 18 would cover it? You know the intent of this Committee.

Superintendent: I really honestly don't know the intent of the Committee.

Chairman: I think it is pretty well indicated, Mr. Haley, from several of the members that they do wish to grant equivalency to those people who are in schools where their colleagues hold Master's degrees who have had fifteen years of teaching experience;—that they be granted Master's degree equivalency.

Superintendent: Let me ask you a question. Do you want to take all the holders of Certificate XXXI? Those are cooperative instructors in the Latin and day high schools and trade instructors at the Boston Trade High School.

Mr. Carr: Yes.

Superintendent: There are forty-four of them at the Boston Trade High School; and there are forty of them in the high schools. There are eighty-four so far as I can see here quickly.

Mr. Musco: How about the Trade High School for Girls?

Superintendent: There are four. You are right, Mr. Musco. There are four Certificate XXXI. women. That makes a total of eighty-eight.

Chairman: Eighty-eight teachers.

Superintendent: May I ask a question? Does the Committee want to take those eighty-eight persons who are holding Certificate XXXI.; and, if they have had fifteen years of experience under the Certificate, advance them to the maximum salary of the junior master, namely $5736?

Mr. Lee: That is what I want to do.

Mr. Carr: Yes.

Now, Mr. Superintendent, may I ask you this?

Do you know definitely that none of these eighty-eight persons whom you speak of hold a Master's degree?

Superintendent: Well, that I couldn't answer, Mr. Carr.

Miss Sheehan: No, they don't.

Superintendent: You say that they don't?

Miss Sheehan: No. If they hold a Master's degree, their rank would be changed.

Superintendent: They would be given a IV. High School certificate if they held a Master's degree, and so they would be up in the other group, Mr. Carr,——"Masters with Master's degree."

So I think it is pretty clearcut there are eighty-eight persons.

Mr. Ward: Are there further requirements for the Technical High and Trade teacher by the State Department of Education that these teachers every year must have thirty hours of contact with the trade and a thirty-hour course of study for professional improvement. That is where the State comes in. Now that again is something else they require. Is that correct, Mr. Superintendent?

Superintendent: That is true, I think.

Mr. Ward: We have not mentioned that, have we?

Superintendent: No. Now what would you like to do, Madam Chairman and members, with the eighty-eight teachers? We will be glad to draw up an order to meet the wishes of the Committee.

Mr. Carr: Draw an order which will include an equivalency clause which will give them the same maximum as those holding Master's degrees in the particular schools in which they teach.

Superintendent: Miss Reynolds, could I see that 1953 order, please?

Mr. Carr: I think they all should be holders of Certificate XXXI. Is that right?

Chairman: That is right, with all the requirements.

(Recess.)

Mr. Ward: These are just trade teachers now we are talking about. How many do we have in XI. Special in the trades?

Superintendent: I think about ten.

Mr. Ward: Can we include those in there?

Superintendent: Well, you can. Some of the XI. Special people are at $5160, and you will move them up to $5736.?

Mr. Lee: I want to ask this. What is the reason for that, Mr. Superintendent? Why are the assistant instructors, home nursing, and so forth, at $5112?

Are they holdovers from the women's groups?

Superintendent: Yes, and they have lower certificates, Mr. Lee.

Mr. Lee: Do they require eight years out in the trade?

Superintendent: No.

Secretary: No.

Superintendent: Miss Reynolds, would you take this down?

"ORDERED, That, effective September 1, 1955, persons serving under Certificate XXXI. or XXXI. B., who hold a Bachelor's degree, or who have completed fifteen years of service under said certificate, shall be granted the maximum salary of $5736, provided they have served at least one year on the former maximum of $5508."

What I have done is to take this order and incorporate it—

Chairman: That would incorporate those groups mentioned by Mr. Lee and Mr. Carr? Would you read that again, Miss Reynolds?

Secretary: "ORDERED, That, effective September 1, 1955, persons serving under Certificate XXXI. or XXXI. B., who hold a Bachelor's degree or who have completed fifteen years of service under said certificate, shall be granted the maximum salary of $5736, provided they have served at least one year on the former maximum of $5508."

Mr. Lee: Madam Chairman, my intent was to cover men who did not hold a Bachelor's degree also but who nevertheless had served eight years in industry and are required by the State to take so many weeks' education per summer improving their technical knowledge. I don't mind taking this in sections. We could vote on just this one part.

Superintendent: Mr. Lee, I don't think you would have in mind, would you, that a person who is just appointed under Certificate XXXI. for a year should be placed on that maximum.

You must have fifteen years by this previous order under the certificate and you also must have served one year on the maximum of $5508. That was the order that was in effect in 1953, and this is the revised order putting in the new figures, and it would affect about eighty-eight people.

Chairman: Then are you ready for the roll call on that?

Mr. Lee: Then that does increase the maximum, at least of some group, to $5736, Mr. Superintendent?

Superintendent: That is right.

Mr. Lee: But I did not get your point about those who are not Bachelors. To be sure, I am not trying to start a teacher on his maximum. I assume the teacher starts on the minimum shown in this schedule that I am trying to amend, but I was trying to include those who do not have Bachelor's degrees as being eligible for this high maximum.

I don't mind taking the two considerations separately and voting one at a time, but I thought Mr. Carr's point was the same thing.

Chairman: Do you want the roll call on what the Superintendent said?

Mr. Lee: Mr. Carr's point was that these men had served eight years in industry.

Mr. Carr: That is right.

Mr. Lee: And they were required by the State to take brush-up courses every year and I did not recall his stressing having Bachelor's degrees or not.

What I am trying to get across is that this is a battle of generosity, and if industry is making generous offers to these men, we will have to come through with an equally generous offer. They are offering their services, but they will fall for a more generous offer that comes from the outside, and we will have to battle ahead with a generous offer on our part to get these men in the first place, if industry is coming forward with a generous offer on its part.

Mr. Carr: Would you read that again?

Secretary: "ORDERED, That, effective September 1, 1955, persons serving under Certificate XXXI or XXXI-B who hold a Bachelor's degree, or who have completed fifteen years of service under said certificate shall be granted the maximum salary of $5736, provided they have served at least one year on the former maximum of $5508."

Mr. Carr: Now, Madam Chairman, that would include those people with a Bachelor's degree and Certificate XXXI., wouldn't it? Suppose they had a Bachelor's degree and they lacked the fifteen years of service. They would still get equivalency of the Master's degree, right?

Secretary: Yes. It says, "or Bachelor's degree."

Superintendent: "Who hold a Bachelor's degree or who have completed fifteen years of service."

Mr. Lee: It does provide that.

Secretary: Yes.

Superintendent: It is "either . . . or."

Secretary: Either a Bachelor's degree or fifteen years.

Mr. Carr: Without the fifteen years they would still get the equivalency of the Master's degree?

Secretary: Fifteen years or a Bachelor's degree. Those who have completed fifteen years.

Mr. Lee: Without a Bachelor's degree?

Secretary: Without a Bachelor's degree.

Mr. Lee: Would you tell us again what the XXXI. and XXXI. B. means?

Superintendent: You mean the Certificate?

Mr. Lee: Yes.

Superintendent: Certificate XXXI.: Coordinators, shop superintendents, division head in the Boston Trade High School, heads of trade departments in the Trade High School for Girls; teachers, High School XXXI. (women). There is an age limitation of fifty years. Candidates must present evidence of eight years of full-time service in the trade which they intend to teach.

Training in this trade in an approved vocational school may be accepted as four of the eight years. Training in an approved technical school may be accepted as two of the required eight years.

In addition, two years' experience in charge of apprentices is required. The requirements for graduates of the Trade, Technical and General high schools are as follows,--and it gives those for Trade High School, Technical High School, and the general high schools.

Mr. Lee: Well then, Mr. Superintendent, looking down this page 2 we started on, how many of the figures bracketed against that $5508 are holders of the certificate which you mentioned?

Superintendent: Let me read this to you.

You see, that bracket reaches up to junior masters, doesn't it?

Mr. Lee: Yes.

Superintendent: There are no junior masters with Bachelor's degree or equivalent. There are no assistants.

Mr. Lee: Then they might be stricken off the page then.

Superintendent: Wait a minute. There are some assistants. There are several persons. There is another group, Madam Chairman and members, that you ought to give some thought to if you are going to do this. You know you voted last March that a group of men who came in under a Bachelor's degree and who, if replaced, would be replaced with men who have a Master's degree, would be given consideration. We have an order prepared for that.

Mr. Carr: That's right.

Superintendent: I think there are forty-two in that group.

Mr. Carr: They are listed in the order here.

Superintendent: They are listed in the order.

There is another group of twenty-one persons in the high schools.

Boston Technical High School has one man.

Boston Trade High School has one man.

There are twenty others; they hold IV. High School Certificate under what we call the seven-year privilege.

Many years ago a person came in without a degree in the commercial field or in the industrial field; and, after he had served seven years, he was granted a IV. High School Certificate. They came in under the XI. Special and after serving seven years they were granted a IV. High School Certificate.

Now, those persons hold no degree, and in that respect they are similar to the co-operative instructors, but they hold a higher certificate—IV. High School—by virtue of this process which was used twenty-five years ago. There are twenty-one of those now who are teaching in the high schools, some men and some women.

Chairman: That group is listed in Order 18, is that true?

Superintendent: No, those are in addition to Order 18.

Mr. Lee: Those are not industrial teachers in any sense—or some of them are?

Superintendent: Some of them are. Some are industrial and some are commercial.

Chairman: Does the Committee wish to have the roll call? Are you ready for the question on this order?

Mr. Carr: Yes.

Mr. Lee: You did not quite finish, Mr. Superintendent. Going down below assistants in that same column. . . .

Superintendent: There are forty cooperative instructors.

Mr. Lee: Are they covered in your order?

Superintendent: Yes. There are four senior instructors.

Mr. Lee: And they are covered too?

Superintendent: They are covered. They hold Certificate XXXI. Then there are two instructors, mechanic arts, and they are being taken care of in another order.

Mr. Lee: What about the next group, industrial instructors?

Superintendent: They hold the XI. Special. They are in the Home Economics Department. They are not in State-aided schools. There are four of those.

Mr. Lee: What about the group that I overlooked before? That is hidden beneath the figures in blue ink about the fifth item down from the top, listed with a maximum of $5508, and described as "Master's with Bachelor's degree or equivalent."

Superintendent: They are taken care of under a special order, and there are forty-two of them in that group.

Mr. Lee: So if we vote favorably on this order we will make these persons equal for all teachers mentioned. Is that true?

Mr. Carr: Madam Chairman, I think there is an order before the Committee; and before we get it amended or added to, or detracted from, I would like to see this Committee act on it.

Chairman: Are the members ready for the question? If so, will you call the roll on this order?

Mr. Carr: Read the order again.

Secretary, reading: "ORDERED, That effective September 1, 1933, persons serving under Certificate XXXI. or XXXI. B., who hold a Bachelor's degree, or who have completed fifteen years of service under said certificate, shall be granted the maximum salary of $5736, provided they have served at least one year on the former maximum of $5508."

On roll call, the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Messrs. Lee, Musco, and Ward—5.

NAYS—0.

Superintendent: Madam Chairman, Mr. Lee is asking about this other group here, the $5508 group. Isn't that true, Mr. Lee?

Mr. Lee: That is correct.

Superintendent: There are some men who are masters and there are some assistants, women, who fall in that second $5508 group. Do you follow me, Mr. Lee?

Mr. Lee: By the second, you mean the one higher on the page?

Superintendent: Let's talk about the one higher on the page: "Masters with Bachelor's degrees." There are about eight or ten men who came in under that seven-year privilege and hold IV. High School certificates.

Mr. Lee: Yes.

Superintendent: Now do you want to move them up to $5736?

Mr Lee: I thought they were covered in that order you mentioned.

Superintendent: No, these are just the cooperative instructors.

Chairman: Did you have a question, Mr. Carr?

Mr. Carr: Before we leave page 2, I would like to take up another group here?

Chairman: On page 2?

Mr. Carr: Yes. I just want to find out how the Committee feels.

Chairman: You want a clarification on which group?

Mr. Carr: It is on the guidance counsellor and head of division. As I understand, since the advent of single salary these people have been frozen at their present maximum pending the closing of the gap. I would like to move that this Committee give them one increment of $120 toward the eventual maximum as outlined in the policy.

Chairman: $120 or $144, Mr. Carr?

Mr. Carr: It would be $120.

Superintendent: Mr. Carr, you are referring to eighty-seven heads of departments, seven coordinators and seventeen guidance counsellors on page 2, and then you would include, I assume, Mr. Carr, the head instructors at Boston Clerical School because they were left out, you remember, two or three years ago—Mr. Stickney and Mr. Leidner?

Mr. Carr: Division head at Trade School.

Superintendent: And then the division heads at Trade School of which there are four; so you would have six, seven, seven and seventeen—

Mr. Lee: Madam Chairman, I would be opposed to that mostly on the ground that they already get $6336.

Superintendent: Mr. Lapidus is pointing out to Mr. Ward, I think, that there are some vocational instructors, too, who are in that same category. I did not mean to interrupt your line of thought but I thought that might influence you

Mr. Lee: Who are listed under the Bureau of Child Accounting?

Superintendent: That is right. So you have eighty-seven heads of departments, seven coordinators, seventeen guidance counsellors out in the high schools, two head instructors at Clerical School and four division heads. There are how many vocational instructors?

Mr. Lapidus: Four vocational instructors and five vocational assistants.

Superintendent: Nine. That is a total of 136 people.

Mr. Lee: I would be opposed to that, Madam Chairman, on the grounds that they already get a figure of some $600 greater than the classroom teacher, and they are relieved of the duties of classroom teaching.

Chairman: Shall we go on then to page 3. Page 3, Boston Clerical School.

Mr. Lee: Madam Chairman, there was that question on the lower third of page 2.

Mr. Ward: What are you going to do on that?

Mr. Lee: Excuse me, the lower half of page 2. Am I getting ahead of you, Mr. Ward?

Mr. Ward: No. In other words, Mr. Lee says he is opposed to this.

Mr. Lee: There was no vote taken. I just argued.

Mr. Ward: There was no vote taken on the matter.

Chairman: What matter is this, Mr. Ward?

Mr. Ward: These are the various departments.

Chairman: Do you want a roll call?

Mr. Carr: Sure.

Mr. Ward: Yes.

Secretary: On what?

Chairman: On Mr. Carr's motion.

Mr. Ward: Wasn't that a motion of Mr. Carr?

Secretary: I took the vote on the order pertaining to Certificate XXXI. and XXXI. B.

Chairman: This is Mr. Carr's motion concerning the heads of department, coordinators, guidance counselors, etc.

Mr. Carr: Madam Chairman, inasmuch as we are going to vote on this, how many of these are there? There are 136?

Superintendent: Let's say "approximately."

Mr. Carr: There are approximately 136 of these people. They have not received any increment while everybody else in the School Department has for two or three years. This calls for an increment of $120 and that would amount from September 1 until December 31 to around $5,000 to give them $120.

Mr. Lee: Do they have a petition in before us?

Chairman: That is right.

Mr. Carr: Yes, the heads of department and the guidance counsellors.

Mr. Lee: And the recommendation was No by the Board of Salary Adjustment?

Chairman: Yes. Do you want to call the roll?

Superintendent: Madam Chairman, may I say this: There wasn't any adverse recommendation by the Salary Board of Assistant Superintendents because this was the policy set up by the School Committee in September, 1954; and, as I told you the other night, the Salary Board did not make any recommendations in regard to a policy which had been previously set up a year ago by this Committee.

So that there is no adverse report on this by the Salary Board. It was never before them. At least it was not before them in the sense that the Salary Board was not going to change the policy that the School Committee set down.

And then there are the vocational instructors and the vocational assistants at 45 Myrtle Street.

Mr. Lee: Madam Chairman, as I say, I am voting No on this.

Chairman: I am voting No, too. Call the roll, Miss Reynolds.

Secretary: Mr. Carr moves that the maximum salary of heads of department, coordinators, guidance counsellors, Latin and day high schools; head instructors, Boston Clerical School; guidance counsellor at Boston Trade High School; division head, Boston Trade High School, guidance counsellor at Trade High School for Girls; heads of departments, Certificate IV., Trade High School for Girls; and vocational instructors and vocational assistants in the Department of Vocational Guidance; be increased $120 a year, effective Sept. 1, 1955.

Mr. Lee: Just for information, does this take in the vocational counsellors in the Department of Vocational Guidance?

Superintendent: That is right.

Mr. Lee: Even now they are some $700 ahead of the Juvenile Adjustment counsellors there?

Superintendent: Yes.

Mr. Lee: I think it makes a very unfair division of salaries to have groups under the same roof doing the same work—that is, doing work that is rather equivalent — receive different salaries. If anything, the juvenile adjustment involves the seamy side of life and more difficult work. It seems unfair to pay one group which is already paid $700 more another couple of hundred dollars in addition. I urge we vote No on this matter.

—

The Secretary was directed to call the roll and the members, as their names were called, respectively stated that they voted as follows:

Mr. Carr: Yes.

Mr. Lee: No.

Mr. Musco: I have a question before I vote on this. I see a petition No. 23 which led back to page 2 in that the order in the 1954-55 salary schedule listed the ultimate maximum of $6504. They have that ultimate maximum, and there are 352 people here.

Now, is this the same type of increase for 352 people that was brought in on a petition?

Mr. Carr: This is for the heads of departments in this petition that you speak of. It includes head instructors, submasters, vice-principals and one head of division you have just added. No, it doesn't.

Mr. Musco: It cost us $33,000.

Mr. Carr: No, it doesn't include that.

Superintendent: Mr. Musco, it would omit the 100 submasters and the 160 vice principals.

Mr. Carr: That is right.

Superintendent: So it would omit 260 junior executives.

Mr. Lee: And would it make this group higher than the submasters and vice principals in their remuneration?

Superintendent: That is right.

Mr. Lee: That is, a single guidance counsellor in a single school would now get higher pay than a woman who is in charge of a school—that is, in charge of an elementary building to which children come to learn?

Superintendent: Yes.

Mr. Lee: And who is called their vice principal, and she would be getting less money for all those children in her care?

Chairman: We are calling the roll.

Mr. Lee: You allowed Mr. Musco to ask a question.

(Roll call continuing):

Mr. Musco: No.

Mr. Ward: Yes.

Chairman: No.

Secretary: Failed of passage.

—

Mr. Musco: Mr. Superintendent, are these new figures here that were printed based on the recommendations and the votes taken last spring?

Superintendent: That is right, Mr. Musco.

Mr. Musco: This book that passed the Salary Board?

Superintendent: That is right.

Mr. Musco: And upon that assumption you corrected these figures as such?

Superintendent: That is right.

Mr. Musco: And we went through these for quite a while, and I see no reason to tarry over them. If there is any question, let's have a vote and let's get out of here. We had all this business before.

Mr. Carr: That is right.

Chairman: Can we go on to page 3?

Mr. Lee: Madam Chairman, then comes instructors, mechanic arts; and cooperative instructors.

Mr. Musco: Let's take a vote, Yes or No, and get out of here. We are wasting time. We were here in March and April and we will be here until the end of August.

Mr. Lee: It is no waste of time.

Mr. Musco: Let's go. You have it here. It is recommended. We took a vote on it. I don't want to be dillydallying. These people want to go home, and we want to go home. We know what we are going to do. Let's do it.

Chairman: Do you want to go on to page 3 and accept it as written?

Mr. Lee: Madam Chairman, I move that those instructors of mechanic arts, the cooperative instructors, and the senior instructor in mechanic arts receive a maximum—now, it isn't a waste of time when people give us 180 days of good service.

Mr. Musco: We discussed this in March and April.

Chairman: We have gone over this material, Mr. Lee.

Mr. Lee: I understand, Madam Chairman.

Mr. Musco: Let's not back each other against the wall. Let's face the facts and get out of here.

Mr. Lee: I have a motion on the floor and I would like to argue in favor of it.

Mr. Musco: Argue it but put a limit on the argument.

Mr. Lee: These people gave us 180 days of service.

Chairman: The Superintendent answered your question when he said that the industrial instructors and those listed on the remainder of the page, except for those who are covered in that special order, do not have to have eight years in industry; is that true?

Superintendent: That is true.

Chairman: So, therefore, the remainder of the page, so far as I can see, is routine.

Mr. Lee: They give us in any case 180 days of service per year and to consider and properly evaluate them and take time to find out who they are and what they do and what their preparation is, I am sure, is not a waste of time of the teachers. As for its being a waste of my time or your time, it is rather less a waste of our time than other things we do on the School Committee. Surely the bread and butter of these men and their families, and these women, is quite important to them.

Chairman: I don't think Mr. Musco implied it was a waste of time.

Mr. Musco: It is all in here. It is right here. Let's go.

Mr. Lee: As a point of information, Mr. Superintendent, could you give us the background of those three groups, instructor in mechanic arts, cooperative instructors, and senior instructors in mechanic arts?

Superintendent: Which ones, Mr. Lee, please?

Mr. Lee: They have $5496. I am trying to avoid fooling around with these people who serve our children so faithfully. I am going down more than halfway down the page. The outstanding figure on the right is $5496 for instructors in mechanic arts, cooperative instructors and senior instructors in mechanic arts.

I suggest that if we held meetings, Mr. Musco, the last three weeks we could have done this in a leisurely way.

Chairman: We held these meetings last spring, Mr. Lee, and we spent three weeks last spring on this material.

Superintendent: The instructors, mechanic arts, have an XI. Special Certificate, Mr. Lee, with no degree. The cooperative instructors I have taken care of.

Chairman: Those are in that special order?

Superintendent: That is right.

Mr. Lee: Without eight years in the field?

Superintendent: No. Those cooperative instructors are taken care of up above, Mr. Lee.

Chairman: In the order.

Mr. Lee: Is that the same with the rest of them?

Superintendent: That is right. Senior instructors, mechanic arts, have been taken care.

Mr. Lee: On the ground this document was perfect when we came here tonight, does Miss Fitzgerald want to move reconsideration on those we have already readjusted?

Chairman: I did not say it was perfect, Mr. Lee.

Mr. Lee: Then let us look at the imperfections and correct them, with your kind consent.

Chairman: I will stay here until five o'clock in the morning, Mr. Lee, I have no objection to that.

Mr. Lee: I suggested your coming in tomorrow. I think it would be easier for you and others, and then the staff could work out these things.

Superintendent: This lower bracket down here with the $5112 —they hold certificates that have been discontinued.

Mr. Lee: I shall not press my motion on those on the lower part of that page if you say the requirements are as they are.

Superintendent: That is right.

Chairman: Can we go on to page 3 with Mr. Lee's consent?

Superintendent: Madam Chairman, if I may offer this as a suggestion, I think that page 2 is the most difficult. I might say not a suggestion but a thought. I think that page 2 is the hardest page of the whole salary schedule because you have a great variety of certificates illustrated on page 2. Page 3 is practically a repetition as far as Clerical School is concerned and Boston Trade High. So I would think it ought to move rather rapidly. I will be glad to answer any questions.

Chairman: Do you want to read it, Miss Reynolds?

Mr. Lee: Madam Chairman, are you going to do it page by page?

Chairman: We are doing it page by page, Mr. Lee.

Mr. Lee: May I ask this question entirely to save time? Mr. Superintendent, glancing down the page would you just read, or could you suggest changes which we could make in the salaries of certain persons so that we would be treating them with the same financial welcome with which we have just treated the people on the previous page, so that corresponding teachers in the Trade School page would be receiving the same financial consideration from us that we just extended to the ones on the general Latin and day high schools?

Superintendent: I would be glad to, Mr. Lee. Under the Boston Trade High School you go down the page until you meet that $5508,—the first $5508, do you follow that?

Mr. Lee: Yes.

Superintendent: Trade instructors have been taken care of just a few minutes ago in that Certificate XXXI order that was just passed.

Then you come to trade instructor, $5496. There are forty-four of those, Mr. Lee, and they have been taken care of in that order. There are about eighty-eight all together.

Mr. Lee: I didn't happen to find it.

Chairman: Your recommendation is that the page go as is, Mr. Superintendent?

Superintendent: Yes. The shop instructors there with the $5112, Mr. Lee, number only two, and that certificate has been discontinued.

Mr. Lee: How about that $5508 that is right above $5496? Have they been covered in that general order of Mr. Carr's?

Superintendent: No, they were not. They are like the junior masters, Mr. Lee.

Mr. Lee: Have they had eight years of service? What certificate are they on?

Superintendent: They are on an academic certificate, IV High School. The senior instructors up there in the Trade School and also at the Clerical School are academic.

Mr. Lee: It says "trade instructors." I suppose they teach industrial work or craftsmanship?

Superintendent: I thought you said senior instructors.

Mr. Lee: They are all bracketed together in the $5508.

Superintendent: Yes. They are on the same salary but they are two different ranks.

Mr Lee: It would seem to me those trade instructors are in there. Do those trade instructors have eight years?

Superintendent: Yes.

Chairman: They would be included in the order if they had the XXXI. Certificate.

Mr. Lee: Do they have a XXXI. Certificate?

Mr. Carr: Yes.

Secretary: The trade instructors are in.

Mr. Carr: They are covered by that order.

Superintendent: Madam Chairman, may I offer this suggestion? Would you be willing to change the $5496 to $5508? We did that a year ago to bring certain people up $12 to put them on the common figure, $5508.

Mr. Carr: Teachers, high school?

Superintendent: Yes. These trade instructors have been taken care of if they have a Bachelor's degree or fifteen years in the service. However, that figure of $5496 should be replaced by $5508 if that is agreeable.

Secretary: Which one, Mr. Haley?

Superintendent: Trade instructor, Boston Trade High School, page 3 — $5496, should read, $5508.

Chairman: Will you continue with page 4, Miss Reynolds—Trade High School for Girls?

Mr. Carr: Is it necessary, Mr. Superintendent, that she read each individual one?

Superintendent: Yes. It won't take long now, Mr. Carr, because these are all taken care of.

Mr. Lee: Madam Chairman, if I can get my breath, there are two points that should be mentioned on the previous page. I thought it was a continuous paragraph but apparently it was not.

It says, "Classes for the Conservation of Eyesight."

I would like to move that the word "assistant" be stricken out and "organizer" be inserted so as to read, "organizer in charge."

I think the Boston school system at least should use the English language in a comprehensible way. "Assistant" means one who stands by, which is a literal Latin translation, and nobody tells the skipper of a vessel to "stand by." The skipper tells somebody else. These people are the captains of their divisions. They are not assistants at all.

Secretary: "Organizer" in place of "assistants" both in "Conservation of Eyesight" and the "Lipreading" classes. Both of them?

Mr. Lee: I have no objection to putting them together. When these people go to conventions, and they are asked what they are, they say, "We are assistants in charge of lipreading classes." They sound like the girl who was brought in to wash dishes. It is a disgrace to Boston. I want to change it to "organizer in charge" in both cases; so it is "Organizer in charge of Conservation of Eyesight Classes" and "Organizer in charge of Lipreading Classes."

Chairman: Do you want to call the roll, please?

Mr. Carr: What is the order?

Secretary: Mr. Lee moved that the word "assistant" be stricken out and "organizer" be inserted so as to read, "organizer in charge."

On roll call, the motion failed of passage by the following vote:

YEAS—Messrs. Lee and Ward—2.

NAYS—Mr. Carr, Miss Fitzgerald, and Mr. Museo—3.

Mr. Lee: Madam Chairman, there is another point that comes up under "Instruction of Physically Handicapped Children," at the bottom of page 6.

I would like to move that they be advanced one increment beyond the normal increase they would get, the reason being that their present status is a compromise where some did not pass full requirements when they were made permanent, and yet, being married, they often did not have a chance to take the examination until they were too old in years to do so.

Now, I think, Mr. Superintendent, the present status is a compromise, and I would like to see that compromise lean a little more in favor of the teachers and find expression in giving them an extra increment beyond their usual annual increment of $144.

Mr. Museo: I am trying to check here.

Superintendent: At the bottom of page 6, Mr. Museo.

Mr. Museo: I am looking at Petition 44.

Chairman: Was that action by the Salary Board?

Superintendent: It wasn't before them.

Chairman: It wasn't before them, so it wasn't acted on.

Superintendent: Mr. Lee's motion was not before them.

Mr. Carr: Page 30.

Superintendent: Madam Chairman, there was a petition before the Salary Board but not the motion that Mr. Lee made.

Mr. Museo: I don't have Petition No. 44.

Mr. Lee: Do you want to find the petition, Mr. Museo?

Superintendent: Madam Chairman, Petition 44 that the Salary Board acted on was not the motion that Mr. Lee made. Mr. Lee has recommended one additional increment. The salary petition was quite extensive, would cost $15,000, and was acted on unfavorably.

Mr. Museo: You didn't have sufficient votes on that Petition 44.

On roll call, Mr. Lee's motion to grant an additional increment to "Teachers" and to "Teachers, Permanent Substitutes" who are engaged in "Instruction of Physically Handicapped Children," effective Sept. 1, 1955, passed by the following vote:

YEAS—Messrs. Carr, Lee, Museo, and Ward—4.

NAYS—Miss Fitzgerald—1.

—

Secretary: That passed.

Superintendent: Wait just a minute, I want to be sure. That means that the teachers of physically handicapped children, many of them without any degrees and appointed from no certificate list whatsoever, are going $144 more than the straight elementary teachers who were appointed, most of them, with Bachelor's degrees and from a regular certificate list. I just want to call that to the attention of the Committee,

to see whether they want to go along with that vote in the light of those conditions.

Mr. Lee: No, no, I didn't say to add $144 to the maximum.

Chairman: Do the members wish to vote as they were recorded? Then we will proceed to page 7.

Mr. Lee: Madam Chairman, on that page again I wonder if there was possibly an oversight—in the Bureau of Child Accounting.

We set equal maximums for the heads of the several sections there, but not for the Division of Statistics and Publicity.

Mr. Musco: No one expressed an interest, Mr. Lee.

Mr. Lee: That would make him the same as the others, wouldn't it?

Mr. Musco: Nobody expressed any interest at all. There was no vote on it.

Mr. Lee: Although we arrived at an equality between the other heads in the Bureau of Child Accounting, the Head of Division of Statistics and Publicity did not receive an increase.

Chairman: There was no support for that. There were no votes.

Mr. Ward: If you do that, I believe that we should add Mr. Lynch. If there is a motion made there, I would also add Mr. Lynch to that.

Chairman: I am not in favor of this motion, Mr. Ward. However, if it passed, I would agree with you that it should include Mr. Lynch.

Mr. Lee: Moved that the salary of the Head of Division, Statistics and Publicity, be established as follows:

Minimum $6840, annual increment $144, maximum $7776.

On roll call, the motion passed by the following vote:

YEAS—Messrs. Carr, Lee, and Ward—3.

NAYS—Miss Fitzgerald and Mr. Musco—2.

—

Mr. Ward: Now I want to add this. I want to have the differential between the present salary of Mr. Sullivan and the salary of Mr. Lynch restored.

Miss Sheehan: That would be a maximum of $7392.

Mr. Ward: I move that the salary of the Administrative Research Assistant, Division of Statistics and Publicity, be established as follows:

Minimum $4368, annual increment $144, maximum $7392.

On roll call, the motion passed by the following vote:

Mr. Carr: Yes.

Mr. Lee: Yes.

Mr. Musco: No, to be consistent with what happened in conference.

Mr. Ward: Yes.

Chairman: Yes.

TEMPORARY EMPLOYEES

4. ORDERED, That the compensation of temporary teachers is hereby fixed for the period commencing September 1, 1955 and ending August 31, 1956, at the rate of $14.00 for each day of actual service, except as specified below:

Mr. Lee: Madam Chairman, I move an amendment to this order.

Chairman: Will you state your motion, please?

Mr. Lee: In the first paragraph I move that the figure $14.00 be stricken out, and in its place appear the marks "$15.00", having the effect of giving our temporary teachers $15 a day.

In support of that motion I merely remind you again that we are engaged in a contest of generosity. If other school systems come forward, as they do, with more generous offers than we do, or if industry comes forward with more generous offers, we simply go without these teachers or we have to take teachers less qualified than we otherwise would.

I believe that the best service we can give our school systems is to recruit the best teachers into it, and practically every teacher entering our system enters in a temporary capacity without any lifelong engagement; and by putting out a cordial welcome mat of dollars for those who first come into our service, I think we can meet a finer grade of service than by any other expenditure on salaries in the whole school system.

I earnestly ask that you adopt my amendment and give the temporary teachers $15 a day, which is a one dollar raise over the $14 they now receive and is still less than half of what those on maximum receive,—those who receive over $31 a day. So, in the interest of single salary, let's not have one group of teachers receive less than one-half of what the other group is paid.

Chairman: Would you, Mr. Superintendent, or the Business Manager, comment on the financial ability of the system to pay it?

Superintendent: Right at the moment I think that Mr. Burke and I would agree that it would be very dangerous to do, much as we would want to give the temporary teachers an additional dollar. I think we run four or five hundred temporary teachers a day, Mr. Burke, don't we, some days?

Business Manager: That is an average. Sometimes it runs up to seven hundred and eight hundred.

Superintendent: Sometimes it is higher than that. So I should think that it could run $500 or $600 a day. If it runs $600 a day, for five days a week, it would be $3000, and we have seventy days from September to the end of December.

I am afraid it would run up to a couple of hundred thousand dollars.

Mr. Lee: Madam Chairman, with 468 so-called temporary teachers on long-term assignments in our schools last September and an irregular number of extras which perhaps reach a maximum bringing the total to 700 during the sickness month of March, it would come to some $30,000 for the first part of this year.

However, Mr. Superintendent, I must point out that when we had in mind to give $120 or $180 extra, which is a dollar a day more, to those on maximum in the elementary schools you didn't raise the question of how much it would cost.

Chairman: That is because we provided for it in the budget. This is not provided for in the budget.

Mr. Lee: Even so, it is true that every item costs. It is a question of whether you are going to put the extra expense on the young teacher coming in or on the teachers who have been with us so long and who already receive twice as much as the young ones.

I thought the interest of intriguing good teachers into our schools and the interest of equality, which the so-called Teachers Alliance goes in for under the heading of "single salary," would be served if we built up the bottom a little bit and weren't quite so eager to build up the top of the ladder.

So I am in favor of our investing the $30,000 for those who

are coming in. I believe the Alliance has also favored an increase for the temporary teachers, so they have been thoughtful of that group also.

In fact, it costs $66,000 from my figures to extend additional help to those who have been in our service for many years, and this is only half of that much, and it is the opening salary that counts, at least with our women teachers. What they get when they come into the service is what counts with them.

On roll call, Mr. Lee's motion failed of passage by the following vote:

Mr. Carr: No.

Mr. Lee: Yes.

Mr. Musco: Yes.

Mr. Ward: No, because I feel that the cost is too great.

Chairman: Is it not because you don't think they should have more?

Mr. Ward: I think they are entitled to it, but I am mindful of the ceiling that is imposed on our own budget. We are the only city, perhaps, outside of Lynn, where there is a ceiling on the budget. I am only voting No because of that reason.

Chairman: No.

—

Mr. Lee: It is less costly than other group items for which we have voted. The senior teachers represent double the cost when we give them a dollar a day more.

Mr. Ward: Mr. Lee, let me make this clear.

When we first made this budget up we did not include this in that budget? Is that correct?

Mr. Musco: We didn't include a lot of things, Mr. Ward.

Mr. Ward: Mr. Lee brought up just one thing. I think he mentioned the teachers. Is that correct?

Mr. Lee: Yes.

Mr. Ward: We did not include that in the making up of the budget either.

Mr. Lee: We were voted down on temporaries. That is true.

Mr. Ward: When we made up the budget they voted down this increase in salary for temporary teachers? Is that correct?

Mr. Lee: Yes.

Mr. Ward: Now to put that in the budget you would have to have four votes. Is that correct?

Mr. Lee: Yes.

Mr. Ward: Did they have four votes to put that in the budget?

Chairman: Apparently not.

Mr. Lee: No.

Mr. Ward: How did it get into the budget if they didn't have four votes?

Mr. Carr: It isn't in there.

Mr. Ward: When they were making up the budget, I mean. I thought it was put in when they were making up the budget.

Chairman: It failed of passage.

NAYS—Miss Fitzgerald and Mr. Lee—2.

—

17. ORDERED, That for the year ending August 31, 1956, permanent teachers assigned or appointed to the following-named ranks in the Boston Trade High School shall be paid at the rate of three hundred dollars ($300) per year in addition to the regular salary of their ranks:

Division Heads.

Division Foremen.

Senior Instructors with Master's degree.

Senior Instructors with Bachelor's degree or equivalent.

Trade Instructors with Bachelor's degree or equivalent.

Trade Instructors.

Shop Instructors.

Junior Master, Physical Education.

Junior Master, Military Science.

—

Superintendent: I would like to include also in that the man who is eliminated, I believe.

Mr. Carr: There are four of them. It is shop superintendent, military instructor, head master.

Mr. Ward: Head master and guidance counselor. There were four excluded, and I would like to include those four.

Secretary: Include shop superintendent and who else?

Mr. Ward: Head master, guidance counselor, and the military drill instructor. Is that correct?

Mr. Carr: Yes.

Secretary: There is a junior master, military science, here. I don't know whether that is the one you mean.

Mr. Ward: I move that that be included.

Secretary: Mr. Ward's motion is that we amend this to include the head master, the shop superintendent, and guidance counselor.

Mr. Musco: Madam Chairman, certainly there is the equivalent in a girls' school, which is the Trade School for Girls. Now let's be reasonable about this whole thing. This was rather a pointed issue last year, and I am sure that they are agreeable for an increase or for an additional $300, but I bring up the point of the administration again.

The head master is a head master, and I know the gentleman is present, but it has been my argument that the administrator or the top man should be on a level with other head masters. I am sure you want to include the Trade School for Girls also.

Mr. Lee: Mr. Superintendent, is it not true that many of the persons listed here have the same certificates and the same presumed background as men who are teaching, say, in Technical High School?

Superintendent: I think there are some, Mr. Lee.

Mr. Lee: Isn't senior instructor the same title?

Superintendent: That's right.

Mr. Lee: And trade instructor?

Superintendent: They all have the same title at Technical High School.

Mr. Lee. How about trade instructor?

Superintendent: I don't think we have that at Technical High School.

Mr. Lee: But it involves eight years in the trade?

Superintendent: Senior instructor involves eight years.

Mr Lee: How about trade instructor?

Superintendent: I don't think we have any at Technical. Mr. Daley is that right?

Mr. Daley: The policy for Technical High School is to appoint men with Certificate IV. high school Most of the men came up from the ranks and secured their A. M.'s or Ed. M.'s in order to qualify.

Mr. Lee: I was just trying to find out what are the requirements for trade instructor and shop instructor, Mr. Daley.

Mr. Daley: They don't have them at Technical High. There is one left, I think, from the old system, Mr. Superintendent.

Superintendent: That's right.

Mr. Daley: All the other men there have Master's degrees.

Mr. Lee: I am trying to find out what the requirements are in Trade High School. They teach in Trade School. What are the requirements?

Superintendent: Trade instructor? They have a XXXI Certificate, Mr. Lee. I read the requirements for that.

Mr. Lee: I remember. What about shop instructors?

Superintendent: That is Certificate XXX. There are only two of them. There won't be any more. The certificate has been discontinued.

Mr. Lee: Madam Chairman, my position is and was that I thought that men teaching in industrial courses should be compensated as much as those with Master's degrees, and I believed the Committee voted along that line on the page devoted to Trade School as well as on other pages. I do not see that the longer day which they spend is a significant consideration. I voted against the $300 last year, and I am not in favor of it this year.

Mr. Ward: That is all right.

Mr. Lee: You are voting first on the amendment, I take it. I also share Mr. Musco's view on that.

Secretary: This is Mr. Ward's motion that the order be amended to include head masters, shop superintendent, and guidance counselor.

Mr. Carr: How about military instructor?

Mr. Ward: He is in there.

Secretary: I have junior master, military science.

Superintendent: He is included.

Mr. Ward: He is included in the original order.

Superintendent: Yes, he is included in the original order.

Mr. Carr: I see.

Mr. Musco: To vote No would eliminate this entire additional amount?

Mr. Lee: Just the amendment.

Mr. Musco: A vote of No would eliminate three of the gentlemen.

Mr. Carr: Did you want to put them in individually, Mr. Ward?

Madam Chairman, in order that we may give every member of the Committee a chance to vote for all of these or any one of these, I would like to amend the order of Mr. Ward and have these specified individually.

Chairman: Is that agreeable to you, Mr. Ward?

Mr. Ward: It has to be.

Mr. Musco: My sole argument —and I want the gentleman and the lady to know about it—is that an administrator is an administrator. If he is paid for six hours' work, he will do six hours' work; but there is no time limit to an administrator. They will go ten hours; they will go eight hours, or they will go twenty-four hours.

Chairman: Then, do you want to call the roll on the individual positions?

—

The Secretary was directed to call the roll on the several different ranks included in Mr. Ward's motion to amend.

On roll call, the motion to include the rank of head master in Order No. 17 failed of passage by the following vote:

YEAS — Mr. Carr and Mr. Ward—2.

NAYS—Messrs. Lee and Musco and Miss Fitzgerald—3.

—

On roll call, the motion to include the rank of shop superintendent in Order No. 17 passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Messrs. Musco and Ward —4.

NAYS—Mr. Lee—1.

—

On roll call, the motion to include the rank of guidance counselor in Order No. 17 passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Messrs. Musco and Ward —4.

NAYS—Mr. Lee—1.

—

The Secretary was directed to call the roll on Order No. 17, as amended, as follows:

17 ORDERED, That for the year ending August 31, 1956, permanent teachers assigned or appointed to the following-named ranks in the Boston Trade High School shall be paid at the rate of three hundred dollars ($300) per year in addition to the regular salary of their ranks:

Shop Superintendent.

Guidance Counselor.

Division Heads.

Division Foremen.

Senior Instructors with Master's degree.

Senior Instructors with Bachelor's degree or equivalent.

Trade Instructors with Bachelor's degree or equivalent.

Trade Instructors.

Shop Instructors.

Junior Master, Physical Education.

Junior Master, Military Science.

—

On roll call, the motion, as amended, passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Messrs. Musco and Ward —4.

NAYS—Mr. Lee—1.

—

Mr. Ward: Madam Chairman, on that order I want to be consistent. If a head master in a school is doing a job that calls for more hours and every other employee in that school receives $300, it is safe to assume that a guidance counselor is under the same identical atmosphere.

Now I can see where the shop foreman is continuously on duty as a teacher; but if the argument is set forth that an administrator is an administrator, so is a guidance counselor. I mean I am for it, and I am also for the head master.

However, the guidance counselor amendment was passed. They approved of the guidance counselor, and I approved of it and I certainly approve of it now. However, I also approve of the head master because it's the same school and he is head master of that school.

To my mind it is inconsistent, that's all. I don't want to be inconsistent and I won't be.

Mr. Musco: Madam Chairman, may I inform Mr. Ward that when this first was brought to us last year it included just the teachers, and everybody became liberal and it went down the line; and tonight we are climinating the head master. It got to be rather a nice bounty, and it's a nice windfall, and I don't like to jeopardize it. However, it started with a small group of teachers, Mr. Ward, and now it has blossomed over the whole institution of the girls and the boys.

Mr. Ward: No, the only point I am bringing out is this, Mr. Musco. I can see where a man can vote Yes and be very consistent, but the duties of a guidance counselor in one school are equal to the duties of another. Now, I was for the guidance counselor there, but I was also consistent by being with the head master.

However, the vote has been taken. It's all over, but I just want to say that I wanted to be consistent upon that particular matter. It's a matter of consistency. That's all.

The Secretary continued reading:

18. ORDERED, That for the year ending August 31, 1956, permanent teachers appointed to the following-named ranks in the Trade High School for Girls shall be paid at the rate of three hundred dollars ($300) per year in addition to the regular salary of their ranks:

Head of Department, Certificate IV.

Senior assistants with Master's degree or equivalent. †

Senior assistants with Bachelor's degree or equivalent. *

Teachers, High School XXXI. (Women), with Bachelor's degree or equivalent. *

Teachers, High School XXXI. (Women).

Industrial Instructors with Bachelor's degree or equivalent. *

Assistant Instructor, Home Nursing, with Bachelor's degree or equivalent. *

Industrial Instructors.

Assistant Instructor, Home Nursing.

Trade Assistants.

Mr. Carr: Moved that Order No. 18 be amended to include the rank of guidance counselor.

On roll call, the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Messrs. Musco and Ward—4.

NAYS—Mr. Lee—1.

On roll call, the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Messrs. Musco and Ward—4.

NAYS—Mr. Lee—1.

—

The Secretary continued reading:

19. ORDERED, That for the year ending August 31, 1956, permanent teachers appointed as assistants in the Department of Special Classes shall be paid at the rate of two hundred eighty-eight dollars ($288) per year in addition to the regular salary of the rank.

—

Mr. Lee: That is a State-reimbursed item?

Superintendent: Yes.

Mr. Ward: Madam Chairman, didn't we put $500 in the budget for these particular teachers? Is that correct? We went to the Mayor and City Council and said that these particular teachers were to receive $500. Am I correct in that?

Chairman: Yes, you are, Mr. Ward.

Mr. Ward: We stated that, and it was accepted by the Mayor when the approval was granted.

Chairman: I think some of the members have received additional information since that date which has made them feel that this is a fair amount.

Mr. Ward: I want to be as consistent with the vote that I cast on the budget as I am with this vote.

I move that this Order be amended by inserting $500, which the Committee originally intended to grant to this group of teachers, instead of $288.

Mr. Musco: Madam Chairman, we spent an hour upstairs arguing pro and con on this subject, and I wish the Committee would respect that. Do I have to open up the conference again and argue the point?

Mr. Ward: No, you don't. You can just vote Yes or No.

Mr. Carr: Madam Chairman, it is my understanding that a point of order might lie against this.

Mr Musco. We are all ladies and gentlemen, Mr. Ward, and I think we went over it rather thoroughly.

Chairman. Mr. Carr is bringing up a point of order.

Mr Carr: Madam Chairman, m point of order is that we have already acted on this order, and I think the motion that the member proposes to submit has been defeated and it is only repetition. I think a point of order would lie against it.

Mr. Ward: We can argue the point of order from now to twelve o'clock, but I will do this, Mr. Carr. I will say I would like to vote for the $500 but will agree to a vote on the $288, which leaves no alternative.

Mr. Lee: Madam Chairman, I gave way to Mr. Carr when a point of order lay against him. I would be very glad to have Mr. Ward given the privilege of making his amendment. I believe the vote might have started, but I think it was rather hurried. We were all tired. He brought up his point rather quickly, and I don't see why he should not be allowed to have his point voted on.

Secretary: Mr. Ward moved to substitute $500 instead of $288 per year.

Mr. Carr: May I say before I vote for this motion, Madam Chairman, that it was indicated at the conference today, that the $500 would not prevail; and, rather than have the complete sum eliminated from the compensation of these people, it was decided to compromise, and I think we got three and possibly four votes on the $288.

Chairman: Are you asking that we now vote on the $288 and withdrawing your amendment, Mr. Ward?

Mr. Ward: I say I will abide by the wish of the Committee in executive session.

Mr. Carr: Madam Chairman, may I ask: Are you going to press your motion for a vote?

Mr. Ward: No. We are only voting on the $288.

Mr. Musco: He asked for a motion on $500.

Mr Ward: I said that I would abide by the decision of the Committee.

Chairman: Would you call the roll or $288?

Secretary I will.

Mr. Ward: I question the point of order because there is no such thing as a vote in executive session

Mr. Musco And you don't wish to debate this thing out here?

Chairman: He is not debating it.

Mr Ward. I would debate the point of order, but not the raise.

On roll call, the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Messrs. Lee and Ward—4.

NAYS—Mr. Musco—1.

—

The Secretary continued reading:

20. ORDERED, That the following-named persons appointed under Certificate IV. High School, with a Bachelor's degree when only a Bachelor's degree was required shall be granted a Master's degree equivalency and shall be placed on the maximum salary of the several ranks they now respectively hold, effective September 1, 1955:*

Boston Latin School—George F. Barry, Charles S. Fitzgerald, James H. Locke, Jr., Benjamin C. Scully.

South Boston High—Dorothea N. Rice.

Trade High—Girls, Frances R. Bacharach, Cartherine M. Keegan.

Boston Clerical School—Alice L. Beatty.

Continuation Classes—Joseph A. Mahoney.

*It is the intent of the School Committee that these teachers all receive a maximum salary of $5736.

—

Mr. Lee: Madam Chairman, I don't understand this motion. Let the Superintendent tell me, if he understands it, why it talks about granting to certain listed people a master's degree equivalency and then goes on to say that they shall be placed on the maximum salary of the several ranks that they now respecuvely hold?

There are several ranks they now respectively hold. So that must indicate a variety of different salaries, and yet there is an implication—

Superintendnt: Not a variety of salaries, but there are some masters at the Latin School and there may be some senior instructors—would you say so, Miss Sheehan? Mr. Kerr was the one who said that we should do this. We originally had it written as you see it printed. He said that should be changed to "several ranks they now respectively hold."

The men have one rank, Mr. Lee, as master, and the women have another rank as assistant. So to get in both the masters and the assistants, he used the words "several ranks they now respectively hold."

Mr. Lee: Whoever wrote it, I don't know whether we are giving them as much pay as we give a person with a master's degree or whether we are giving them less. It doesn't say so. It doesn't mention anything financial. Where it says "master's degree", the only time salary is mentioned is where it talks about several ranks. Now, do you say that even though they hold several ranks, they are going to all get the same salary?

Superintendent: Yes, that's right.

Mr. Lee: It seems to me certainly it is anything but clear. Can't you clarify that yourself, Mr. Superintendent?

Superintendent: We will be glad to confer with Mr. Kerr again. I would think that in order to protect the people it might be well, Mr. Lee, to vote on it; and then, if we can revise it back to our own wording or change it in some way or other, I am sure that Mr. Kerr will not object.

Mr. Lee: Is it the sense of the Committee, then, that these persons so listed receive the same amount of pay that those with master's degrees receive?

Superintendent: That's right.

Mr. Lee: Did you make a note of that?

Mr. Musco: We voted on that in the spring.

Superintendent: Last Spring.

Mr. Lee: I don't want to vote for something that says the opposite no matter what it intends.

It places them on the maximum salary of the several ranks they now respectively hold. The word "several" implies a difference, and yet they can't all be going to get the same salary.

Superintendent: You see, Mr. Lee, for example, George F. Barry, under this order is granted the equivalent of a master's degree.

Now, then, if you go back to Page 2 of the salary schedule you will see "master, master's degree," and it will carry the salary of $5736.

Mr. Lee: If it is the intent of the Committee, can't the Secretary make a note that it is the intent of this motion to pay these men the same amount of money we pay those with master's degrees?

Superintendent: That's right.

Mr. Lee: Can't that be noted?

Secretary: It will be right in the stenographic minutes.

Chairman: Put it in small print, Miss Reynolds.

Mr. Lee: Is that the sense of the Committee?

Chairman: That is the sense of the Committee.

Mr. Lee: Mr. Superintendent, does this supersede or interfere with those orders we had in mind?

Superintendent: No.

Mr. Lee. I mean those giving Masters a salary equal to those who were teaching in industrial courses?

Superintendent: No.

Chairman: It is in addition to that.

Secretary: I will add in small type: "It is the intent of the School Committee that these teachers all receive a maximum salary of $5736."

On roll call, Order No. 20 passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Messrs. Lee, Musco, and Ward—5.

NAYS—0.

—

The Secretary continued reading:

21. ORDERED, That William E. McCarthy, Associate Director of Physical Education, is hereby placed on the maximum salary of his rank, namely eighty-eight hundred and twenty-four dollars ($8824), to take effect Sept. 1, 1955, and to continue until otherwise ordered.

On roll call, the order passed by the following vote:

YEAS—Messrs. Carr, Musco and Ward—3.

NAYS—Miss Fitzgerald and Mr. Lee—2.

—

22. ORDERED, That Charles E. Schroeder, Director of Adult Educational and Recreational Activities, is hereby placed on the maximum salary of his rank, namely ninety-one hundred and eighty-four dollars ($9184) per annum, to take effect Sept. 1, 1955 and to continue until otherwise ordered.

NAYS—Miss Fitzgerald and Mr. Lee—2.

—

23. ORDERED, That Francis X. Sullivan, Associate Director of Adult Educational and Recreational Activities, is hereby placed on the maximum salary of his rank, namely eighty-eight hundred and twenty-four dollars ($8824) per annum, to take effect Sept. 1, 1955, and to continue until otherwise ordered.

On roll call, the order passed by the following vote:

YEAS — Messrs. Carr, Musco and Ward—3.

NAYS — Miss Fitzgerald and Mr. Lee—2.

—

24. ORDERED, That for the year ending Aug. 31, 1956, Instructors of Mechanic Arts, Latin and Day High Schools, shall be paid at the rate of two hundred and eighty-eight dollars ($288) per annum, in addition to the regular salary of the rank.

On roll call, the order passed by the following vote:

YEAS — Mr. Carr, Miss Fitzgerald, Messrs. Lee, Musco, and Ward—5.

NAYS—0.

—

25. ORDERED, That Charles J. Lynch, Administrative Research Assistant, Division of Statistics and Publicity, is hereby placed upon the maximum salary of his rank, namely, seventy-three hundred and ninety-two dollars $7392) per annum, to take effect Sept. 1, 1955, and to continue until otherwise ordered.

On roll call, the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Messrs. Lee and Ward—4.

NAYS—Mr. Musco—1.

—

26. ORDERED, That for the year ending August 31, 1956, "Teachers" and "Teachers, Permanent Substitutes," who are engaged in "Instruction of Physically Handicapped Children," shall be paid at the rate of one hundred forty-four dollars ($144) per annum in addition to the regular salary of the ranks, provided that in no case shall the maximum salaries of the ranks be exceeded.

On roll call, the order passed by the following vote:

YEAS—Messrs. Carr, Lee, Musco and Ward—4.
NAYS—Miss Fitzgerald—1.

—

The Secretary continued reading:

As a conclusion to this salary schedule, which takes the fourth step in establishing a single salary schedule for the entire instructional personnel, it is hereby further

27. ORDERED, That it be, and hereby is, determined that it is the present sense of this Committee that subject to such modifications as may be required for practical administration:

(a) In the case of Head Masters, the minimum annual salary shall be $7032 and the ultimate maximum annual salary should be $8400—the objective maximum to be reached by the granting, in addition to regular anniversary increments, of annual salary adjustments of $120.

(b) In the case of Principals, the ultimate minimum annual salary should be $7032 and the ultimate maximum annual salary should be $8004—the objective maximum to be reached by the granting, in addition to regular anniversary increments, of annual salary adjustments of $180, until those presently on maximum shall receive the salary of $7776, and the next annual salary adjustments should be $228.

(c) In the case of the Elementary Supervisors, Shop Supervisor, Department of Industrial Arts, and the Assistant Directors listed below, the ultimate minimum annual salary should be $4872 and the ultimate maximum annual salary should be $7008—the objective to be reached by the granting, in addition to regular anniversary increments, of annual salary adjustments of $120:

Director of Kindergartens.
Director of Music.
Director of Practice and Training.
Director of Special Classes.
Director of Speech Improvement Classes.
Director of Visual and Radio Education.
Director of Vocational Guidance.

—

Superintendent: If the Committee is willing, Madam Chairman, I think it would be wise to add here (e) along with this list that Miss Reynolds is about to read: "Coordinators"—because they are on the same salary schedule as heads of departments—"vocational instructors, vocational assistant, guidance counselors, and shop foreman." It is all the same policy of $6504.

—

The Secretary continued reading:

(e) In the case of Heads of Departments, Head Instructors, Coordinators, Guidance Counselors, Vocational Instructors, Vocational Assistants, Shop Foremen, Supervisor of Instruction of Physically Handicapped Children, Assistant in Charge of Conservation of Eyesight Classes, Assistant in Charge of Lipreading Classes, Submasters, and Vice Principals, the ultimate minimum annual salary should be $4872 and the ultimate maximum annual salary should be $6504—the objective to be reached by the granting, in addition to regular anniversary increments, of annual salary adjustments of $120 for Heads of Departments, Head Instructors Coordinators, Guidance Counselors, Vocational Instructors, Vocational Assistants, and Shop Foremen, and of $180 for Supervisor of Instruction of Physically Handicapped Children, Assistant in Charge of Conservation of Eyesight Classes, Assistant in Charge of Lipreading Classes, Submasters, and Vice Principals, and with the maximum of $6504 to be established when Submasters and Vice Principals presently on maximum shall receive the salary of $6336 and the next annual salary adjustments should be $168.

(f) In the case of the Assistant in Industrial Arts and the Supervisors listed below, the minimum annual salary shall be $3504 and the ultimate maximum annual salary should be $6000—the objective to be reached by the granting, in addition to regular anniversary increments, of annual salary adjustments of $120:

(h) In the case of Elementary, Junior High School and High School Teachers, the ultimate minimum annual salary shall be $3504 and the ultimate maximum annual salary should be $5508 for those possessing a Bachelor's degree or equivalent and $5904 for those possessing a Master's degree — the objective to be reached by the granting, in addition to regular anniversary increments, of annual salary adjustments of $120 for High School teachers and of $180 for Elementary and Junior High School teachers.

—

Mr. Lee: Madam Chairman, on this motion here ——

Chairman: We are starting to call the roll. Is it a point of order that you raise?

Mr. Lee: I don't suppose you are going to vote without a discussion on this matter.

Chairman: We discussed this last spring for three weeks, Mr. Lee

Mr. Lee: Madam Chairman, in opposing this motion may I say, as I have said before, that particularly with this Committee going out of business before salaries are again set I think it is presumptuous and almost falsifies the realities of the situation for this Committee to be outlining what a future Committee is going to do

I am sure that I cannot believe that anyone sitting here is going to be able to control the next Committee that comes in, and I think we should not undertake to outline this pie-in-the-sky, which is beyond our legal powers, and I urge you to vote against these motions no matter how meritorious they may seem as aspirations.

—

The Secretary continued reading:

(i) The ultimate maximum annual salary of the Supervising Nurse in the Department of School Hygiene should be $6000—the objective to be reached by the granting, in addition to regular anniversary increments, of annual salary adjustments of $120; and

(j) The ultimate maximum annual salary of Technicians and Junior High School Science Maintenance Assistant in Visual and Radio Education should be $4464.

—

On roll call, paragraphs (a) through (j) passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Messrs. Musco and Ward—4.
NAYS—Mr. Lee—1.

—

Mr. Musco: Madam Chairman, I gave Miss Reynolds a note in relation to Page 2 regarding the heads of departments, coordinators, and guidance counselors.

Chairman: What page is that?

Mr. Musco: Page 2, at the top. I want to change my vote from No to Yes.

Chairman: That is agreeable to the Committee.

Mr. Carr: Wait a minute.

Superintendent: Does that change the decision of the Committee?

Mr. Musco: Yes, it does.

Secretary: Yes. It failed of passage.

Superintendent: Madam Chairman, if I might suggest it, why don't we leave that until the end. Then Miss Reynolds can go back and pick that up in her orders, and then - -

Chairman: Vote again on it.

Mr. Lee: Can you summarize the point, Mr. Superintendent?

Superintendent: Apparently Mr. Musco is changing his vote on the problem of the heads of departments, coordinators, guidance counselors, and so on — those eighty-eight people whom we talked about.

Now Miss Reynolds has to go back and get that order and revise it, and we have to revise it in the salary schedule. I think you ought to have it wait until the end. Then we will pick it up then.

Secretary: All right.

Mr. Lee: Madam Chairman, is there any legal way or possibility of changing a vote long after it has been given?

Mr. Ward: Mr. Lee, you can change your vote anytime.

Mr. Lee: I know you can move reconsideration if you are on the prevailing side.

Chairman: May we go on with the orders we agreed on and take this controversial one afterwards?

Secretary: Do they agree to that? Then I will just add it on wherever it should be.

—

The Secretary continued reading:

(k) In the case of the Heads of Divisions and the Head Supervisor of Attendance listed below, the minimum annual salary should be $7032 and the ultimate maximum annual salary should be $8004—the objective to be reached by the granting, in addition to regular anniversary increments, of annual salary adjustments of $180, until those presently on maximum shall receive the salary of $7776, and the next annual salary adjustments should be $228.

Head of Division of Juvenile Adjustment

Head of Division of Statistics and Publicity

Head Supervisor of Attendance

—

On roll call, paragraph (k) passed by the following vote:

YEAS—Messrs. Carr, Lee and Ward—3.

NAYS—Miss Fitzgerald and Mr. Musco—2.

—

In connection with his vote, Mr. Lee stated that he voted "Yes" on the above motion only because his efforts to block such "impractical expressions" concerning future salaries had already been overridden in the cases of other officers in the school system and he did not want the above-noted officers to be unfavorably discriminated against.

—

RECESS

The Committee recessed and the five members reassembled at 11:15 p. m.

—

Chairman: The Committee is back in session.

Mr. Musco, you wanted to change your earlier vote?

Mr. Musco: Yes, I would like to move reconsideration on that same problem that Miss Reynolds now has under control.

Secretary: Mr. Musco moves reconsideration on Mr. Carr's motion, which failed to pass, that the maximum salary of heads of departments, coordinators, guidance counsellors, Latin and day high schools; head instructor, Boston Clerical School; guidance counsellor at the Boston Trade High School; division heads, Boston Trade High School; guidance counsellor and heads of departments, Certificate IV, Trade High School for Girls; vocational instructors and vocational assistants in the Department of Vocational guidance; be increased by $120 on September 1, 1955.

The vote was: Messrs. Lee, Musco and the Chairman voting No; Mr. Carr and Mr. Ward voting in the affirmative.

Now, do you wish to reconsider?

Chairman: Just call the roll again.

Mr. Ward: This is reconsideration.

Mr. Carr: Will reconsideration prevail? Do you want to reconsider it, Mr. Lee?

Mr. Lee: No.

Mr. Ward: Three of us do anyway.

Secretary: This is a motion to reconsider Mr. Musco's vote.

On roll call, Mr. Musco's motion to reconsider passed by the following vote:

YEAS—Messrs. Carr, Musco and Ward—3.

NAYS—Miss Fitzgerald and Mr. Lee—2.

—

Mr. Carr: Now call the roll on the motion as read.

Mr. Lee: Are you going to debate it?

Chairman: He does not want to debate it, Mr. Lee. Let's go on to the roll call.

Mr. Lee: I hope Mr. Musco won't change his vote because I think it will be very peculiar to give guidance counselors in one school more money than the woman who is the head of a school building and who is called a vice principal, or the man who is the head of a building in charge of young children. It would be peculiar to give a single member of the staff in a high school a salary greater than the head of the school. I think it is a big mistake, and I hope the vote will be the same as it was.

Chairman: Do you want to call the roll, Miss Reynolds?

Secretary: Yes. This is on Mr. Carr's motion pertaining to heads of departments, etc.

On roll call, Mr. Carr's motion passed by the following vote:

YEAS — Messrs. Carr, Musco and Ward — 3.

NAYS — Miss Fitzgerald and Mr. Lee — 2.

—

NOTE—As a result of the foregoing action the maximum salary of the following ranks is established at the rate of sixty-four hundred fifty-six dollars ($6456) per annum, to take effect Sept. 1, 1955:

Latin and day high schools: Heads of departments, Coordinators, Guidance Counselors.

Boston Clerical School: Head Instructors.

Boston Trade High School: Guidance counselor, Division heads.

Trade High School for Girls: Guidance counselor, Heads of Departments, Certificate IV.

Department of Vocational Guidance: Vocational Instructors, Vocational Assistants.

—

Mr. Musco: Madam Chairman, I would like to say that after we passed Order No. 17 and Order No. 18 regarding the additional three hundred dollars ($300), the Head Master of the Boston Trade High School communicated with the School Committee members, through the Secretary I think, and recommended and approved this additional money for all of those below him excluding himself.

Mr. Ward: Yes, I know that.

Mr. Musco: He sent a letter to that effect.

—

Miss Sheehan: In item (e) in Order No. 27, we state that these people will remain on $6336 until the submasters and vice principals reach that salary. Now you have changed the maximum salary of the $6336 people to $6456.

Do you think we should change this to $6456 instead of $6336?

Mr Musco: Yes.

Superintendent: We will change the policy increasing it by $120.

Mr. Lee: Do you mean you are changing the policy?

Superintendent: We are not changing the general policy but we are changing the figures in the policy.

Miss Sheehan: There is one more person who is held on $6336—namely, the Supervisor of Instruction to Physically Handicapped Children. Shall we move her th $120? We only gave her $72 to hold her at this $6336 according to your policy.

Now if you change your policy to $6456 . . .

Chairman: It is not a change in policy but a change of figure.

Miss Sheehan: Change a figure in your policy, you will have to change her.

Superintendent: Miss Sheehan, there are others in this group (e) who are being held at $6336.

Miss Sheehan: We have just changed all of those.

HEATING EQUIPMENT.

Invitation for Proposals for Furnishing and Installing Heating Equipment at 650 Albany Street, Public Works Department, Sanitary Division, Boston, Mass.

The Commissioner of Public Works of the City of Boston, Room 506 (Contract Office), City Hall Annex, hereinafter referred to as the Awarding Authority, invites sealed proposals for furnishing and installing heating equipment at 650 Albany street, Public Works Department, Sanitary Division, Boston, Mass. Proposals will be received until 2 P.M., Thursday, December 8, 1955, at Room 506, City Hall Annex, Boston, Mass., and they will be publicly opened and read aloud immediately thereafter in the Hearing Room, Room 401, City Hall Annex.

Proposals must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of one thousand (1,000) dollars shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Subbidders bidding on the work of subcontractors shall use the proposal form prepared by and obtainable from the Awarding Authority.

All subbidders' proposals filed with the Awarding Authority shall be submitted in sealed envelopes plainly marked with the title of the work; division of the work for which bid is submitted; subcontractor's name; and subcontractor's business address. All such bids shall be in the possession of the Awarding Authority and delivered or mailed to the general contractor no later than 2 P.M., Monday, December 5, 1955.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the amount as specified in the following for the various subbid items of work as listed, shall be submitted by each subbidder with the copy of his proposal filed with the Awarding Authority: electrical work ($100). The bid deposit shall be in a separate envelope, plainly marked, "Bid Deposit."

Specifications and plans may be obtained on and after 11 A.M., Wednesday, November 23, 1955, at Room 506, City Hall Annex. There will be a charge of two (2) dollars not refundable, for each set of plans and specifications taken out.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 per cent of the contract price will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do. The Awarding Authority also reserves the right to reject all subbids on any item or items in accordance with the provisions of sections 44A to 44E, inclusive, of chapter 149 of the General Laws, as amended.

PLANS MADE AND APPROVED FOR WIDENING AND RELOCATION OF POPLAR STREET, WEST ROXBURY, FROM BEECH STREET TO HYDE PARK BOUNDARY LINE—PUBLIC IMPROVEMENT COMMISSION ACTS.

Plans have been made for the widening and relocation of Poplar street, in the West Roxbury district, by the Public Improvement Commission, with the approval of Mayor Hynes:

The Public Improvement Commission has ordered that a public improvement be made, consisting of the widening and relocation of Poplar street, West Roxbury district, from Beech street to the Hyde Park boundary line, bounded and described as follows:

The highway named Poplar street is hereby widened and relocated, from Beech street to the Hyde Park boundary line, with no construction.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to John A. Uriot *et al.*, bounded:

MEMBERS OF BEACON HILL ARCHITECTURAL COMMISSION NAMED BY MAYOR JOHN B. HYNES—SEEKS TO PRESERVE THE HISTORIC SECTION OF THE DISTRICT AND MAINTAIN IT AS LANDMARK OF EARLY DAYS.

Mayor John B. Hynes has announced the appointment of leading Boston citizens to the new Beacon Hill Architectural Commission. They are as follows:

John G. Greene, 6 Chestnut street, Back Bay, nominee of the Society for the Preservation of New England Antiquities; Isador Richmond, 16 Arlington street, Back Bay, nominee of the Boston Society of Architects; John Codman, 30 Charles street, Back Bay, nominee of the Boston Real Estate Board; Robert E. Minot, 9 Lime street, Back Bay, nominee of the Beacon Hill Association, and Boston Building Commissioner, Charles A. Callahan.

The commission was established by the Legislature last summer for the purpose of preserving the historic Beacon Hill section and to maintain it as a landmark of Boston's early days.

BOSTON LAUNCHES THE 1955 CHRISTMAS FESTIVAL WITH GREAT ECLAT — MAYOR JOHN B. HYNES TURNS ON LIGHTS AT CITY HALL TO OPEN FESTIVITIES — SINGING GROUPS OF CITIZENS SHARE IN PROGRAM — ILLUMINATION IN PROMINENT SPOTS ON COMMON AND PUBLIC GARDEN.

Boston has completed plans for the inauguration of the Christmas Festival season which opened officially this week. On Friday the first lights were turned on at City Hall, the Common, and the Public Garden. Mayor John B. Hynes officiated at the ceremonies at City Hall at 4.30 P.M., and from then until early in January, 1956, more than 1,000,000 citizens will enjoy the festivities.

Dr. Charles Munch, conductor of the Boston Symphony Orchestra, led 1,000 voices in singing Christmas carols. The Boston Naval Shipyard Band and choral groups shared in the opening events.

At 7 P.M., Mayor Hynes and members of the Christmas Festival Committee turned on the lights at the Common and Garden. The central feature this year is a crèche and a small New England-type church.

The Nativity Scene includes a flock of 50 sheep, attendant shepherds, and accompanying boys and dogs.

A large Christmas tree has been erected in the center of the Frog Pond, surrounded by small trees along the edge of the pond. Playland will be under a tent of lights which will contain eight white reindeer and features of toyland.

More than 10,000 small blue lights decorate one of the giant elms on the Common.

The Soldiers and Sailors Monument has been decorated, and there is a scene on the island of the Public Garden pool reproducing the painting called "The Madonna of the Pool."

Ten groups of Dickens' *Christmas Carol* figures have been placed on the Common, along with the New England-type church. Daily concerts are to be held from noon to 2 P.M. and from 7 P.M. to 9 P.M. Sundays the concerts will be from 2 P.M. to 4 P.M.

More than 100 choirs, glee clubs, and college groups have been engaged to take part. More than 4,000 singers already have been booked for the festival.

The city contributes about $9,000, and the balance of $15,000 to $17,000 comes from business houses and friends of the administration.

The Christmas Festival Committee concentrates on the Boston Common and Public Garden. Decoration of the downtown streets is handled by the Retail Trade Board and is entirely independent of the Christmas Festival.

The festival draws visitors from all over the country. Municipal officials from Washington, Milwaukee, St. Louis, San Francisco, and many New England cities and towns have journeyed to Boston to obtain information to assist them in duplicating the festival in their own communities.

Chairman of the Christmas Festival Committee is Harry Blake, former president of the Greater Boston Chamber of Commerce. Lloyd Brace, president of the First National Bank of Boston, is chairman of the Finance Committee, assisted by Ephron Catlin, vice-president of the First National Bank of Boston. Chandler Bigelow, vice-president of the Old Colony Trust Company, is serving as treasurer.

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean;
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

From Boston Centennial Poem by
NATHAN HASKELL DOLE.

Concrete Pipe.—Z. & S. Construction Company, Inc., $8,675; Bagarella Construction Company, Inc., $9,327.50; R. A. Buccella & Sons, Inc., $9,820; Joseph Capone & Son, $10,005; Edward Vozzella, $11,327.50; C. Russo, Inc., $11,440.

WITHOUT ADVERTISING.

Upon varying dates as indicated the Mayor approved contracts with contractors and commercial houses for furnishing labor, supplies, etc. Communications from heads of the departments interested were as follows:

ADMINISTRATIVE SERVICES DEPARTMENT

Purchasing Division.

BOSTON, November 14, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This department is in receipt of a requisition from the Boston City Hospital for immediate delivery of 24 double-height hospital beds.

Prices have been solicited from several dealers. The lowest bidder and only bidder offering immediate delivery is the Thomas W. Reed Company at $80 each.

Inasmuch as immediate delivery is needed and competitive prices have been solicited, it is requested that permission be granted to dispense with advertising and award a contract, without advertising, to the Thomas W. Reed Company for 24 double-height hospital beds, as per contract specifications, at $80 each, less 2 per cent, ten days.

Total amount of contract will be $1,920, less 2 per cent, ten days.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

—

BOSTON, November 14, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This department is in receipt of requisitions from the Printing Section for certain items of equipment for immediate delivery. An extensive survey of the needs of the Printing Section has been made and each piece of equipment selected is best suited for its particular use. Written quotations have been received direct from the manufacturer, or manufacturer's representative, in each case. It is my opinion that no advantage would be gained by publicly advertising.

It is therefore requested that permission be granted to dispense with advertising and award contracts, without advertising, to the following companies at the prices indicated:

Dexter Folder Company.—One Model MS Cleveland folding machine, as per contract specifications, $8,885, net, 30 days.

Samuel Stephens & Wickersham Quoin Company.—One Model FM multipress, as per contract specifications, $3,167.50; one Hammond G-44 glider trimo saw with accessories, as per contract specifications, $941; one No. 7 Boston wire stitcher, as per contract specifications, $734.62; 875 pieces iron furniture, $591.84 lot; one monotype keybar cleaning machine, $354; one font No. 1204C02 Hamilton wood furniture, as per specifications, $100.75—$5,889.71, net.

Pump Equipment & Engineering Company.—One compressor with accessories, as per specifications, $2,218, 2 per cent, ten days.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

—

BOSTON, November 15, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

On September 23, 1955, your Honor approved permission to award contracts for hospital equipment to various companies. One of the contracts was to be with Atlantex Corporation, the lowest bidder, for one horizontal radiographic table with Bucky diaphragms, as per specifications.

The present equipment with which this unit is to be used is of General Electric manufacture. It has now been ascertained that although the equipment of the lowest bidder, Atlantex Corporation, does meet specifications, it would be in the best interest of the hospital to purchase General Electric equipment. Any other type of equipment would necessitate the purchase and installation of adapters which would increase the cost to more than that of General Electric Company, the fourth lowest bidder.

It is therefore requested that permission be granted me to award a contract instead to the General Electric Company X-Ray Department, for one horizontal, radiographic table, as per specifications, and at the price submitted on proposal No. 136, publicly opened in this office on August 31, 1955.

Approximate total amount of contract will be $1,250, net, thirty days.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

BOSTON, NOVEMBER 15, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

It has recently come to my attention that the oil-burning equipment located in the boiler room of the Printing Plant is not only inefficient and ineffective but constitutes a highly dangerous condition. This is a situation necessitating immediate attention.

Informal proposals and specifications were obtained from three heating contractors for doing the necessary work to relieve this hazardous condition and furnish the plant an efficient modern heating system. The proposals ranged from $8,547, the low bid, to $9,448, the high bid.

Inasmuch as time is of the essence, I believe it is in the best interests of the city to dispense with public advertisement. Therefore, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Frank T. McDonald Company, in accordance with the specification submitted by this company. The lowest bid was submitted by this company.

Approximate total amount of contract will be $8,547, net.

Respectfully yours,

JOHN V. MORAN.
Purchasing Agent.

BUILDING DEPARTMENT.

BOSTON, November 16, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This department, in the interest of public safety, and with your approval, under the provisions of chapter 479, Acts of 1938, as amended, section 116 (d), entered the premises 193 West Newton street, Ward 4.

This is a Type IV dwelling, fully occupied, in which it was reported to this department that a section of the basement wall had collapsed, endangering the entire structure. Our examination disclosed that this condition was as described. We have endeavored to compel the owner to make the necessary repairs; he professes to be unable to do so. It becomes incumbent, consequently, on this department to enter the building and make said structure safe.

In the usual manner we have solicited bids from contractors familiar with this type of work. These bids are as follows: Michael J. Reardon, $1,375; Joseph White, $2,375.

The department has authorized temporary shoring of the structure which, of course, offers no permanent solution.

The public safety so requiring and the matter being urgent, your Honor's approval is requested for the awarding of the contract in the sum of $2,375 to Joseph White, without advertising.

Very truly yours,

THOMAS L. FLYNN,
Acting Building Commissioner.

EXTRA WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

P. V. Barone Corporation has been directed to perform the following extra work under the contract for bituminous concrete pavement in Arvale road, Auriga Street Extension, Banton street, Bantry Way, Colebrook street, Garfield avenue, Hillis road, Newland street, and Westville terrace, dated June 13, 1955:

In Arvale road, remove two abandoned gas lamp posts, including cutting pipe at main, excavation, and all other incidental work, for the sum of $20 each.

From Hillis road, deliver to Hyde Park Paving Yard approximately 84 linear feet of new straight edgestone at $2.37 per linear foot.

In Banton street, cut four existing steel rails that are now projecting into sidewalk area from walk on private property for the sum of $15.

Estimated cost of extra work, $254.08.

George M. Byrne has been directed to perform the following extra work under the contract for demolition work and repairs to fender system and water pipe trestle, Dover Street Bridge, over Fort Point Channel, dated October 19, 1955:

Approximately 350 linear feet of wooden piles, furnished, driven, cut off, and incorporated in the new work, all where and as directed, at a unit cost of $1.50 per linear foot.

Estimated cost of extra work, $525.

OMIT AND SUBSTITUTE WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

P. V. Barone Corporation has been directed to omit and substitute the following work under the contract for bituminous concrete pavement in Arvale road, Auriga Street Extension, Banton street, Bantry Way, Colebrook street, Garfield avenue, Hillis road, Newland street, and Westville terrace, dated June 13, 1955:

In Arvale road, omit the removal of one tree over 24 inches in diameter, including the removal of stump, etc., at $150.

In Arvale road, substitute the removal of one tree over 24 inches in diameter, including the cutting of the stump 6 inches below grade of sidewalk to prevent damage to adjoining building foundation wall, for the sum of $150.

Estimated cost of omitted work, $150; estimated cost of substituted work, $150.

EXTENSION OF CONTRACTS.

PARKS AND RECREATION DEPARTMENT.

William P. Herlihy has been granted an extension of time until December 1, 1955, for the completion of the contract for constructing a new play area at Franklin Field, Dorchester.

PUBLIC WORKS DEPARTMENT.

Approval has been given for an extension of time for the completion of the contract with Martin J. Kelly Company, Inc., 75 Stedman street, Jamaica Plain, for redecking Redfield Street Bridge, over New York, New Haven & Hartford Railroad (Neponset), from November 6, 1955, to December 31, 1955. This extension was requested due to extensive steel repairs which were necessary, and which took longer than anticipated by the railroad company, thus delaying the work being done for the city.

DELAYED OPENING OF SCHOOLS

The following extract from the Conference Notes pertaining to the delayed opening of schools was ordered spread on the record of the meeting:

Mr Lee: Madam Chairman, there has been no meeting held on that, as far as I know. I had hoped that Dr. Spellman would be here for this medical question. I believe the Superintendent has tried to locate him.

Superintendent: He said he would call in. Mr. Lee. Mr. Herlihy called his office, and he said that he would call in. Isn't that true, Mr. Herlihy?

Mr. Herlihy: That is true. He is going to call in.

Superintendent. Yes.

Mr. Lee: If he is not here, I am a little at a loss. I realize that three members of the Committee held a conference. I held a conference with the Superintendent earlier that day. We can all hold conferences. There was no officially called meeting; and, now that it comes to an official action on such an important point, I should think it ought to be handled with the greatest care and deliberation.

Chairman: Perhaps the Superintendent, who has been in conference with the medical authorities every day, could give us further background Would you care to do that at this time?

Mr. Lee: Does he want to give us a recommendation?

Superintendent: Mr. Lee and members, the Committee on Thursday, September 1st met informally—not in a conference and not in a public meeting, because the School Committee cannot meet in conference or in public meeting without waiving their rights to a notice. Isn't that true, Miss Reynolds?

Secretary: For the School Committee meeting. They could hold a conference without a notice, but for the Public Meeting they must have notice.

Superintendent: For Public Meeting?

Secretary: Yes.

Chairman: That is right.

Superintendent: So at least three members of the Committee were there. Mr. Lee, by the way, had talked with me earlier that day. Then Miss Fitzgerald, Mr. Museo and Mr. Carr met with me later in the day, around 3:30; and present at that conference at approximately 3:30 on Thursday was Dr. Spellman, along with the three members of the Committee, and myself, and Monsignor O'Leary, the Superintendent of Parochial Schools.

Now, the School Committee weighed all of the various problems concerned informally and listened to what I had to recommend and what Monsignor O'Leary had to recommend, although, as he said, he was there without any portfolio as far as the Committee Conference was concerned; and then they discussed the matter with Dr. Spellman.

Now in the light of all of the discussion that took place on Thursday, three of the members agreed that it would be wise to delay the opening of school until the 22nd of September, and the members of the press, at the invitation of the Chairman, came in following the meeting.

Naturally I was followed by the press quite a bit that day, and I was also asked by Station WBZ to make a statement that could be recorded for the 11 o'clock News that night. I made this statement, which was recorded over the telephone, and I am not sure whether it was broadcast over WBZ although I think that it really expresses the ideas. This is what I said:

"The Boston School Committee, through Superintendent Haley and Dr. Martin Spellman, Director of School Hygiene, has been in constant contact with Dr. Cauley, Commissioner of Health for the City of Boston, and Dr. Feemster, Director of Communicable Diseases for the State, in regard to the serious problem of polio.

"It seemed to be the general opinion of the medical experts that the prevalence of polio was of such a degree in Boston, that there would be no added hazard in opening schools on schedule. However, as we approached the opening day of school, the anxieties and worries of parents increased.

"Realizing all the factors involved and appreciating the concern of parents about their children, the School Committee in a conference today deemed it advisable, to postpone the opening of schools until September 22nd.

"At this conference the Superintendent of Catholic Schools, Monsignor O'Leary, was present, and he stated that he would follow the plan of the public schools in Boston, and that they would reopen on September 22nd.

"It is hoped by all that by this date, the incidence of polio will have decreased far below normal for this time of year in Boston."

Now in the conference with the three members of the Committee, Dr Spellman expressed the approval of postponing and I think he said—and I am not trying to quote him—that he still felt that perhaps the incidence would not be increased any by opening schools; but that he did feel that the emotions and fears, if I may use that word, and anxieties and worries of the parents, would be alleviated by not opening schools on schedule and, with that in mind, he felt that we should postpone the opening of schools until the 22nd.

Now, immediately following that informal conference I telephoned to Dr Cauley and located him at the State Department of Health in conference with some other doctors, I told Dr. Cauley how three of the members of the School Committee felt in regard to the matter and their agreement to postpone the opening of schools until the 22nd, and Dr. Cauley said that he approved of that plan.

Chairman: Any further questions of the Superintendent?

Mr. Lee: Yes. What impresses me is that like almost everything else, there seem to be two sides to this thing. On the one side are the medical men, who, according to all the newspapers, think the children are as well or better off in the unrushed, clean atmosphere of the classroom, with nurses in attendance, as we have in every school district, and with a physician making daily visits, and an alerted force of teachers.

So that the men who have dedicated their lives to protecting the health of children seem to be on one side, saying that we might as well open. And on the other side are those whom these same medical men describe as giving way to psychological worries against the weight of evidence.

Dr. Feemster says it is an emotional act not a reasonable one.

I could read you the same reams of quotations that you have probably already read out of several newspapers I have, which stress that it is a psychological factor rather than a medical factor and with all the physicians still saying they still believe the schools should be opened.

So that we see the medical men who have given their lives to this matter on one side of the fence.

Now, weighing in the anxieties of parents has its place, too. Nobody wants to cause parents needless anxieties. It is my feeling that the action of certain members of the Committee last Thursday increased anxiety rather than lessened it, but in my own experience I've got two letters urging that schools be opened later. I've got two personal appeals urging that schools be opened now, and that's all that I have received. I have had no telephone calls, and that makes a perfect balance.

I may perhaps be influenced by the situation in the West End where I live, and where there have only been two cases of polio. I happen to know the father of one of the girls who came down with the disease. He is a close friend of mine, and I happened to walk in on him at his place of work on Sunday and heard him saying that if schools had been opened during the summer his daughter would not have had polio, and he hoped for the sake of his other daughters that schools would open promptly. So that was firsthand from one of those who had been touched by the disease.

As I said, outside of the personal appeal of another person, a woman in the West End—who is very well acquainted with people there, and is very active—this was the only call I received. This woman, for her part, said it had been a hard summer with a great deal of heat in the big buildings of the West End and the crowded streets, and she hoped that schools would open on time and the kids could go back to an atmosphere where

their conduct was more controlled and more serene and where there were nurses and medical men around.

So that is my own personal experience. Beside noting that the medical men favor opening, I have found the matter to be about fifty-fifty as far as people who have communicated with me are concerned.

So it seems to be a two-sided sort of a situation.

Mr. Carr: Madam Chairman, may I point out to my fellow member that it seems to be more than a 50-50 question now. As you will recall I brought this matter up last Tuesday. At that time it was decided by this Committee to let it takes its course. Then, by Thursday, we had that conference.

On Tuesday, when we brought it up it was decided to let it go. Up until the time this Committee saw fit to postpone the opening of schools, or at least expressed the sentiments of two members towards postponement there were only about four or five cities in the Commonwealth that had postponed previously. Since then there have been at least 106 school systems in the Commonwealth that have postponed school, and you might say they have followed Boston.

It is apparent that the concern over this polio and the opening of school was not only in this particular locale but seems to be widespread. Whether or not the medical men feel that the polio incidence will rise or not, it seems to be of greater value that the concern of the parents of these children be alleviated. I think it is proof of our wisdom that since we took action last Thursday, we have had, as I said before, 106 school systems follow in postponing their school openings.

If it is appropriate now I would like to move formally that the opening of schools be postponed by this Committee until September 22nd.

Chairman: You have heard Mr. Carr's motion. I think both sides of this question have been expressed. Are you now ready for the question?

Mr. Lee: No, Madam Chairman, I will say this. I am, in the first place, painfully aware that I do not have a license to practice medicine in this Commonwealth, and therefore I am most anxious to abide by the recommendations of a man whom we do engage as head of our Department of School Hygiene, and who, as quoted by Mr. Haley and by the daily newspapers, thinks there would be no added hazard in opening on time, and still feels that the incidence of polio is not increased by opening on time. If you have a watchdog it is good not to try to bark for him. Let him do the barking. I think we have a wonderful watchdog in Dr. Spellman, and I don't want to hold myself out as having a medical license as against his many years of outstanding medical service.

Mr. Carr: Well, Madam Chairman, I don't wish to attempt to quote Dr. Spellman correctly, but I think he did say at that conference that although he did not believe the opening of school would give rise to polio incidence in our school system, he did think that, because of what you might call hysteria or concern of the parents, it would be well at this time to postpone the opening of schools. I believe that is Dr. Spellman's recommendation, as I recall it.

Chairman: Yes. My recollection is that Dr. Spellman did approve of the Committee's action in delaying the opening, and even concurred in it—that hysteria and anxiety was at such a point that it was his opinion that the School Committee had acted rightly or that the members expressed an intention of acting rightly in not opening the schools.

So now we have the motion before us. Could we now have the roll call?

Mr. Lee: Madam Chairman, this is a very important matter. I still would like to give it a few minutes' more time. As a matter of fact, even though I think we ought to go by the words of our medical men—and that would be my normal reaction—I still also am cognizant of two things: that some parents are alarmed and, contrary to medical evidence at least, think that there would be danger in opening the schools, and I am perfectly sympathetic to the anxieties of parents even thought the parents may be mistaken, in the judgment of medical men and in my judgment.

So that I am not necessarily saying that I would have moved, had I spoken first, for opening of schools on time, but I was going to ask Mr. Carr this:

Do you think perhaps, Mr. Carr, it might assuage and calm the fears and alarms of some parents and might reinforce the hand of the medical men, and might, so to speak, spread the good tidings that the medical world has to offer on this subject, if you modified your motion by calling for a week's postponement, with the Committee to meet again say a week from today, and then coupled onto that a reminder to the public that if a parent chooses to hold his child out a second week, why, at least the law does not get after them for some seven days, and there would be a margin of discretion? Would that perhaps bring a little good news to the people of Boston and allay an anxiety which perhaps is causing undue distress?

Mr. Carr: Madam Chairman, I can see Mr. Lee's viewpoint, but I don't think it would be wise at this time. We know that the people have had constant concern about this matter. Whether or not the mothers called Mr. Lee, I received many calls at home and many at my office here, and I know from different polls taken by the newspapers and the calls that were received at the Mayor's office—.

Chairman: And here at the School Department switchboard.

Mr. Carr:—That is right—there is a great concern about this. And now if this postponement, and the date we have set for the 22nd, has given some relief to the parents, I don't think we ought to stir them up again by changing the date and causing them to alter their plans that they have made since the previous announcement.

I would like to see the Committee go along and leave the 22nd as the date in the hope that by that time—

Chairman: We will now have the roll call on Mr. Carr's motion.

Mr. Lee: What is the mathematics again? This date is what?

Chairman: September 22nd, a delay of two weeks, exactly.

Mr. Lee: That is on a Thursday?

Chairman: It is on a Thursday, yes.

Mr. Lee: And Mr. Carr is not going to modify his motion?

Mr. Carr: No.

Chairman: Mr. Carr apparently is not. We now have the roll call on Mr. Carr's motion.

Mr. Lee: September 22nd?

Mr. Carr: Yes.

—

Mr. Carr offered the following:

ORDERED, That the opening of schools be postponed to Thursday, Sept. 22, 1955.

On roll call the regulations were suspended and the order passed by the following vote:

YEAS—Mr. Carr, Miss Fitzgerald, Messrs. Lee and Musco—4.

TRIBUTE TO BOSTON RED SOX

Mr. Ward offered the following resolutions:

RESOLVED, That The School Committee of the City of Boston in meeting assembled hereby commends our Boston Red Sox for the gallant and glorious fight which they have made during the past baseball season. Like the historic Light Brigade of Tennyson's fame, they lost the Pennant but won the hearts and applause of all New England for their gallantry and their all-out effort to bring greater glory to our City. They will never know how many children they have inspired to be another Ted Williams or a Frank Sullivan.

Winning or losing our Red Sox always displayed the best sportsmanship and a spirit of never letting up until the last man was out. That is what we are endeavoring to instill in the 93,000 school children in our Public Schools—a spirit of never say die; and be it further

RESOLVED, That Mike Higgins be commended for his generalship and his humble and brilliant manner of directing the team; and be it further

RESOLVED, That Curt Gowdy and Bob Murphy be praised for the excellent broadcasts given in such an appealing manner.

We look forward to 1956 when we shall hear their pleasant voices again.

CIRCULAR OF INFORMATION—EVENING SCHOOLS

The following was offered:

ORDERED, That the Business Manager is hereby authorized to contract with the Eastern Color Printing Co., New York City, for the printing of 250,000 copies of the Informational Booklet pertaining to Evening Schools and School Centers, Department of Adult Educational and Recreational Activities, at a price of thirty-seven hundred twenty-seven dollars fifty cents ($3,727.50) plus delivery charges, without publicly advertising for competitive bids.

—

Mr. Lee: In urging the members to vote No on this I would like to call to their attention the fact that I think the timing is a little late for this year on the pamphlet, and I would like to see it stripped down to a little more factual report than it is, a little more purely informative, and I also think we have to keep an eye on the Budget of our Evening Schools. So I would recommend that it would be a little more prudent to postpone this appropriation until next year.

MALICIOUS DESTRUCTION OF SCHOOL PROPERTY

The following was presented by Mr. Musco:

I feel that the school officials should be made aware of the serious situations arising out of wanton acts of vandalism to our school buildings.

During the summer the more flagrant cases were covered by me so that a solution may be found tc prevent further mischief and cost to the city.

1. On Sunday, June 19th the Robert Gould Shaw School in West Roxbury was broken into by two young boys, students of 13 years of age, and damaged school property.

The Fire Department estimated damages at $250. Judge Casey ordered full reimbursement of all damages to furniture and fixtures on September 16. The parents of the two boys were required to pay $25.00 total damages on testimony of the School buildings inspector, and the boys were placed on probation.

Special recognition should be given Detective Edward T. Weiler and Patrolman Jeremiah J. Sweeney of Station 17 for conducting an extensive and successful investigation.

It is my recommendation that a letter of commendation be sent to Police Commissioner Thomas F. Sullivan praising their excellent inquiry and prosecution.

II. On Sunday, June 19th the Donald McKay School in East Boston was broken into by two 8th grade students of the school, and the building was flooded by opening of fire valves.

It was necessary to call off school for the rest of the year with the resultant drowning death of a fellow student. Damages were estimated by the Department of School Buildings in the amount of $18,516.96.

Judge Loschi ordered the two students to be committed to the Youth Service Board on August 24, 1955.

Special recognition should be given Patrolman Abraham Sooper and Patrolman James J. Feeney of Station 7 for their difficult but successful investigation. Commissioner Sullivan should be so notified, also.

III. On Saturday, September 10, 1955, the Dorchester High School was broken into and entered by six boys and two girls ranging in ages between 10 to 14, not students of the high school, and damaged considerable furniture and fixtures.

Damages were estimated by the School Buildings Department at $700.00.

Judge Lynch ordered the youths to probation for one year and the parents to pay for the damages to public property on September 27.

Special recognition should be given Detective Sgt. Francis P. McGuire, Detective Thomas V. McDonough, Detective Leo F. O'Neil, and Patrolman Thomas Martin of Station 19 for conducting this successful investigation. Commissioner Sullivan should be so notified.

Inasmuch as the majority of vandalism occurs on Saturdays and Sundays in our School Buildings, I strongly urge that coverage and cleaning activities be affected by our custodians to prevent the alarming rise of malicious mischief to our school buildings.

We are getting splendid cooperation from the Juvenile Courts by their prosecution of youngsters and parents with grim and vigorous determination to put an end to this wanton abuse of public property in Boston. This is an effective deterrent to our school damage problems.

This report calls to your attention item No. 3 of the recent remedial program recommended by the Board of Superintendents studying Juvenile Delinquency, namely:

3. Enactment of a law making parents "legally responsible for damages caused to property by the tortious acts of their children."

VEHICULAR TRAFFIC THROUGH SUMNER TUNNEL IN 1953 BREAKS ALL RECORDS—TOTAL OF 10,835,670 VEHICLES USED TUBES—1,251,698 MORE THAN PREVIOUSLY.

Vehicular traffic through the Sumner Tunnel for the year 1953 was 13 per cent higher than in the year 1952. This was revealed in figures made public from the office of Public Works Commissioner George G. Hyland this week.

According to the Commissioner a total of 10,835,670 vehicles used the tunnel in 1953, to break the previous record of 9,583,972 vehicles established in 1952. The increase in 1953 over 1952 totals 1,251,698 vehicles.

TUNNEL TRAFFIC IN MAY.

In the month of May, 1954, 1,031,226 vehicles used the Sumner Tunnel. This is the first time in the history of the tunnel that in excess of 1,000,000 vehicles used the facility in any one month.

In May of 1953, 979,920 vehicles went through the tunnel, or 51,306 less than May of this year.

PUBLIC RELATIONS PLANS BOARD MEETS FOR FIRST SESSION.

(*Continued from page 1429.*)

Subsequent sessions with the Public Relations Board will refine these ideas into a working program for recommendation to the Mayor and City Council and through them to the entire community.

During the next two months the Board, with staff assistance supplied by the Mayor's office, will take an inventory of the promotional resources available to us. The group will also start setting up the machinery for nation-wide dissemination of information about Boston.

The Public Relations Plans Board, which we believe is unique in municipal administration, is made up of experts from various sections of the country. All are officers and directors of Public Relations Management Corporation, New York, largest such organization in the country.

Members are: Paul A. Newsome (Chairman), President, Newsome & Co., Inc., Boston; Scott Wilson, President, Scott Wilson & Associates, Washington and New Orleans; Dale O'Brien, President, Mayer & O'Brien, Inc., Chicago and Los Angeles; Hamilton S. Putnam, President, Hamilton Putnam Corporation, Concord, New Hampshire; John F. Moynahan, President, John Moynahan & Associates, New York City.

REPORT OF DENNIS C. HALEY ON ATTENDANCE AT SUPERINTENDENTS' CONFERENCE.

(*Continued from page 1429.*)

Of particular interest were the discussions concerning expanded programs to meet the needs of exceptional children and slow learners. Although the majority of cities represented are guided by the principle that physically handicapped children are prepared for life more effectively in regular classes, 17 cities are conducting separate schools for these children. Fifteen cities have special classes for the blind. Four cities have classes for slow learners, and 14 cities provide subspecial classes.

Increased attention to the problems of the emotionally disturbed child and the child with reading difficulties was also manifest. In two cities emotionally disturbed children are given medical exclusions from school. In other cities they are exempted from attendance or given instruction at home by visiting teachers. Twenty-three cities now provide remedial reading courses in the junior high schools, and 18 cities have similar courses in the senior high schools.

It was also brought out that current program changes in junior high schools tend toward the teaching and integration of two or more subjects by one teacher. This procedure tends to overcome fragmentation of subject and pupil interest and provides a more gradual transition to the departmental program of senior high school, with a consequent reduction in the number of dropouts.

Discussions also indicated that the class load in high school is from 25 to 30 pupils per teacher. On the average, teachers are assigned for 25 periods per week with several days of lunchroom duty. Although some cities have a six-

hour day exclusive of the lunch period, the majority limit the school day to five and one-half hours.

Practices and procedures relating to supervision were considered. Although it was established that there is no uniform practice in the high schools, the majority of school departments depend on head masters and department heads within the individual schools to supervise specific subjects. In general there is a preference for this type of vertical supervision in the high schools and horizontal supervision in the elementary schools. The procedure in the Boston public schools is in conformity with these preferred practices.

Eight cities reported that pupil accident insurance plans are now in operation. In four of these cities premiums are collected in the schools. In two states, however, the attorney generals have ruled that it is not the function of the Board of Education to serve as agent of an insurance company; and in a third state legislation allows the distribution of literature describing such insurance, but prohibits the collection of premiums by the School Department.

Although many other topics were discussed, the most fruitful and important conferences were concerned with the enrichment of the curriculum and the expansion of special educational services to provide for the maximum development of individual abilities that every pupil in the public schools may have every possible opportunity to prepare for happy and productive membership in our society.

Respectfully submitted,

DENNIS C. HALEY,
Superintendent of Public Schools.

TO DISCUSS METROPOLITANIZATION OF BOSTON.

Thomas F. McDonough, Chairman of the City of Boston Planning Board, represented the Hon. John B. Hynes, Mayor of Boston, at the meeting of the Needham Taxpayers' Association on Thursday, December 1, at 8 P.M.

The Mayor, who was unable to be present due to unforeseen circumstances, had asked Mr. McDonough to speak on the Metropolitanization of Boston, a subject with which Mr. McDonough is familiar, being regarded as an expert on the subject.

The speaker presenting the opposite view was Charles Greenough, Chairman of the Metropolitan District Commission for the Commonwealth of Massachusetts.

NEW LETTER MAILING REQUIREMENTS.

ADMINISTRATIVE SERVICES DEPARTMENT.
Room 50, City Hall.

November 21, 1955.

To All City Departments.

Effective immediately, the Printing Department will not fill requisitions for stamped envelopes.

Mail being dispatched through the Mailing Room (located on the second floor, City Hall Annex), will be metered for outgoing postage in that office.

Departments desiring to obtain envelopes to be mailed from outside locations to departmental main offices will requisition from the Purchasing Agent the required quantity of return envelopes, not to exceed a six months' supply, furnishing a sample envelope prepared as indicated below:

From .....

.....

.....

NO POSTAGE NECESSARY, POSTAGE HAS BEEN PREPAID BY

PAVING SERVICE, P.W.D.
ROOM 501, CITY HALL ANNEX
BOSTON 8, MASS.

When the printed envelopes are received from the Printing Department, the envelopes should be delivered to the Mailing Room by the department concerned, where the envelopes will be run through the meter machine. The metered envelopes will then be returned to the department for distribution to the outside units.

Very truly yours,

CHARLES J. FOX,
Director.

CONTRACTS AWARDED.

Permission to award the contracts for work, materials, and supplies, in accordance with recommendations of department heads, has been approved by the Mayor.

ADMINISTRATIVE SERVICES DEPARTMENT.

Purchasing Division.

Upon September 18 the Mayor approved a contract with lowest bidders as requested in the following letter:

BOSTON, September 8, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

Attached is tabulation of bids received on proposals for furnishing automotive equipment to the various city departments. These bids were publicly opened and read in this office on July 27, 1955.

BUILDING DEPARTMENT.

BOSTON, November 7, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

Under date of October 27, 1955, I asked your Honor's permission to award a contract, without advertising, to the Central Building Wrecking Company for the razing of the buildings numbered 2780-2786 Washington street, Ward 12 (sometimes described as 2780-2784 Washington street). The bid of the Central Building Wrecking Company was $1,495.

It now develops that on Friday, October 28, 1955, there was a fire which completely damaged the second and third floors of these buildings as well as the piazzas.

The Wrecking Company asked to be relieved of compliance with his bid on the grounds that the salvage value of the building was seriously lessened.

We have consequently solicited new bids and they are as follows:

American Building Wrecking Company, $3,435; M. J. Reardon, $2,796; City Building Wrecking Company, $2,295; Central Building Wrecking Company, $1,740.

The interests of the city and of public safety so requiring, I ask your Honor's approval to accept the bid of the Central Building Wrecking Company in the amount of $1,740, without advertising.

Very truly yours,

CHARLES A. CALLANAN,
Building Commissioner.

FIRE DEPARTMENT.

BOSTON, November 16, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR SIR:

Your Honor's permission is requested to execute a contract, without publicly advertising for bids, with the Bethlehem Steel Company, 256 Marginal street, East Boston, for dry-docking and making repairs to fireboat, Engine 31, for a sum not to exceed four thousand four hundred seventy-one dollars ($4,471).

The fireboat is now out of service, due to a defect to the propeller and propeller shaft. The boat should be returned to service as quickly as possible for the proper protection of the water front, inasmuch as we have only one other boat available for service at the present time.

The Bethlehem Shipbuilding Company is the only concern which would submit a bid for doing this work which must be completed at the earliest possible time.

This is emergency work and, in my opinion, no advantage would be gained by the city in publicly advertising the repairs, inasmuch as the price quoted by the Bethlehem Steel Company is reasonable. It is also my opinion that no lower price could be obtained by the Fire Department for doing the said work.

Respectfully yours,

FRANCIS X. COTTER,
Fire Commissioner.

MAYOR'S OFFICE.

BOSTON, November 10, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

I respectfully request your authorization to dispense with the customary public advertising and to engage the services of Emerson Electrical Manufacturing Company, 650 East Third street, South Boston, Mass., by written contract in the sum of $5,060, providing for the furnishing of all the electrical facilities, materials, and labor required to illuminate the large elm tree with 10,000 lamps, as well as to set up the "tenting of lights" at Playland, all at the Boston Common, in connection with the 1955 Christmas Festival.

This electrical contractor has carried out such work on behalf of the City of Boston on numerous prior occasions, including the Christmas Festival of last year, and its services and materials have always been of the highest quality. In addition, the contract cost is a fair one, and this firm carries property damage and personal injury insurance coverages in limits of $300,000-$300,000 and $300,000-$500,000, respectively.

In the light of the above, it is felt that public advertising would serve no useful purpose.

Respectfully yours,

PAUL H. HINES,
Festival Director.

CHANGE IN CONTRACT.

DEPARTMENT OF SCHOOL BUILDINGS.

Warner W. Walsh has been ordered to perform the following additional work under the contract for the East Boston High School:

Paint entire interior of Room 228, for the sum of $285, and the amount of $285 will be added therefor, making the account as follows: contract price, $11,347; total additions, $485; amount of contract, $11,832.

EXTENSION OF CONTRACT.

DEPARTMENT OF SCHOOL BUILDINGS.

Approval has been given for an extension of time for the completion of the contract with Warner W. Walsh for interior and exterior painting at the East Boston High School, from November 15, 1955, to December 31, 1955. This extension was requested because of additional work requested by department.

—

Approval has been given for an extension of time for the completion of the contract with M. Solimando for general modernization work at the Girls' Latin School, from September 30, 1955, to November 30, 1955. This extension was requested because of additional work requested by the department.

PUBLIC WORKS DEPARTMENT.

Approval has been given for an extension of time for the completion of the contract with John J. Amara & Sons, 1019 Hyde Park avenue, Hyde Park, for bituminous concrete pavement in Ballou avenue, Brookview street, Floyd street, Harwood street, Jones avenue, Stratton street, Wilcock street, and York street, from October 1, 1955, to June 30, 1956. This extension was requested because work was delayed by inclement weather.

LAND-TAKING IN EAST BOSTON.

The Public Improvement Commission has ordered that due notice be given that this commission is of the opinion that public necessity requires the taking of a parcel of land, for school purposes, situated on Montmorenci avenue, East Boston district, supposed to belong to Dorothea Pastore, containing approximately 4,060 square feet, more or less, substantially as shown on a plan in the office of this commission, that it intends to pass an order for making said taking, and that it appoints 10 o'clock A.M. of Thursday, November 10, 1955, and the office of this commission, 401 City Hall Annex, as the time and place for a public hearing in the matter.

A true copy of an order passed by said commission on said day.

Attest:

MICHAEL J. CORRAO,
Secretary.

IN PUBLIC IMPROVEMENT COMMISSION, CITY OF BOSTON, November 10, 1955.

Whereas, The Public Improvement Commission has passed the aforesaid Order of Notice and has caused a copy of said order to be published October 28, 29, 31, November 1, 1955, in the Boston *American* and the Boston *Herald,* and October 29, 1955, in the *City Record,* and has given the public hearing, notice of which was given in said order; and

Whereas, The Department of School Buildings of the City of Boston, with the approval of the Mayor, has selected, designated, and requested the Public Improvement Commission of said city to take for said city for Department of School Buildings purposes the land hereinafter described, in that part of Boston formerly East Boston; it is

Voted, That the Public Improvement Commission of said City of Boston, acting under the provisions of chapter 486 of the Acts of the Legislature of 1909 and chapter 79 of the General Laws and all other authority thereto enabling, hereby takes in fee for said city, for school purposes, the following-described parcel of land, including the trees, buildings, and other structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Dorothea Pastore, bounded:

Westerly by land taken by the City of Boston for school purposes from said Dorothea Pastore, under an order of this commission and Mayor dated June 10, 1955, sixty-three and 60-100 feet; southerly by the northerly line of Montmorenci avenue, sixty and 00-100 feet on a curve of nine hundred eighty and 00-100 feet radius; easterly by land taken by the City of Boston for school purposes from Luigi Ricciardelli *et al.,* under an order of this commission and Mayor dated June 10, 1955, sixty-eight and 14-100 feet; and northerly by land taken by the City of Boston for school purposes from Louis Vitale, under an order of this commission and Mayor dated June 10, 1955, sixty-four and 19-100 feet, containing four thousand sixty square feet, more or less.

Said parcel is shown on a plan marked "City of Boston, Faywood Avenue, Tower Street, Montmorenci Avenue, East Boston, June 8, 1955, George G. Hyland, Commissioner of Public Works," and on file in the office of said department.

Voted, That this commission determines that the undermentioned person sustains damages in her estate by the taking in fee of land on Montmorenci avenue, East Boston district, for school purposes, under the order of the commission of November 10, 1955, in the amount hereinafter mentioned, and awards said amount therefor.

Dorothea Pastore, 4,060 square feet, $1.

PROCEEDINGS OF CITY COUNCIL.

Monday, November 14, 1955.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 2 P.M., President HURLEY in the chair, and all the members present.

The Reverend Francis J. O'Neil, S.J., of St. Mary's Roman Catholic Church, Boston, was escorted to the rostrum.

INVOCATION BY REV. FRANCIS J. O'NEIL.

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

God, ever-vigilant Father of all who call upon Thee, look with favor on these your servants, gathered in this chamber. Through your watchful presence, may the decisions of this Council reflect the wisdom and justice of which You are the exemplar. Do not permit ignorance to lead them along separate paths, nor predjudice to sway their minds. Let Your truth unite them in harmony. Enlighten their minds; make their tongues slow to accuse and quick to defend one another. Do not permit unchecked ambition to pervert their judgment, but may they always be mindful of those whose rights they represent, and of You, whose authority they partake. Finally, recall to their minds the words of Solomon, that wise and princely ruler, "Unless the Lord keep the city, he watches in vain who keeps it."

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

The meeting was opened with the salute to the Flag.

Coun. WHITE in the chair.

APPOINTMENT BY THE MAYOR.

Subject to confirmation by the Council, the Mayor submitted the following appointment:

Weigher of Goods for the term ending April 30, 1956: Arthur B. Hall, Jr., 50 Hull street, Boston.

Referred to the Committee on Confirmations.

LAUNCHING RAMPS FOR SMALL BOATS.

The following was received:

City of Boston,
Office of the Mayor, November 7, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Commissioner of Parks and Recreation relative to your order of October 31, 1955, concerning the construction of launching ramps at East Boston, Charles River Basin, City Point, and suitable point or points in Dorchester, for the launching of small boats customarily towed to shoreline by automobile, on light trailers.

Respectfully,
J. B. HYNES, Mayor.

—

City of Boston,
Parks and Recreation Department,
November 4, 1955.

Harold B .Flemming,
Chief Clerk, Mayor's Office.
Dear Sir:

I desire to acknowledge your memorandum of November 2, 1955, with attached order of Councillor Foley, dated October 31, 1955, that his Honor the Mayor be requested to ask the consideration of the Board of Parks and Recreation of a proposal to construct launching ramps at East Boston, Charles River, City Point, and suitable point or points in Dorchester, for the launching of small boats customarily towed to shoreline by automobile, on light trailers.

The Charles River Basin and City Point areas are now under the control of the Metropolitan District Commission, and it is possible that the East Boston area will be under the control of the same commission.

We shall give consideration to the construction of ramps at East Boston if this area is not under the jurisdiction of the Metropolitan District Commission.

Very truly yours,
FRANK R. KELLEY, Commissioner.

—

In connection with the foregoing message Coun. FOLEY offered the following:

Moved, That the original order be resubmitted to the Board of Parks and Recreation for their comment as to whether a balanced recreation program for Boston should include the providing of such facilities, and that the comment of the Board be requested on this problem, disregarding the question of assignment of responsibility for construction to a specific governmental agency.

The motion was carried.

The message was placed on file.

NIGHT LIGHTING EQUIPMENT, EAST BOSTON STADIUM.

The following was received:

City of Boston,
Office of the Mayor, November 7, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Commissioner of Parks and Recreation relative to your order of October 31, 1955, concerning permanent illumination at the East Boston Stadium suitable for night football.

Respectfully,
J. B. HYNES, Mayor.

—

City of Boston,
Parks and Recreation Department,
November 5, 1955.

Harold B. Flemming,
Chief Clerk, Mayor's Office.
Dear Sir:

I have your memorandum of November 2, with Councillor Foley's order of October 31, 1955, that the Board of Parks and Recreation be requested, through his Honor the Mayor, to determine the advisability and expense of equipping the East Boston Stadium with a permanent illumination system suitable for night football.

This matter will be given our attention.

Very truly yours,
FRANK R. KELLEY,
Commissioner.

SURVEY OF TRAFFIC CONDITIONS AT COLUMBUS AVENUE AND CENTRE STREET.

The following was received:

City of Boston,
Office of the Mayor, November 7, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Traffic Commissioner relative to your order of October 31, 1955, concerning traffic conditions at the intersection of Columbus avenue and Centre street in the Jackson Square section of Roxbury.

Respectfully,
J. B. HYNES, Mayor.

—

Boston Traffic Commission,
November 3, 1955.

Hon. John B. Hynes,
Mayor of Boston.
Dear Mr. Mayor:

With reference to the Council order of October 31, 1955, introduced by Councillor Hailer, and requesting that the Traffic Commissioner make a study of the traffic conditions in the Jackson Square section of Roxbury, I wish to report that we look forward to being able to provide relief in that section during 1956.

For years we have been prevented from redesigning the Jackson Square section because of the great expense that would be involved in the relocation of streetcar tracks and the alteration of streetcar operation.

However, it appears that in December the M.T.A. is going to discontinue streetcar operation in this section so that the city will be able to proceed to complete plans which have been long standing for the relief of traffic in Jackson square and also in Roxbury Crossing.

As the Traffic Commissioner is a member of the Public Improvement Commission, coordination of activities between these two departments is a regular procedure, so that no special meeting is required in this instance to accomplish what the Council order requests.

Respectfully yours,
WM. ARTHUR REILLY,
Commissioner.

STUDY BY CITY PLANNING DEPARTMENT OF M.T.A. PROBLEMS.

The following was received:

City of Boston,
Office of the Mayor, November 7, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Chairman of the City Planning Board relative to your resolution of October 3, 1955, concerning a survey being made regarding the economic relationship of the M.T.A. system in the downtown business area.

Respectfully,
J. B. HYNES, Mayor.

The City Planning Board,
October 28, 1955.

Hon. John B. Hynes,
Mayor of Boston.
Dear Mr. Mayor:

Concerning your request for consideration of City Council resolve dated October 3, 1955, regarding a survey of the economic relationship of the M.T.A. system in the downtown business area, I am reporting as follows.

The Board considered this resolve at its meeting on October 18. Inasmuch as consideration is presently being given to the possibility of our taking part in an economic base study, it was decided to forego any conclusions on this resolve pending further clarification of the aforementioned study. However, the order has been assigned to the Board's Subcommittee on Transportation for its consideration and recommendation.

Very truly yours,
THOMAS F. MCDONOUGH, Chairman.

PLAYGROUND FACILITIES AT ISLAND SECTION OF HYDE PARK.

The following was received:

City of Boston,
Office of the Mayor, November 7, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Commissioner of Parks and Recreation concerning your order of October 24, 1955, relative to providing land and playground facilities on a suitable site in the Island section of Hyde Park for the use of small children as a play area.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Parks and Recreation Department,
October 31, 1955.

Harold B. Flemming,
Chief Clerk, Mayor's Office.
Dear Sir:

I desire to acknowledge your memorandum of October 26, with attached order of Councillor McLaughlin that his Honor the Mayor be requested to direct the Park Commissioner to provide land and playground facilities on a suitable site in the Island section of Hyde Park for the use of small children as a play area.

The Chief Engineer of this department will make a survey of this particular section to ascertain if land is available for such a purpose.

Very truly yours,
FRANK R. KELLY, Commissioner.

ACCEPTANCE OF MARGO ROAD, BRIGHTON.

The following was received:

City of Boston,
Office of the Mayor, November 7, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Commissioner of Public Works relative to your order of October 24, 1955, concerning the accepting and laying out of Margo road, Brighton, as a public highway.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Public Works Department,
October 31, 1955.

Mr. Harold B. Flemming,
Chief Clerk, Mayor's Office.
Dear Sir:

With reference to Councillor Ahearn's order of October 24, 1955, please be advised that plans will be prepared in the near future so that Margo road, Brighton, can be considered in the planning for the 1956 highway construction program.

I regret that, due to the heavy backlog of engineering work, we are not able to include Margo road in this year's program.

Very truly yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

Placed on file.

SURVEY OF LIGHTING CONDITIONS AT HILBURN AND WHITFORD STREETS.

The following was received:

City of Boston,
Office of the Mayor, November 14, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Commissioner of Public Works relative to your order of October 31, 1955, concerning a survey being made of the lighting conditions at the corner of Hilburn and Whitford streets, West Roxbury.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Public Works Department,
November 1, 1955.

Harold B. Flemming,
Chief Clerk, Mayor's Office.
Dear Mr. Flemming:

This is in reference to the following order that was passed in the City Council under date of October 31:

"Ordered, That his Honor the Mayor is hereby requested to direct the Commissioner of Public Works to make a survey of lighting conditions at the corner of Hilburn and Whitford streets, West Roxbury, with a view to installing a new street light at or near this dangerous intersection."

An immediate street lighting survey will be made of the above-referenced intersection, and steps will be taken to provide whatever additional lighting facilities are deemed necessary.

I trust, therefore, that this matter will be adjusted satisfactorily.

Respectfully yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

RESURFACING EASTMAN STREET.

The following was received:

City of Boston,
Office of the Mayor, November 14, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Commissioner of Public Works relative to your order of October 31, 1955, concerning the resurfacing of Eastman street in the Dorchester section of the City of Boston.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Public Works Department,
November 4, 1955.

Harold B. Flemming,
Chief Clerk, Mayor's Office.
Dear Mr. Flemming:

This is in reference to the following order that was passed in the City Council under date of October 31:

"Ordered, That the Commissioner of Public Works be requested, through His Honor the Mayor, to take immediate steps to properly resurface Eastman street in the Dorchester section of the City of Boston."

A survey of the above-referenced street will be made immediately to determine its condition and the necessity of providing for its resurfacing. Due to the proximity of inclement weather, I question if we can take steps to resurface this street before the end of the current year, but we will make it safe and do everything within reason to comply with the provisions of the above-referenced order.

Respectfully yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

RESTORATION OF CERTAIN M.T.A. SERVICE IN CHARLESTOWN.

The following was received:

City of Boston,
Office of the Mayor, November 14, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the General Manager of the Metropolitan Transit Authority relative to your order of October 31, 1955, concerning the restoring of Sunday, Saturday, and holiday transportation along the Main Street area of Charlestown.

Respectfully,
J. B. HYNES, Mayor.

Metropolitan Transit Authority,
November 9, 1955.

Mr. Harold B. Flemming,
Chief Clerk, Mayor's Office.
Dear Sir:

In connection with the order of November 2 relative to Saturday, Sunday, and holiday service on Main street, Charlestown, we have reviewed the figures and found that this line runs only on weekdays in the same manner as many other lines do because the traffic offered on Saturdays, Sundays, and holidays was so light that the operation could not be justified, especially when it is in a territory parallel to rapid transit service.

Very truly yours,
EDWARD DANA, General Manager.

TRANSFER OF APPROPRIATION.

The following was received:

City of Boston,
Office of the Mayor, November 14, 1955.

To the City Council.
Gentlemen:

I am advised by the City Auditor that the original budget appropriation for "Executions of Court, Damage Claims and Reimbursements" has been exhausted, and that, in all probability, an additional allotment of $100,000 will be necessary to cover during the balance of the year payments of the character charged against this appropriation.

I submit herewith an order providing for, by transfer from various sources of available funds, the amount suggested by the Auditor.

I respectfully recommend adoption of the accompanying order by your Honorable Body.

Respectfully,
J. B. HYNES, Mayor.

Ordered, That in accordance with the provisions of section 3B of chapter 486 of the Acts of 1909, as amended by chapter 604 of the Acts of 1941, the City Auditor be, and hereby is, authorized to transfer:

From the appropriation for Police Department, Personal Services, $30,000, Health Department, Personal Services, $25,000, Library Department, Personal Services, $25,000, Fire Department, Personal Services, $20,000, to the appropriation for Executions of Court, Damage Claims and Reimbursements, $100,000.

Referred to the Executive Committee.

WELCOME TO FRENCH AMBASSADOR DE MURVILLE.

Coun. McCORMACK offered the following:

Whereas, Boston will be singularly honored this week by a three-day visit of his Excellency, Maurice Couve de Murville, French Ambassador to the United States; and

Whereas, The citizens of Boston and the Commonwealth of Massachusetts have a historical and traditional affinity to the great democratic country this distinguished visitor so well represents; and

Whereas, This visit by the French Ambassador provides an excellent opportunity for the City of Boston to demonstrate its undying gratitude, profound respect, and abiding affection for the contributions made to the American struggle for independence and the cause of freedom by "La Belle France," and the inestimable enrichment to the arts, sciences, and government of this land as a result of the many people of French ancestry and birth who settled within our city, state, and nation; therefore be it

Resolved, That the Boston City Council, in meeting assembled, bids sincere welcome to Ambassador Maurice Couve de Murville, and hopes that his stay in our fair city will be a memorable and happy one, and serve as a further example of the close bonds of friendship existing between America and France and the affection that the City of Boston has for her adopted sons and daughters of French ancestry and for the people of the great French republic.

November 23, 1955.

To: All Department Heads.

SUBJECT: Municipal Employees Achieve 100 Per Cent of Quota.

I am delighted to inform you that the Municipal Employees Group went over the top in the United Red Feather Campaign and achieved 100 per cent of its quota for the first time in many years. Needless to say, this splendid result would have been impossible without your wholehearted cooperation and that of the many people in your organization who served either as Group Chairmen or donors.

I am therefore taking this opportunity to express to you and through you to the members of your department my thanks and appreciation. Congratulations on a good job well done.

Sincerely,

JOSEPH L. MALONE,
Director.

V. COMMENDATION.

Fire Fighter James D. Regan, of Engine Company 52, is hereby commended for extinguishing a fire at 9 Revere street, Boston, on November 23, 1955, while off duty.

POLICE DEPARTMENT ORDERS.

General Order No. 2,130.

The resignation of Patrolman Robert J. Carey, Division 3, having been submitted, it is hereby accepted, to take effect Tuesday, November 22, 1955, at 1955, at 7.45 o'clock A.M., seven days' notice waived.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

General Order No. 2,131.

The following proclamation received from His Excellency Christian A. Herter, Governor, is published for the information of the department:

"THE COMMONWEALTH OF MASSACHUSETTS.

By His Excellency
CHRISTIAN A. HERTER, *Governor.*

A PROCLAMATION
1955

Motor vehicle traffic accidents continue to be one of the most critical problems in our Commonwealth. The extent of our exposure to highway traffic accidents is evident in the fact that we will issue 1,875,000 certificates of registration and have 1,990,000 licensed drivers operating 15,000,000,000 miles this year.

In order to demonstrate to everyone that traffic accidents can be reduced materially when all motorists and pedestrians do their part, the President's Action Committee for Traffic Safety in cooperation with national organizations and public officials are once again sponsoring 'Safe Driving Day' or 'S-D Day' throughout the United States. The date is Thursday, December 1.

President Eisenhower has given his wholehearted endorsement to this undertaking and has appealed to all Americans to enlist in it. Every state and every community is being asked to accept the challenge to remain completely free of traffic accidents for that 24-hour period. I fervently hope that the Commonwealth of Massachusetts will respond to this challenge gladly and that all of us will exert the most conscientious effort to achieve the accident-free goal.

The President has asked the Governors of the states to appeal to all city and town officials for their active support, and especially to ask them to cooperate with the many safety organizations which are participating in this undertaking.

Now, therefore, I, Christian A. Herter, Governor of the Commonwealth of Massachusetts, do hereby pledge full cooperation in this great and worthy effort and to that end proclaim Thursday, December 1, 1955, as 'Safe Driving Day' in Massachusetts. Registrar of

Motor Vehicles Rudolph F. King, Chairman of the Massachusetts Highway Safety Committee, is designated Director of 'S-D Day' activities which are state-wide in scope, and I appeal earnestly to all Mayors and Boards of Selectmen to designate Directors of 'S-D Day' programs in their own communities.

Given at the Executive Chamber in Boston, this twenty-first day of November, in the year of our Lord, one thousand nine hundred and fifty-five, and of the Independence of the United States of America, the one hundred and eightieth.

By His Excellency the Governor,
Christian A. Herter.

Edward J. Cronin,
Secretary of the Commonwealth.

God Save the Commonwealth of Massachusetts."

The Superintendent of Police will promulgate this order.

Thomas F. Sullivan,
Police Commissioner.

General Order No. 2,132.

Patrolman John L. Harris of the Traffic Division is commended and granted one week's extra vacation for meritorious police duty performed on November 23, 1955.

While on traffic duty, Patrolman Harris was informed by an employee that a holdup was in progress at the cashier's office in the basement of a nearby store. The officer directed his informant to sound a citizen's alarm from the police box and remain there to direct the responding officers. Patrolman Harris then proceeded to the scene of the holdup and, while descending the stairway to the basement office, was shot at twice by one of two men who had completed the robbery and were preparing to leave with a large sum of money. The officer discharged five shots at his assailant who fled through a service entrance. With one unexpended cartridge remaining, Patrolman Harris held the other culprit at gun point until the arrival of additional officers at which time he was disarmed of a loaded pistol. The company's funds were recovered in their entirety.

The commissioner is pleased to recognize the courageous and decisive action, while under gunfire, displayed by this veteran officer with many years of faithful service in the department. His conduct reflects credit upon all members of the Force.

The Superintendent of Police will promulgate this order.

Thomas F. Sullivan,
Police Commissioner.

General Order No. 2,133.

Patrolman Joseph L. Clark, Division 11, honorably discharged veteran, having arrived at the age of sixty-three years, having been in service of Boston Police Department for thirty-two years, and having requested retirement under provisions of section 58, chapter 32, General Laws (Ter. Edit.), as amended, it is hereby

Ordered, His Honor the Mayor having approved the same, Patrolman Joseph L. Clark will be retired from active duty in the Police Department, effective Tuesday, November 29, 1955, at 5.45 o'clock P.M.

The Superintendent of Police will promulgate this order.

Thomas F. Sullivan,
Police Commissioner.

CONSULATES IN ARREARS ON TAXES.

New York City reports that 12 foreign countries are in arrears a total of $416,985 in real estate taxes on 27 properties, most of them bought within the last 15 years as consulates and headquarters for United Nations delegations.

Nearly all of the defaulting governments claim the right to city realty tax exemption under treaties and international doctrines, but the city has refused to waive its claims. Total assessed valuation is $5,324,000, with $720,000 exempt from tax. Finland, the Netherlands, and Israel have kept their real estate accounts paid up to date.

CITIES GENERALLY DO NOT CONTROL PRIVATE PARKING RATES.

Review of numerous ordinances and other materials by AMA for a member league shows that cities do not generally exercise any control over rates charged for parking. Supply and demand seems to furnish the regulation needed. Generally, however, applications for a parking lot or garage license require that rates charged be set forth in the application, that rates be posted conspicuously at the entrance to the lot, and that rates cannot be changed without official written notice to the municipality.

—*American Municipal Association Report.*

Chicago is planning the installation of radio-controlled traffic lights, described as the first of their kind in the world.

In the beginning thirteen intersections will be radio-controlled, with the antenna on top of the Board of Trade Building south of the Loop business area. Traffic lights will be set to favor the prevailing flow of traffic at particular times of day. Neon signs will indicate to the driver how the signals are set. Cable control at 450 intersections would cost about $3,375,000, or several times the cost of the proposed radio control, City Traffic Engineer Leslie Sorenson explains. The cost of the initial radio installations will be $40,000.

Proposals for Deepening Fens Pond at Gate Houses, Roxbury.

The Commissioner of Public Works of the City of Boston, Room 506 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for deepening Fens Pond at gate houses, Roxbury. A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner, and each in the aum of 100 per cent of the contract price, will be required of the successful contractor. Forms of proposals may be obtained at Room 506 (Contract Office), City Hall Annex. Each proposal should be enclosed in an envelope, sealed, marked "Proposal for Deepening Fens Pond at Gate Houses, Roxbury," and left at Room 506 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. of THURSDAY, DECEMBER 15, 1955, with a certified check for TWO THOUSAND (2,000) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 506, City Hall Annex. *There will be a charge of two dollars ($2), NOT REFUNDABLE, for each set of plans and specifications taken out.* If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

FINANCE COMMISSION SEEKS TO REDUCE ANNUAL EXPENDITURES ON PART OF CITY DUE TO ACCIDENTS FROM HOLES, BREAKS, ETC., IN CITY'S PUBLIC WAYS—CALLS ATTENTION OF MAYOR AND CITY COUNCIL TO MAINTENANCE AND OTHER COSTS CHARGEABLE TO THIS GROWING SITUATION—MILLIONS SPENT FOR CONSTRUCTION AND MAINTENANCE.

CITY OF BOSTON,
FINANCE COMMISSION,
BOSTON, December 7, 1955.

To the Honorable the Mayor and City Council.

One of the largest of the regularly recurrent annual expenditures of the City of Boston is the amount spent for the purpose of providing good local streets. This money is used for construction of new streets, for reconstruction of old streets, and for maintenance of new and old streets. The total of these expenditures includes a considerable sum for new sidewalks on new streets and for new sidewalks on old streets; and for repair of sidewalks on old streets.

REPORT OF JAMES S. REARDON, SCHOOLHOUSE CUSTODIAN, ON ATTENDANCE AT CONVENTION OF THE ASSOCIATION OF SCHOOL BUSINESS OFFICIALS, IN CHICAGO, OCTOBER 16–20.

The following is the report of Schoolhouse Custodian James S. Reardon on his attendance at convention:

To the School Committee of the City of Boston.

The General Session was called to order at 10 A.M. on Monday morning by the chairman, Frank J. Hockstuhl, Jr., president. The invocation was given by Dr. Harry H. Kahn of the National Council of Churches. After a musical program by Shurtz High School Choristers, an address of welcome was given by Mayor Richard J. Daley of Chicago. He emphasized the role that school business officials may play in solving problems of mounting school enrollments, rising costs of education, and staff shortages.

MAYOR JOHN B. HYNES, THROUGH LAW DEPARTMENT, FILES 29 BILLS TO IMPROVE CIVIC CONDITIONS—CHIEF OF THESE IS MEASURE REQUIRING ANNUAL OVERLAY OF NOT LESS THAN SIX PER CENT—ALSO PROVIDES FOR FUNDING OF CERTAIN OVERLAY DEFICITS BY CITY.

Mayor John B. Hynes has filed with the Legislature, through the Law Department, 29 measures looking to the improvement and betterment of civic conditions. The most important of these is a bill requiring for a certain period in the City of Boston an annual overlay of not less than 6 per cent and providing for the funding of certain overlay deficits by the city.

This bill reads as follows:

A BILL REQUIRING FOR A CERTAIN PERIOD IN THE CITY OF BOSTON AN ANNUAL OVERLAY OF NOT LESS THAN SIX PER CENT AND PROVIDING FOR THE FUNDING OF CERTAIN OVERLAY DEFICITS BY SAID CITY.

SECTION 1. Chapter 533 of the acts of 1950 is hereby amended by striking out section 1 and inserting in place thereof the following section:—

Section 1. Notwithstanding any contrary provision of any general or special law, abatements granted after January first, nineteen hundred and forty-nine, and before January first, nineteen hundred and fifty-four, on account of taxes assessed by the assessors of the city of Boston in the years nineteen hundred and thirty-eight to nineteen hundred and forty-nine, inclusive, in excess of the overlay or overlays of such years, and abatements granted after January first, nineteen hundred and fifty-five, and before January first, nineteen hundred and sixty, on account of taxes assessed by said assessors in the years nineteen hundred and thirty-eight to nineteen hundred and fifty-five, inclusive, in excess of the overlay or overlays of such years, shall be set up on the books of said city in a special account to be known as the "Overlay Deficit Funding Account", and shall not be included by said assessors when assessing taxes in the year nineteen hundred and fifty-six or in any subsequent year; provided, however, that in the year nineteen hundred and fifty-six and in each subsequent year until said account has been liquidated in full, said assessors, when assessing taxes under section twenty-three of chapter fifty-nine of the General Laws, shall include a sum not less than four million dollars, which shall thereupon forthwith be applied in reduction of said account. If in the year in which said account is finally liquidated less than four million dollars is required to liquidate said account, the amount by which four million dollars exceeds the amount required to liquidate said account shall be used in reduction of any overlay deficit of the city then existing, or, if there is no such deficit, to a reserve fund for any such deficit thereafter accruing.

SECTION 2. Said chapter 533 is hereby further amended by striking out section 2 and inserting in place thereof the following section:—

Section 2. For the purpose of avoiding fractional divisions of the amount to be assessed in the apportionment thereof and providing for abatements granted on account of taxes assessed, the assessors of the city of Boston shall, in each year until the overlay deficit funding account set up under section one of this act is liquidated in full, add to the amount to be assessed in such year an overlay of not less than six per cent thereof.

SECTION 3. This act shall take effect upon its passage.

MAYOR HYNES, THROUGH LAW DEPARTMENT, FILES 29 BILLS IN LEGISLATURE.

(*Continued from page 1453.*)

Comment.

In Massachusetts, it is customary for municipal tax levies to include what is termed an overlay for abatements, which is a reserve against uncollectible taxes in such levy whether the uncollectibility be due to overvaluation or exemption or inability to collect or other cause. In Boston, this overlay has been 3 per cent of the tax levy since 1943, except in 1946, 1947, and 1955 when it was respectively 3.5 per cent, 3.307 per cent, and 3.5 per cent. Statistics, however, show abatements in Boston to exceed 6 per cent of the levy. In some years, they have aggregated as much as 10 per cent of the levy. Under existing conditions, therefore, a 3 per cent or 3½ per cent overlay cannot be said to be realistic; and it certainly is not at all consistent with a pay-as-you-go policy, although it would undoubtedly be adequate after a revaluation. A revaluation, however, is not yet underway and will take several years to complete. In the interim, a 6 per cent overlay policy would certainly be prudent; but the impact on the taxpayers of such a change in policy must be cushioned in some way. The above bill is designed to provide the cushion by covering into the Overlay Deficit Funding Account established by St. 1950, c. 533, the overlay deficits with respect to taxes for 1955 and prior years which the law otherwise would require be included in current tax levies.

The above-cited 1950 Statute creating the Overlay Deficit Funding Account made provision for funding therein abatements granted after January 1, 1949, and before January 1, 1954, with respect to taxes assessed in the years 1938 to 1949, inclusive, in excess of the overlays of such years. The account was to be liquidated by annual payments of not less than $2,000,000. Charges to the Overlay Deficit Funding Account were as follows:

Year Abatement Granted	Year Levy Relieved	Amount
1949	1950	$13,085,900 73
1950	1951	1,213,977 60
1951	1952	1,916,994 84
1952	1953	1,953,368 86
1953	1954	1,519,589 72
Total,		$19,689,831 75

Credits were $2,000,000 in each of the years 1950, 1951, 1952, 1953, 1954, and 1955, or a total of $12,000,000. After deducting miscellaneous adjustments aggregating $19,068.65, the unliquidated balance of the account now stands at $7,670,763.10, which, at the rate of $2,000,000 annually, would be liquidated in 1959.

Under the above bill, abatements granted in 1955 and in subsequent years to and including 1959, so far as in excess of overlays, would be added to the account, provided they relate to taxes assessed in 1955 or a prior year for which the overlay was less than 6 per cent. When it is taken into account that such abatements in 1954 amounted to $5,787,119.42, it is conceivable that such abatements may total as much as $20,000,000 in the aggregate, that is, may increase the Funding Account from its current balance of $7,670,763.10 to approximately $28,000,000. To expedite liquidation of the account, the minimum annual payment is increased from $2,000,000 to $4,000,000 so that, if the estimates are correct, the account would be fully liquidated in 1962.

Other bills presented by the Mayor are:

A BILL REQUIRING THE APPELLATE TAX BOARD TO INCLUDE IN ITS DECISIONS A REPORT SETTING FORTH THE PRINCIPAL REASONS THEREFOR.

Comment.

Most decisions of the Appellate Tax Board set forth no reason for the conclusion reached. The human mind is not accustomed to follow a result if it does not know the basis thereof and believe it to be sound. The above bill would require the Appellate Tax Board to include in every decision a statement of the principal reasons therefor so that the assessors may better determine whether to follow the decision in subsequent years.

A BILL PROVIDING FOR THE SERVICING OF MOTOR VEHICLES IN OFF-STREET PARKING FACILITIES OWNED BY THE CITY OF BOSTON.

Comment.

The purpose of this bill is to permit off-street parking facility leases hereafter executed to contain an article authorizing and directing the lessee to provide for the servicing of a motor vehicle while it is parked therein.

A BILL ESTABLISHING EXCLUSIVE AUTHORITY IN THE BOSTON TRAFFIC COMMISSION TO DESIGNATE STREETS FOR COASTING IN THE CITY OF BOSTON.

A BILL RELATIVE TO THE POWER OF CITIES AND TOWNS TO APPROPRIATE MONEY FOR PROVIDING PROPER FACILITIES FOR PUBLIC ENTERTAINMENT.

Comment.

When Massachusetts cities and towns were authorized by St. 1930, c. 277, to appropriate money for the entertainment of conventions and distinguished guests, expenditures for such purpose were limited to $75,000 or 1/200 of 1 per cent of the assessed valuation of the preceding year, whichever amount was the lesser. By St. 1943, c. 177, the 1/200 of 1 per cent limitation was changed to a 1/100 of 1 per cent limitation. This had the effect of doubling the appropriating power of every municipality except Boston, which, because of its approximately $1,500,000,000 assessed valuation, remained unaffected due to the $75,000 limitation. Enactment of the above bill would eliminate the $75,000 limitation, so that Boston would enjoy proportionately the same appropriating power for said purpose as other municipalities.

A BILL RELATIVE TO THE RETIREMENT OF THE MESSENGER OF THE JUSTICES OF THE SUPREME JUDICIAL COURT AND OF COURT OFFICERS IN ATTENDANCE UPON SAID COURT.

A BILL RELATIVE TO INFORMATION CONCERNING JURORS IMPANELLED TO SIT IN CIVIL AND CRIMINAL CASES.

A BILL RELATING TO THE POWERS OF A BOARD OF PUBLIC WELFARE IN THE EVENT OF THE DECEASE OF A RECIPIENT OF ASSISTANCE TO DISABLED PERSONS.

Comment.

If a public welfare recipient dies leaving no one to take charge of his effects, the Board of Public Welfare is authorized by G. L. (Ter. Ed.), c. 117, s. 30, to perform that function. The above bill would enable the Board to render the same service upon the death of a recipient of assistance to disabled persons.

A BILL RELATING TO THE POWERS OF A BOARD OF PUBLIC WELFARE IN THE EVENT OF THE DECEASE OF A RECIPIENT OF OLD AGE ASSISTANCE.

A BILL RELATIVE TO THE PROSECUTION OF WORKMEN'S COMPENSATION CLAIMS BY RETIREMENT BOARDS.

A BILL RELATIVE TO THE ERECTION AND MAINTENANCE OF ONE- AND TWO-CAR GARAGES APPURTENANT TO DWELLINGS IN THE CITY OF BOSTON.

A BILL RELIEVING INSPECTORS OF BUILDINGS IN CERTAIN CASES FROM GIVING ASSESSORS NOTICE OF THE GRANTING OF CERTAIN PERMITS.

A BILL AUTHORIZING THE CITY OF BOSTON TO ESTABLISH ON MOON ISLAND IN BOSTON HARBOR A TRAINING SCHOOL FOR ITS FIRE FIGHTERS.

A BILL CONCERNING THE PUNISHMENT OF VIOLATIONS OF CERTAIN RULES, ORDERS, AND REGULATIONS OF THE BOARD OF FIRE PREVENTION REGULATIONS, THE FIRE MARSHAL, AND THE HEADS OF FIRE DEPARTMENTS.

A BILL AUTHORIZING THE CITY OF BOSTON TO ENACT ORDINANCES FOR THE PURPOSE OF PREVENTING OR REMEDYING IN SAID CITY CONDITIONS WHICH MAY TEND TO CAUSE FIRES OR TO BECOME FIRE HAZARDS.

A BILL SUBJECTING TO LOCAL TAXATION MACHINERY USED IN THE CONDUCT OF CERTAIN BUSINESSES.

A Bill Providing for Reimbursement by the Commonwealth of Part of the Cost to Cities and Towns of General Relief.

A Bill Relative to the Total Construction Grant for Certain Approved School Projects in Cities, Towns, and Regional School Districts.

A Resolve Providing for an Unpaid Special Commission to Determine the Cities and Towns Which Receive Benefit or Advantage from the Service Provided by the Metropolitan Transit Authority but Are Not Subject to Assessment for Deficits Incurred in the Operation of Said Authority.

A Bill Authorizing Certain Aliens to Receive Assistance under the Old Age Assistance Law, So Called.

A Bill Providing for Payments in Lieu of Taxes on Property Acquired by the Commonwealth on or After July First of the Current Year.

A Bill Increasing the Weekly Subsidy Payable by the Commonwealth to a Municipality Placing in a Tuberculosis Hospital or Ward a Person Having a Legal Settlement in Such Municipality Who Is Suffering from Tuberculosis.

A Bill Providing for the Construction by the Metropolitan District Commission of a Recreation Area in the Dorchester District of the City of Boston.

A Bill Relative to the Portion of the Salaries of Court Officers in Attendance upon the Supreme Judicial Court Payable by the Commonwealth.

A Bill Enabling the Letting, Lease and Sale of Certain Land Owned by the City of Boston in the Charlestown District of Said City.

A Bill Extending the Time During Which Assessors Shall Have Authority To Act on Applications for Abatement.

A Bill Concerning the Listing Of Persons in the City of Boston and the General and Annual Registers of Voters in Said City.

A Bill Providing for the Payment by Municipalities of Increased Sums for the Funeral and Burial Expenses of Certain Poor and Indigent Persons and for State Reimbursement Therefor in Unsettled Cases.

A Bill Authorizing the City of Boston To Limit Buildings According to Their Use or Construction to Specified Districts.

Comment.

Chapter 368 of the Acts of 1954 re-enacted in a new chapter of the General Laws with many perfecting amendments the provisions of law enabling Massachusetts cities and towns, except Boston, to adopt zoning regulations. Boston was still left without home rule in this important local field. Enactment of the above bill would rectify this situation by adapting to Boston said St. 1954, c. 368, and establish a Boston Zoning Commission modeled after the existing Zoning Adjustment Board. This Commission would have power to promulgate zoning regulations after due notice and hearing. The existing zoning law would be repealed effective with the promulgation of the new regulations.

MAYOR DECIDES NOT TO FILE TAX BILL.

Upon December 7 Mayor Hynes issued the following statement:

It was my intention this year to present to the Legislature a bill to provide the City of Boston with new income amounting to $10,000,000 a year. In my opinion, at least this amount of new income is necessary if the tax rate is not to continue its upward flight, and if we are to meet the current obligations of the city.

After giving the matter much consideration, and after listening to the statements made at the Boston College Seminar yesterday, I came to the conclusion that the specific bill I had in mind was not the proper approach to the problem. The last thing I wish to do is to make it more difficult than it is at the present time to attract new business and new industry to the City of Boston.

I have decided, therefore, not to file a tax bill this year but to request the Boston Citizens' Committee on Municipal Problems to make a study of new sources of income and to make recommendations for submission to the Legislature next year. In the meantime, the Boston Citizens' Committee will have opportunity to plumb the question and enlist support for a new income source, which, it is obvious, must be provided to the City of Boston as well as other cities and towns in our Commonwealth.

CONVENTION REPORT BY JAMES S. REARDON

(Continued from page 1453.)

The sectional meeting on accounting and finance held Monday afternoon dealt principally with the new accounting manual for public schools. The following organizations are participating in the development of the manual: American Association of School Administrators, Association of School Business Officials, Council of Chief State School Officers, Department of Rural Education (N.E.A.), National School Boards Association, and the United States Office of Education.

In November, 1954, representatives of these agencies met and established guides for setting up a preliminary draft of the handbook. Between November, 1954, and August, 1955, members of state education departments and local school systems met and developed a tentative draft of the proposed financial accounting handbook. The handbook has been divided into six parts under the following heads: Classification of Receipt Accounts, Classification of Expenditure Accounts, Classification of Clearing Accounts, Determining Per Pupil Expenditures, Recording Receipts and Expenditures, and Financial Accounting Terminology.

Drafts of the tentative manual were distributed at the Monday afternoon session. Members of the Association of School Business Officials will study the draft before meeting in regional sessions next year to decide on the final form. The first regional meeting to be attended by representatives from New York, New Jersey, and the New England States will be held in Boston during January, 1956. The manual will be presented for adoption before the next convention of the Association, to be held in Washington, D. C., in October, 1956, and will be prepared by the United States Office of Education for distribution in January, 1957.

Wednesday morning was devoted to an address by Paul J. Misner, consultant to Committee for White House Conference on Education.

The Wednesday afternoon sectional meeting on purchasing dealt with development of specifications, testing of materials purchased, and the development of standards. Much information was made available by the Association members from the host city, Chicago, including the operation of the testing laboratory of the Chicago Public Schools.

Dr. A. D. Brainard, department superintendent, Dearborn, Michigan, spoke on supervision of operational and maintenance personnel. Job analysis and service annuals are an aid to supervision of nonteaching personnel. The job analysis is essentially an inventory of the duties and responsibilities of the many positions in the noninstructional areas of the school system.

Dr. George Bush, specialist in school maintenance for Purdue University, spoke on stadia upkeep—how the problems that arise are unique and require a versatile and capable staff.

Requirements are: (1) job allocation; (2) ability to meet emergencies and weather conditions; (3) adequate supervision; (4) safety vigilance.

A long-range survey of maintenance needs should have a twofold aim, according to E. Eugene Higgins, educational consultant, Cleveland, Ohio—first, to preserve the community's investment in public property; second, to modernize the buildings to meet demands of changing educational programs.

The annual banquet held on Wednesday evening featured an address by A. D. Holt, vice president of the University of Tennessee, who spoke on the responsibilities of the educator to the parent and the responsibilities of the parent to the educator. Mr. Holt stressed the need of public schools for more funds, pointing out that the American public spends more annually on both gambling and drinking than is spent for the support of the public schools.

CLAIMS ALLOWED.

The Mayor, upon recommendation of the Corporation Counsel, has approved the following claims:

Abraham Bohn, 222 Blue Hills Parkway, Milton, in the sum of $445, as compensation for personal injuries caused by a hole in the sidewalk in front of 310 Atlantic avenue, July 1, 1955.

WITHOUT ADVERTISING.

Upon varying dates as noted the Mayor approved contracts with contractors, business houses, etc., for furnishing labor, supplies, and materials. Communications from heads of the various departments indicated were as follows:

ADMINISTRATIVE SERVICES DEPARTMENT.

Purchasing Division.

BOSTON, November 22, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Library Department for 12 Royal typewriters. Inasmuch as these typewriters can be purchased direct from the manufacturer, it is my opinion that no advantage would be gained by publicly advertising for prices.

Authority is therefore requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Royal Typewriter Company, Division of Royal McBee Corporation, for the immediate delivery of 12 Royal typewriters at the prices as indicated below:

Five Royal typewriters, 11 inches, standard elite, at $182.50, $912.50; six Royal typewriters, 13 inches, standard elite, at $187.50, $1,125; one Royal typewriter, 13 inches, standard pica, at $187.50, $187.50—$2,225; less trade-in allowances on following: One Royal, X1176701, 1924, $15; one Royal, SX1477900, 1929, $15; one Royal, SX1496507, 1929, $15; one Royal, SX1512551, 1929, $15—$60—$2,165.

Approximate total amount of contract will be $2,165, net.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

BOSTON, November 23, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Library Department for various items of office equipment as manufactured or distributed by A. B. Dick Products Company of Boston, Inc.

Inasmuch as this company is the only local distributor of these items, it is my opinion that no advantage would be gained by publicly advertising for prices. Authority is therefore requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to A. B. Dick Products Company of Boston, Inc., for the following items at the prices indicated, to be delivered to the Boston Public Library, Copley square:

One Model S-54 Automatic Staplex A.C., $119; one Model 57-A. B. Dick Folder A. C., $355.25; one Model D16-E Thomas Collator, $525; one Model 400-M-SCHMIM-e-o- Stencil File Cabinet, $165—$1,164.25.

Approximate total amount of contract will be $1,164.25, net, 30 days.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

BOSTON, November 23, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Boston City Hospital for two gross 3½-inch Fremont Smith spinal needles. These needles are manufactured by Randall Faichney Corporation only. A price has been received from the manufacturer.

Inasmuch as these needles can be purchased direct from the manufacturer, authority is requested to dispense with public advertising for prices and award a contract, without public advertisement, to Randall Faichney Corporation for delivering two gross 3½-inch Fremont Smith spinal needles, as requested, to the Boston City Hospital, at $72 per dozen, less 40 per cent.

Approximate total amount of contract will be $1,036.80, less 2 per cent discount, time of payment.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

BOSTON, November 23, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Sanatorium Division of the Hospital Department for one medical carbon dioxide analyzer, Model No. 16, 1-12 per cent, CO_2, with micro-catheter cell, and one Esterline-Angus galvanometer ink recorder for analyzer. These particular items are manufactured only by Beckman Division, Liston-Becker Plant, Beckman Instruments, Inc., Springdale, Connecticut.

Inasmuch as these items may be purchased direct from the manufacturer, it is my opinion that no advantage would be gained by publicly advertising for prices. Authority is therefore requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Beckman Division, Liston-Becker Plant, Beckman Instruments, Inc., for the above items. Complete delivery will be approximately five weeks from receipt of contract.

Approximate total amount of contract will be $1,483, net, thirty days.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

BOSTON, November 23, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

On July 19, 1955, your Honor approved a contract, No. 2824, between the City of Boston and Mechanics Iron Foundry Company, for iron castings and bronze fittings to be delivered to the Sewer Division of the Public Works Department until March 31, 1956, at an amount of $20,099, net. The Mechanics Iron Foundry Company was the lower bidder on all items of the publicly opened bid of May 24, 1955. All deliveries on this contract have now been completed.

This office is now in receipt of requisitions for the immediate delivery of additional amounts of the various items included in the above-mentioned contract. The Mechanics Iron Foundry Company will deliver the amounts required at the same prices as those of their completed contract. It is therefore requested that, in view of the immediate need of some of the castings and the fact that acceptable prices have been obtained, authority be granted me to dispense with publicly advertising for prices and award a contract, without public advertisement, to Mechanics Iron Foundry Company for delivering iron castings and bronze fittings as requested until March 31, 1956, at the same prices as those submitted by this company in the publicly opened bid of May 24, 1955. Items and amounts will be included as part of the contract.

Approximate total amount of contract will be $15,470, net.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

—

BOSTON, November 28, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The Paving Service of the Public Works Department is in need of 3,000 tons of sand for use in snow removal work to be delivered as requested, starting immediately, to Area A. Frank J. Guaragna, doing business as Frank J. Guaragna, contractor, the present contract holder for this district, although presently making deliveries, cannot deliver sufficient quantities to maintain an adequate stockpile.

A. A. Will Sand and Gravel Corporation, the second lowest bidder for Area A on the publicly opened bids of February 10, 1955, will furnish any amount of sand required for delivery to Area A at the prices submitted by this company on February 10, 1955.

Inasmuch as the sand is needed immediately, the proposed price which is the result of a public advertisement is acceptable, and since the company has sufficient equipment to make proper deliveries, it is my opinion that no advantage would be gained by publicly advertising for bids.

It is therefore requested that authority be granted me to dispense with publicly advertising for prices and award a contract, without public advertisement, to A. A. Will Sand and Gravel Corporation for approximately 3,000 tons of concrete sand at $1.42 per ton, less 2 per cent discount, ten days from date of invoice. There will be an additional charge of $1.75 per ton for less than full loads. A full load will be a minimum of 10 tons.

Approximate total amount of contract will be $4,260, less 2 per cent discount for payment within ten days.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

LIBRARY DEPARTMENT.

BOSTON, November 9, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The Trustees of the Public Library respectfully request your approval of the following procedure which is strongly recommended by their consulting engineers, Gilbert Small & Co., Inc., 10 State street, Boston, Mass., whom they have engaged for the planning, supervision, and direction of the work for the completion of the roof of the Central Library building in Copley square.

Because the Central Library building is one of the ranking architectural monuments of the United States, and because the nature of the work to be done is so unusual and out of the ordinary in respect to roofing work, it is desirable for its proper performance that the work be entrusted only to a roofing contractor who is clearly experienced in the laying of tile and slate roofs. The library's engineers have indicated that there is only a limited number of firms who are in their opinion possessed of the necessary experience for doing a roof project of the sort here involved, namely:

Atlantic Roofing and Skylight Works, Inc., Burgess & Blacher Company, Cavanaugh & Farley, Inc., Paul F. Dutelle & Co., Inc., W. J. Maguire Company.

The engineers recommend therefore that for the proper performance of the work the bidding be on an invitation basis among these five firms known to be experienced in roofing of this kind and scale. All of these firms have indicated that they will submit a bid for the work. Since they are five in number, it is assured thus that there will be at least three or more bids.

The Trustees of the Library are mindful of the necessity of competitive bidding for a large project such as this. At the same time they are equally mindful of the great responsibility which rests upon them in representation of the City of Boston to be certain that the work to be undertaken is accorded the proper performance that is required for a building which is of such great importance among the architectural monuments of the country.

The Trustees of the Library therefore respectfully request your approval of the procedure outlined above for carrying out the bidding on an invitation basis among the five firms listed above rather than by publicly advertising for bids.

Respectfully,

MILTON E. LORD, *Director.*

PARKS AND RECREATION DEPARTMENT.

BOSTON, November 22, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR SIR:

I respectfully request your approval for the lease of a parcel of land on Freeport street, Dorchester, to Vernon L. Hart, of 296 Freeport street, Dorchester, for use in his small boat construction business.

This parcel comprises an area approximately 230 feet by 175 feet and is the area remaining in custody of this department after a taking by the Commonwealth for highway construction purposes, in August of 1955, of about three fourths of the total area formerly owned by the department and which had been leased to Mr. Hart since 1939. The original area included a portion of the water front, which has now been relinquished to the Commonwealth.

Mr. Hart has been paying a rental of $160 per year for the total area and in addition paid to the city the taxes assessed on the land and the three buildings erected thereon. He has offered the same rental of $160 per year for the small parcel now remaining to us.

As Mr. Hart has always been a satisfactory tenant and this department has no other use for this small remaining parcel of land, I respectfully request your permission to lease the land to him, for boat construction purposes, for a period of one year beginning November 1, 1955, and ending October 31, 1956, at a rental of $160 per year.

Respectfully yours,

FRANK R. KELLEY,
Commissioner.

—

BOSTON, November 29, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR SIR:

In connection with our Christmas Festival celebration we have issued a number of service orders for the erection of Christmas trees in various parts of the city in addition to trees and decorations that have been erected on Boston Common. It was necessary for us to visit several nurseries in order to find a sufficient number of trees for our requirements.

Two service orders issued to one concern total over $1,000 and therefore it is required that we proceed to cover these orders by a formal contract. I refer to service order No. 852 of November 16, and service order No. 876 of November 21, both issued to the Blueview Nurseries, 32 Gaston street, Roxbury.

Service order No. 852 in the amount of $900 is for the erection of six large Christmas trees at various locations within the city. Service order No. 876, in the amount of $960, calls for the furnishing of trees and labor to erect them, as indicated, of approximately 300 smaller trees on Boston Common and other public park locations in the city.

Your approval is respectfully requested to award a contract, incorporating the above-mentioned two service orders, in the total sum of $1,860, to Blueview Nurseries, 32 Gaston street, Roxbury, for furnishing and erecting Christmas trees on Boston Common and other public park locations in the city. Because of circumstances explained herein, I believe nothing would be gained by public advertising for bids.

Respectfully yours,

FRANK R. KELLEY,
Commissioner.

—

BOSTON, November 30, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR SIR:

In 1948 this department purchased three Model FEM Walter trucks. At the time of the purchase of these trucks they were not equipped with air brakes. We had planned to turn in these trucks this year for new ones, but the cost for three new trucks would approximate $37,500.

The New England agent for the Walter trucks has informed us that he can install air brakes and incidental equipment in these trucks at a cost of $840.70 per truck. All other large truck equipment in this department is equipped with air brakes and, because of the size of the trucks and the traffic problems today, it is vitally important that all our trucks be so equipped. We believe this is an excellent opportunity for doing this necessary work and at the same time saving the expense in this particular year of ordering three new trucks.

The Charles N. Wood Company, 570 Arsenal street, Watertown, are the agents for the Walter trucks and, as they are the only ones we know of who are equipped to do this particular type of work on Walter trucks, we ask that we be allowed to dispense with public advertising and award a contract to the Charles N. Wood Company in the sum of $2,522.10, to be charged to Item 271 in our budget.

Respectfully yours,

FRANK R. KELLEY,
Commissioner.

REAL PROPERTY DEPARTMENT.

BOSTON, December 2, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The Real Property Board proposes to engage the services of M. A. Dyer Company, 24 School street, Boston, Mass., as architects-engineers, in connection with the proposed construction of an off-street parking facility at Central and Kilby streets, Boston.

The estimated cost of the proposed facility is approximately $1,450,000, and the architects-engineers shall be paid a standard fee equal to the sum of five and seven tenths per cent (5.7%) of the full amount of the cost of said construction, which fee would include supervision.

In view of the nature of the professional services involved, no benefit would be gained by advertising for bids, and it is respectfully requested that permission be given to award the contract to M. A. Dyer Company, without public advertising.

Respectfully submitted,

HERMAN CARP,
Commissioner of Real Property,
Chairman, Real Property Board.

SUFFOLK COUNTY.

COURT HOUSE COMMISSION.

BOSTON, December 2, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MAYOR HYNES:

The Court House Commission has been requested by the District Attorney to provide additional office space for the ten additional assistants provided for his office. This requires the installation of partitions in the present Library Room of the District Attorney's office and in Rooms 803 and 811, assigned for this purpose.

As it is imperative that this work be done immediately because of the urgent need of offices for these assistants, the commission has secured bids from satisfactory contractors as follows:

Peabody Office Furniture Company, $2,797; E. F. Hauserman Company, $3,280; Bay State Office Partition Company, $3,500.

The commission, therefore, requests your permission to award a contract, without advertising, to Peabody Office Furniture Company, for the installation of these partitions at a price of $2,797. The commission feels that nothing will be gained by advertising since Peabody Office Furniture Company are experts in this work and, also, in view of the urgency, can make immediate delivery.

Very truly yours,

COURT HOUSE COMMISSION,
by ARNO I. DREW,
Chairman.

EXTRA WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

J. D'Amico, Inc., has been directed to perform the following extra work under the contract for bituminous concrete pavement in Ansonia road, Cricket Lane, Highfield road, Ledgewood road, and Searle road, dated October 5, 1954:

In Cricket Lane, from Ledgewood road northerly and northeasterly for a distance of 405 feet.

Deliver to district No. 12 paving yard the following unused edgestone: 17.1 linear feet of new straight edgestone at $2.35 per linear foot and 31.4 linear feet of new circular edgestone at $3.42 per linear foot.

Estimated cost of extra work, $147.50.

EXTENSION OF CONTRACTS.

FIRE DEPARTMENT.

Approval has been given for an extension of time for the contract between the City of Boston Fire Department and Bennington Contracting Company, 89 Bennington street, East Boston, for painting fire alarm boxes, test posts, cable boxes, etc., from November 30, 1955, to December 31, 1955.

This extension was extended due to inclement weather.

HOSPITAL DEPARTMENT.

Sanatorium Division.

(Contract for Interior Painting in Various Buildings at the Sanatorium Division.)

It is agreed that the words "one hundred twenty (120) calendar days" appearing in the contract between the City of Boston and D. M. McCartin Company, dated July 14, 1955, be stricken out and the word and figures "December 30, 1955," be substituted in their place.

All other provisions of the aforesaid contract not inconsistent herewith shall remain in full force and effect.

POLICE DEPARTMENT ORDER.

General Order No. 2,134.

The following-named officer having requested retirement under the provisions of the Statutes of 1892, chapter 353, as amended, for the reason that he is incapacitated, it is hereby

Ordered, His Honor the Mayor having approved the same, that he be retired from active service in the Police Department, effective Wednesday, November 30, 1955, at 5.45 o'clock P.M.:

Terrance P. McManus, detective, Bureau of Criminal Investigation, 35 years of service.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,

Patrolman Francis E. Devin, from Division 7 to Division 13.

Patrolman Bernard H. Minton, from Traffic Division to Superintendent's Office.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

General Order No. 2,137.

A Board of Merit, consisting of Superintendent Edward W. Fallon, Deputy Superintendents James F. Daley and James J. Hinchey, has brought to the attention of the Police Commissioner the following outstanding cases in which police officers of this department have especially distinguished themselves in the performance of their duty during the year 1955.

The Commissioner therefore makes the following awards:

THE WALTER SCOTT MEDAL FOR VALOR AND A DEPARTMENT MEDAL OF HONOR TO DETECTIVE EDWARD P. CONNOLLY, DIVISION 2.

Detective Edward P. Connolly of Division 2 is hereby awarded the Walter Scott Medal for Valor and a Department Medal of Honor for meritorious duty performed on January 6, 1955.

Detective Connolly, then a route officer, entered a theater shortly before midnight and was suddenly confronted by four men who had just robbed the theater of a large sum of money. One of these criminals covered Detective Connolly with a pistol and demanded that he surrender his service revolver. Detective Connolly defied his assailants whereupon he was shot down. The robbers fled but despite a serious chest wound Detective Connolly pursued them on foot, overtaking the automobile in which they were attempting to escape. He fired several shots into the car wounding the operator and holding the others on the floor of the car until he collapsed after the arrival of other officers on the scene.

DEPARTMENT MEDALS OF HONOR.

Patrolmen John P. Shepard, Jr., and Maurice R. Wall of Division 10 each is awarded a Department Medal of Honor for meritorious duty performed on October 12, 1954.

These officers were informed by a taxi driver that he had been robbed by two passengers. They had the victim ride with them in the radio patrol car while they proceeded to the scene of the crime and commenced a search of the neighborhood. Two men were observed walking together and as the police car approached they fled. In the ensuing pursuit one suspect fired a shot at the officers, whereupon Patrolman Shepard fired one shot and one of the men was heard to make an outcry, stumble, but managed temporarily to elude capture. His companion was captured at gun point and identified by the taxi driver. Later, the second man, with a bullet wound in his shoulder, was picked up by police of another division and identified by the victim.

Patrolman William M. Clancy of Division 1 is awarded a Department Medal of Honor for meritorious duty performed on April 7, 1955.

While on a day off, Patrolman Clancy's attention was attracted by the sound of gunfire. A man had accosted his estranged wife and apparently, upon failing to effect a reconciliation, had fired five shots at her, two of them taking effect, and then proceeded to run from the scene. Patrolman Clancy immediately gave chase and succeeded in overtaking the culprit and disarming him.

Patrolman Patrick J. Hernon and Henry J. Day of Divisions 19 and 10, respectively, each is awarded a Department Medal of Honor for meritorious police duty performed on June 30, 1955.

While Patrolman Hernon was on his way home, he was informed of a holdup in a nearby savings bank. He ran toward the scene and observed a man running from the premises and entering a car. Commandeering a passing auto, Patrolman Hernon gave chase to a point where the bandit's car was blocked by other vehicles and he had to flee on foot, running through an alley with the officer in pursuit. At this point, Patrolman Day, also off duty, who was passing in his own car, immediately grasped the situation and ran in a direction to cut off the avenue of escape. Upon

reaching the fence, the bandit turned on Patrolman Hernon and threatened him with a loaded revolver, whereupon the officer fired one shot striking him in the forehead. The bandit then jumped over the fence into the next yard where Patrolman Day was waiting, kicked the gun from his hand and both officers took him into custody. Approximately $5,000 taken from the bank was recovered. The second bandit was apprehended shortly afterwards.

Sergeant-Detective John J. Donovan of Division 3 is awarded a Department Medal of Honor for meritorious duty performed on August 12, 1955.

In the early morning, while Sergeant Donovan was riding alone on the division, he observed three men in an automobile acting suspiciously. As he approached to investigate, the car sped away without lights. The sergeant gave chase through several streets before finally forcing the car to the side of the road. At this point the operator jumped out and Sergeant Donovan, with drawn revolver, ordered all three not to make a move. He was not satisfied with their answers to his questions so he called for assistance and they were brought to the station. A search of the automobile uncovered five loaded revolvers, ammunition, burglarious tools and a large assortment of men's wearing apparel and merchandise, apparently stolen. Sergeant Donovan recognized the similarity of the prisoners' descriptions with those of men wanted for an armed holdup and ransacking of a house on Cape Cod, and the armed holdup and slugging of a motel manager in a nearby town. Subsequent investigation and interrogation linked these men with both crimes, and the firearms and merchandise stolen in breaks were identified by their rightful owners.

Patrolman Joseph W. Roy of Division 3 is awarded a Department Medal of Honor for meritorious duty performed on September 5, 1955.

While Patrolman Roy was on duty on Boston Common he observed a man whose description answered that of a photograph and teletype item issued the previous day as an escapee from State Prison where he was serving a long term for armed robbery. With drawn revolver Patrolman Roy approached the man and placed him under arrest. At the station he was identified by the Acting Warden of State Prison and turned over to him for return to the prison.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

CONSTRUCTION WORK.

The Public Improvement Commission has ordered the following construction work:

Nine rock catch basins and connections in Maryknoll street, between Morton street and Manchester street, in the Dorchester district, at an estimated cost of $6,000.

Two drop inlets and two catch basins converted to manhole tops in Chelsea street, at the northeasterly and southeasterly corners of Joiner street, in the Charlestown district, at an estimated cost of $1,000.

LAYING-OUT HARROW STREET, DORCHESTER.

The Public Improvement Commission has ordered that a public improvement be made, consisting of the laying out and construction of Harrow street, Dorchester district, as a public highway, from Humphreys street to Beckwith street, bounded and described as follows:

A highway named Harrow street is hereby laid out, from Humphreys street to Beckwith street, as a public highway and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following described land, exclusive of trees, shrubs or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to City of Boston, bounded:

Westerly by the easterly line of Harrow street as it existed prior to this order, twenty and 83-100 feet; northerly by the southerly line of Beckwith street as it existed prior to this order, twenty and 83-100 feet; southeasterly by the southeasterly line of Harrow street as laid out under this order, twenty-seven and 03-100 feet on a curve of fourteen feet radius, containing one hundred two square feet, more or less.

Trees, shrubs or structures standing upon or affixed to the aforedescribed land shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Said Harrow street as hereby laid out is bounded:

Southeasterly by the northwesterly line of Humphreys street, thirty-eight and 46-100 feet; westerly by the westerly line of Harrow street by two measurements, one hundred forty-four and 92-100 feet and one hundred forty-seven and 43-100 feet; northwesterly by the northwesterly line of Harrow street, forty and 96-100 feet; northeasterly by the northeasterly line of Harrow street, fifty-two and 00-100 feet; southeasterly by the southeasterly line of Harrow street by two measurements, forty and 00-100 feet and twenty-seven and 03-100 feet on a curve of fourteen feet radius; easterly by the easterly line of Harrow street by two measurements, one hundred ten and 56-100 feet and one hundred thirty-six and 62-100 feet.

Betterments are to be assessed for the making of the aforesaid improvmeent.

Ordered, That this commission estimates that the abutting parcels of land situated on both sides of said Harrow street will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on a plan hereinbefore referred to and on file in the office of this department.

Joanne Ballard, 48 North Bennet street, Boston, in the sum of $295, as compensation for personal injuries caused by a hole in the sidewalk in front of 139 and 141 Salem street, Boston, June 3, 1955.

FINANCE COMMISSION SEEKS TO REDUCE EXPENDITURES.

(Continued from page 1453.

However, there is a mounting annual large expenditure by the city arising from accidents due to holes, breaks, collapses, etc., in the public ways of the city. The size of this expenditure has become so great that it is difficult to accept the philosophy that it is an inevitable and unavoidable cost. It is the hope that a portrayal of the situation will stimulate action to check and even reduce this second large expenditure which prompts this communication.

First of all, it is important to realize the vastness of the City's outlay intended to produce and maintain sound and safe surface condition of its highways.

In the period 1950–1954, the City spent for construction and maintenance of highway surfaces more than $19,000,000. The following tabulation shows how this sum was divided:

(CITY LABOR FORCE) — MAINTENANCE.

	1950.	*1951.*	*1952.*	*1953.*	*1954.*
Highway Expenditure	$925,710	$931,819	$1,011,102	$991,141	$911,753
Sidewalk and Curb	227,788	295,137	315,859	333,669	335,591
Total	$1,153,528	$1,226,956	$1,329,961	$1,327,813	$1,247,347

(CONTRACT WORK) — CONSTRUCTION.

Reconstruction of Streets	$106,976	$103,236	$94,610	$105,801	$12,991
Sidewalk-Construction-Reconstruction	66,945	116,673	78,915	78,571	89,973
Public Ways, Making of (Revenue)	158,891	159,201	157,500	157,500	117859
Public Ways, Making of (Non-Revenue)	1,937,386	2,637,017	2,536,634	2,019,055	2,081,1077
Total	$2,270,198	$3,016,127	$2,867,719	$2,360,927	$2,361,933

Average Annual Maintenance Expenditure $1,257,121
Average Annual Construction Expenditure $2,575,380

Despite this large expenditure, and particularly the amount spent for maintenance, in the period from August, 1954, to August, 1955, the City paid damage awards totaling well over $200,000 for personal injuries due to defects in its highways; and that amount is only a portion of the total which will ultimately be paid for claims remaining on the docket at the end of this period.

In this same 12-month period there were 239 damage claims due to personal injuries settled by payment to the claimants. These cases had their inception in various years going back to 1947; but this number is but a fraction of the total number filed in the years in question, and every one of them necessitated payroll expenses to the City.

Personal injury claims result much more often because of defects in sidewalks than in other street surfaces. Many damage awards resulting from defects are paid by order of the City Council. Some are paid as the result of negotiations between legal representarives of the City after suit has been entered in court. Others are paid as the result of a verdict ordered by a judge or jury after a hearing of the merits. It can easily be realized, therefore, that in addition to the sums paid to claimants, there is a large payroll and other expenditures for adjudication of these claims. The expense of repair of defects, naturally, is a city expense.

It is important to realize that courts often determine the culpability of the city on the basis of the degree of use made of the location of the injury. Court interpretations of the law governing this situation protect the City against claims that might be based on trivial defects; and against claims in instances where the city had not had proper time to discover the defect and remedy it.

INSPECTION.

It is expected that the City will inform itself of the condition of the streets primarily through a form of inspection by employees of the Public Works Department; and this inspection is intended to be augmented by the workings of a police regulation requiring route police officers to report defects in streets and sidewalks, and to place protective barriers about them until corrected.

Public Works Department inspection is "something else again." It is this department's function to keep the highway surfaces in good order. Yet it has no organized or regular or routine inspection, it claims only that in the summer there is patrol by a group which finds and gives quick repair to spots in the so-called "downtown" area. For the rest of the year the department relies on police report of defects, except that occasionally an observant citizen, even sometimes an observant Public Works Department employee not assigned to this job, will report a dangerous defect. The fact of the matter is therefore that the department which should be most concerned about the condition of the street surfaces relies on other than its own organization to become informed of defects in the highways.

Furthermore, there appears to be no record made or kept of the approximate time of the first occurrence of the dangerous condition, though this might become important in city defense in a trial. The dated police report most nearly approaches that significant detail.

Thereafter, there being no standard routine procedure spelled out for the authority in the yard, the work of correction of the defective condition is left to the judgment of the employee in charge, usually the district foreman. Again the more or less voluntary practice is to take care immediately of a serious situation in an important area, and to take care of the less important when the work of the district will permit. Unfortunately this method is not good protection for the city, because the apparently less serious defects figure more often in the injury claims.

CONCLUSION.

To what extent the quality of the work is a factor in the actionable cases of defect is not known. It is known that the defect is sometimes due to other causes; but in view of the prevailing types of defects, original quality of the work is hard to evaluate. These types are:

Raised sidewalk slabs, sinking of sidewalk after repair and patching following openings, raised meter boxes, curbstone sunken below level of sidewalk slab, broken and worn areas. It would seem that inspection for the purpose of preventing those conditions which give rise to suits against the city should center on these types of defects.

It is obvious that the Public Works Department makes little effort to prevent accidents by prompt discovery and remedy of defective conditions. It has not yet organized the work necessary. It passes over to the police officers who have many other duties the responsibility of discovery of highway hazards. The absence of adequate practice and record handicaps the law department in adjudicating claims.

The ultimate financial cost of accidents warrants a better effort along this line than is made at present.

It follows that the departments involved in this area of administration of service should come together and agree on a procedure which will be adequate in the situation. A routine and method which is comprehensive and meaningful is long overdue.

CARE CHRISTMAS FOOD CRUSADE MONTH DECLARATION.

Whereas, Famine stalks many nations of the world while America, the land of plenty, has a $7-billion government food surplus; and

Whereas, The Cooperative for American Remittances to Everywhere, known affectionately to the people of the United States as CARE, which has for a decade dedicated itself to the sending of food to hungry people without regard to race, creed, or color, considering only human want, is conducting its Christmas Food Crusade to bring warmth and cheer to thousands upon thousands of unfortunate fellow-humans; and

Whereas, Traditionally generous Bostonians have found this great food channel to the tables of the hungry over the world a humanitarian and effective way to help bring some of America's bounty to those who need it most; now

Therefore, I, John B. Hynes, Mayor of the City of Boston, declare the month of December as "Care Christmas Food Crusade Month" in the City of Boston, and I urge all our people to observe the occasion with their financial support so that we may share the joy of our blessed Christmas in the true spirit of the season.

JOHN B. HYNES,
Mayor.

EXTENSION OF TERMINAL STREET, CHARLESTOWN.

The Public Improvement Commission has ordered that a public improvement be made, consisting of the laying out and construction of an extension of Terminal street, Charlestown district, as a public highway, from a point approximately 3,100 feet northeast of Medford street, approximately 200 feet northeasterly, bounded and described as follows:

The highway named Terminal street is hereby relocated and extended approximately 200 feet northeasterly from a point approximately 3,100 feet northeasterly of Medford street and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to the Boston & Maine Railroad, subject to easements of the United States Gypsum Company and the Mystic River Bridge Authority, bounded:

Northwesterly by the southeasterly line of Terminal street as it existed prior to this order, fifty-eight and 95-100 feet; southerly by the northerly line of Terminal street as it existed prior to this order by two measurements, thirty-two and 52-100 feet and thirty-six and 20-100 feet; northwesterly by the northwesterly line of Terminal street as relocated and extended under this order by two measurements, one hundred sixty and 12-100 feet on a curve of one hundred thirty-five and 87-100 feet and thirty-six and 14-100 feet; northeasterly by the northeasterly line of Terminal street as relocated and extended under this order by two measurements, twenty-four and 47-100 feet and fifty-seven and 08-100 feet; southeasterly by the southeasterly line of Terminal street as relocated and extended under this order, one hundred sixty-one and 83-100 feet; southwesterly by the southwesterly line of Terminal street as relocated and extended under this order by two measurements, fifty-four and 21-100 feet and fifty-nine and 29-100 feet on a curve of one hundred sixty-eight feet radius, containing fifteen thousand seven hundred thirty square feet, more or less.

This taking is made subject to the right of the Boston & Maine Railroad to lay, maintain, and operate three railroad tracks therein and shown as "Grade Crossings E, F, and G" on plan hereinbefore referred to.

Trees, shrubs or structures standing upon or affixed to the aforedescribed land shall be removed therefrom within sixty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Said Terminal street as hereby relocated and extended is bounded:

Northwesterly by another portion of Terminal street, one hundred twenty and 82-100 feet; again northwesterly by the northwesterly line of Terminal street by two measurements, one hundred sixty and 12-100 feet on a curve of one hundred thirty-five and 87-100 feet and thirty-six and 14-100 feet; northeasterly by the northeasterly line of Terminal street by two measurements, twenty-four and 47-100 feet and fifty-seven and 08-100 feet; southeasterly by the southeasterly line of Terminal street, one hundred sixty-one and 83-100 feet; southwesterly by the southwesterly line of Terminal street by four measurements, fifty-four and 21-100 feet; ninety and 00-100 feet on a curve of one hundred sixty-eight feet radius, thirty and 67-100 feet, and ninety-nine and 95-100 feet on a curve of one thousand three hundred forty-two and 69-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Voted, That this commission determines that no person sustains damages in his estate by the taking of an easement for sewerage purposes and the construction of sewerage works in Terminal street, Charlestown district, under the order of the commission of October 26, 1955, and awards no damages therefor.

Boston & Maine Railroad, 1,147 square feet, nothing.

Voted, That this commission determines that the undermentioned person sustains damages in the estate by the making of the public improvement, consisting of the relocation and extension of Terminal street, Charlestown district, as a highway, approximately 200 feet northeasterly from a point approximately 3,100 feet northeasterly of Medford street and ordered constructed, under the order of this commission of November 23, 1955, in the amount hereinafter respectively set against it; and awards said amount therefor.

MARYKNOLL TERRACE, DORCHESTER, A HIGHWAY.

The Public Improvement Commission has ordered that a public improvement be made, consisting of the laying out and construction of Maryknoll terrace, Dorchester district, as a public highway, from Maryknoll street approximately 180 feet northerly, bounded and described as follows:

A highway named Maryknoll terrace, is hereby laid out, from Maryknoll street approximately 180 feet northerly and ordered constructed.

Said highway and the land, exclusive of trees, shrubs or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Southeasterly by Maryknoll street, fifty and 00-100 feet; southwesterly by the southwesterly line of Maryknoll terrace as hereby laid out, one hundred seventy and 28-100 feet on a curve of seven hundred feet radius; northwesterly by the northwesterly line of said Maryknoll terrace as hereby laid out, fifty and 77-100 feet; northeasterly by the northeasterly line of Maryknoll terrace as hereby laid out, one hundred ninety-one and 59-100 feet on a curve of seven hundred fifty and 00-100 feet radius.

Trees, shrubs or structures standing upon or affixed to the aforedescribed land, shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this commission estimates that the abutting parcels of land situated on both sides of said Maryknoll terrace will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on a plan hereinbefore referred to and on file in the office of this department.

Voted, That this commission determines that no person sustains damages in his estate by the making of the public improvement, consisting of the laying out and construction of Maryknoll terrace, Dorchester district, as a public highway, from Maryknoll street approximately 180 feet northerly, under an order of the Public Improvement Commission of November 23, 1955, and awards no damages therefor.

LAND-TAKING IN ROXBURY.

The Public Improvement Commission has ordered the taking of land in the Roxbury district, for Public Works Department purposes, as follows:

A parcel of land, supposed to belong to the New York, New Haven & Hartford Railroad, bounded and described as follows: Southerly by South Bay avenue; westerly by land of the City of Boston; northerly and easterly by other land of said New York, New Haven & Hartford Railroad, containing approximately 30,711 square feet; substantially as shown on a plan on file in the office of this commission, that it intends to pass an order to make said taking, and that it appoints 10 o'clock A.M. of Thursday, October 13, 1955, and the office of this commission, 401 City Hall Annex, as the time and place for a public hearing in the matter.

A true copy of an order passed by said commission on said day.

Attest:

MICHAEL J. CORRAO,
Secretary.

IN PUBLIC IMPROVEMENT COMMISSION, CITY OF BOSTON, November 2, 1955.

Whereas, The Public Improvement Commission has passed the aforesaid Order of Notice and has caused a copy of said order to be published September 30, October 1, 3, 4, 1955. in the Boston *American* and the Boston *Herald,* and October 1, 1955, in the *City Record,* and has given the public hearing, notice of which was given in said order; and

Whereas, The Public Works Department of the City of Boston, with the approval of the Mayor, has selected, designated, and requested the Public Improvement Commission of said city to take for said city for Public Works Department purposes the land hereinafter described in that part of Boston formerly Roxbury; it is

Voted, That the Public Improvement Commission of said City of Boston, acting under the provisions of chapter 486 of the Acts of the Legislature of 1909 and chapter 79 of the General Laws and all other authority thereto enabling, hereby takes in fee for said city, for Public Works Department purposes, the following-described parcel of land:

A parcel of land, supposed to belong to New York, New Haven & Hartford Railroad, bounded:

Southerly by South Bay avenue, one hundred fifty and 00-100 feet; westerly by land belonging to the City of Boston, sixty-five and 00-100 feet; southwesterly again by land of said City of Boston, three hundred fifty-one and 13-100 feet; northerly by land belonging to New York, New Haven & Hartford Railroad, one hundred twenty and 00-100 feet; and northeasterly again by land belonging to New York, New Haven & Hartford Railroad, four hundred seventeen and 12-100 feet, containing thirty thousand seven hundred eleven square feet, more or less.

Said parcel of land is shown on a plan marked "City of Boston, Atkinson Street, South Bay avenue, Roxbury, October 19, 1955, George G. Hyland, Commissioner of Public Works," and on file in the office of this department.

Voted, That this commission determines that the undermentioned persons sustain damages in their estate by the taking in fee of land on South Bay avenue, Roxbury district, for Public Works Department purposes, under the order of the commission of November 2, 1955, in the amount hereinafter respectively set against it, and awards said amount therefor.

New York, New Haven & Hartford Railroad, 30,711 square feet, $1.

STREET CONSTRUCTION IN WEST ROXBURY.

The Public Improvement Commission has ordered that a public improvement be made, consisting of the laying out and construction of Brucewood street, West Roxbury district, as a public highway, from Veterans of Foreign Wars Parkway to Rickerhill road, bounded and described as follows:

A highway named Brucewood street is hereby laid out, from Veterans of Foreign Wars Parkway to Rickerhill road, and ordered constructed.

Said highway and the land, exclusive of trees, shrubs, or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Northerly by Veterans of Foreign Wars Parkway, fifty-two and 58-100 feet; northeasterly by the northeasterly line of Brucewood street as hereby laid out, five hundred ninety-one and 16-100 feet; southeasterly by the northwesterly line of Rickerhill road, forty and 00-100 feet; and southwesterly by the southwesterly line of Brucewood street as hereby laid out, six hundred twenty-five and 29-100 feet.

Trees, shrubs, or structures standing upon or affixed to the aforedescribed land, shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this commission estimates that the abutting parcels of land situated on both sides of said Brucewood street will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on a plan marked "City of Boston, Brucewood Street, West Roxbury, November 8, 1955, George G. Hyland, Commissioner of Public Works," and on file in the office of this commission.

Voted, That this commission determines that no person sustains damages in his estate by the making of the public improvement, consisting of the laying out and construction of Brucewood street, West Roxbury district, from Veterans of Foreign Wars Parkway to Rickerhill road, as a public highway, under the order of the commission of November 16, 1955, and awards no damages therefor.

PROCEEDINGS OF CITY COUNCIL.

Monday, November 28, 1955.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 2 P.M., President HURLEY in the chair, and all the members present.

The Reverend David W. Edmunds, of Roslindale Unitarian Church, was escorted to the rostrum.

INVOCATION BY REV. DAVID W. EDMUNDS.

Eternal God, spirit of love, truth, and beauty, we seek Thy help this day in our individual lives and in working together for our city, community, and nation. May we help other nations in the ideal of the world at peace. We need Thy wisdom and guidance for we are frail; yet endowed with Thy spirit, we can conquer the issues of life.

Unite the peoples of the world, O God, in the pursuit of peace. May we spread the influence and ideal of democracy and liberty through providing a noble example in Thy sight and in the eyes of the peoples of the world.

Help us to establish securely justice and righteousness in our community and may the spirit of good will and love reign throughout the world.

In justice's name we ask this prayer. Amen.

The meeting was opened with the salute to the Flag.

SALVATORE REBECCHINI, MAYOR OF ROME, GUEST OF BOSTON CITY COUNCIL.

Mayor Salvatore Rebecchini, accompanied by his son, Felipo Rebecchini; Renato Salenzi, Chief of Protocol of Rome; and Mark Bortman, Chairman of Salute to Rome Committee, were welcomed as guests of the Boston City Council by President HURLEY. Mayor Rebecchini addressed the Council, briefly, wishing it continued success.

VETO OF ORDER FOR PAYMENT OF ANNUITY TO MARY F. LANE.

The following was received:

City of Boston,
Office of the Mayor, November 28, 1955.

To the City Council.

Gentlemen:

I am returning herewith, disapproved, the order passed by your Honorable Body on November 14, 1955, granting under section 89A of chapter 32 of the General Laws an annuity for the widow of the late Patrolman Walter A. Lane.

My objection to the order returned herewith is that, while the Medical Board had been admonished by the Corporation Counsel's letter of September 20, 1955, to consider the case as if it had arisen prior to the enactment of the so-called Heart Law (G. L. [Ter. Ed.] c. 32, s. 94, as amended) and to show on the face of the record authority for the Board's ultimate finding if favorable to the petitioner, the Board's certificate fails to make such a showing and leaves the implication that the Board considered the case as if the Heart Law applied.

The circumstances described above are such that the case should be remanded to the Medical Board for reconsideration. In view of the petitioner's reliance upon heart disease, such reconsideration should, of course, be deferred by the Medical Board until the Supreme Judicial Court decides the case now pending before it relative to the applicability of the Heart Law in annuity cases under G.L. (Ter. Ed.), c. 32, s. 89A, as amended.

Respectfully,
J. B. HYNES, Mayor,

The message and order were referred to the Committee on Claims.

VETO OF ORDER FOR PAYMENT OF ANNUITY TO MARY E. LINNEY.

The following was received:

City of Boston,
Office of the Mayor, November 28, 1955.

To the City Council.

Gentlemen:

I am returning herewith, disapproved, the order passed by your Honorable Body on November 14, 1955, granting under section 89A of chapter 32 of the General Laws an annuity for the widow of the late retired Fire Lieutenant Francis J. Linney.

My objection to the order returned herewith is that, while the Medical Board had been admonished by the Corporation Counsel's letter of January 25, 1955, to consider the case as if it had arisen prior to the enactment of the so-called Heart Law (G. L. [Ter. Ed.] c. 32, s. 94, as amended) and to show on the face of the record authority for the Board's ultimate finding if favorable to the petitioner, the Board's certificate fails to make such a showing and leaves the implication that the Board considered the case as if the Heart Law applied.

The circumstances described above are such that the case should be remanded to the Medical Board for reconsideration. In view of the petitioner's reliance upon heart disease, such reconsideration should, of course, be deferred by the Medical Board until the Supreme Judicial Court decides the case now pending before it relative to the applicability of the Heart Law in annuity cases under G.L. (Ter. Ed.), c. 32, s. 89A, as amended.

Respectfully,
J. B. HYNES, Mayor.

RECREATIONAL FACILITIES AT THETFORD AVENUE AND EVANS STREET.

The following was received:

City of Boston,
Office of the Mayor, November 23, 1955.

To the City Council.

Gentlemen:

I transmit herewith communication from the Commissioner of Parks and Recreation relative to your order of November 14, 1955, concerning the installation of recreational facilities at the site of the abandoned school at Thetford avenue and Evans street, Dorchester.

Respectfully,
J. B. HYNES, Mayor.

—

City of Boston,
Parks and Recreation Department,
November 21, 1955.

Harold B. Flemming,
Chief Clerk, Mayor's Office.

Dear Sir:

I have your memorandum of November 16, with enclosure, City Council order of Councillor McCormack, that the Commissioner of Parks and Recreation consider the advisability of installing recreational facilities at the site of the abandoned school on Thetford avenue and Evans street in the Dorchester section of Boston.

We are placing sufficient money in our 1956 budget for the development of this area, and if the money is allowed the work will be done.

Very truly yours,
FRANK R. KELLEY, Commissioner.

Placed on file.

NATIONAL GUARD ARMORY AT CITY POINT.

The following was received:

City of Boston,
Office of the Mayor, November 16, 1955.

To the City Council.

Gentlemen:

I transmit herewith communication from the Adjutant General of the Commonwealth concerning the possibility of building a National Guard Armory in the South Boston District of Boston.

Respectfully,
J. B. HYNES, Mayor.

—

November 15, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mayor Hynes:

Reference is made to City Council order of October 17, 1955, introduced by Councillors Foley, McCormack, and Kerrigan. Replying thereto, the Military Division of the Commonwealth of Massachusetts desires to locate a National Guard Armory in the South Boston District of Boston.

An armory in the South Boston district was included in our construction program for fiscal year 1956, but because a site was not available and in order not to lose appropriated funds, the program was amended so that an armory will be constructed in the Dorchester district during fiscal year 1956, in lieu of South Boston.

This division has requested the Federal Government, through the National Guard Bureau, to include an armory for the South Boston district in the budget requests for fiscal year 1957. Likewise, matching funds have been requested in the state budget for the same period.

To proceed with the necessary details in connection with processing of this project, it is desirable that a site be agreed upon and deeded to the Commonwealth as soon as possible.

Very truly yours,
WILLIAM H. HARRISON, JR.,
Major General, AGC., Mass. NG.,
The Adjutant General,
Chairman, Armory Commission.

—

Coun. FOLEY moved that copies of the order of October 17, 1955, the message of the Mayor, and the communication of the adjutant general, be forwarded to the Board of Appeal for advice, comment and information. The motion was carried.

The message and the communication were severally placed on file.

TRAFFIC LIGHTS AT E AND WEST THIRD STREETS, SOUTH BOSTON.

The following was received:

City of Boston,
Office of the Mayor, November 18, 1955.

To the City Council.

Gentlemen:

I transmit herewith communication from the Traffic Commissioner relative to your order of October 31, 1955, concerning the installation of traffic signals at the junction of E and West Third streets, outside St. Vincent's Church, South Boston.

Respectfully,
J. B. HYNES, Mayor.

—

Boston Traffic Commission,
November 14, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

With reference to City Council order introduced by Councillors McCormack, Foley, and Kerrigan, requesting the installation of traffic signals at the junction of E street and West Third street, at St. Vincent's Church, I submit the following report.

Funds are not available for additional installations of traffic signals this year and in fact the program undertaken this year was not completed due to insufficient funds.

It will be necessary, therefore, next year to secure an appropriation for the finishing of traffic signals planned for 1955 and any additional signals for which money may be provided.

Meanwhile we shall make a study to determine whether or not "Stop" signs will alleviate the conditions described as prevailing at E street and West Third street in South Boston. It may be that "Stop" signs will be all that is required at the location but at least they will certainly provide a temporary relief until such time as a warrant for traffic signals is established.

Respectfully yours,
WM. ARTHUR REILLY, Commissioner.

Placed on file.

REPLACEMENT OF STREET LIGHTING ON ASHMONT STREET.

The following was received:

City of Boston,
Office of the Mayor, November 18, 1955.

To the City Council.

Gentlemen:

I transmit herewith communication from the Commissioner of Public Works relative to your order of November 14, 1955, concerning the replacement of street lighting presently being accomplished on Ashmont street, in Dorchester, the entire length of that street.

Respectfully,
J. B. HYNES, Mayor.

—

City of Boston,
Public Works Department,
November 18, 1955.

Harold B. Flemming,
Chief Clerk, Mayor's Office.

Dear Mr. Flemming:

This is in reference to the following order that was passed in the City Council under date of November 14:

"Ordered, That his Honor the Mayor be requested to direct the Public Works Commissioner to extend the replacement of street lighting presently being accomplished on Ashmont street, in Dorchester, the entire length of that street."

The section of Ashmont street that extends from Dorchester avenue to Washington street is lighted by means of the old-fashioned gas lamps at the present time. However, an order has already been issued to the Boston Edison Company providing for the installation of modern, up-to-date, electric lights in this area of Ashmont street, to replace the outmoded gas lamps. We are arranging for the installation of 2,500 lumen lights; thereby providing lighting facilities in keeping with accepted and approved standards for residential streets.

The section of Ashmont street, from Dorchester avenue to Neponset avenue, is lighted at the present time by means of 1,000 lumen electric lights. We will issue an order to the Edison Company to provide for the replacement of these 1,000 lumen lamps with 2,500 lumen lights, thereby greatly improving the current street lighting facilities in this particular section of Ashmont street.

Respectfully yours,
GEORGE C. HYLAND,
Commissioner of Public Works.

HANDICAPPED DRIVERS TO PARK BETWEEN 8 AND 9.30 A.M.

The following was received:

City of Boston,
Office of the Mayor, November 18, 1955.

To the City Council.

Gentlemen:

I transmit herewith communication from the Corporation Counsel relative to your order of October 3, 1955, concerning the drawing up of legislation to be filed in the General Court amend-

ing chapter 458 of the Acts of 1955 to include, for the benefit of "handicapped" drivers the right to park in Boston between 8 and 9.30 A.M.

Respectfully,
J. B. HYNES, Mayor.

—

City of Boston,
Law Department, November 15, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

On October 5, 1955, your Honor transmitted to me the following order passed by the City Council two days earlier:

"Ordered, That his Honor the Mayor request the Corporation Counsel to draw up legislation to be filed in the General Court amending chapter 458 of the Acts of 1955 to include, for the benefit of 'handicapped' drivers, the right to park in Boston between 8 and 9.30 A.M."

I interpret the above-quoted order as requesting me to draft legislation prohibiting the imposition of a penalty upon a "handicapped" driver for violating subsection 3 of section 4 of Article IVA of the Rules and Regulations of the Boston Traffic Commission, forbidding the stopping, standing, or parking of any vehicle in any street in the downtown area between 8 A.M. and 9.30 A.M. on any day. Since penalties for such violation are prescribed by the Boston Traffic Commission under St. 1929, c. 263, s. 2, as amended, and not directly by statute, the proposed legislation would be an unwarranted interference with local control over a matter in which Boston now has "home rule." I am therefore asking to be excused from complying with the above-quoted order in the belief that the City Council inadvertently overlooked the power of the Boston Traffic Commission and will pursue the matter by requesting that commission to exempt "handicapped" drivers from such penalty if such exemption is found to be in the public interest.

Respectfully,
WILLIAM L. BAXTER,
Corporation Counsel.

Placed on file.

APPROPRIATION FROM PARKMAN FUND INCOME.

The following was received:

City of Boston,
Office of the Mayor, November 16, 1955.

To the City Council.

Gentlemen:

I am in receipt of the attached communication from the Commissioner of Parks and Recreation, requesting the appropriation of $27,000 from the income of the George F. Parkman Fund, to be expended under the direction of the Commissioner of Parks and Recreation, for the Maintenance and Improvement of the Common and Parks in Existence on January 12, 1887.

The 1955 budget estimates for the personal service requirements of the Park Department included an estimate of the total yearly income from the George F. Parkman Fund. The budget allowances made provision for the appropriation of this income as it accrued for the purpose of defraying the cost of work actually performed on the Common and Parks in Existence on January 12, 1887.

I submit herewith an order appropriating the sum of $27,000, the accrued income now available from the Parkman Fund, and respectfully recommend its immediate passage by your Honorable Body.

Respectfully,
J. B. HYNES, Mayor.

—

City of Boston,
Parks and Recreation Department,
November 15, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Sir:

You are respectfully asked to request the City Council to transfer from the income of the George F. Parkman Fund the sum of $27,000 which is now available, to be expended under the direction of the Park Commissioner, as follows:

Common and Parks in Existence on January 12, 1887, Maintenance and Improvement of $27,000

When making up the budget estimates for the year 1955, a sum equal to the total yearly income of the George F. Parkman Fund was deducted from Item 100, Permanent Employees, with the understanding that this deduction was to be replaced by the total yearly income of said Parkman Fund for 1955, to be transferred as it accrued from time to time during the year to the regular maintenance appropriation of the Parks and Recreation Department.

Respectfully yours,
FRANK R. KELLEY, Commissioner.

—

Ordered, That the sum of twenty-seven thousand dollars ($27,000) be, and hereby is, appropriated, from the income of the George F. Parkman Fund, to be expended under the direction of the Commissioner of Parks and Recreation, for the Maintenance and Improvement of the Common and Parks in Existence on January 12, 1887, as follows:

Common and Parks in Existence on January 12, 1887, Maintenance and Improvement of $27,000

Referred to the Committee on Appropriations and Finance.

TRANSFERS OF APPROPRIATIONS.

The following was received:

City of Boston,
Office of the Mayor, November 28, 1955.

To the City Council.

Gentlemen:

I submit herewith two orders providing for transfers within departmental appropriations. These orders are intended to cover situations which were not anticipated, and, therefore, not provided for in the original budget appropriations of the two departments concerned.

I respectfully recommend approval of the accompanying orders.

Respectfully,
J. B. HYNES, Mayor.

—

Ordered, That in accordance with the provisions of section 3B of chapter 486 of the Acts of 1909, as amended by chapter 601 of the Acts of 1941, the City Auditor be, and hereby is, authorized to transfer:

From the appropriation for Finance Commission, 4, Current Charges and Obligations, $1,255, to the appropriation for City Clerk Department, 1, Personal Services, $305, 2. Contractual Services, $950.

—

Ordered, That in accordance with the provisions of section 3B of chapter 486 of the Acts of 1909, as amended by chapter 604 of the Acts of 1941, the City Auditor be, and hereby is, authorized to transfer:

From the appropriation for Supreme Judicial Court, 1, Personal Services, $123, to the appropriation for Court House (Custodian), 5, Equipment, $123.

Severally referred to the Executive Committee.

TRANSFER OF APPROPRIATION TO COURTHOUSE CUSTODIAN.

The following was received:

City of Boston,
Office of the Mayor, November 28, 1955.

To the City Council.

Gentlemen:

To accommodate the increase authorized by the Legislature in the legal staff of the District Attorney's office, it will be necessary for the Courthouse Commission to provide additional office accommodations. In so doing, the commission proposes to expend $4,000 for the erection of partitions and the painting of rooms relinquished by the Superior Court.

Since no provision for this work was made in the original budget of the commission, it is necessary to transfer the amount involved from the Reserve Fund.

I submit herewith an order providing for such action, and respectfully recommend its adoption by your Honorable Body.

Respectfully,
J. B. HYNES, Mayor.

—

Ordered, That in accordance with the provisions of section 3B of chapter 486 of the Acts of 1909, as amended by chapter 601 of the Acts of 1941, the City Auditor be, and hereby is, authorized to transfer:

From the appropriation for Reserve Fund, $1,000, to the Appropriation for Courthouse (Custodian), 2, Contractual Services, $1,000.

Referred to the Executive Committee.

LOAN ORDER FOR CIVIL DEFENSE EQUIPMENT AND SUPPLIES.

The following was received:

City of Boston,
Office of the Mayor, November 28, 1955.

To the City Council.

Gentlemen:

At the request of the Director of Civil Defense, I submit herewith an order authorizing a loan of one hundred thousand dollars ($100,000) to be used on a matching-fund basis with the State or Federal Governments to provide essential equipment and supplies.

Of the various items included in the director's communication, also submitted herewith, that relating to sirens will permit the establishment throughout the city of a complete attack-warning system; that relating to communications will cover the purchase of additional radio equipment to augment existing two-way communication facilities in the Public Works, Police, and Fire Departments; that relating to generators will permit the purchase of equipment of this character to be used in the event of temporary failure of power facilities during floods and hurricanes; that relating to pumping equipment will permit augmenting present facilities so that the city may meet emergency requirements resulting from floods and hurricanes; that relating to rescue equipment will embrace saws, axes, and trucks which will be utilized when emergency conditions arise.

Based on the experience of the Civil Defense Department in handling emergencies which have arisen since its creation, I believe it is desirable that the facilities covered by the proposed loan should be made available. I therefore recommend adoption of the accompanying order by your Honorable Body. I trust your action in this respect will be taken promptly since subsequent to your action, approval for the loan must be secured from the Emergency Finance Board.

Respectfully,
J. B. HYNES, Mayor.

—

City of Boston,
Civil Defense, October 19, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mayor Hynes:

I am hereby requesting that in accordance with chapter 639 of the Acts of 1950, section 15A, a civil defense non-revenue loan in the amount of $100,000 be secured in order that funds may be made available for making purchases on a matching-fund basis with the State or Federal Governments so that certain minimum needs for civil defense equipment and supplies may be met.

These funds will be used in all probability in the following amounts for the following purposes:

Sirens	$35,000
Communications	20,000
Generators	20,000
Pumping Equipment	10,000
Garage	10,000
Rescue Equipment	5,000
Total	$100,000

I hope that this request will meet with your approval.

Respectfully submitted,
JOSEPH L. MALONE, Director.

—

Ordered, That under the provisions of section 15A of chapter 639 of the Acts of 1950, the sum of one hundred thousand dollars ($100,000) be, and the same hereby is, appropriated, to be expended under the direction of the Director of Civil Defense, to meet the expenses necessary for civil defense activities, and that the Collector-Treasurer be, and hereby is, authorized to issue, from time to time, upon request of the Mayor, bonds, notes, or certificates of indebtedness of the City of Boston to said amount.

Referred to the Committee on Appropriations and Finance.

For the Committee,
GABRIEL F. PIEMONTE, Chairman.

City of Boston.
In the Year Nineteen Hundred and Fifty-Five.

An Ordinance Concerning the Fees for Certificates Issued by the Secretary of the Beacon Hill Architectural Commission.

Be it ordained by the City Council of Boston, as follows:

Section 22 of chapter 41 of the Revised Ordinances of 1947, as most recently amended by chapter 5 of the Ordinances of 1953, is hereby further amended by adding after clause 33 the following new clauses:

34. The fee for the issuance of a certificate of appropriateness by the Secretary of the Beacon Hill Architectural Commission, under section 7 of chapter 616 of the Acts of 1955, shall be, in the case of the construction or reconstruction of the whole or such portion of the exterior of a structure as is designed to be open to view from a public way, thirty-five dollars, and in every other case, five dollars.

35. The fee for the issuance by the Secretary of the Beacon Hill Architectural Commission of a certificate under section 8 of chapter 616 of the Acts of 1955 relative to the expiration of the period specified in said section 8 shall be twenty-five dollars.

The report of the committee was accepted, the ordinance in the new draft was passed, and the ordinance as submitted by the Mayor was rejected.

POSTPONEMENT OF DATE FOR AMATEUR FOOTBALL GAME.

Ordered, That effective November 23, 1955, the following persons be, and they hereby are, appointed in the service of the Clerk of Committees Department to the positions set against their respective names until the first Wednesday of January, 1956, at the salaries in effect for them on November 22, 1955.

Francis R. Burke, temporary clerk.

Peter J. Cloherty, temporary clerk.

Nicholas DiMella, temporary stenographer-clerk.

Agnes G. Dinsmore, temporary clerk-receptionist.

Catherine E. Dunn, temporary stenographer-clerk.

Catherine Monahan, temporary stenographer-clerk.

Paul G. O'Hara, temporary clerk.

Frances B. Winn, temporary stenographer-clerk.

Passed under suspension of the rules.

MEETING OF EXECUTIVE COMMITTEE.

Coun. WHITE announced that there would be a meeting of the Executive Committee on Tuesday, December 6, 1955, at 11 A.M., to have the final publicly advertised hearing on group insurance, etc., for city and county employees.

AMENDMENT TO CLASSIFICATION AND COMPENSATION PLAN.

Coun. PIEMONTE offered the following:

Ordered, That his Honor the Mayor review the City of Boston Payroll Schedule for its employees with a view to reducing the term of years of service required before attaining the maximum salary grade from the present term of 20 years to 10 years.

Passed under suspension of the rules.

LIBERALIZATION OF McCARRAN-WALTER IMMIGRATION AND NATURALIZATION POLICIES.

Coun. PIEMONTE offered the following:

Whereas, The City of Boston owes its greatness to contributions of men and women of all races and religions and of all national descent, working together for the common welfare of our community and our nation; and

Whereas, These citizens hold dear the heritage of America and the heritage of their forefathers from all nations of the world; and

Whereas, The City of Boston's ever-growing greatness in medicine, educatiou, teelnology, commerce, the arts, industry, and in countless other fields of eudeavor, is due in large part to the contributions of recent immigrants from all lands and their descendants; and

Whereas, The City of Boston, with commercial and cultural ties close to other nations of the world, realizes the value of American leadership, through demonstratiou, in true democracy to attaiu global peace; and

Whereas, The present immigration and naturalization laws of the United States do not unite the people of our nation, and, through the prejudicial national origins quota system do not demonstrate true equality of all of God's children on earth, and do not make equal American-born and naturalized citizens, and do not make greatly-needed friends for the United States among the people of the world; therefore be it

Resolved, That the Boston City Council be recorded as favoring liberalization of the McCarran-Walter Immigration and Naturalization Law to make our immigration and naturalization policies truly democratic, in the spirit of equality to all men upon which our nation was founded and for which Boston patriots have fought and died since the founding of our city in 1630; nnd be it further

Resolved, That the Boston City Council favors the establishment of a nonpartisan and nonpolitical commission of experts, representing all fields affected by immigration and naturalization, to study what immigratiou and naturalization policy would be best for America, and to propose legislation to effect this policy at the next session of the Congress of the United States; and be it further

Resolved, That copies of this resolution be forwarded immediately to Chairman Kilgore and all members of the Senate Judiciary Subcommittee on Immigration and Naturalization, Room 419-B, Senate Office Building, Washington 25, D. C., with the request that this resolution be placed into the record of the hearings on immigration and naturalization now being held.

The resolution was adopted under suspension of the rules.

TAX ASSESSING INFORMATION CONCERNING CERTAIN PROPERTIES.

Coun. PIEMONTE offered the following:

Ordered, That his Honor the Mayor be requested, under the provisions of section 17F of chapter 376 of the Acts of 1951, and any amendments pursuant thereto, and under any authority vested in the City Council, at the meeting of the Council next ensuing after one week from receipt of this order, answer in writing to the questions set forth in the following:

1. The provisions of the statutes of the Commonwealth and or ordinance of the City of Boston or any regulations promulgated by the Commissioner of Corporations and Taxation pertaining to the placing of liens by municipalities on real estate for nonpayment of taxes and the date and citation and laws, ordinance or regulations became effective.

2. A detailed statement as to the amount, if any, owed to the City of Boston as of December 31, 1949, for taxes or charges on each of the following properties:

d. 136-138 Pearl street.
e. 132-134 Pearl street.
f. 128-130 Pearl street.
g. 124-126 Pearl street.
h. 120-122 Pearl street.
i. 116-118 Pearl street.
j. 112-114 Pearl street.
k. 108-110 Pearl street.
l. 101-106 Pearl street.
m. 100-102 Pearl street.
n. 129-133 High street.
o. 135-137 High street.
p. 37 Hartford street.
q. 45 Hartford street.
r. 245-249 Washington street.
s. 255 Washington street.
t. 259 Washington street.
u. 263 Washington street.
v. 267 Washington street.
w. 275 Washington street.
x. 76 Broad street.
y. 99 State street.
z. 125-127 Purchase street.

The assessed valuation placed on each of the aforesaid parcels and the tax assessed for each of these properties for the years 1950, 1951, 1952, 1953, 1954, and 1955.

3. The abatements granted on each of the aforesaid parcels since January 1, 1950, setting forth the dates said abatements were granted and the amount abated in each instance.

4. The dates and amounts of payments to the City of Boston on each of these parcels setting forth the date such payments were received by the City of Boston and the book and page in which such entries of payments were made.

Passed under suspension of the rules.

CONGRATULATIONS TO SPONSORS AND PARTICIPANTS IN SANDLOT FOOTBALL CHAMPIONSHIP GAME.

Coun. McLAUGHLIN offered the following:

Whereas, on Sunday, December 4, 1955, the East Boston Tornadoes and the Weymouth Town Team will meet at Fenway Park to determine the Sandlot Football Championship of Massachusetts; and

Whereas, This is being sponsored by his Honor the Mayor, John B. Hynes, and the Boston "Post"; and

Whereas, The proceeds of this game will be donated to the "Boston Post Santa Fund" to assist in providing needy children with a happy Christmas; and

Whereas, This is a most worthy cause in keeping with the true spirit of the Holy Season; therefore be it

Resolved, That the Boston City Council, in meeting assembled, extends its sincere congratulations to the sponsors, and urges all who can possibly do so to purchase tickets to assure the success of this most deserving undertaking; and be it further

Resolved, That the Boston City Council, in meeting assembled, extends its sincere thanks to the members of the South Boston Chippewas, the East Boston Tornadoes, co-champions of the City of Boston, and the Weymouth Town Team, for their willing cooperation in the name of charity; and be it further

Resolved, That a copy of this resolution be forwarded to each of the sponsors and the management of each of the aforementioned teams.

The resolution was adopted under suspension of the rules.

CONGRATULATIONS TO COACHES AND MEMBERS OF CHARLESTOWN HIGH SCHOOL FOOTBALL TEAM.

Coun. AHEARN offered the following:

Whereas, Participation in athletics of all kinds is to be encouraged and enlarged in our schools not only for the improvement of the health of our youth but also for the development of character and qualities of good sportsmanship, fair play, discipline, ability to lose gracefully, and for the purpose of fighting juvenile delinquency; and

Whereas, While winning in schoolboy sports should not be overemphasized, yet it is fitting that recognition should be given to a degree of perfection which is reached through fine instruction, diligent practice, hard work, nnd loyalty; now therefore be it

Resolved, That the Boston City Council, in meeting assembled, congratulates and commends the headmaster, coaches, and members of the football team of the Charlestown High School on the completion of their first undefeated season in many years and upon their winning of the state-wide Class D football championship.

The resolution was adopted under suspension of the rules.

SPECIAL SESSION OF LEGISLATURE TO CONSIDER GRADUAL DECONTROL OF RENTALS.

Coun. AHEARN offered the following:

Whereas, Rent controls in the City of Boston will expire on December 31 under provisions of chapter 225 of the Acts of 1955; and

Whereas, The expiration of such rent controls will create an extreme hardship on countless thousands of families in the City of Boston, as well as in other cities and towns throughout the Commonwealth; and

Whereas, Notices for increases in rents have already been received by tenants with increases as high as 50 per cent; and

Whereas, Many of these tenants are living on a fixed income from Social Security, a retirement pension, old age assistance, etc., and such rent increases will force upon them the cost of moving to less expensive accommodations in areas unsuitable for decent living, and areas which the city is trying to eliminate, or will force tenants to deny themselves the necessities of life in order to meet the increased rentals; and

Whereas, One hundred and fifteen representatives and 27 members of the Massachusetts Senate in the Great and General Court favored the continuance of rent controls into 1956 during the last session of the Legislature; and

Whereas, Eighty-two representatives and 16 senators recently signed a petition calling for a special session of the Legislature to consider this vital matter, indicating continued interest and the urgent necessity for the continuance of rent control; and

Whereas, Time is now of the essence and only the speedy intervention of His Excellency the Governor can avert the disastrous effects of rent control termination by calling a special session of the Legislature; now therefore be it

Resolved, That the sudden termination of all rent controls, regardless of availability and price of accommodations, will create an emergency and undue hardships; be it further

Resolved, That His Excellency the Governor call a special session of the Legislature with a view to enacting into law a fair and intelligent plan of gradual decontrol of rentals which will take into consideration the availability and the cost of rental accommodations in order that a chaotic condition may be averted and persons of low and moderate income may be protected.

On motion of Councillor Piemonte, the foregoing resolution was referred to the Executive Committee.

AMATEUR FOOTBALL GAME FOR CHRISTMAS FESTIVAL SANTA CLAUS FUND.

Coun. FOLEY offered the following:

Ordered, That a license be hereby granted to use Fenway Park on the afternoon of Sunday, December 4, 1955, for an amateur football game between the East Boston Tornadoes and the Weymouth Town Team, for the Christmas Festival Santa Claus Fund by Patrick J. Ryan, provided that the provisions of section 25 of chapter 41 of the Revised Ordinances of 1947 relative to liability insurance shall be complied with; the fee for said license shall be $5.

Passed under suspension of the rules.

"DICK LUCAS DAY"

Coun. FOLEY offered the following:

Whereas, Richard Lucas is a native of South Boston, a graduate of South Boston High School, and a star football player at Boston College; and

Whereas, Richard Lucas has brought great credit to his city, to the Boston schools, and to his college by winning the O'Melia Trophy for being the outstanding player in the Holy Cross-Boston College football game; and

Whereas, Richard Lucas will be awarded the O'Melia Trophy at a dinner of the Holy Cross Club of Boston, in Hotel Somerset, on Tuesday, December 13; therefore be it

Resolved, That Tuesday, December 13, be declared "Dick Lucas Day" in Boston.

The resolution was adopted under suspension of the rules.

BEST WISHES TO TONY DeMARCO.

Coun. PIEMONTE offered the following:

Resolved, That the Boston City Council, in meeting assembled, extends its best wishes for success to Tony DeMarco in his fight Wednesday evening to regain the welterweight championship of the world.

The resolution was adopted under suspension of the rules.

Adjourned at 6.14 P.M., on motion of Councillor White, to meet on Monday, December 5, 1955, at 2 P. M.

Note: All debate of City Council eliminated from proceedings in accordance with Chapter 447, Acts of 1947.

(Stenographic copy of such debate on file in office of City Clerk.)

MUNICIPAL BOND PROPOSALS.

Proposals for Redecking and Repairing Perkins Street Footbridge, Over Boston & Maine Railroad.

The Commissioner of Public Works of the City of Boston, Room 506 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for redecking and repairing Perkins Street Footbridge, over Boston & Maine Railroad. A bond will be required for doing the work of a surety company approved by the Commissioner in the sum of 100 per cent of the amount of the contract, to secure the due performance of the contract and the full protection of the city. Forms of proposals may be obtained at Room 506 (Contract Office), City Hall Annex. Each proposal should be enclosed in an envelope, sealed, marked "Proposal for Redecking and Repairing Perkins Street Footbridge, Over Boston & Maine Railroad," and left at Room 506 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. of WEDNESDAY, DECEMBER 21, 1955, with a certified check for FOUR HUNDRED (400) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 506, City Hall Annex. *There will be a charge of two dollars ($2), NOT REFUNDABLE, for each set of plans and specifications taken out.* If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

GEORGE G. HYLAND,
(Dec. 10.) *Commissioner of Public Works.*

Alice Bastian, 121 Ashmont street, Dorchester, in the sum of $450, as compensation for personal injuries caused by a hole in the sidewalk on Federal street, corner of Purchase street, June 19, 1955.

Kay Sherman, 625 Beacon street, Newton, in the sum of $250, as compensation for personal injuries caused by a hole in the highway on Beacon street, opposite No. 1924, at Cleveland Circle, April 18, 1955.

Parker C. MacKinnon, 16 Dunreath street, Roxbury, to be reimbursed in the sum of $385, as a result of an accident which occurred on May 19, 1953, when a motor vehicle belonging to the Sanitary Division, Public Works Department, which he was operating, struck an automobile owned by Abraham Saletszky, damaging same and causing personal injuries to Mr. Saletszky.

ADMINISTRATION BUILDING, 15 BEACON STREET, OFFICE OF THE BUSINESS MANAGER.

PROPOSALS FOR FURNISHING FLUORESCENT AND LARGE INCANDESCENT ELECTRIC LAMPS FOR BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for furnishing and delivering at the several school buildings fluorescent and large incandescent electric lamps in accordance with orders. Proposal forms are obtainable at the office of the Business Manager of the School Committee, 15 Beacon street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Fluorescent and Large Incandescent Electric Lamps." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check in the amount of one hundred dollars ($100), payable to the City of Boston, must be left at the office of the Business Manager on or before 12 o'clock noon on Tuesday, December 20, 1955. Copies filed with the Business Manager will be publicly opened and read at 12 o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of the bids. The School Committee reserves the right to reject any or all bids, and to accept such bid or part of bid as may be deemed best for the interests of the city. The successful bidder will be required to provide a suitable bond or deposit of money or other security for not less than 50 per cent of the amount of the contract.

LEO J. BURKE,
Business Manager of the School Committee.
(Dec. 10.)

Josephine Doran, 30 Crescent street, Wakefield, in the sum of $30, as compensation for damage to clothing caused by paint from a freshly painted unguarded traffic post at the corner of Washington and Winter streets, June 20, 1955.

CITY OF BOSTON.

HOSPITAL DEPARTMENT.

INVITATION FOR PROPOSALS FOR FURNISHING AND INSTALLING AN AIR COMPRESSOR IN LAUNDRY BUILDING, BOSTON CITY HOSPITAL.

The City of Boston, by the Board of Trustees, Hospital Department, and of the Boston City Hospital, hereinafter referred to as the Awarding Authority, invites sealed proposals for furnishing and installing an air compressor in Laundry Building, Boston City Hospital, Boston, Mass.

Proposals will be received until two o'clock P.M., Wednesday, December 21, 1955, at the office of the Superintendent, Boston City Hospital, 818 Harrison avenue, Boston, Mass., at which time and place they will be publicly opened and read.

Proposals must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy shall be properly filled out, signed, and enclosed in an envelope, sealed and plainly marked with the description of the work to be done. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of $100, shall be submitted with the copy of the proposal filed with the Awarding Authority.

The bid deposit shall be in a separate envelope, properly marked.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate of wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for the work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

Specifications may be obtained at the office of the Superintendent of the Boston City Hospital, 818 Harrison avenue, Boston, Mass., on and after Monday, December 12, 1955.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

The Awarding Authority also reserves the right to reject all bids in accordance with the provisions of sections 44A to 44E, inclusive, of chapter 149 of the General Laws, as amended.

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 47 SATURDAY, DECEMBER 17, 1955. No. 51

ALL NEW ENGLAND FLOCKING TO CHRISTMAS FESTIVAL ON BOSTON COMMON — MAYOR JOHN B. HYNES JUSTLY PROUD OF THE SUCCESS OF ONE OF HIS MOST CHERISHED PROGRAMS.

Record throngs have been visiting the Boston Common and Public Garden during the past three weeks to view the most beautiful spectacle ever attempted in Boston's history. During the daytime, during the evening, and especially during the week ends, Boston Common has become a beacon of hope, happiness, and thrills for thousands of adults and children from all sections of New England.

The true meaning of Christmas is brought back to mind by the deep religious theme which characterizes every phase of the Festival and which catches the eye and heart of the spectator. With 130 different musical organizations, representing various religious groups throughout the city and state, participating during the display, with the principal center of attraction being the heroic-sized Nativity Scene overlooking the Common near the State House, one can well appreciate the time and effort devoted to making this annual Festival such a huge success.

The largest musical program of the Christmas Festival's six-year history will be climaxed Christmas Eve when St. John's Seminary Choir sings at the Nativity Scene, while Archbishop Richard J. Cushing celebrates the Holy Sacrifice of the Mass.

Later that day, St. Paul's Episcopal Cathedral Choir will take part in a Christmas Eve service conducted by the Very Reverend Charles H. Buck, Jr., Dean of the Episcopal Cathedral. Also participating in the Christmas Eve events will be the choir of St. Andrew's Ukrainian Church.

Santa's Workshop, with its eight live white reindeer, has been attracting the attention of thousands of excited visitors, especially the children.

Police and transportation systems have been making arrangements for increases in the heavy traffic which will become more prevalent during the next week. The New England Transportation System and the M.T.A. announced that they have put on special additional vehicles to handle the expected crowds, and downtown traffic policemen will be augmented by officers from outlying stations.

Hundreds of letters have been received by his Honor the Mayor and Harry J. Blake, Chairman of the Christmas Festival Committee, complimenting them on their untiring work and splendid administration of an annual Boston affair that is now becoming the talk of the country.

The following editorial appeared in the *Boston Evening American*, December 14, 1955:

WORLD'S BEST

Boston's Christmas Festival, more beautiful than ever before, should be a "must" for every New Englander.

In all the world there is nothing quite like it — not even in London or Paris or Rome.

It is the Bible come to life, imagination transformed into reality, a lovely dream come true.

Every child should see the faithful reproduction of the Nativity Scene — the new-born Christ in His manger crib, the Blessed Virgin, Saint Joseph and the adoring shepherds.

The New England village church, its organ sounding the praises of the King of Kings and choirs singing the ancient hymns, is worth traveling far to enjoy.

A day spent in Boston during the Christmas season is a day to be remembered.

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the shipteeming plain of the ocean;
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

From Boston Centennial Poem by
NATHAN HASKELL DOLE.

PLANS COMPLETED FOR TAKING CARE OF ANY AND ALL UNUSUAL SNOW-STORMS DURING THE WINTER SEASON—MAYOR APPROVES NEW CONTRACT.

Boston has completed plans for caring for and meeting any unusual situations that may follow snowstorms during the winter. Mayor Hynes has approved the request of the Public Works Commissioner to have the equipment and necessary labor provided by contractors to keep in front of storms.

The letter seeking approval reads as follows:

PUBLIC WORKS DEPARTMENT.

BOSTON, December 9, 1955.

To the Mayor of Boston:

I respectfully recommend that contracts for removing snow during the 1955–56 winter period be awarded to the following contractors in Areas 1 to 5 and in Areas 10 to 13, at the price per cubic yard designated:

Area No.	Contractor	Price Per Cubic Yard
1.	Coleman Bros. Corp.	$0.90
2.	Joseph P. McCabe, Inc.	.90
3.	J. F. Stack & Co.	.95
4.	Charles Callahan Co., Inc.	.80
5.	J. F. White Contracting Co.	.83
10.	Suburban Excavators, Inc.	.80
11.	A. Singarella & Sons, Inc.	.85
12.	North American Construction Co.	.69
13.	J. A. Susi & Sons, Inc.	1.00

The above contractors, in my opinion, represent the best qualified bidders who have sufficient experience, organization, and equipment to do the required work, and it is in the best interest of the city that the contracts be awarded as recommended. Likewise, we are following our usual policy of awarding only one district to each contractor.

It is understood that the contract will expire on March 31, 1956. Under the provisions of chapter 182 of the Acts of 1951, contracts may be awarded in a current year for the first three months of the succeeding year as long as said contracts affecting the latter-referenced period are awarded "upon like or more favorable terms and conditions" than the contract in effect in a current year. The above-referenced proposed snow removal contracts comply with the terms of chapter 182 in that they are being awarded for the months of January, February, and March of 1956 under the same terms and conditions in effect during the current year.

The above prices represent bids that were opened in this office December 2, 1955, after publicly advertising for proposals in the *City Record* issue of November 19, 1955. Attached hereto is list of bids received in all the districts.

GEORGE G. HYLAND,
Commissioner of Public Works.

VETERAN EDITOR OF "CITY RECORD" DIES — MAYOR PAYS TRIBUTE TO JOSHUA JONES.

Mayor Hynes paid a warm tribute to the veteran editor and newsman, "The passing of Joshua H. Jones will leave a void in City Hall.

"For more than 30 years he has been a familiar, likeable figure to thousands of Bostonians who have known him. Always a gentleman, he endeared himself to everyone with whom he came in contact. We shall miss his cheery disposition and his ever-present willingness to be helpful to everyone at all times."

Mr. Jones was stricken with a heart attack at his office, Monday. He died Wednesday morning at the City Hospital.

Mr. Jones was born in Orangeburg, S. C. He attended Ohio State University, Yale University, and was graduated from Brown University in 1903. At Brown he was a track and football star.

During his newspaper career, he was a reporter for the Boston Post, the Boston Record, the Boston Telegram, and was city editor of the Boston Daily Advertiser. He was also a reporter for newspapers in Providence, Worcester, and Lawrence.

Author of several books and poems, Mr. Jones also wrote the words for the song, "Dear Old Boston," which was adopted as the official song of Boston. During his long career with the municipal government, he never was known to take a vacation or miss an edition of the City Record.

Mr. Jones leaves a grandson, Wilfred H. Morette, with whom he made his home.

Funeral services were held on Friday afternoon, December 16.

REPORT OF PRISCILLA M. RICHARDS, ASSISTANT DIRECTOR OF SCHOOL LUNCHES, ON ATTENDANCE AT CONVENTION OF AMERICAN DIETETIC ASSOCIATION, HELD IN ST. LOUIS, MISSOURI, OCTOBER 18 TO 21, 1955.

The following report of Priscilla M. Richards, Assistant Director of School Lunches, was submitted to the School Committee:

BOSTON, November 22, 1955.

DR. DENNIS C. HALEY,
Superintendent of Schools.

DEAR DR. HALEY:

This is a report on my attendance at the Convention of the American Dietetic Association in St. Louis, Missouri, October 18–21, 1955.

Thirty-five hundred dietitians, representing forty-eight states, Australia, Costa Rica, and Puerto Rico attended this thirty-eighth annual meeting of the American Dietetic Association. During the week a number of delegates appeared on radio and television programs.

Miss Florence Reynolds of Washington, D. C., Information Officer of United Nations Food and Agriculture Organization, addressed the opening session. She said: "Production and distribution of sufficient food is the basic problem to be solved in the search for world peace. Americans have difficulty realizing that of every two children born one of them faces a situation in which he can look forward to nothing but hunger from birth to death."

There were five topics discussed particularly at this convention. I will try to report on them only insofar as they pertain to school lunches: Advances in Nutrition; Training Courses for Dietitians and Dietetic Internes and Food Service Employees; Changes in Growing and Marketing of Food Supplies; Kitchen Planning and Food Service Layouts; Cost Control.

There were many well-known speakers on nutrition: Dr. Frederick J. Stare, Harvard University; Dr. Jeffrey Fryer, School of Nutrition at Cornell University; Dr. James Hundley, Chief, Laboratory of Biochemistry and Nutrition, National Institute of Arthritis and Metabolic Diseases; Dr. Robert Harris, Massachusetts Institute of Technology; and many others.

Dr. Hundley said that persons living in the United States and in Australia have the most generous diet on earth. Unfortunately this generous diet is also the reason why Americans carry more excess weight than any other people. As a result, diabetes and heart disease are more prevalent in the United States. People of other countries, with no history of these diseases in their own country, have developed them after one generation in the United States. Dr. Hundley also said that diabetes and heart disease seem to be hereditary.

Dr. Fryer said that Americans consume a high percentage of their diet in fats, approximately 33 per cent. We should cut down on fat and increase our consumption of protein.

Dr. Schweigert, Assistant Director of Research for the American Meat Institute Foundation, told us that beef cattle and hogs are now being bred to develop less fat and more lean meat, at the same time tender and containing all the essen-

REPORT ON CONVENTION OF AMERICAN DIETETIC ASSOCIATION.

tial nutriments. In the past, breeders were only interested in the weight of the animal.

Mr. Leudal Kotschevar, Ph.D., Director of Residence Halls and Food Services, Chairman of the Home Economics Department, Montana State University, advised that a most important fact to remember in planning new kitchens is to allow sufficient space for expansion. The original installment may be small in space, but the power and sewer lines should be adequate for future heavier duties. Soundproofing and ventilating are other important considerations.

With growing labor costs, we will be buying more ready-to-cook fresh vegetables and fruits, prefabricated meats, and premixed bakery products. This will change storage requirements. Walk-in refrigerators can easily be converted to future freezers. Carts may be wheeled into refrigerators to save additional handling of food.

All service in Montana University is speeded up through the use of portable trucks which are stored under or near food counters.

Miss Martha Russell, Director of Public School Lunchrooms, Oklahoma City, spoke on personnel training. In the Oklahoma City schools 85 lunchrooms, staffed by 550 school lunch employees, serve daily 28,000 children. Oklahoma City has a personnel training program which costs the city approximately $5,000 per year. One cafeteria is run as a training center for employees, and a four-week workshop is held during the summer. The food used in the workshop is not wasted but sold to the summer students and teachers. The workshop is popular, and it is felt that the results are greater efficiency and uniformity in the school lunchrooms. Women from the ranks are trained to be cooks, bakers, or managers. The American Dietetic Association also prints a manual of food service procedures. I have requested a copy of the training manual of both organizations.

Miss Frances Welch, Director of Lunchrooms in Dallas, Texas, supervises 100 school lunchrooms. She advocates leadership in supervision, not merely inspection. All managers in the Dallas elementary schools are brought up through the ranks and trained by area supervisors. Dallas has a centralized system of purchasing, maintenance, auditing, and carries on a continuous training program necessitated by the large turnover in employees. The area supervisor works closely with the principal in each school.

Miss Thelma Flanagan, Director of School Lunch Programs in Tallahassee, Florida, described the new centralized system. She believes that school lunchrooms operated by school boards, instead of concessionaires, mean less expensive, more nutritious food for the children, including more fresh fruit, vegetables, and hot breads. It has resulted in better personnel and less hand-to-mouth buying of supplies. She felt that school lunch dietitians are not doing enough to educate children in selecting a good lunch.

I visited school lunchrooms in St. Louis. They are under the supervision of Mr. David Page. All the elementary schools and junior high schools participate in the government program and have Type A lunch. However, the high schools do not have the government program. Government commodities are available for the high school lunchrooms, but no cash subsidy is received. Each lunchroom is managed by a trained dietitian. The menu is a la carte. In the Southwest High School, of the 1,660 pupils very few bring a lunch from home. The kitchen in this school is all electric and well equipped. One hundred and thirty dozen raised rolls are baked in the kitchen each day. The menu offers a hot dish with a choice of four different vegetables, three salads, fresh fruit, fruit juices, sandwiches, milk and two school-prepared desserts, plus ice cream. At the close of school, a snack bar with candy, salted nuts, and fruit is available to the students. The food is well cooked and nicely served.

May I extend my appreciation to the School Committee and the Superintendent of Schools for the opportunity of attending this convention. I found it interesting and profitable and hope that what I learned may help the Boston school lunch program.

Respectfully yours,

PRISCILLA M. RICHARDS,
Assistant Director of School Lunches.

CLAIMS ALLOWED.

PUBLIC WORKS DEPARTMENT.

Upon December 9, 1955, the Mayor approved a contract for furnishing and installing heating equipment at 650 Albany street, Public Works Department, to J. J. Hurley & Co., Inc., the lowest responsible and eligible bidder, at an estimated cost of $12,790.

The following bids were received December 8:

J. J. Hurley & Co., Inc., $12,790; J. W. Praught Company, $14,300; James M. McCusker Company, $14,490; Fred Williams, Inc., $14,941; Joseph F. Dwyer, $15,374; Robert A. LaCentra Company, $15,410; Seltzer & Co., Inc., $15,636.

WITHOUT ADVERTISING.

Upon varying dates as indicated the Mayor approved contracts with contractors and commercial houses for furnishing labor, supplies, etc. Communications from heads of the departments interested were as follows:

ADMINISTRATIVE SERVICES DEPARTMENT.
Purchasing Division.

BOSTON, December 2, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This department is in receipt of a requisition for one used Hartman grand piano for the Boston City Hospital to be purchased from Norris & Co., Inc. Attached is a copy of a communication from the director and superintendent of the Boston City Hospital giving reasons why this purchase should be made. It is my opinion that the purchase as recommended should be made.

It is therefore requested that permission be granted to dispense with advertising and award a contract, without advertising, to Norris & Co., Inc., for one 6-foot 11-inch Hartman grand piano and bench, as selected, at a total cost of $1,250, net. A one-year guarantee is to be included as part of the contract.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

MR. JOHN V. MORAN,
Purchasing Agent.

DEAR SIR:

Attached please find Hospital Requisition No. 10,043 for one 6-foot 11-inch Hartman grand piano, ebonized with brass trim.

The original cost of this piano was $3,850. It is prewar and was stored shortly after purchase. In fact, it is practically unused. It can be purchased from Norris & Co., Inc., of 441 Tremont street, Boston, Mass., for $1,250, which price includes piano and bench. The purchase of same carries with it a new-piano guarantee.

The old Chickering in the nurses' home is outmoded and has been unfit for use for some time. A slightly-used piano, such as the one described above, would be more suitable for the use of the student nurses and more economical than a grand piano at the original cost. I have been considering the purchase of a piano for the past month or more, and this piano seems to be the best that has been offered to date and still suitable for the lounge in the nurses' home.

I am urgently recommending the purchase of same. I trust that you will be able to give Mr. Norris some assurance of purchase in the near future so that he can at least set this piano aside for our use awaiting the routine purchase order.

May I again thank you for your many courtesies and for your full cooperation in handling our many problems to date.

Very sincerely yours,

JOHN F. CONLIN, M.D.,
Director and Superintendent, Boston City Hospital.

—

BOSTON, December 2, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

On May 2, 1955, as a result of public advertising, your Honor approved the award of a contract for water meters to the Hersey Manufacturing Company, South Boston, Mass. The Hersey Manufacturing Company was the lowest bidder responding to said public advertising. Subsequent to that time, the Hersey Manufacturing Company has made deliveries of the full amount of the contract plus the 25 per cent additional which they were bound to furnish under the contract.

On October 25, 1955, as the result of public advertising, bids were opened for water meters. The prices submitted by the lowest bidder were considerably higher than the prices obtaining in the above-mentioned contract. The Hersey Manufacturing Company has agreed to furnish our requirements covered by the bid which opened on October 25, 1955, at the prices obtaining in the contract approved by your Honor on May 2, 1955.

Inasmuch as this will effect a substantial saving, permission is requested to reject all bids received on October 25, 1955, and award a contract, without public advertising, to the Hersey Manufacturing Company, prices to be the same as in the previous contract.

Approximate total amount of this contract will be $26,096.40, net, 30 days.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

—

BOSTON, December 5, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

A great part of the new machinery as well as the new boiler installation for the Printing Section necessitates three-phase wiring for its operation as opposed to the single phase recently installed in converting the lighting system from direct to alternating current.

Stanton Electrical Company, Inc., who performed the work on the changeover of the lighting system have submitted a proposal and specifications to furnish labor and materials for the installation of a three-phase circuit for a sum not to exceed $4,500, work to be done immediately upon the award of a contract.

In view of the fact that one of the new boilers is now ready to be connected with the electric circuit, and in view of the fact that printing machinery deliveries are contemplated in the immediate future, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Stanton Electrical Company, Inc., for the installation of a three-phase circuit and other work as outlined in specifications.

Approximate total amount of contract will be $4,500, net.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

—

BOSTON, December 5, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Fire Department for one 1956 8-cylinder Cadillac, as per specifications, to be delivered immediately. Smith Motors, Inc., has submitted an informal written quotation. This company also has a Cadillac available for immediate delivery.

Inasmuch as time is of the essence, and since Smith Motors, Inc., has submitted an acceptable price, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to this company. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amount of contract will be $4,662.05, less trade-in allowance on 1950 Cadillac, $500, making a net total of $4,162.05.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

EXTENSION OF CONTRACTS.

DEPARTMENT OF SCHOOL BUILDINGS.

Approval has been given for an extension of time for the completion of the contract with M. Solimando for the construction of a playground, etc., at the Roxbury Memorial High School for Girls, from November 1, 1955, to December 10, 1955. This extension was requested because unforeseen hardships in the progress of the construction delayed completion within specified time.

—

Approval has been given for an extension of time for the completion of the contract with Daniel Russell Boiler Works, Inc., for repairing and retubing boilers in various schools, from November 15, 1955, to December 31, 1955. This extension was requested due to the fact that heat in buildings being required at an early date it was necessary to make repairs in all schools on one or more boilers sufficient for the heating needs. In many cases work was not completed at all of the buildings, necessitating a second trip and in some cases special arrangements for all boilers to be shut down in order to carry out the work as called for.

Approval has been given for an extension of time for the completion of the contract with Industrial Welding Company for repairing and replacing of parts for fire escapes and the incidental work in connection with same at various schools, from December 1, 1955, to March 1, 1956. This extension was requested because of delays caused by limited steel supplies and bad weather.

—

Approval has been given for an extension of time for the completion of the contract with City Building Wrecking Company for razing of building (W. C. Bryant School Building), from October 31, 1955, to December 31, 1955. This extension was requested because the above company is razing the Dwight School nearby and anticipates using excess rubble to fill Dwight School excavation.

—

Approval has been given for an extension of time for the completion of the contract with Martin J. Kelly Company, Inc., for new retail sales room at East Boston High School, from November 30, 1955, to December 31, 1955. This extension was requested due to delay in securing some of the showcases and counter tops.

PUBLIC WORKS DEPARTMENT.

Approval has been given for an extension of time for the completion of the contract with Joseph Capone & Son for sewerage works in Corman road, Dorchester, and in Lorna road and Lena terrace, Dorchester, from October 30, 1955, to November 15, 1955. This extension was requested because the contractor encountered bad bottom and water in trench that was not anticipated.

—

Approval has been given for an extension of time for the completion of the contract with John McCourt Company, 28 Wolcott street, Readville, for highway reconstruction work in Terminal street, from December 16, 1955, to June 30, 1956. This is a Chapter 90 project. This extension was requested because the State Department of Public Works voted to extend the time limit on the contract.

—

Approval has been given for an extension of time for the completion of the contract with George M. Byrne, 294 Washington street, Boston, for demolition work and repairs to fender system and water pipe trestle, Dover Street Bridge, over Fort Point Channel, from December 1, 1955, to February 1, 1956. This extension was requested because of the work having been delayed by unfavorable weather conditions and the need of additional time required on account of the oily condition of the tidewaters at the site.

—

Approval has been given for an extension of time for the completion of the contract with Joseph Amara & Son, 706 Hyde Park avenue, Roslindale, for sidewalk narrowing and roadway work in Mildred avenue, Ward 18, from Babson street to Norfolk Street Playground, from December 31, 1955, to June 30, 1956. This extension was requested because the contract was not awarded until November 14, 1955, and the contractor will not be able to pour concrete during the winter months.

EXTRA WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

Rufo Construction Company, Inc., has been directed to perform the following extra work under the contract dated August 31, 1955, for bituminous concrete pavement in Alwin street, Cheryl Lane, and Stonehill road.

In Cheryl Lane, construct one catch basin according to Sewer Division specifications with necessary connections to surface drain, including all excavation except rock. Price to be paid for building catch basin, the lump sum of $450. Drain connection is to be approximately 45 linear feet of 10-inch V.C. pipe at $6 per linear foot and one 10-inch by 10-inch Y at $50.

Estimated cost of extra work, $770.

—

S. J. Tomasello Corporation has been directed to perform the following extra work under the contract dated July 13, 1955, for bituminous concrete pavement in Burr street, Carolina avenue, Cheshire street, Dane street, Hawthorne street, Heathcote street, Perkins street, and Sedgwick street.

In Perkins street, deliver to Walter Street city yard 19.6 linear feet of new straight edgestone at $2.37 per linear foot.

Estimated cost of extra work, $46.45.

CONSTRUCTION WORK.

The Public Improvement Commission, with the approval of the Mayor, has ordered the following construction work:

A 42-inch concrete pipe surface drain in private land (Faneuil Valley Brook), between Lake street and Chandlers Pond, in the Brighton district, at an estimated cost of $5,000.

—

A 10-inch pipe sanitary sewer, 12-inch pipe surface drain in Dunckloe street, between Harriet street and 200 feet northerly, in the Brighton district, at an estimated cost of $2,500.

—

A 10-inch pipe sanitary sewer, 10-inch pipe surface drain in Sunset Lane, between Adams street and 220 feet westerly, in the Dorchester district, at an estimated cost of $1,900.

—

A 10-inch pipe sanitary sewer in Island street (southerly side), between Massachusetts avenue and 125 feet westerly, in the Roxbury district, at an estimated cost of $2,600.

AMENDMENT TO ORIGINAL AWARD OF DAMAGES.

The Public Improvement Commission has voted as follows:

That the amount of $67,610 be, and the same hereby is, awarded to J & M Corporation of Quincy for all damages sustained under the order of the Public Improvement Commission and Mayor of December 30, 1954, for the taking of land for Public Works Department purposes bounded by Gardner street and High street, West Roxbury district.

—

That the amount of $250 be, and the same hereby is, awarded to Frank P. and Victoria R. McDonough for all damages sustained under the order of the Public Improvement Commission and Mayor of October 20, 1955, for the widening and relocation of Poplar street, West Roxbury district.

POLICE DEPARTMENT ORDERS.

General Order No. 2,138.

The resignation of Patrolman George McNicholas of Division 10 having been presented while charges are pending against him, it is hereby accepted, to take effect on Monday, December 12, 1955, at 5.45 o'clock P.M., seven days' notice waived.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

General Order No. 2,139.

The resignation of Patrolman Charles E. Hall, Jr., Division 10, having been presented, it is hereby accepted, to take effect Sunday, December 18, 1955, at 5.45 o'clock P.M.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

General Order No. 2,140.

The following chapter of the Acts and Resolves of 1955 is published for the information of the department:

"Chapter 176.

An Act relative to the securing of information concerning persons residing at inns, lodging houses and public lodging houses.

Chapter 51 of the General Laws is hereby amended by striking out section 10A, as amended by section 1 of chapter 320 of the Acts of 1943, and inserting in place thereof the following section:

SECTION 10A. Every innholder licensed under any provision of chapter one hundred and forty and every keeper of a lodging house or public lodging house licensed thereunder shall deliver to the person performing the duties required by section four, on a suitable blank to be furnished him by said person a statement, signed under the penalties of perjury, showing the name of every person twenty years of age or older on January first of said year whose place of residence on said January first was at such inn, lodging house or public lodging house."

Suitable blank forms in blocks of fifty have been printed and may be obtained by the various stations by requisition upon the Property Clerk at Police Headquarters.

Officers delivering these blank forms to licensed inns, lodging houses and public lodging houses, should inquire as to the approximate number of persons who will be listed therefrom. As there are fifteen lines to a page, in many cases one sheet will be all that is required. In any event, in this manner stations will obtain a general idea of the number of blanks needed under this new system and we will be able to have a suitable number printed for future use.

In cases where more than one page is required, licensees will be informed that they must sign each page.

After the information on these forms has been transcribed onto listing cards at the stations, the forms will be transmitted to Room 608, Commissioner's Office, Police Headquarters, where they will be kept on file for a period of two years.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

General Order No. 2,141.

Acting under provisions of chapter 32, section 7, as amended (State-Boston Retirement System), the Boston Retirement Board has approved for retirement, on account of accidental disability, the following-named police officer, effective at the close of business Saturday, December 31, 1955.

In view of this operation of law, after December 31, 1955, the said police officer shall no longer be an active member of this department, and it is hereby ordered that its records be so amended.

Patrolman James J. Lynch, Division 2.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

PROCEEDINGS OF CITY COUNCIL.

Monday, December 5, 1955.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 2 P.M., President HURLEY in the chair, and all the members present.

The Reverend Frederick R. Condon, of St. Therese's Roman Catholic Church, West Roxbury, was escorted to the rostrum.

INVOCATION BY REV. FREDERICK R. CONDON.

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

Almighty God, creator and ruler of the universe, the author and source of all law, we thank You for the choice blessings that You have bestowed each day of the year upon these Your servants to whom You have entrusted the temporal care of Your people of this great city. You have granted them the grace of courage and the grace of wisdom so that they did not fail in their great responsibility to You and to the electorate. With impunity these men carried on the charge entrusted to them and they faced the future with the pure ideals that were theirs when they sought the confidence of Your people. May they continue to serve You and Your subjects under Your loving care and protection. Let not the inducements of this life—the obstacles of friendships and difference of opinion—cause them to forget You, O God, the author of life, happiness, and peace of soul and mind. Rather, grant them the virtue of fortitude, to have the courage of their convictions; the virtue of justice, to render what is right to all people, being indifferent to the murmurings of the few; the virtue of prudence, to act always in the true interest of the common good.

This we ask You, through the wisdom of God, the Father, through the example and leadership of Jesus Christ, the son and good shepherd, through the Holy Ghost, the author of all graces. Amen.

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

The meeting was opened with the salute to the Flag.

JURORS DRAWN.

Jurors were drawn in the manner prescribed by law, Councillor McLaughlin presiding at the box, in the absence of the Mayor, viz.:

VETO OF ORDER TO INCREASE PENSIONS, ETC., OF CERTAIN FORMER PUBLIC EMPLOYEES.

The following was received:

City of Boston,
Office of the Mayor, December 5, 1955.

To the City Council.

Gentlemen:

I return herewith, without my signature and disapproved, the order of your Honorable Body passed November 28, accepting chapter 670 of the Acts of 1955, providing for an increase in amounts of the pension, retirement allowances, and annuities of certain retired employees.

The rise in the cost of living, which has taken place since World War II, seriously affected those retired employees of the city who had small pensions and who, in many cases, had no other source of income. I appreciate and sympathize with their condition, and to relieve it, during the last six years, the pensions, etc., of over 3,000 retired employees receiving less than $2,000 a year, with my approval, have been increased three times at a total cost of nearly $2,000,000 a year.

At the present time, except for a few isolated cases which are not affected by this act, there are no retired employees receiving less than $1,200 a year, and a majority of them get $1,500 a year or more.

However, the pension situation both in the city and the state is approaching a critical financial condition. As an example, the appropriation of the city for pensions, retirement allowances, and annuities for the year 1955 was $7,515,855, and for the same item in 1953 was $5,313,274, an increase in only two years of $2,232,531.

The cost of the increases necessitated by the acceptance of chapter 670 of the Acts of 1955 is estimated to be at least $475,000 more a year, and under the present unstabled pension condition it does not seem advisable to impose such an additional burden on the tax rate at this time.

Accordingly, I am constrained to disapprove your order accepting this act.

Respectfully,
J. B. HYNES, Mayor.

The message and order were referred to the Executive Committee.

AMENDMENT TO COUNTY COMPENSATION AND CLASSIFICATION PLAN.

The following was received:

City of Boston,
Office of the Mayor, December 5, 1955.

To the City Council.

Gentlemen:

The attached proposal by the Supervisor of Personnel to amend the Compensation and Classification Plans for the Officers and Employees of Suffolk County, to include a head Administrative Clerk in the District Attorney's office, is hereby approved and transmitted for consideration and adoption by your Honorable Body.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Administrative Services Department,
December 5, 1955.

To the Mayor and City Council.

Gentlemen:

In accordance with Rule 3 of Schedule A of the Compensation and Classification Plans for the Officers and Employees of Suffolk County, the Supervisor of Personnel, whenever a new position is established, is required, after an investigation of the actual and proposed duties and responsibilities and with the approval of the City Council and the Mayor, to classify the position by allocating it to its appropriate class.

Under date of December 1, 1955, the District Attorney requested that the title of Head Administrative Clerk in compensation grade 26 be established for his office. My investigation of this request reveals that the volume and type of business in the District Attorney's office has greatly increased and changed. This fact, coupled with addition of ten new assistant district attorneys, has caused the administrative duties and responsibilities of the department to change and increase in ratio to the above stated condition.

In order to include this new classification in the Compensation and Classification Plans for the Officers and Employees of Suffolk County I recommend consideration and adoption of the accompanying order amending these plans to include the position of Head Administrative Clerk in compensation grade 26 in the District Attorney's office.

Very truly yours,
JOHN A. SULLIVAN,
Supervisor of Personnel.

Ordered, That Schedule B of the Classification and Compensation Plans for the Officers and Employees of Suffolk County, adopted by order passed by the City Council on November 24, 1952, and approved by the Mayor on November 25, 1952, be, and the same hereby is, amended by including the following new classification:

Head Administrative Clerk (District Attorney's Office).

Duties: Under general direction, has broad administrative responsibilities for a wide variety of administrative and clerical processes; plans work methods and procedures; signs and reviews the work of a group of employees; interviews callers and adjusts as well as routes complainants to the responsible subdepartment head; and performs related work as required.

Compensation Grade: 26.

On motion of Councillor White, the rules were suspended and the order was passed.

LAUNCHING RAMPS FOR SMALL BOATS

The following was received:

City of Boston,
Office of the Mayor, December 2, 1955.

To the City Council.

Gentlemen:

I transmit herewith communication from the Commissioner of Parks and Recreation relative to the motion of your Honorable Body of November 14, 1955, concerning desirability for the construction of launching ramps at East Boston, Charles River Basin, City Point, and suitable points in Dorchester.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Parks and Recreation Department,
November 30, 1955.

Harold B. Flemming,
Chief Clerk, Mayor's Office.

Dear Sir:

I acknowledge your memorandum of November 17 with order of City Councillor Foley dated October 31 regarding the construction of launching ramps.

We wrote to you before on this matter. However, it is our understanding that Councillor Foley is seeking further information.

The question of the desirability of such ramps is necessary for a balanced recreation program, and accordingly we asked the Director of Recreation in this department for his opinion.

He states that the suggestion of Councillor Foley is an excellent one, and to have public boat landings at the locations suggested in the order is one to be desired as Boston is lacking in this facility. However, inasmuch as the locations would be mainly on Metropolitan District Commission properties, and the water approaches under the U. S. Coast Guard, I would suggest that both of these agencies be consulted as to the location and use of these facilities.

I believe the ramps could be constructed in such a manner that they would not require any upkeep maintenance or even supervision. San Francisco and the area surrounding the city have such landings without any trouble to any city or state agency.

Very truly yours,
FRANK R. KELLEY, Commissioner.

Referred to the Committee on Public Services and Recreation.

SURVEY OF TRAFFIC CONDITIONS ON DRAPER STREET, DORCHESTER.

The following was received:

City of Boston,
Office of the Mayor, December 2, 1955.

To the City Council.
Gentlemen:

I transmit herewith further communication from the Traffic Commissioner concerning your order of October 3, 1955, relative to a survey being made of the traffic conditions of Draper street, Dorchester, with a view to making that street one way from Bowdoin street to Homes avenue and the possibility of permitting the parking of cars on both sides of the street.

Respectfully,
J. B. HYNES, Mayor.

Boston Traffic Commission,
November 23, 1955.

Hon. John B. Hynes,
Mayor of Boston.
Dear Mr. Mayor:

With reference to City Council order of October 3, introduced by Councillor McCormack, requesting a survey of traffic conditions on Draper street, Dorchester, with a view to making that street one way from Bowdoin street to Homes avenue and permitting the parking of cars on both sides, I wish to report that while our inclination at first was to conform to the wishes of the petitioners, a survey was made and conditions observed which indicate that such a regulation as desired would not be advisable.

Entering Draper street at Bowdoin street there is a rather steep grade and a curve in the roadway which would make traveling difficult when there is snow on the street. A one way from Bowdoin street to Homes avenue would cause all traffic to detour into Homes avenue and on this street there is a very steep grade up to Mt. Ida road. The majority of the traffic going westerly would use Hamilton street and the traffic would emerge into the busy shopping area at Hamilton and Bowdoin streets.

There have been recent complaints about conditions in Homes avenue, especially at the intersection of Hamilton street and Homes avenue. It is not good practice to make a portion of a street one way, particularly when it would create a hardship to motorists and place additional traffic on the streets from which complaints are already being received.

In view of the complexities of this situation it is our opinion that the best interest of the public would be served if no action were taken on the recommendation that Draper street be made one way from Bowdoin street to Homes avenue.

Respectfully yours,
WM. ARTHUR REILLY, Commissioner.

SICK LEAVE FOR MAINTENANCE PERSONNEL OF BOSTON HOUSING AUTHORITY.

The following was received:

City of Boston,
Office of the Mayor, December 2, 1955.

To the City Council.
Gentlemen:

I transmit herewith communication from the Administrator of the Boston Housing Authority relative to your order of October 17, 1955, concerning sick leave policy for maintenance workers of the Boston Housing Authority.

Respectfully,
J. B. HYNES, Mayor.

Boston Housing Authority,
November 30, 1955.

Hon. John B. Hynes,
Mayor of Boston.
Subject: City Council Order of October 17, 1955, Concerning Sick Leave Policy for Maintenance Workers of This Authority.
Dear Mayor Hynes:

With reference to the above subject order the following information is submitted:

Until 1944 maintenance employees received the same paid sick leave as other employees of this Authority.

In that year — 1944 — the Authority met with agents of the several unions representing maintenance employees, at their request, to discuss both wages and working conditions.

At that time these employee representatives expressed the preference for a greater wage increase as against continuance of the sick leave policy. Accordingly, the paid sick leave policy was discontinued and the difference sustained was expressed in increased wages.

The present understanding of the Authority with union labor groups representing employees does not include paid sick leave. This memorandum of understanding is effective until August, 1956.

Prior to that time it is believed that representatives of the maintenance employees will request meetings with the Authority to again discuss wages and working conditions. It is assumed the matter of paid sick leave will be among the items to be surveyed and decided as part of the package determination of wages prevailing in this locality at that time.

Very truly yours,
F. J. CONNELL,
for FRANCIS X. LANE,
Administrator for the Authority.

Placed on file.

RESERVATION OF DORCHESTER WATER FRONT AS RECREATION AREA.

Coun. FOLEY offered the following:

Whereas, There is presently in hand a rezoning study of the entire City of Boston; and

Whereas, There have been major changes in the past ten years in the shoreline of Boston, from Columbia Point to the Neponset River; and

Whereas, The pollution of Boston Harbor by sewerage will be ended upon completion of the sewerage treatment projects now well under way; and

Whereas, Boston must look to the tourist industry increasingly for economic growth and must become increasingly attractive as a tourist Meeca; and

Whereas, The present trends in the maritime industry indicate an increasing and exclusive concentration of shipping in the deep-water area of the harbor; and

Whereas, The Dorchester water front is shallow; be it therefore

Resolved, That his Honor the Mayor request the Planning Board and Department to seriously consider the reservation of the Dorchester water front, from Columbia Point to the Neponset River, as a recreation area with bathing beaches, parking lots, boating facilities, etc., in the proposed rezoning study now under way.

The resolution was adopted under suspension of the rules.

REQUEST FOR PROPOSED FIRE CODE.

Coun. PIEMONTE offered the following:

Ordered, That the Corporation Counsel of the City of Boston be, and is hereby, requested to accelerate the final draft of the proposed Fire Code and present the same for adoption.

Coun. WHITE in the chair.

The foregoing order was passed under suspension of the rules.

INVESTIGATION OF SALE OF MULTIPLE-DWELLING PUBLIC HOUSING PROJECTS.

Coun. McCORMACK offered the following

Ordered, That the three communications relative to the sale of the multiple dwellings built under chapter 372 of the Acts of 1946, and referred to the Executive Committee, be transferred to the Committee on Public Housing, and that the said Committee on Public Housing hold a meeting forthwith to investigate the said sales; and be it urther

Ordered, That the members of the Boston Housing Authority and other interested parties be invited to attend the meeting referred to above, and that they bring with them all books, records, and accounts which bear on the sale of these multiple-dwelling units.

Coun. PIEMONTE moved to amend the order by adding the following words: "And be it further ordered that said meeting be held on Tuesday, December 13, 1955, at 11 A.M.; and be it further ordered that a copy of this order be forwarded by the Clerk to each member of the Housing Authority, the Corporation Counsel, the Clerk of the Housing Authority, and the Boston Real Estate Board."

The amendment was carried.

The order, as amended, was passed.

CONGRATULATIONS TO STUDENTS OF GEORGIA TECH AND OTHERS.

Coun. McCORMACK and PIEMONTE offered the following:

Resolved, That the Boston City Council, in meeting assembled, extends its congratulations to the students of Georgia Tech and the fair and open-minded citizens of that great state for their disavowed and vehement disapproval of the actions of the governor of their state in his bigoted and narrow attempt to introduce racial discrimination into a great annual sports event at the Sugar Bowl.

Boston, the Cradle of Liberty, which has occasion annually to pay honor to Crispus Attucks, who died in the Boston Massacre, recalls also with affection and pleasure the defeat of bigotry and prejudice in this great southern state in the national election of 1928 in which the late beloved Al Smith carried the state, and salutes those who today hold high the torch of liberty, equality, and justice for all, that has made America strong and that, please God, will keep her so in the future.

The resolution was adopted under suspension of the rules.

REVALUATION STUDY OF NEW YORK STREETS AREA.

Coun. FOLEY requested the Chairman of the Executive Committee to hold a hearing on Monday, December 12, 1955, on the resolution pending before the Executive Committee concerning the revaluation study of the New York Streets Area, and to set a time for the hearing.

Councillor White, as Chairman of the Executive Committee, set the time at three o'clock P.M. The Clerk was requested to notify the Chairman of the Board of Assessors, the representative of the Corporation Counsel, Mr. Slavet of the Municipal Research Bureau, Mr. Simonian of the Urban Redevelopment Authority, and the President of the Boston Real Estate Board.

REPORT OF COMMITTEE ON APPROPRIATIONS AND FINANCE.

Coun. HAILER, for the Committee on Appropriations and Finance, submitted the following:

1. Report on message of the Mayor and order (referred October 17) for appropriation of $30,000 for off-street parking area at Central square, East Boston—recommending reference of the order to the Executive Committee.

2. Report on message of the Mayor and order (referred November 28) for loan of $100,000 for civil defense activities—recommending reference of the order to the Executive Committee.

STATEMENT OF COUN. PIEMONTE.

Coun. PIEMONTE, upon receiving unanimous consent to make a statement, stated a recent decision of the Supreme Court confirmed the wisdom of the Council in not going along with the Mayor's veto on petitions for annuities presented by widows of firemen and policemen under the "Heart" bill.

CONGRATULATIONS TO THOSE CONNECTED WITH "SALUTE TO ROME."

Coun. WHITE, for all the Councillors, offered the following:

Whereas, The City of Boston has just concluded a "Salute to Rome," during which we had the pleasure of a visit from Mayor Salvatore Rebecchini, Mayor of Rome, and Professor Paolo Rossi, Minister of Education for Italy; and

Whereas, The programs involved in this tribute to the "Eternal City" were of inestimable value in cementing and strengthening the ties between our two great cities; and

Whereas, The publicity in Italy of the activities from the time of the arrival of Mayor Rebecchini and Professor Rossi, including the eloquent words of His Excellency, Archbishop Richard J. Cushing, D.D., until their departure will be of immeasurable value in the battle against communism in the ancient citadel of culture, Italy; and

Whereas, The time and efforts of many distinguished Bostonians were generously expended to insure the success of the "Salute to Rome," which exceeded the fondest expectations of those involved; be it therefore

Resolved, That the Boston City Council, in meeting assembled, desires to express its congratulations to Mr. Mark Bortman, Chairman of the Committee; Commissioner of Public Works, John Volpe; Mr. Donald J. Hurley, President of the Chamber of Commerce, and his associates at the Chamber; and all those who in any way contributed to the success of this most worthy program; and be it further

Resolved, That copies of this resolution be forwarded to Archbishop Cushing, Mr. Bortman, Commissioner Volpe, Mr. Hurley, and the Chamber of Commerce.

The resolution was adopted under suspension of the rules.

SALARY ADJUSTMENTS FOR EMPLOYEES OF MAINTENANCE DIVISION, FIRE DEPARTMENT.

President HURLEY presented a communication addressed to him from the President of Local 444, Boston Fire Department maintenance employees, requesting a hearing before the City Council on salary adjustments for employees of the Maintenance Division of the Fire Department.

The communication was referred to the Executive Committee.

FINANCING CONSTRUCTION OF CONVENTION HALL.

Coun. FOLEY offered the following:

Ordered, That the Corporation Counsel be requested to attend the meeting of the Executive Committee of the City Council on December 12, 1955, prepared to discuss the present legislation concerning the financing of the construction of a convention hall for Boston.

Passed under suspension of the rules.

Adjourned at 3.53 P.M., on motion of Councillor Foley, to meet on Monday, December 12, 1955, at 2 P.M.

Note: All debate of City Council eliminated from proceedings in accordance with Chapter 447, Acts of 1947.

IMPORTANCE OF FOOD-BORNE DISEASE.

The relationship of food to disease continues to be an important public health program. The United States Public Health Service reported 327 outbreaks of food-borne disease in the United States in 1948, which resulted in 9,962 cases and 17 deaths. As only one out of ten cases of food-borne disease is ever reported, the resulting situation is far more important than available statistics would indicate.

The United States Public Health Service reports that there occurred in the United States in 1948, 30 cases and 6 deaths resulting from botulism; 74 cases and 1 death resulting from chemical food poisoning; 120 cases of dysentery; 8,832 cases and 7 deaths resulting from food infection and gastroenteritis; 270 cases of scarlet fever.

PUBLIC WORKS DEPARTMENT.

SEWERAGE WORKS.

Proposals for Sewerage Works in William T. Morrissey Boulevard, from Freeport Street 145 Feet Southerly, Dorchester.

The Commissioner of Public Works of the City of Boston, Room 506 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for sewerage works in William T. Morrissey Boulevard, etc. A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price will be required of the successful contractor. Forms of proposals may be obtained at Room 506 (Contract Office), City Hall Annex. Each proposal should be enclosed in an envelope, sealed, marked "Proposal for Sewerage Works in William T. Morrissey Boulevard, etc.," and left at Room 506 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. of THURSDAY, DECEMBER 29, 1955, with a certified check for ONE HUNDRED (100) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 506, City Hall Annex. *There will be a charge of two dollars ($2), NOT REFUNDABLE, for each set of plans and specifications taken out.* If the price of any item appears to the Commissioner to be abnormally high or low, or the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal containing such price. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to award the contract as he deems best.

Mayor John B. Hynes' Christmas Message

How wonderful the Christmas spirit. How close we are to each other at Christmastime. How close to the Babe of Bethlehem.

How wonderful it would be if life could be shorn of its pomps and insincerities, and all our days lived in peace and understanding with our fellowman.

How wonderful it would be if the Christ Child Who came to redeem man did not come in vain.

How wonderful it would be if, each day, the gold, frankincense and myrrh of God's graces were the gifts we sought.

How wonderful and peaceful would be this earth, how happy we would be, if the Christmas spirit were with us each day and each day all the year through we had good will toward each other.

How wonderful is Christmas. How wonderful the old, old story of Him Who came upon a midnight clear that all men might live in happiness for all time, and for all eternity.

A happy, holy Christmas to all.

PARKS AND RECREATION DEPARTMENT REPORTS 727 FOOTBALL GAMES PLAYED DURING THE 1955 SEASON — 147 DOCTORS AND FOOTBALL OFFICIALS EMPLOYED.

REPORT OF HENRY F. BARRY, HEAD SUPERVISOR OF ATTENDANCE, ON HIS ATTENDANCE AT THE CONVENTION OF THE NATIONAL LEAGUE TO PROMOTE SCHOOL ATTENDANCE.

The following report of Henry F. Barry on his attendance at the annual convention of the National League to Promote School Attendance, October 24–27, 1955, in Buffalo, New York, was presented to the School Committee:

October 23 spent in travel, Boston to Buffalo.

On October 24, following the invocation by the Very Reverend Sylvester J. Halbel, Superintendent of Schools, Catholic Diocese of Buffalo, and the address of welcome by Dr. Joseph Manch, Assistant Superintendent, Buffalo School Department, the first General Session was addressed by Dr. Francis J. Daly, Director, Division of Pupil Personnel Services, New York State Department of Education.

Dr. Daly, formerly head of the Division of Juvenile Adjustment, Boston School Committee, took as his subject "Delinquency Control, a Shared Responsibility."

Dr. Daly stressed the need of cooperation between all agencies dealing with the delinquent. He also advocated the use of religious help for the delinquent.

The remainder of the day was devoted to four panel discussions.

Panel I had for its subject "Meeting the Needs of the Child Through Home-School Coordination."

This panel was presided over by Dr. Leslie C. McDonald, Director of Census and Attendance, Houston, Texas.

The entire theme of this discussion was built around the opening talk by Mrs. Dorothy C. Deedy, Supervisor of Attendance, Boston. Mrs. Deedy used as

the basis for her talk the poll of parents taken by Dr. Frederick J. Gillis, Assistant Superintendent, Boston, concerning what parents want from the schools. Mrs. Deedy's talk was featured by one of the two local papers, the Buffalo *Evening News*.

Panel II concerned itself with "Meeting the Needs of the Child Through Coordination of School with Mental Health Services."

There were no Boston representatives on this panel. However, with what Boston has available for mental health services, including our own recently appointed School Psychiatrist, it became evident very quickly that we already have what other school systems are seeking, a well-balanced, thoroughly coordinated set of mental health services.

Panel III had as its subject "Meeting the Needs of the Child by Coordinating Schools with Social Agencies Including Children's Court." Mr. Arthur Clinton, Director, Bureau of Attendance, Brooklyn, New York, presided.

Mrs. Sarah A. Beatty, Supervisor of Attendance, Boston, was a member of this panel. Mrs. Beatty showed that coordination of weak or inadequate services served no purpose. First, the services must be effective and adequate. Then the aim should be integrated in the child so that the entire child, rather than a collection of opinions concerning him, must be our ultimate aim. After Mrs. Beatty's opinions were heard there was a definite trend throughout the convention toward integration of the child rather than coordination of agencies. Again Boston had proposed a new and thought-stimulating idea.

Panel IV discussed "Meeting the Needs of the Child Through the School Pupil Personnel Team." Mr. John V. Joyce, Director, Research and Guidance, Niagara Falls, New York, presided.

The writer served on this panel. I pointed out that we had in Boston a very complete pupil personnel team. Using the report and recommendation of the recent study concerning juvenile delinquency coordinated by Assistant Superintendents Ohrenberger, Daly, and Gillis, I showed what we intended to do, and were, in fact, already doing, to acquaint our school personnel with these resources and their proper use. There was a great deal of interest in our program. Most of the period was devoted to my answering questions concerning our operation. All were very much interested in our "In-Service Instruction" program.

On October 25 the second General Session, presided over by Dr. Robert S. Fisk, Dean of the School of Education, University of Buffalo, had as its subject "Community Persons Look at School Attendance Problems."

This group, consisting of Dr. Anne Russell, Professor of Education, New York State College for Teachers; Dr. Albert V. Cutter, Medical Director, Guidance Center of Buffalo; Mrs. Margaret G. Davidson, Case Work Supervisor, Family Service Society, Buffalo; and Mrs. Catharine S. McDonough, Psychiatric Social Worker, Erie County Children's Court, Buffalo, discussed the case of a girl who, from the beginning of her school life, had been an attendance problem. After eight years of more or less intermittent effort by several agencies, the girl was finally committed to a correctional institution.

The general opinion of this discussion was that much earlier coordinated action could have saved this child. I cannot conceive of a case being so treated and delayed in Boston.

The afternoon and evening of October 25 was devoted to a tour of Niagara Falls by the entire group.

On October 26, Dr. Joseph L. Fink, Rabbi, Temple Beth Zion, Buffalo, New York, discussed "The Influence of Moral and Religious Values in Combatting Delinquency."

Panel I on October 26 discussed "Meeting the Physical Needs of Children." This discussion did not develop anything which we do not have in Boston.

Panel II on October 26 was on the subject "Utilizing Community Resources in Meeting Special Needs of the Child."

Some new ideas were brought out by this panel in the discussion by Lieutenant Carnival, Youth Bureau, Buffalo Police Department. This specialized police branch is doing a great deal of preventative work which certainly appears to be worth while.

On October 27 the General Session was devoted to summing up the results of the convention and to planning for future improvements in attendance service.

October 28 spent in travel, Buffalo to Boston.

ADMINISTRATIVE SERVICES DEPARTMENT

Purchasing Division.

BOSTON, October 3, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of requisitions for the emergency delivery of clothing to Deer Island, House of Correction, to replace items destroyed on October 1 and October 2 by fire, fire hose, fire extinguishers, and also torn during rioting. Inasmuch as the clothing is needed for immediate use, there is no time to advertise for prices.

Authority is therefore requested to dispense with publicly advertising for prices and award contracts, without public advertisement, to the companies below for the items as indicated:

M. Hoffman & Co., Inc.: 400 pairs dungarees at $2 a pair; 100 only double-breasted blanket-lined blue denim jackets at $4.25 each; 100 only single-breasted blanket-lined blue denim jackets at $4 each; 72 dozen grey covert work shirts at $16.50 a dozen.

Barnet Zelmar, doing business as Zelmar Mills: 100 dozen percale shorts at $1.95 a dozen; 100 dozen "A" undershirts at $5.25 a dozen; 100 dozen socks at $3 a dozen.

Approximate total amount of contracts will be: M. Hoffman & Co., Inc., $2,813, net; Barnet Zelmyer, doing business as Zelmar Mills, $1,320, less 2 per cent discount for payment in ten days.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

Delivery will be approximately eight weeks after receipt of order.

Approximate total amount of contract will be $3,542.20, net, thirty days.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

—

BOSTON, December 7, 1955.
HON. JOHN B. HYNES,
Mayor of Boston.
DEAR MR. MAYOR:

This office is in receipt of requisitions from the Water Division of the Public Works Department for water works supplies. Inasmuch as there is not sufficient time to publicly advertise for bids, make awards, and issue orders in 1955, informal quotations were solicited from several manufacturers. Three bids were received.

Permission is therefore requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to the Mueller Company and award orders to the Welsbach Corporation, the lowest bidders for the materials listed below and at the prices as indicated:

Mueller Company: Requisition No. 495—500 only 3/4 inch sidewalk cocks at $3.82 each; 100 only 1½-inch corporation cocks OS Boston thread at $8.56 each; Requisition No. 466—100 only 3/4-inch S.W. cocks at $3.82 each; Requisition No. 472—100 only 2-inch copper x copper 3-part connection couplings at $8.10 each. Approximate total amount of contract will be $3,958, less 2 per cent, fifteenth proximo, net, thirty days.

The Welsbach Corporation: Requisition No. 491—300 only copper x copper 3-part couplings, 3/4-inch, $1.05 each. Approximate total amount, $315, less 2 per cent discount for payment within ten days.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

—

BOSTON, December 9, 1955.
HON. JOHN B. HYNES,
Mayor of Boston.
DEAR MR. MAYOR:

This office is in receipt of a requisition from the Penal Institutions Department for the immediate delivery of one bread mixer, Triumph SN-2, 1½-barrel capacity, to Deer Island.

Inasmuch as time does not permit to publicly advertise for bids and subsequently to make an award before December 31, 1955, informal written quotations were solicited and received from several bidders. The lowest bid was received from S. M. Levin Company, Inc.

Authority is therefore requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to S. M. Levin Company, Inc., for delivering the bread mixer to Deer Island as per specifications to be included in the contract.

Approximate total amount of contract will be $2,539, net.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

DEPARTMENT OF SCHOOL BUILDINGS.

BOSTON, December 1, 1955.
HON. JOHN B. HYNES,
Mayor of Boston.
DEAR MR. MAYOR:
Subject: Thomas A. Edison School, Brighton.

The flood of August 18-19, 1955, so affected the subsurface soil throughout the play area of the schoolyard and under the building that it has been necessary, practically without interruption, to operate not only the permanently installed pump ejectors but pumps hired from private contractors, and so much subsoil which is primarily sand, some in the category of quicksand, has been displaced that considerable portions of the yard area are undermined.

To eliminate the possibility of further undermining the building structure, the Sewer Division of the City of Boston has willingly cooperated with this department in an effort to free underground drains to make them operative; however, with their equipment they were unable to do so, and it has been determined that some of the drains are so compacted with sand that they are not serviceable and subterranean water is still flowing under the building and not through the drains installed to provide throughways to the street sewers. The condition has not been improved and has now reached a stage where it has become a definite emergency requiring immediate action.

The firm of D. Antonellis, Inc., 15 Sparhawk street, Brighton, was employed to cope with the flood situation at the time it was at its worst and has, from that time on, provided the department with auxiliary pumps in our effort to stabilize the flow of water, and I have this day authorized them to excavate certain portions of the yard to relay or rebuild existing 8-inch Akron pipe drains as necessary, also to build a new manhole, rebuild two existing manholes, and plug a 15-inch drain where it passes through the schoolyard wall to adjoining property.

D. Antonellis, Inc., has given me an estimate of $5,000 to perform the emergency work necessary, and I ask that you waive the requirement for public advertising and authorize me to enter into a contract with D. Antonellis, Inc., in an amount not to exceed $5,000.

It must be recognized, however, that the underground conditions which will be exposed by excavation may be entirely unlike those based on the assumptions we have made, and it is probable that an upset price of $5,000 would not cover all work which will be determined as being necessary as the emergency work progresses. Consequently I ask that I be privileged to reserve the right to amend the contract, if necessary, to an amount higher than that contemplated at the moment, namely, $5,000.

Respectfully yours,

JAMES H. MOONEY,
Superintendent of Construction.

HOSPITAL DEPARTMENT.

BOSTON, November 29, 1955.
HON. JOHN B. HYNES,
Mayor of Boston.
DEAR MR. MAYOR:

On October 29, 1955, the trustees of the Hospital Department advertised for bids to furnish and install acoustical ceilings in the Children's Building, Boston City Hospital.

On November 9, 1955, the date set for opening these bids, no bids had been received.

We are anxious to have these ceilings installed before painting (a contract for which is about to be awarded) is started.

The Dillaby Fireproofing Company of 242 Bent street, Cambridge, are able to furnish and install the material desired and have submitted a price of $4,750 for doing this work.

We respectfully request the permission of your Honor to award a contract without advertising to the above company at the above-named price so that this work may proceed without further delay.

Very truly yours,

RICHARD J. CONDON,
President, Board of Trustees.

PUBLIC WORKS DEPARTMENT.

BOSTON, November 29, 1955.
HON. JOHN B. HYNES,
Mayor of Boston.
DEAR MR. MAYOR:

Under date of March 16 of the current year, publicly advertised proposals were opened in this office in connection with the award of a contract for earth excavation and refilling to assist the Water Division employees to install, regulate or repair Water Division structures and other incidental work in the City Proper.

A contract was subsequently awarded to the low bidder, James A. Freaney, Inc., in the amount of $34,870, which was $3,375 lower than the second bid and $7,630 lower than the third bid that was submitted. Incidentally, there were only four contractors who submitted proposals for this work. The total amount authorized under the contract, which includes the 25 per cent authorized under Article 3, has been entirely expended, although the date of completion specified in the contract is March 31, 1956. The work provided for in the contract document will have to be continued through the winter months, and I feel, therefore, that it is most advantageous to the city to amend the above-referenced contract so as to provide for the expenditure of an additional $15,000, rather than to terminate the contract at this date and publicly advertise for proposals. The amendment will require the contractor to do the work from now until March 31, 1956, under the terms, provisions, and unit prices that prevail in the present contract, which as stated

hereinbefore, was awarded to the low bidder on the basis of publicly advertised bids that were submitted at the time of the opening of same.

I respectfully request, therefore, your authorization to dispense with advertising, and to amend the above-referenced contract so as to increase the contract sum by $15,000, which will be in addition to the original contract sum of $34,870, plus 25 per cent of the latter, which was expended in accordance with the provisions of Article 3 of the contract document.

Respectfully yours,
GEORGE G. HYLAND,
Commissioner of Public Works.

TREASURY DEPARTMENT.
Collecting Division.
BOSTON, November 30, 1955.

HON JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

Permission is respectfully requested to dispense with the usual form of advertising and to award a contract for maintenance of two sorters, one interpreter, two tabulating machines, and four punch machines to Remington Rand, Inc., 857 Commonwealth avenue, Boston, at an annual cost of $3,014.44.

There is no competition in the awarding of this contract as Remington Rand, Inc., is the only company with available facilities to properly service their machines.

Respectfully yours,
JAMES E. GILDEA,
Collector-Treasurer.

AMENDMENT TO ORIGINAL AWARD OF DAMAGES.

The Public Improvement Commission has voted as follows:

Two catch basins and connections in Harrow street, between Humphreys street, and Beckwith street, in the Dorchester district, at an estimated cost of $1,200.

DISCONTINUANCE OF CLYDE STREET, EAST BOSTON.

The Public Improvement Commission has ordered that a public improvement be made, consisting of the discontinuance of Clyde street, East Boston district, as a public highway, from Marginal street approximately 440 feet southwesterly.

Said Clyde street as hereby discontinued is bounded:

Southeasterly by the northwesterly line of Marginal street, forty-five and 00-100 feet; southwesterly by the southwesterly line of Clyde street, four hundred fifty and 00-100 feet; northwesterly by the northwesterly line of Clyde street, forty-five and 00-100 feet; northeasterly by the northeasterly line of Clyde street, four hundred fifty and 00-100 feet, containing twenty thousand two hundred fifty square feet, more or less.

Said discontinuance is subject to the rights of the City of Boston to maintain existing water pipes.

Voted, That this commission determines that no person sustains damages in his estate by the making of the public improvement, consisting of the discontinuance of Clyde street, East Boston district, from Marginal street approximately 450 feet southwesterly, under the order of the commission of December 7, 1955, and awards no damages therefor.

RETAINING WALL FOR TERMINAL STREET, CHARLESTOWN.

The Public Improvement Commission has ordered that a public improvement be made, consisting of the taking of an easement for the purpose of constructing a retaining wall on the southeasterly side of Terminal street, in the Charlestown district, from Medford street, approximately 350 feet northeasterly.

An easement for highway purposes, including the right to construct a retaining wall on the southeasterly side of Terminal street, Charlestown district, from Medford street approximately 350 feet northeasterly, is hereby taken.

Said easement is taken in the following described lands, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Holt and Bugbee Lumber Company, bounded:

Northwesterly by the southeasterly line of Terminal street by two measurements, two hundred sixty-five and 95-100 feet and forty-two and 97-100 feet on a curve of one hundred thirty-three and 45-100 feet radius; northeasterly by other land of said Holt and Bugbee Lumber Company, three and 00-100 feet; southeasterly by other land of said Holt and Bugbee Lumber Company by two measurements, forty-two and 00-100 feet on a curve of one hundred thirty-one and 35-100 feet and two hundred sixty-five and 95-100 feet; southwesterly by other land of said Holt and Bugbee Lumber Company, three and 00-100 feet; containing nine hundred twenty-five square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforedescribed land shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Voted, That this commission determines that the undermentioned persons sustain damages in their estate by the taking of an easement for the purpose of constructing a retaining wall on the southeasterly side of Terminal street, Charlestown district, from Medford street approximately 350 feet northeasterly, under the order of the commission of December 7, 1955, in the amount hereinafter respectively set against it, and awards said amount therefor.

Holt and Bugbee Lumber Company, 925 square feet, $1.

NEW MAPLE STREET FOOTWAY IN WEST ROXBURY.

The Public Improvement Commission has ordered that a public improvement be made, consisting of the laying out and construction of Maple Street Footway, West Roxbury district, from Maple street to Veterans of Foreign Wars Parkway.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Angelo P. and Julia J. Pizzano, bounded:

Northwesterly by the southeasterly line of Veterans of Foreign Wars Parkway, twenty-five and 73-100 feet; southwesterly by the southwesterly line of Maple Street Footway and by land hereinafter described as taken from person or persons unknown, twenty-six and 32-100 feet; easterly by the easterly line of Maple Street Footway as laid out under this order, thirty-six and 16-100 feet on a curve of one hundred thirty-five and 79-100 feet; containing three hundred fifty-nine square feet, more or less.

A parcel of land, supposed to belong to person or persons unknown, bounded:

Northwesterly by land hereinbefore described as taken from Angelo P. Pizzano *et al.*, and by other land of said Angelo P. Pizzano *et al.*, forty-three and 05-100 feet; southeasterly by the southeasterly line of Maple Street Footway as laid out under this order, one hundred nine and 00-100 feet; southwesterly by the northeasterly line of Maple street, forty-three and 53-100 feet; northwesterly by the northwesterly line of Maple Street Footway as laid out under this order by two measurements, thirty and 83-100 feet on a curve of three hundred sixty eight and 75-100 feet and eighty and 36-100 feet; containing four thousand four hundred eighteen square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforedescribed land shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Said Maple Street Footway as hereby laid out is bounded:

Northwesterly by the southeasterly line of Veterans of Foreign Wars Parkway, twenty-five and 73-100 feet; southwesterly by the southwesterly line of Maple street, five and 43-100 feet; northwesterly by the northwesterly line of Maple Street Footway by two measurements, eighty and 36-100 feet and thirty and 83-100 feet on a curve of three hundred sixty-eight and 75-100 feet radius; southwesterly by the northeasterly line of Maple street, forty-three and 53-100 feet; southwesterly by the southwesterly line of Maple Street Footway, one hundred nine and 00-100 feet; northwesterly by the northwesterly line of said Maple Street Footway, twenty-two and 16-100 feet; easterly by the easterly line of said Maple Street Footway, thirty-six and 16-100 feet on a curve of 135.79 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Voted, That this commission determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the laying out and construction of Maple Street Footway, West Roxbury district, from Maple street to the Veterans of Foreign Wars Parkway, under the order of this commission of December 14, 1955, in the amounts hereinafter set against them, and awards said amounts therefor.

Angelo P. and Julia J. Pizzano, 359 square feet, $1.

Owners unknown (Maple Street Footway), 4,418 square feet, nothing.

REVISION OF GRADE OF STONEHILL ROAD, HYDE PARK.

The Public Improvement Commission has ordered that a public improvement be made, consisting of the revision of grade of Stonehill road (formerly Alwin terrace), Hyde Park, from Alwin street approximately 255 feet northeasterly.

Voted, That this commission determines that no person sustains damages in his estate by the making of the public improvement consisting of the revision of grade of Stonehill road, Hyde Park district, from 292 feet northwesterly of Alwin street approximately 273 feet northwesterly, under the order of the commission of November 23, 1955, and awards no damages therefor.

REVISION OF GRADE OF CHERYL LANE, HYDE PARK.

The Public Improvement Commission has ordered that a public improvement be made, consisting of the revision of grade of Cheryl Lane, Hyde Park district, from Stonehill road approximately 375 feet westerly and northerly.

Voted, That this commission determines that no person sustains damages in his estate by the making of the public improvement consisting of the revision of grade of Cheryl Lane, Hyde Park district, from Stonehill road approximately 375 feet westerly and northerly, under the order of the commission of November 23, 1955, and awards no damages therefor.

NEW HIGHWAY FOR WEST ROXBURY.

The Public Improvement Commission has ordered that a public improvement be made, consisting of the laying out and construction of Hampstead Lane, West Roxbury district, as a public highway, between Hampstead road and Hampstead road.

Said highway and the land, exclusive of trees, shrubs, or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Easterly by the westerly line of Hampstead road, by two measurements, seventeen and 07-100 feet and thirty-three and 23-100 feet on a curve of two thousand five hundred thirty-six and 49-100 feet radius; southwesterly by the southwesterly line of Hampstead Lane as hereby laid out, by four measurements, twenty-one and 44-100 feet on a curve of fteen and 00-100 feet radius, four hundred seventy and 19-100 feet on a curve of five hundred thirty-one and 58-100 feet, twenty-eight and 45-100 feet, and ninety-five and 26-100 feet on a curve of two hundred thirty-one and 19-100 feet radius; northeasterly by Hampstead road, one hundred nine and 42-100 feet; and northeasterly again by the northeasterly line of Hampstead Lane as hereby laid out, by three measurements, forty-six and 01-100 feet on a curve of twenty-one and 08-100 feet radius, four hundred seventy and 34-100 feet on a curve of five hundred eleven and 58-100 feet radius, and twenty-five and 69-100 feet on a curve of fifteen and 00-100 feet radius.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this commission estimates that the abutting parcels of land situated on both sides of said Hampstead Lane will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on a plan marked "City of Boston, Hampstead Lane, West Roxbury, December 7, 1955, George G. Hyland, Commissioner of Public Works," and on file in the office of this commission.

PROCEEDINGS OF CITY COUNCIL.

Monday, December 12, 1955.

Regular meeting of the City Council held in the Council Chamber, City Hall, at 2 P.M., President HURLEY in the chair, and all the members present.

The Reverend Thomas J. Croke, of the Gate of Heaven Roman Catholic Church, South Boston, was escorted to the rostrum.

INVOCATION BY REV. THOMAS J. CROKE.

Direct, O Lord, we beseech Thee, all our actions by Thy holy inspiration, to carry them on by Thy gracious assistance that every prayer and work of ours may always begin from Thee and by Thee be happily ended. Through Christ our Lord. Amen.

Our Father, who art in Heaven, hallowed be Thy name; Thy kingdom come, Thy will be done, on earth as it is in heaven. Give us this day our daily bread and forgive us our trespasses as we forgive those who trespass against us, and lead us not into temptation, but deliver us from evil. Amen.

In the name of the Father, and of the Son, and of the Holy Ghost. Amen.

The meeting was opened with the salute to the Flag.

SURVEY OF TRAFFIC CONDITIONS ON BUNKER HILL STREET, CHARLESTOWN.

The following was received:

City of Boston,
Office of the Mayor, December 9, 1955.

To the City Council.

Gentlemen:

I transmit herewith communication from the Traffic Commissioner relative to your resolution of October 31, 1955, concerning traffic conditions on Bunker Hill street, Charlestown.

Respectfully,
J. B. HYNES, Mayor.

Boston Traffic Commission,
December 7, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

In response to the Council order of October 31, 1955, introduced by Councillor Ahearn, requesting a special study of traffic conditions on Bunker Hill street, Charlestown, I submit the following report.

While, at first glance, it might appear that the establishment of a through way in Bunker Hill street would be helpful to traffic conditions, familiarity with the use of the through-way device in streets of this nature reveals that a speed problem immediately results from such regulations.

Lifelong residents of the Bunker Hill area feel that Bunker Hill street would become a veritable race track because motorists using it would assume that all vehicles entering from side streets would stop. Very often, in spite of stop signs, those entering from side streets do not stop, and as a result extremely serious accidents result.

Our office is recommending to the State Department of Public Works that, in connection with the resurfacing of Bunker Hill street, underground conduit for future pedestrian traffic signals should be installed at the intersection of Bunker Hill street and Monument street and in Bunker Hill street in the vicinity of Bunker Hill Park. With the establishment of traffic lights, then Bunker Hill street will become safer under existing regulations or under any change in regulations.

It has been previously explained that, in order to establish stop streets, approval of the State Department of Public Works is necessary so that there will be some uniformity in such matters and so that there will not be so many finally established that motorists will consider them an irritation and come to disregard them. Some of the intersections on Bunker Hill street do not meet minimum warrants for the establishment of stop streets either in the amount of cross traffic, accident records, or speeding.

Accordingly, because a through way would increase hazards on Bunker Hill street and because certain entering streets do not fulfill the warrants required for stop streets, we regret to report that we cannot favor a change in the regulations at this time. However, we can look forward to the installation of traffic signals following the reconstruction of the roadway which is scheduled for the near future.

Respectfully yours,
WM. ARTHUR REILLY, Commissioner.

REPORT OF FINANCE COMMISSION ON DEFECTS IN PUBLIC WAYS.

The following was received:

City of Boston,
Finance Commission, December 7, 1955.

To the Honorable the Mayor and City Council:

One of the largest of the regularly recurrent annual expenditures of the City of Boston is the amount spent for the purpose of providing good local streets. This money is used for construction of new streets, for reconstruction of old streets, and for maintenance of new and old streets. The total of these expenditures includes a considerable sum for new sidewalks on new streets and for new sidewalks on old streets; and for repair of sidewalks on old streets. Over a short period of years, like one mayoralty administration, it amounts to many million dollars.

However, there is a mounting annual large expenditure by the city arising from accidents due to holes, breaks, collapses, etc., in the public ways of the city. The size of this expenditure has become so great that it is difficult to accept the philosophy that it is an inevitable and unavoidable cost. It is the hope that a portrayal of the situation will stimulate action to check and even reduce this second large expenditure which prompts this communication.

First of all, it is important to realize the vastness of the city's outlay intended to produce and maintain sound and safe surface condition of its highways.

In the period 1950-1954, the city spent for construction and maintenance of highway surfaces more than $19,000,000. The following tabulation shows how this sum was divided.

(CITY LABOR FORCE) — MAINTENANCE.

	1950.	*1951.*	*1952.*	*1953.*	*1954.*
Highway Expenditure	$925,740	$931,819	$1,014,102	$994,144	$911,753
Sidewalk and Curb	227,788	295,137	315,859	333,669	335,594
Total	$1,153,528	$1,226,956	$1,329,961	$1,327,813	$1,247,347

(CONTRACT WORK) — CONSTRUCTION.

Reconstruction of Streets	$106,976	$103,236	$94,640	$105,801	$12,994
Sidewalk-Construction-Reconstruction	66,945	116,673	78,945	78,571	89,973
Public Ways, Making of (Revenue)	158,891	159,201	157,500	157,500	147,859
Public Ways, Making of (Non-Revenue)	1,937,386	2,637,017	2,536,634	2,019,055	2,081,107
Total	$2,270,198	$3,016,127	$2,867,719	$2,360,927	$2,361,933

Average Annual Maintenance Expenditure $1,257,121
Average Annual Construction Expenditure $2,575,380

Despite this large expenditure, and particularly the amount spent for maintenance, in the period from August, 1954, to August, 1955, the city paid damage awards totaling well over $200,000 for personal injuries due to defects in its highways; and that amount is only a portion of the total which will ultimately be paid for claims remaining on the docket at the end of this period.

In this same 12-month period there were 239 damage claims due to personal injuries settled by payment to the claimants. These cases had their inception in various years going back to 1947; but this number is but a fraction of the total number filed in the years in question, and every one of them necessitated payroll expenses to the city.

Personal injury claims result much more often because of defects in sidewalks than in other street surfaces. In a recent year, for instance, when approximately 730 claims were filed, for which it is expected that 500 court actions will result, approximately 85 per cent were due to defects in sidewalks.

Many damage awards resulting from defects are paid by order of the City Council. Some are paid as the result of negotiations between legal representatives of the city after suit has been entered in court. Others are paid as the result of a verdict ordered by a judge or jury after a hearing of the merits. It can easily be realized, therefore, that in addition to the sums paid to claimants, there is a large payroll and other expenditure for adjudication of these claims. The expense of repair of defects, naturally, is a city expense.

There are limitations set out by law to the liability of the city in instances of injury. In addition to limiting the amount of recovery to $4,000 in any case, they relate principally to the seriousness of the defect and the length of time it has been in existence. It is important to realize that courts often determine the culpability of the city on the basis of the degree of use made of the location of the injury. Court interpretations of the law governing this situation protect the city against claims that might be based on trivial defects; and against claims in instances where the city had not had proper time to discover the defect and remedy it.

INSPECTION.

It is expected that the city will inform itself of the condition of the streets primarily through a form of inspection by employees of the Public Works Department; and this inspection is intended to be augumented by the workings of a police regulation requiring route police officers to report defects in streets and sidewalks, and to place protective barriers about them until corrected.

It is significant that the police rule spells out the duty of the police officers in this regard very carefully. It states:

Rule 46

1) The police shall be vigilant in observing the condition of the public streets in order that they may be safe and convenient for travel.

2) When a police officer discovers a defect or an obstruction in a public street which is likely to cause accidents, he shall at once remove it, if practicable; if the defect or obstruction is of such a nature that he cannot remove it, he shall take immediate measures to prevent accidents by erecting suitable guards, and if at night, by displaying lanterns.

3) If a defect in the public street is caused by want of repairs or the failure of a person who has made an excavation to restore the street to a proper condition, or there is a defective manhole or cesspool cover, the department of public works of the city shall be notified.

9) The Law Department of the City of Boston shall be immediately notified by the division commander of all cases of injuries caused by alleged street or sidewalk defects or street or sidewalk conditions.

It is apparent therefore that the Police Department recognizes the responsibility and takes means to pursue it. A measure of police diligence, to some extent, might be a comparison of the number of defects reported by the police in a given time with the number of claims of injury filed with the City Clerk in the same period. In this respect the ratio of police reports to claims is about 2 to 1 in favor of the police.

Public Works Department inspection is "something else again." It is this department's function to keep the highway surfaces in good order. Yet it has no organized or regular or routine inspection; it claims only that in the summer there is patrol by a group which finds and gives quick repairs to spots in the so-called "downtown" area. For the rest of the year the department relies on police reports of defects, except that occasionally an observant citizen, even sometimes an observant Public Works Department employee not assigned to this job, will report a dangerous defect. The fact of the matter is therefore that the department which should be most concerned about the condition of the street surfaces relies on other than its own organization to become informed of defects in the highways.

Furthermore, there appears to be no record made or kept of the approximate time of the first occurrence of the dangerous condition, though this might become important in city defense in a trial. The dated police report most nearly approaches that significant detail. It is the practice of the official in City Hall who receives this report to relay it to the Public Works Department yard in the district where the defect lies, but the record reveals that it is usually four, five, or six days after its receipt in City Hall that it arrives in the yard.

Thereafter, there being no standard routine procedure spelled out for the authority in the yard, the work of correction of the defective condition is left to the judgment of the employee in charge, usually the district foreman. Again the more or less voluntary practice is to take care immediately of a serious situation in an important area, and to take care of the less important when the work of the district will permit. Unfortunately this method is not good protection for the city, because the apparently less serious defects figure more often in the injury claims.

Analysis of the data of location of sidewalk accidents shows that the section of the city exhibiting the highest percentage of these accidents is what is known as Ward 3, which comprises a substantial part of the downtown area. From the language in the case of Hawkes vs. M.T.A., 328, Mass. 140, it is clear that this is the type of area where special vigilance is called for.

The pertinent language of the court decision in that case reads: "The standard of duty placed on a municipality 'is not an absolute or inflexible one, but should be given an application which is related to the character of the way and to the kind and amount of travel at the location of the alleged defect,' (McDonald vs. Boston, 318 Mass. 618 and Callagy vs. Boston, 297 Mass. 53). A condition which might constitute a defect in a thickly-settled district might not amount to a defect in a remote part of the city where the traffic was lighter. And what might be a defect on a sidewalk might not be one if situated on a way used principally for vehicular traffic."

CONCLUSION.

To what extent the quality of the work is a factor in the actionable cases of defect is not known. It is known that the defect is sometimes due to other causes; but in view of the prevailing types of defects, original quality of the work is hard to evaluate. These types are:

Raised sidewalk slabs, sinking of sidewalk after repair and patching following openings, raised meter boxes, curbstone sunken below level of sidewalk slab, broken and worn areas. It would seem that inspection for the purpose of preventing those conditions which give rise to suits against the city should center on these types of defects.

It is obvious that the Public Works Department makes little effort to prevent accidents by prompt discovery and remedy of defective conditions. It has not yet organized the work necessary. It passes over to the police officers who have many other duties the responsibility of discovery of highway hazards. The absence of adequate practice and records handicaps the Law Department in adjudicating claims.

The ultimate financial cost of accidents warrants a better effort along this line than is made at present.

It follows that the departments involved in this area of administration of service should come together and agree on a procedure which will be adequate in the situation. A routine and method which is comprehensive and meaningful is long overdue.

TAX ASSESSING INFORMATION CONCERNING CERTAIN PROPERTIES.

The following was received:

City of Boston,
Office of the Mayor, December 12, 1955.

To the City Council.

Gentlemen:

I transmit herewith communications from the Chairman of the Board of Assessors and the Collector-Treasurer relative to your order of November 28, 1955.

Respectfully,
J. B. HYNES, Mayor.

City of Boston,
Treasury Department, December 12, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

The records of the Collecting Division of the Treasury Department show in answer to question No. 2 of the City Council order of November 28, 1955, that the only outstanding accounts as of December 31, 1949, on the properties listed in question No. 2 were:

Item Y: location, 99 State Street; year, 1949; payments, $96.48, $1,741.85; costs and interest, $71.05; dates, February 9, 1950, September 29, 1950.

With reference to question No. 4, the dates and amounts of payments on each of these parcels are as listed on the following three pages. All the parcels listed on this schedule with the exception of X and Y will be found in the book marked Ward 3, O–Z, corresponding to the year of the assessment of the tax. The assessed owners are arranged in alphabetical order.

X will be found in book marked Ward 3, A–F, corresponding to the year of the assessment of the tax.

Y will be found in book marked Ward 3, A–F, for the assessment years 1949, 1950, and 1951, and in the Tax Title Account under location, 99 State Street, for the assessed years 1952, 1953, and 1954.

Respectfully yours,
JAMES E. GILDEA, Collector-Treasurer.

POLICE DEPARTMENT ORDERS.

(Continued from page 1527.)

Five days before each vacation begins, commanding officers shall forward to the Superintendent a list, in triplicate, giving the names of all officers who will be on that vacation. One day before vacation begins, commanding officers shall forward to the Superintendent a list, one original copy, giving the names and vacation addresses of the officers who are going on vacation.

Commanding officers of divisions and units shall not allow vacations to interfere with the proper operation of their organization, making shifts in the day and night duty and taking such other steps as may be necessary to provide adequate protection and proper functioning of the force under their control.

Two copies of this general order are sent to each division and unit so that one copy may be placed on the bulletin board for the direct notice of all officers.

The Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

General Order No. 2,143.

Acting under provisions of General Laws (Ter. Edit.), chapter 32, section 5, as amended (State-Boston Retirement System), the Boston Retirement Board has approved for retirement, on account of superannuation, the following-named police officer, effective at the close of business, Saturday, December 31, 1955.

In view of this operation of law, after December 31, 1955, the said police officer shall no longer be an active member of this department, and it is hereby ordered that its records be so amended.

Patrolman James P. Murphy, Division 6.

The Acting Superintendent of Police will promulgate this order.

THOMAS F. SULLIVAN,
Police Commissioner.

Re: Councillor Piemonte's order of November 28, 1955.

Dear Sir:

In reply to your memorandum of December 1, 1955, we are enclosing answers to the third part of paragraph 2 and to the entire question in paragraph 3 of Councillor Piemonte's order.

It seems to me that the other questions of the order should be referred to the Corporation Counsel and the City Collector-Treasurer.

Very truly yours,
EDMUND J. BURKE, Chairman of the Board of Assessors.

CAMPAIGN AGAINST SALE OF OBSCENE PRINTED MATERIAL.

Coun. AHEARN offered the following:

Whereas, Evidence now appears of the open and flagrant sale of obscene literature in Boston; and

Whereas, This City Council has always recognized the danger to our community from the sale and circulation of obscene books; and

Whereas, The preventing of the circulation of obscene books and pictures is a major factor in the fight against juvenile delinquency; and

Whereas, Present methods of preventing the circulation of obscene literature are not entirely effective; now, therefore, be it

Resolved, That the Boston City Council in meeting assembled hereby calls on all parents and adults in the City of Boston to join in the campaign against the sale and circulation of bad books, magazines, and obscene printed material and requests our parents and adults to police magazine and book racks in stores with a view to protesting

to store proprietors the sale of bad books and literature and boycotting stores offering obscene literature for sale or circulation.

The resolution was adopted under suspension of the rules.

MEETING OF COMMITTEE ON PUBLIC HOUSING.

President HURLEY announced that there would be a meeting of the Committee on Public Housing Tuesday, December 13, 1955, at 11 A.M., to consider the sale by the Boston Housing Authority of multiple housing projects.

FAVORING PASSAGE OF BILLS RE ECONOMIC CONDITION OF BOSTON.

Coun. McLAUGHLIN offered the following:

Whereas, There has been a great deal of discussion in recent months concerning the economic problems of Boston; and

Whereas, It is agreed that legislative relief is an essential element to the proper solution of these problems; and

Whereas, There are now on file for consideration by the Great and General Court of the Commonwealth of Massachusetts fifteen bills designed to save the City of Boston approximately $7,000,000 per year, filed jointly by the Boston Citizens' Council, the Boston Municipal Research Bureau, the Boston Real Estate Board, the Boston Retail Trade Board, and the Greater Boston Chamber of Commerce; and

Whereas, These organizations should be encouraged to be active in matters of this nature; and

Whereas, Legislation of this type, while not a panacea to the ills of Boston, is a firm step in the right direction; now, therefore, be it

Resolved, That the Boston City Council in meeting assembled favors in principle the adoption of these bills; and be it further

Resolved, That a copy of this resolution be forwarded to the five sponsoring organizations and to each member of the Great and General Court who represents the City of Boston.

The resolution was adopted under suspension of the rules.

ENVIRONMENTAL SANITATION INSPECTOR (FOOD).

Coun. McCORMACK offered the following:

Ordered, That his Honor the Mayor request the Administrative Services Board that Schedule B of the Classification and Compensation Plan for the City of Boston employees, adopted by and passed by the City Council on November 24, 1952, and approved by the Mayor on November 25, 1952, be amended by striking out after the words "compensation grade" under the caption "environmental sanitation inspector (food)" the figure 17 and inserting in place thereof 19.

Referred to the Executive Committee.

NAMING OF SQUARE IN HONOR OF WILLIAM C. LOUGHMAN.

Coun. McCORMACK offered the following:

Ordered, That the Committee to Memorialize Veterans be requested, through his Honor the Mayor, to name the square at the intersection of Tremont and St. Alphonsus streets, Roxbury, in honor of Seaman 2 C William C. Loughman who was killed in action on August 9, 1942, aboard the U.S.S. *Quincy* in the Pacific theatre of war.

Passed under suspension of the rules.

FINAL MEETING OF PRESENT CITY COUNCIL.

President HURLEY announced that the last meeting of the Council would be held on Thursday, December 29, 1955, to clean up the matters before the committees and that after the meeting the Mayor would tender a luncheon to the members of the Council, the members of the press, and the attachés.

STATEMENT OF COUN. PIEMONTE.

Adjourned, at 5.25 P.M., on motion of Councillor Kerrigan, to meet on Monday, December 19, 1955, at 2 P.M.

Note: All debate of City Council eliminated from proceedings in accordance with Chapter 447, Acts of 1947.

(Stenographic copy of such debate on file in office of City Clerk.)

FIRE DEPARTMENT ORDERS.

General Order No. 65.

I. RESIGNATION.

The following resignation, effective at 8 A.M., Wednesday, December 21, 1955, is hereby announced:

Fire Fighter Raymond P. Owens, Engine Company 49.

II. TRANSFER.

The following transfer, effective at 8 A.M., Wednesday, December 21, 1955, is hereby announced:

Fire Fighter Herbert T. White, from Ladder Company 3 to Engine 55.

III. HIGH COMMENDATION.

An alarm was received from Box 2517 at twelve minutes after 1 o'clock on the morning of December 4, 1955. Engine 28, Engine Squad 53, Ladder Companies 10, 30, and the District Fire Chief responded and found a two-family dwelling house at 5-7 St. Rose street, Jamaica Plain, involved in fire.

Members of the department were informed by people in the street that a woman was trapped on the second floor. Immediately, Fire Fighter Warren F. Hall of Engine Company 28 entered the building in advance of the line, ascended the stairs to the second floor, and made his way to a bedroom in the front of the building. This room was afire; nevertheless, Fire Fighter Hall, in spite of intense heat and smoke, made his way into the room. He found an unconscious woman on the floor, lifted and carried her out of the room, along the hallway, to the head of the stairs, where he was assisted by members of Ladder Company 10 in removing her to the street.

The members of Engine Squad 53 gave the victim first aid; she was removed to the Boston City Hospital in a police ambulance.

Prior to the arrival of the apparatus, a passer-by attempted to enter the building and rescue the victim but was overcome by the intense heat and inhalation of smoke. He was given first aid by members of Engine Squad 53 and removed in a police ambulance to the Boston City Hospital.

The Fire Commissioner is pleased to highly commend Fire Fighter Hall for his prompt and courageous action under adverse conditions with a total disregard for his own personal safety. This case is hereby referred to the Board of Merit for further consideration.

IV. COMMENDATION.

A still alarm was received at 5.45 P.M., December 6, 1955, followed by an alarm from Box 4184 at 5.46 o'clock for a fire in a building at 662-664 Main street, Charlestown.

Upon arrival of Engine Company 32, in response to the still alarm, fire had blown out two large plate glass windows in a store on the first floor, and several windows on the side and in the rear, and considerable fire was showing and rapidly extending to the upper floors, which were occupied as dwellings. The fire also extended to a three-story wooden dwelling across a narrow alleyway and threatened a six-family dwelling in the rear. Many families were housed in these buildings.

Fire Captain Walter W. Corwin of Engine Company 32, who was off duty, arrived at the scene from his home nearby, at about the same time as the first apparatus. He quickly observed the serious fire conditions and, realizing the grave life hazard that might be involved, ordered a second alarm transmitted over Engine 32's radio.

Captain Corwin took charge until the arrival of the district fire chief and then assisted the chief in placing the first alarm companies and in ascertaining that all persons were out of the fire building.

Captain Corwin, due to his alertness and exercise of good judgment, and the assistance given the district chief in the first few minutes of operation, prevented what could have been a much more serious fire and possible loss of life.

The Fire Commissioner is pleased to commend Fire Captain Walter W. Corwin for his prompt and efficient action, which reflects great credit on himself, the community, and the Fire Department.

V. BAND-CHRISTMAS FESTIVAL SANTA CLAUS.

The Boston Fire Department Band will give a public concert at 12 o'clock noon, Saturday, December 17, in front of the Boston *Post*, 259 Washington street, Boston. This musical program by the Boston Fire Fighters is in connection with the Christmas Festival Santa Claus sponsored by the Mayor of Boston and the Boston *Post*.

Band members shall report to Fire Fighter Band Manager Joseph Schein at 11.45 A.M. They will be excused from the day tour of duty.

By order of Fire Commissioner FRANCIS X. COTTER.

JOHN V. STAPLETON,
Chief of Department.

General Order No. 66.

I. RETIREMENTS.

The following retirements, in accordance with section 7, chapter 658, of the Acts of 1945, as amended, are hereby announced to become effective at 8 A.M., January 1, 1956:

Fire Lieut. Francis J. McNamara, Ladder Company 23.

Fire Fighter John B. O'Connor, Engine Company 8.

Fire Fighter Charles F. Kilday, Ladder Company 14.

Fire Lieutenant McNamara was appointed to the Fire Department February 1, 1924, and was promoted to the grade of fire lieutenant October 17, 1945; Fire Fighter O'Connor was appointed to the department January 22, 1947; and Fire Fighter Kilday was appointed June 20, 1951.

All the foregoing-named leave the department with the best wishes of their associates.

II. RESIGNATIONS.

The following resignations which became effective at 4.30 P.M., Friday, December 16, 1955, are hereby announced:

Fire Apparatus Repairman Andrew A. DeFrancesco, Maintenance Division.

Fire Apparatus Repairman William L. Heigham, Maintenance Division.

The following resignation, which will become effective at 5 P.M., Tuesday, December 27, 1955, is hereby announced:

Clerk and Typist Emily A. Randall, Fire Prevention Division.

III. Fire Alarm Box Established.

The following fire alarm box will be installed in the near future.

12-2388, Jefferson School, 240 Heath street.

The circuit number for this fire alarm box will be announced when the box is installed.

Company commanders will add the above box to Assignment Card for Box 2388.

IV. Letter of Appreciation.

The following letter, received in Headquarters, is hereby promulgated for the information of the department:

Archbishop's House,
2101 Commonwealth Avenue,
Brighton, December 17, 1955.

My Dear Friends:

During this beautiful Christmas season I wish to renew my thanks for the generosity of the members of the Boston Fire and Boston Protective Departments towards the convent of the Dominican Sisters of the Sick Poor, at 109 Mount Pleasant avenue, Roxbury.

Your gifts were given in the following amounts: $1,500 at the time of the Communion Breakfast and $2,500 in answer to a later appeal. I also received $500 in special gifts from individual donors who prefer to remain anonymous. That makes a total of $4,500.

Your benefactions amount to a larger sum than all gifts received from all sources for the construction of this convent.

Anytime the members of the Fire and Protective Departments are in the area of the chapel they will be very welcome to call and visit the chapel and the sisters.

There is a small memorial tablet within the chapel designating it as your gift. Later on I hope to have a more substantial memorial witnessing to your great interest in this wonderful project.

The sisters who staff this convent will visit and serve the sick poor in their own homes. Even in a short while they have contacted about twenty patients. I hope you can continue your interest in their work. It is a grand charity.

Since I am writing to you during the pre-Christmas season I take this occasion to wish you all, and all near and dear to you, all the joys and blessings of the Christmas season and a thrice blessed New Year.

Your ever-grateful and devoted friend,

Richard J. Cushing,
Archbishop of Boston.

Members of the Boston Fire
and Boston Protective Departments,
Boston, Mass.

V. Commendations.

A still alarm was received at 8.27 A.M., on Monday, December 12, 1955, followed by an alarm from Box 7137, with successive alarms received, up to five, for a fire on West Broadway, South Boston. This five involved several dwelling houses in the congested section between A and B streets. A high wind was blowing at the time, and the fire burned with great rapidity, presenting a serious life hazard, and for a time assumed potential conflagration proportions.

The prompt and efficient action of the members of this department, including many members who were off duty, resulted in the saving of several lives and prevented a possible conflagration.

The Fire Commissioner is pleased to commend Fire Fighter Anthony W. Kane of Engine Company 2, who was off duty, the members of Ladder Companies 17 and 18, first arriving ladder companies, and Fire Fighter John J. Feeney of Engine Company 1 for their outstanding work in rescuing five persons who were trapped on the fourth floor.

The following-named members, who were off duty, responded and rendered valuable assistance at this fire consisting of the removal of occupants from the several buildings, the raising of ladders, the running of hose lines, patrolling for flying embers, axe duty and overhauling.

Fire Lieut. David F. Harrison, Engine Company 54.

Fire Lieut. Walter J. LaMontagne, Engine Company 39.

Fire Lieut. Edward W. Owens, Ladder Company 24.

Fire Fighter-Aide to Chief of Department Thomas H. Burke.

Fire Fighter Frank L. Mayo, Headquarters.

Fire Fighter John F. Denehy, Engine Company 32.

Fire Fighter George F. McCafferty, Engine Company 33.

Fire Fighter Robert P. Foley, Engine Company 43.

Fire Fighter Richard D. Kenneally, Engine Company 4.

Fire Fighter James W. Parks, Rescue Company.

Fire Fighter Thomas J. Heanue, Engine Company 1.

Fire Fighter John L. Glynn, Ladder Company 20.

Fire Fighter Harold J. Ennis, Ladder Company 12.

Fire Fighter Leo J. Fama, Engine Company 39.

Fire Fighter Michael J. Corrigan, Ladder Company 18.

Fire Fighter James M. Walsh, Ladder Company 18.

The Fire Commissioner is pleased to commend these members for their spirit and cooperation which reflects great credit on themselves and the Boston Fire Department.

VI. Band—Mayor's Annual Christmas Party—Long Island.

The Boston Fire Department Band will give a concert at the Mayor's Christmas Party to be held at Long Island on Thursday, December 22. Band members are to report to Fire Fighter Band Manager Joseph Schein in the Administration Building at 10.30 A.M., Members on the day tour will be excused from duty. Members on the night tour will be excused until 10 P.M.

By order of Fire Commissioner Francis X. Cotter.

John V. Stapleton,
Chief of Department.

REHABILITATION AND CONSERVATION PROGRAM AS SPONSORED BY MAYOR JOHN B. HYNES MAKES STEADY PROGRESS—DISTRICT COMMITTEES STUDY PROBLEMS AND MAKE MANY RECOMMENDATIONS—PROSPECTS FOR 1956 VERY PROMISING.

The Mayor's Rehabilitation and Conservation Program has developed with exceptional speed over the past few months because of the interest and need for citizen assistance in planning and advising for urban renewal which is anticipated in Boston within the next few months after the "workable program" has been sanctioned by the Housing and Home Finance Agency in Washington.* In the older sections of the city, particularly, the Rehabilitation Committees, made up of businessmen and clergymen in the districts, have indicated much foresight and understanding of the problem in selecting areas within their sections which would benefit under the Urban Renewal Program. In the South End, Roxbury, Charlestown, and Dorchester, many worth-while ideas have been brought out to assist in developing the renewal program when it gets under way.

Committees have been reorganized and are working with renewed vigor in Roxbury, Brighton, West Roxbury, Jamaica Plain, North End, Roslindale, and Dorchester. These groups of civic-minded men are meeting regularly to plan and advise for the improvement and maintenance of all property and facilities in their areas as well as to protect the assets which they already have.

Timely activities have been suggested and advised by these groups to maintain and build up the physical appearance and facilities in their respective communities. They have initiated the elimination of many abandoned and blighted buildings which are a danger as well as an eyesore. Some of these buildings have been repaired and painted, others torn down, boarded up, or sold to more conscientious owners.

Utilization of vacant property has been of prime interest to many committees who have urged and instigated owners to clean up or sell such sites. Improvement of traffic conditions by advising one-way streets, suggesting safer and more effective signals and stop signs, and urging more off-street parking are suggestions of Rehabilitation Committees in Jamaica Plain, North End, South End, Roslindale, Dorchester, and West Roxbury.

Streets and sidewalks are being repaired or resurfaced and street lighting improved as a result of committee action in several communities.

Surveys are under way by several of the Rehabilitation Committees to determine where their interest can be most effective, what parts of their districts can be improved the most through addition of trees, parks, or play areas, how recreational facilities can be developed and, most important, in what way can citizens best play their part in this worth-while program. This last is vital to the success of this rehabilitation movement. Already many landowners have cooperated extensively, and it is becoming increasingly evident that citizens are developing renewed pride in their homes as well as an awareness of conditions in their neighborhood. This is only the beginning. Real success can only be sustained by continuous steady action heralded by concrete results.

* This program will prevent and eliminate the causes of slums and blight in place of the previous piecemeal measures to clear limited slum areas.

"O Boston, fair City enthroned like a radiant queen,
From thy hills looking down on the ship-teeming plain of the ocean;
May thy future be bright, thy skies beam with light all serene,
Ensured by thy sons' and thy daughters' unselfish devotion!"

MAYOR HYNES VETOES HEALTH INSURANCE PLAN —SEES EXCESSIVE EFFECT ON TAX RATE—OTHER EMPLOYEE BENEFITS CONSIDERED.

Mayor Hynes has vetoed a City Council order calling for acceptance of state legislation that would have allowed a group life and medical insurance policy to city and county employees.

The Mayor in a letter to the City Council cites the financial position of the city as his reason for turning down the insurance plan, which would cost the city about $1,350,000 annually.

The letter to the City Council follows:

To the City Council.

GENTLEMEN:

I regret I find it necessary to return herewith, without my signature and disapproved, the order passed by your Honorable Body on December 12, 1955, accepting chapter 760 of the Acts of 1955.

Section 3 of said chapter provides that the Mayor in any city "Upon acceptance of this chapter . . . shall negotiate with and purchase . . . from one or more insurance companies . . . a policy or policies of . . . group life and accidental death and dismemberment insurance and hospital, surgical and medical benefits for the employees of said city." It is clear from this language that my approval of the order in question would definitely commit the city in the ensuing fiscal year to the financial obligations attached to the execution of the insurance contracts involved.

Under the terms of the legislation one half of the cost of the premiums for such insurance shall be deducted from the wages of the employees and the remaining 50 per cent shall be contributed by the city. Based on tentative estimates secured by the Director of Administrative Services from insurance groups, it appears that the initial annual contributions of the city to such a program would approximate $1,350,000.

In accordance with prior announcements, it is my intention to provide in the 1956 budget for increases in the compensation of the policemen, fire fighters, jail and correction officers. In addition, I have under consideration a reduction in the period during which existing compensation maxima shall be attained together with modifications in the vacation policy of the city. From recent press announcements, it would appear that additional appropriations for compensation of school employees must be considered in 1956. It is also apparent that pension requirements are still on the upward trend. An over-all calculation of the amounts involved in these various proposals, including that for group insurance, would appear to indicate, without any consideration of budget increases in items other than for personal services or benefits, a tax rate increase in the neighborhood of $5.

I feel certain you will agree that the present financial condition of the city does not warrant the imposition of such an additional burden on the taxpayers. While desirous of maintaining employment conditions in municipal depart-

ments at a high level, I believe that until steps are taken to strengthen and expand the revenue base of Massachusetts' cities and towns we must defer action of the type authorized under chapter 760. For this reason I am constrained to veto the order involving the acceptance of this act.

Respectfully,

John B. Hynes, *Mayor.*

NEW SEWERAGE LINE IN MORRISSEY BOULEVARD.

The Public Improvement Commission has ordered that a public improvement be made consisting of the construction of 145 linear feet of 10-inch pipe sewer at an estimated cost of $2,500 in William T. Morrissey Boulevard, Dorchester district, on the westerly side, approximately 250 feet south of Freeport street.

Ordered, That this commission estimates that the undermentioned parcel of land situated on William T. Morrissey Boulevard, as shown on a plan marked "City of Boston, Plan No. 1455B, Sewerage Works, William T. Morrissey Boulevard, Dorchester, December 7, 1955, George G. Hyland, Commissioner of Public Works" and on file in the office of this department, will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered, in the amount hereinafter respectively set against it.

Shell Oil Company (Delaware Corporation), $870.

MAYOR HYNES ENDORSES HIGHWAY SAFETY SLOGAN.

In cooperation with a national appeal, Mayor John B. Hynes today endorsed the year-end highway safety campaign slogan of the Automobile Club of America, "For Holiday Safety, If You Take 'One for the Road', Make It Coffee."

During the holidays, the Mayor points out, motorists and pedestrians alike oftimes forget the dangers and hazards of traffic accidents. In the midst of happiness and merriment tragedy strikes without notice unless we prepare ourselves and make some effort to prevent accidents from happening.

A few simple pointers suggested by the Mayor to both motorists and pedestrians could very well reduce tragic accidents this holiday season.

1. Don't drive if you plan to drink.
2. When either driving or walking, be extremely careful — perhaps the other fellow will have been drinking.
3. Don't ride with any driver who has been drinking.
4. If you take "ONE FOR THE ROAD", make it COFFEE.
5. Drive safely, sanely, and courteously. Remember — The Life You Save Could Very Well Be Your Own.

SEWERAGE WORKS IN ISLAND STREET, ROXBURY.

The Public Improvement Commission has ordered that a public improvement be made consisting of the construction of 125 linear feet of 10-inch pipe sewer, at an estimated cost of $2,600, in Island street, Roxbury district, from existing sewer in Massachusetts avenue westerly 125 feet.

Ordered, That this commission estimates that the undermentioned parcel of land situated on the southerly side of Island street, as shown on a plan marked "City of Boston, Plan No. 1465, Sewerage Works, Island Street, Roxbury, August 10, 1955, George G. Hyland, Commissioner of Public Works," and on file in the office of this department, will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered, in the amount hereinafter mentioned.

J. F. Dickson Realty Company, $750.

ANSELM TERRACE, BRIGHTON, CONSTRUCTION ORDERED.

The Public Improvement Commission has voted that in accordance with the provisions of chapter 117 of the Acts of 1947, permission is hereby granted to Sandy Brook Corporation, 82 Hancock street, Lexington, to prepare for public travel Anselm terrace, Brighton district, from Glenmont road approximately 410 feet southerly, provided that the construction of said Anselm terrace shall be in accordance with the City of Boston plans and specifications for the construction of private ways opened for public travel, as shown on a plan titled "Standard Construction Plan of Private Ways Open for Public Travel, October 28, 1954, George G. Hyland, Commissioner of Public Works," and in accordance with the lines and grade shown on a plan dated December 27, 1952, by George C. Hallisey, surveyor, filed in the Survey Division of the Public Works Department, City of Boston.

ADMINISTRATIVE SERVICES DEPARTMENT.

Purchasing Division.

Upon November 22 the Mayor approved contracts as requested in the following letter:

BOSTON, November 17, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

On July 8, 1955, bids were publicly opened and read in this office for traffic signal equipment for the Traffic Commission. Permission is requested to award contracts to the lowest bidders on Items 12, 15, 16, 17, 18, and 19 and to the bidders as indicated on the accompanying tabulation for all other items for the following reasons:

At the present time, the City of Boston has more than $75,000 worth of R. W. LeBaron, Inc., equipment which is interchangeable with that bid on by R. W. LeBaron, Inc., whereas the city has no Marbelite signal housings. To introduce a different type of equipment would necessitate the stocking of additional parts and maintenance crews carrying several different types of equipment for replacing broken signals. Each year there are more than one hundred signals broken by accidents.

As a result of publicly opened bids on June 5, 1953, the lowest bidder, the Marbelite Company, Inc., entered into a contract with the City of Boston for the first time on August 6, 1953, for delivery of traffic signal equipment. Delivery time allowed was three months. On April 23, 1954, this contract was canceled for nondelivery and subsequently awarded to the next lowest bidder, R. W. LeBaron, Inc.

Approximate total amounts of contracts will be: R. W. LeBaron, Inc., $15,399.78, net; Municipal Signal and Supply Company, $1,625, net, thirty days.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

ADMINISTRATIVE SERVICES DEPARTMENT.
Purchasing Division.

BOSTON, December 12, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

This office is in receipt of requisitions from the Welfare Department for 2,030,000 cards and 800,000 checks as distributed by International Business Machines Corporation.

Inasmuch as the above company is the sole distributor of these items, it is my opinion that no advantage would be gained by publicly advertising for prices. It is therefore requested that authority be granted me to dispense with publicly advertising for prices and award a contract, without public advertisement, to International Business Machines Corporation for 2,030,000 cards at $2,512.10, lot, and 800,000 checks at $2,340.00, lot.

Approximate total amount of contract will be $4,852.10, net, thirty days. All items f.o.b. Endicott, New York.

Respectfully yours,

JOHN V. MORAN,
Purchasing Agent.

DEPARTMENT OF SCHOOL BUILDINGS.

BOSTON, December 9, 1955.

HON. JOHN B. HYNES,
Mayor of Boston.

DEAR MR. MAYOR:

The Old English High School building at Warrenton and Dartmouth streets has been razed to yard-level grade, and now it is necessary to make borings and dig test pits for the purpose of determining the nature of soil for load-bearing capacities to provide for loads to be superimposed by the construction of a new building.

This department has some information concerning foundations which underlie the basement floor, but no information as to exact dimensions, location, depth, or extent of foundations which we know to be composite. For these reasons I am unable to determine the number of test pits or borings that will have to be made, nor am I able to locate them accurately enough to so specify in order to acquire competitive bidding.

Consequently I ask that you waive the requirements for advertised bidding and authorize me to engage the firm of Charles A. Leary Company, 44 School street,

Boston, to perform the work required as directed by engineers of this department at a cost not to exceed $1,000.

This department's engineers will be accountable for supervision of the work, the keeping of time, labor, and material records, and certification of expenditures.

Very truly yours,

James H. Mooney,
Superintendent of Construction.

—

Boston, December 9, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

Under date of September 29, 1955, you approved an amendment to the contract of Rodgers Motor Lines of Boston, Inc., which was executed with said company after the opening of competitive bids, and now, due to the unusual volume of work required, caused primarily by the action of the School Committee in transferring Girls' Latin School, formerly on Teachers College property, to what was the Dorchester High School for Girls in Codman square, Dorchester, I find it necessary to again ask you to dispense with public advertising, as no useful purpose would appear to be served thereby, and approve another amendment to the contract in the amount of $8,000, making the total contract $18,000, for the period beginning April 1, 1955, and ending March 31, 1956.

The rates as recorded in the original contract would be applicable to work provided under the amended contract.

Respectfully yours,

James H. Mooney,
Superintendent of Construction.

Penal Institutions Department.

Boston, December 9, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Sir:

Chapter 69, Acts of 1941, provides "that all persons committed for *any* crime, unless the court otherwise orders, have or cause to be taken his name, age, height, weight, photograph and general description and copies of his fingerprints in accordance with the fingerprint system of identification of criminals. All such photographs and identifying matter shall be committed forthwith to the Commissioner of Public Safety." The above law took effect on June 8, 1941, and, since that date, it is compulsory that all inmates be photographed upon commitment.

In accordance with the above law, I therefore respectfully request permission to award a contract, without public advertising, to pay Fay Foto Service, Inc., for the performance of taking photographs of all persons committed to the House of Correction, Deer Island, in the sum of $1.75 for each set of the pictures of each person photographed. The contract shall be for a period beginning with the first day of January, 1956, and ending on the thirty-first day of December, 1956. Estimated cost will exceed $1,000.

This type of work is necessarily of a very confidential nature. The Fay Foto Service, Inc., has done this work for a number of years in a highly satisfactory manner. Because this company has guarded carefully these confidences and because the confidential matter is best intrusted to one company, I feel that the city's interests will be best served by engaging their services.

Yours very truly,

Edward L. Friel,
Penal Institutions Commissioner.

Public Works Department.

Boston, December 19, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

Because of the unusual conditions which often arise following snowstorms and the prolonged periods during which the equipment and necessary labor provided by contractors must be kept at work, the cost in some instances will be more than $1,000, necessitating, under the provisions of the City Charter, written contracts with the firms which have been engaged.

I consider it to the city's advantage to have the department in a position to call upon contractors to furnish labor and equipment, when and where required, when emergency occasions arise, and I respectfully request the authority of your Honor to dispense with advertising and to award contracts to the following-named firms and individuals to furnish labor and equipment when considered necessary for the years 1955 and 1956 to supplement the regular forces of the Public Works Department engaged in snow removal activities:

M. DeMatteo Construction Company, 200 Hancock street, Quincy.

James A. Freany, Inc., 1 West street, Hyde Park.

D. A. Rossano Construction Company, Inc., 401 Border street, East Boston.

Rufo Construction Company, Inc., 1 Allen street, Brighton.

Ward General Contracting Company, 157 Hampden street, Roxbury.

William G. Balch, 14 Humphreys place, Dorchester.

P. V. Barone Corporation, 70 Glencoe street, Brighton.

J. D'Amico, Inc., 49 Ellison avenue, Dorchester.

Joseph J. Struzziery, 115 Kittredge street, West Roxbury.

S. J. Tomasello Corporation, 25 Huntington avenue.

J. A. Singarella Company, 15 Bay street, Dorchester.

Paccella Brothers, Inc., 247 Washington street, Dedham.

C. & R. Construction Company, 75 Bradeen street, Roslindale.

Atlantic Roads Company, Inc., 358 Medford street, Charlestown.

Dooley Brothers, Inc., 39 George street, Roxbury.

Baker & Co., Inc., 3475 Washington street, Jamaica Plain.

M. J. Kelly Co., Inc., 75 Stedman street, Jamaica Plain.

Walsh Company, 55 Perham street, West Roxbury.

From a canvass conducted by the department, it has been ascertained that the firms named can furnish the equipment necessary to do the required snow removal work. Furthermore, advertising for bids would not, in my opinion, be practicable on account of the uncertainty of the amount of work to be done, and also because the contract involves the rental of equipment and the hiring of labor only, and the rates paid are in accordance with the prevailing rates established in this area for this type of work.

In the event this work becomes necessary, payment will be made in accordance with the schedule of rates established by this department as will be specifically set forth in the contract.

Respectfully yours,

George G. Hyland,
Commissioner of Public Works.

Real Property Department.

Boston, December 16, 1955.

Hon. John B. Hynes,
Mayor of Boston.

Dear Mr. Mayor:

On October 26, 1955, the City of Boston, acting by the Real Property Board, entered into a contract with William Nelson Jacobs Associates, Inc., providing for architectural and engineering services in connection with the preparation of plans and specifications for the construction of an off-street parking structure at Hayward place, Harrison Avenue Extension, and Norfolk place, Boston.

The contract was executed based on an estimated construction cost of $1,250,000, the architect-engineer's fee being stated therein as 5.83 per cent of the full amount of the cost of construction of the structure.

Upon further consideration and investigation, including additional consultations with the architect-engineer, the Real Property Board is now of the opinion that a more accurate approximate of the construction cost of the parking structure is $1,450,000. This most recent estimate of the construction cost will result in a reduction in the architect-engineer's fee from 5.83 per cent of the total construction cost to 5.7 per cent of said cost, all in accordance with standard A. I. A. fees paid for such services.

In the light of the foregoing, your authorization is respectfully requested to dispense with public advertising and to amend the principal contract by substituting the figure $1,450,000 for $1,250,000, wherever the same may appear in the contract, and by inserting 5.7 per cent in place of 5.83 per cent as the basic fee in the contract.

Respectfully submitted,

Herman Carp,
Commissioner of Real Property,
Chairman, Real Property Board.

EXTENSION OF CONTRACTS.

DEPARTMENT OF SCHOOL BUILDINGS.

Approval has been given for an extension of time for the completion of the contract with Arthur H. Curtis Company for furnishing and installing new oil burners at the Hyde Park High School from December 15, 1955, to January 25, 1956. This extension was requested because of a water condition at the school causing a delay in the progress of installation.

—

Approval has been given for an extension of time for the completion of the contract approved October 6, 1955 with Rossano Construction Company, Inc., for alterations at the Girls' High School from November 10, 1955, to March 1, 1956. This extension was requested because of a delay in receiving a special sink from manufacturer.

PUBLIC WORKS DEPARTMENT.

Approval has been given for an extension of time for the completion of the contract dated October 10, 1955, with Old Colony Construction Company of Quincy, Vernon street, Quincy, for work on Huntington avenue from November 21, 1955, to June 30, 1956. This is a Chapter 90 project. This extension was granted in line with the State Department of Public Works having voted to extend the time limit.

Approval has been given for an extension of time for the completion of the contract dated July 25, 1955, with S. J. Tomasello Corporation, 25 Huntington avenue, for bituminous concrete pavement in Chiswick terrace, etc., from December 31, 1955, to June 30, 1956. This extension was requested because the contractor was unable to complete the contract due to inclement weather.

Approval has been given for an extension of time for the completion of the contract dated August 31, 1955 with S. J. Tomasello Corporation, 25 Huntington avenue, for bituminous concrete pavement and sewerage works in Mt. Vernon street, from William T. Morrissey Boulevard to about 3,600 feet east of William T. Morrissey Boulevard from December 31, 1955, to June 30, 1956. This extension was requested because the contractor was unable to complete the contract due to inclement weather.

EXTRA WORK UNDER CONTRACT.

PUBLIC WORKS DEPARTMENT.

S. J. Tomasello Corporation has been directed to perform the following extra work under the contract, dated July 13, 1955, for bituminous concrete pavement in Burr street, Carolina avenue, Cheshire street, Dane street, Hawthorne street, Heathcote street, Perkins street, and Sedgwick street.

In Carolina avenue, in existing backfilled trenches over lighting conduits excavate earth to a depth of 6 inches, remove pavement for a distance of 6 inches on each side, and place a 6-inch concrete mat flush with existing pavement. A 6-inch shoulder shall be provided around the perimeter of all openings to insure a bearing for the concrete mat on undisturbed soil. This work is to be done by compressor and hand labor, and high early strength Portland cement concrete shall be used for the concrete mat. There is approximately 90.2 square yards of this work, and the price to be paid is to be $5 per square yard. Estimated cost of extra work, $451.

—

Kane & Diaferio Construction Company has been directed to perform the following extra work under the contract dated August 31, 1955, for construction of addition to Public Works Department Garage at Highland street, Roxbury.

Furnish all materials, labor, and incidental work necessary to fireproof two beams at addition to Highland Street Garage for the lump sum of $675. This lump sum amount is to include all overhead and profit for any contractors involved in the performance of the above work. Also included in the lump sum amount is any insurance or governmental contributions to be paid by the contractor. Estimated cost of extra work, $675.

EXTENSION OF MAPLE STREET, WEST ROXBURY.

The Public Improvement Commission has ordered that a public improvement be made, consisting of the laying out and construction of an extension of Maple street (formerly Addington road), West Roxbury district, from Maple street to Corey street.

An extension of the highway named Maple street is hereby laid out from Maple street to Corey street (formerly a part of Addington road) and ordered constructed.

Said highway and the land, exclusive of trees, shrubs, or structures standing upon or affixed thereto, in which an easement for street purposes is hereby taken, is bounded and described as follows:

Southeasterly by the existing public portion of Maple street, forty and 71/100 feet; again southeasterly by the southeasterly line of Maple street by two measurements as hereby laid out, six hundred thirty-six and 80/100 feet and twenty-three and 49/100 feet on a curve of three hundred ninety-one and 75/100 feet radius; southwesterly by the northeasterly line of Corey street, forty and 73/100 feet; northwesterly by the northwesterly line of Maple Street Extension as hereby laid out by two measurements, six hundred nine and 30/100 feet and ninety-two and 73/100 feet on a curve of three hundred sixty-eight and 75/100 feet radius; northeasterly by the northeasterly line of said Maple Street Extension as hereby laid out, forty-three and 53/100 feet.

Trees, shrubs, or structures standing upon or affixed to the aforedescribed land shall be removed therefrom within thirty days following a notice of the city's intention to enter upon said land for the purpose of constructing said improvement.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this commission estimates that the abutting parcels of land situated on both sides of said Maple street will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said parcels in the amounts hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on a plan hereinbefore referred to and on file in the office of said department.
